DIRECTOR'S REPORT

The Board of Directors of Ecopack Limited is pleased to present the audited financial statements for the year ended 30th June 2006.

Overview:

Your Company this year has achieved its highest, ever sales by crossing the billion rupee sales mark. It has registered an annual record sales of Rs. 1,162.00 million with a growth rate of 55% over previous year. Profit after tax grew by an impressive 133% over previous year to Rs. 64.50 million. EPS too has grown by 120% over last year to Rs. 3.93 per share. In light of the strong financial results the Board has recommended a 40% share dividend.

Sales and Operations:

Once again your company's commitment to meet growing market demand through apt and timely production capacity enhancements has made these positive results possible. In July 2005 Ecopack's bottle capacity enhancement was successfully brought into commercial production followed by a subsequent capacity enhancement in preform manufacture (back process) in June 2006. These expansions have brought your company's preform production capacity to well over 300 million preforms and bottle blowing capacity in excess of 200 million per annum respectively.

In the back drop of continuing growth in market demand for PET containers your company's bottle sales quantities grew by 70% over previous year. Growth in demand has been fueled by not just the cola giants Coke and Pepsi but a strong emergence of local colas particularly in the smaller bottles segments of 500ml and 300ml who rely almost entirely on PET bottles.

Within the first year after capacity expansion at the Hattar plant, bottle capacity utilization reached an impressive 85% as compared to a pre-expansion 74% last year. Meanwhile, capacity utilization in Karachi plant increased steadily to 84% from 70% in the previous year.

Financials:

The profitability of your company has grown at both the gross and operating levels by 56% and 65% respectively over last year resulting in slightly improved margins. This in a high raw material price scenario has only been possible mainly through expansion in manufacturing scale and robust improvements in throughput efficiencies and wastage control.

Financial charges have been the biggest cost increase for the Company growing by 76%. This has emanated in part from the expansion related increase in long term borrowings and the increase in working capital to support fast growing operations. However, the significant external factor has been the ever rising KIBOR rates and bank spreads that needs immediate re-dressal.

Even so sales growth of 55% has absorbed most of this financial charge burden as have improved efficiencies in other areas of operations resulting in pretax profit growth over last year of 62%. A prudent and rationalized reduction of 26% in this years deferred tax provision has meant an after tax profit of Rs.64.5 million registering a staggering growth of 133% over last year. EPS too has grown at an impressive rate of 120% over last year.

Future Outlook:

The demand for PET containers is expected to grow at this rapid rate, untiringly yet for quite some years to come. This is based on the increasingly craved convenience and clarity benefit of PET now coupled with the important proposition of economy that comes from investment in output scale. Smaller packs that constitute the biggest segment of the drinks market and are the last bastion of glass containers, have begun to give way to PET bottles -- the opportunity we believe is significant and we intend to invest substantially in this area.

The entry of Pepsi into the mineral water market with its Aqua Fina brand means strong competition for market leader Nestle and the possible entry of Coke .This should result in increased competition and massive growth in the water industry and an opportunity for your company in water preform supply. Moreover, the introduction of Tropicana by Pepsi and other juices like Maaza, Fruito, Tops etc. albeit currently in glass bottles and Tetra packs, paves the way for specialized PET juice bottles in the future. All this presents great growth and diversification opportunities for your company and therefore, once again appreciate and timely investments will augur very well for its financial success.

Dividends:

in view of the positive financial results the Board is pleased to recommend a 40% Share dividend.

Manufacturers of Quality PET Bottles and Preforms

Annual Report 2006

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED JUNE 30, 2006

I. Status and nature of business

The Company was incorporated on August 25, 1991 as a private limited company under the Companies Ordinance, 1984. It was converted as a public limited company on April 29, 1992 and subsequently in March 1994 was listed at Karachi Stock Exchange. The registered office of the Company is situated at F-248, Near Fire Brigade, S.I.T.E., Karachi. The principal activity of the Company is to manufacture and sale of Poly Ethylene Terepthalat (PET) bottles and preforms for beverage and non-beverage industry. The company is the market leader in PET manufacturing for the beverage industry in Pakistan. Its two manufacturing facilities are located in the province of Sindh at Karachi and in the province of N.W.F.P. at Hattar.

2. Summary of significant accounting policies

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan and the requirements of the Companies Ordinance, 1984. Approved accounting standards comprise of such International Accounting Standards as notified under the provisions of the Companies Ordinance, 1984. Wherever, the requirements of the Companies Ordinance, 1984 or directives issued by the Securities & Exchange Commission of Pakistan differ with the requirements of these standards, the requirements of the Companies Ordinance, 1984 or the requirements of the said directives take precedence.

2.2 Accounting convention

These financial statements have been prepared under the historical cost convention, except that certain fixed assets have been included at revalued amounts, certain exchange elements have been incorporated in the cost of the relevant assets and staff retirement benefits have been recognized at values determined by actuary.

2.3 Employees' retirement benefit

The retirement benefits comprises of Gratuity and Provident fund schemes.

2.3.1 Gratuity scheme

The Gratuity scheme is unfunded and covers those permanent employees & management staff of the Company who have completed prescribed qualifying period of service. Provision is made annually to cover obligations under the scheme on the basis of actuarial valuation.

An actuarial valuation of all defined benefit schemes is conducted at the end of every year. The valuation uses the Projected Unit Credit method. Actuarial (unrecognized) gains and losses are amortized over the expected average remaining working lives of employees (note # 6.1).

Past service cost is recognized immediately to the extent that the benefits are already vested. For non-vested benefits past service cost is amortized on the straight line basis over the average period until the amended benefits become vested.

Amounts recognized in the balance sheet represents the present value of defined benefit obligation as adjusted for unrecognized actuarial gains and losses and unrecognized past service cost, if any, and as reduced by the fair value of plan assets. Any assets resulting from the calculation is limited to the unrecognized actuarial losses and unrecognized past service cost plus the present value of available refunds and reduction in future contribution to the plan.

Actuarial gains and losses are recognized as income or expense when the cumulative unrecognized actuarial gains or losses for each individual plan exceeds 10% of the higher of (a) the defined obligation and (b) the fair value of plan assets. These gains or losses are recognized over the expected average remaining working lives of the employees participating in the plan.

2.3.2 Provident fund

The Company also operates an approved funded contributory provident fund for its management and non-management employees. Equal monthly contributions are made both by the Company and the employees at the rate of 5% per annum of the basic salary.

2.4 Taxation

Current

22

Provision for current taxation is based on the taxable income for the year determined in accordance with the prevailing law for taxation on income. The charge for current tax is calculated using prevailing tax rates. The charge for current tax also includes adjustments for prior years or otherwise considered necessary for such years. The tax charge as calculated above is compared with turnover tax under section 113 of the Income Tax Ordinance, 2001 and whichever is higher is provided in the financial statements.

Manufacturers of Quality PET Bottles and Preforms

Deferred

Deferred tax is accounted for using the balance sheet liability method on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax liabilities are generally recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which the deductible temporary differences, unused tax losses and tax credits can be utilized.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences reverses, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to income.

2.5 Operating fixed assets

Owned assets

These are stated at cost less accumulated depreciation and impairment loss, if any, except for certain fixed assets that are shown at revalued amounts. Depreciation is charged to the profit and loss account applying the straight line method whereby the cost of the asset is written off over its estimated useful life. The rates used are stated in note # 13.1 to the financial statements. Depreciation on additions is charged for the full month in which an asset is put to use and on deletions upto the month immediately proceeding the deletion.

Maintenance and normal repairs are charged to the profit and loss account as and when incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are retired.

Gains and losses on disposal of assets, if any, are taken to the profit and loss account.

The carrying values of tangible fixed assets are reviewed for impairment when events or changes in circumstances indicate the carrying value may not be recoverable. If any such indication exist and where the carrying values exceed the estimated recoverable amount, the assets or cash generating units are written down to their recoverable amount. The recoverable amount of tangible fixed assets is greater of net selling price and value in use.

Incremental depreciation charged for the period on revalued assets is transferred from surplus on revaluation of fixed assets to retained earnings (unappropriated profit) during the current year.

Capital spares having useful life of more than one year are capitalized and accounted for as Property, Plant & Equipment. With effect from the current year, spares of capital nature are capitalized and classified under plant & machinery (refer note # 3.1). These are reflected at cost less depreciation. Had the change not been made, the profit for the year would have been lower by Rs.6.9 million.

Leased assets

Assets subject to finance lease are stated at lower of present value of minimum lease payments under the lease agreement and the fair value of the leased assets. The related obligation under the lease are accounted for as liabilities. Depreciation charge is based using rates and method specified in note # 3.1.

The finance charge is calculated at the rate implicit in the lease.

2.6 Capital work-in-progress

Capital work-in-progress is stated at cost. It consists of expenditure incurred and advances made in respect of tangible and intangible assets in the course of their construction and installation. Transfers are made to relevant fixed assets category as and when assets are available for use.

2.7 Intangible assets

Expenditure incurred to acquire software license is capitalized as intangible assets and stated at cost less accumulated amortization and impairment loss, if any. Intangible assets are amortized using the straight line method over a period of three years or license period whichever is lower. Where the carrying amount of an asset exceed its estimated recoverable amount is written down immediately to its recoverable amount.

2.8 Borrowing cost

The borrowing cost incurred for purchase/import of plant and machinery are added to the cost of respective assets till their installation is completed. Other borrowing cost and related charge is charged to profit & loss account as financial charges.

EcoPack Ltd

LIU

Manufacturers of Quality PET Bottles and Preforms

Annual Report 2006

The capitalization of borrowing costs as part of a qualifying asset commence when expenditure for the asset are being incurred; borrowing costs are being incurred; and activities that are necessary to prepare the asset for its intended use or sale are in progress.

Capitalization of borrowing costs is suspended during extended periods in which active development is interrupted.

Capitalization of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying asset for its intended use are complete.

2.9 Stores, spares & loose tools

Stores, spares and loose tools excluding those of capital nature and items in transit are valued at lower of moving average cost and net realizable value. Provision is made for slow moving and obsolete items.

Net realizable value signifies the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

Items in transit are valued at cost comprising invoice values plus other charges incurred thereon accumulated to the balance sheet date.

2.10 Stock in trade

Stock of raw and packing material is valued at lower of moving average cost, determined on a first-in first out (FIFO) basis, and net realized value. Items in transit is valued at cost comprising invoice values plus other charges incurred thereon accumulated to the balance sheet date. Stocks of semi-finished and finished products is valued at lower of cost, determined on average basis, and net realizable value. Cost in relation to semi-finished and finished products represents cost of raw materials plus an appropriate allocation of manufacturing overheads. Cost in respect of semi-finished items is adjusted to an appropriate stage of processing.

Net realizable value signifies the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

2.11 Trade debts

These are recognized and carried at original invoice amount less an allowance for uncollectible amounts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Debts considered irrecoverable are written-off when identified.

2.12 Cash and cash equivalents

Cash in hand and at books, short term bank deposits and short term running finances, if any, are carried at cost. For the purpose of cash flow statement, cash and cash equivalents consists of cash in hand and deposit in banks, net of short term running finances (if any) that are highly liquid in nature and are readily convertible into known amounts of cash.

2.13 Foreign currency translation

Translations in foreign currencies into reporting currency is made at the rates of exchange prevailing on the date of transactions. Monetary assets and liabilities denominated in foreign currencies are translated into reporting currency equivalents using yearend spot foreign exchange rates. Non-monetary assets are translated using exchange rates that exists when the values are determined. Exchange differences on foreign currency translations is included in income currently.

2.14 Financial Instruments

All the financial assets and financial liabilities are recognized at the time when the Company becomes a party to the contractual provisions of the instrument. All the financial assets are derecognized at the time when the Company loses control of the contractual rights that comprise the financial assets. All financial liabilities are derecognized at the time when they are extinguished that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gains or losses on derecognizion of the financial assets and financial liabilities are taken to profit and loss account currently.

2.15 Offsetting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount is reported in the balance sheet if the Company has a legally enforceable right to set of the recognized amounts and intends either to settle on a net basis or to realize the asset and settle liability simultaneously.

2.16 Provisions

A provision is recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation (and a reliable estimate can be made of the amount of the obligation).

2.17 Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably. Revenue is measured at the fair value of the consideration received or receivable, and is recognized on the following basis:

Sales are recorded on dispatch of products to the customers.

Dividend income on equity investment is recognized when the Company's right to receive the payment has been established. Handling, storage and other services income and return on deposits is recognized on accrual basis.

2.18 Related party transactions

The transactions between the Company and related parties are carried out on an arm's length basis and the relevant rates are determined in accordance with the Comparable Uncontrolled Price Method.

Manufacturers of Quality PET Bottles and Preforms

- 3.2 The above balances represents the value of operating property, plant and equipment subsequent to revaluation in 1995-96 and 2003-04, which had resulted in a surplus of Rs. 92.52 million and Rs. 141.34 million respectively. The incremental values at the date of revaluation of the revalued operating property, plant and equipment are being depreciated over the remaining useful lives of these assets.
- 3.3 Had there been no revaluation, the net book value of specific classes of Operating Property, Plant and Equipment as at June 30, 2006 would have been as follows :

| | 2006 (Rupee | 2005 s in '000) |
|-------------------|----------------|--------------------|
| | W.D.V. | W.D.V. |
| Leasehold land | 3,525 | 3,525 |
| Factory building | 26,978 | 6,747 |

3.5 Impairment of fixed assets

During the year, the Company recognized impairment loss on some identified items of Plant and Machinery. The recoverable amount of these items has been determined on the basis of their value in use. These assets have been carried at revalued amount, therefore, surplus on revaluation on these assets have also been adjusted accordingly for the total effect of impairment as under:

| | Cost | Acc. Dep | Carrying value |
|---|----------|-----------------|-------------------|
| | | (Rupees in '000 | ') |
| Original cost of the impaired asset | 30,248 | (13,255) | 16,993 |
| Effect of revaluation recorded | 13,966 | (2,398) | 11,568 |
| Carrying value as on July 01, 2005 | | | 28,561 |
| Impairment adjusted against revaluation: | | | |
| Surplus and deferred tax liability | (13,966) | 2,398 | (11,568) |
| Impairment loss recognized in profit and loss | (4,154) | - | (4,154) |
| | (18,120) | 2,398 | (15,722) |
| Adjusted carrying value of the assets as on June 30, 2006 | | | 12,839 |
| * Break-up of adjustment: | | | |
| Impairment loss adjusted against | | | |
| Relevant revaluation surplus | | | 7,519 |
| Relevant deferred tax liability | | | 4,049 |
| | | | 11,568 |

21.2 Contingencies

The Company is contesting a suit filed in the Lahore High Court, Rawalpindi Bench by CIT, Companies Zone Islamabad against the order of Income Tax Appellate Tribunal passed in favor of the Company annulling impugned order of Additional Commissioner of Income Tax dated March 22, 2002 passed under Section 66-A, resulting in tax assessment of Rs.6.695 million. The Company has not made any provision in this respect in view of the legal opinion of its Legal Advisor that the said case is likely to be decided in favor of the Company on legal grounds. No proceeding have yet started in the said matter.

Chief Executive, Director and Executives are entitled to free use of Company maintained vehicles.

32. Fair value of financial instruments

Fair value of all financial assets and financial liabilities are estimated to approximate their respective carrying amount.

33. Financial risk management objectives

The company's activities expose it to a variety of financial risks, including the effects of changes in foreign exchange rates, credit and liquidity risk associated with various financial assets and liabilities respectively as referred to in note no. 34. The Company finances its operations through equity and management of working capital with a view to maintaining a reasonable mix between the various sources of finance to minimize risk. Taken as a whole, risk arising from the company's financial instruments is limited as there is no significant exposure to market risk in respect of such instruments.

34. Mark-up rate risk management

Mark-up rate risk arises from the possibility that changes in interest / mark-up rates will effect the value of financial instruments. The Company is monitors its exposure to fluctuation in markup rate and already approached financial institutions for reduction in these rates to balance the effect of any increase in the short term. The following table indicate their effective periods in which they will re-price or mature:

| | | Rupees in '000 | | | | |

| Short-term finance | Refer Note # 19 |

35. Credit risk management

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties fail completely to perform as contracted. Out of the total financial assets of Rs.151.725 million (2005: Rs112.319 million) the financial assets which are subject to credit risk amounted to Rs. 135.781 million (2005: Rs. 102.338 million). The Company is exposed to major concentration of credit risk. To manage exposure to credit risk the Company applies restrictive credit period for its major customers. Deposits with leasing companies are guaranteed by assets acquired against them.

36. Liquidity risk management

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facility. Company treasury aims at maintaining flexibility in funding by keeping committed credit line available.

37. Foreign exchange risk management

Foreign currency risk arises mainly where receivables and payables exist due to transactions entered into foreign currencies. The Company exposed to foreign currency risk on purchases and import of machinery that are entered in a currency other than local currency. The risk is not considered to be material in view of the amount of the transaction and relative stability of Pak. rupees in exchange market. Quantities in 000'

Eco Pack Ltd

Annual Report 2006

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPALIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Ecopack Limited to comply with the Listing Regulation No. 37 of the Karachi Stock Exchange (Guarantee) Limited, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of the audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Boards' statement on internal control covers all controls and the effectiveness of such internal controls

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable for the year ended on June 30, 2006.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

For the year ended June 30, 2006

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No. 37 of listing regulations of Karachi Stock Exchange Guarantee Limited for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner:

- I. The Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of Directors. At present the Board includes five non-executive directors.
- 2. The directors have confirmed that none of them is serving as a director in more than ten listed companies, including this Company.
- 3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted In payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. No casual vacancy occurred in the Board during the year under review.
- 5. The Company has prepared a 'Statement of Ethics and Business Practices', which has been signed by the directors and all the employees of the Company.
- 6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other executive directors, have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The Board arranged in-house and external orientation courses for its directors during the year to apprise them of their duties and responsibilities.
- 10. The directors' report for this year has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 11. The financial statements of the Company were duly endorsed by CEO and Financial Controller before approval of the Board.
- 12. The directors, CEO and executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of shareholding.
- 13. The Company has complied with all the corporate and financial reporting requirements of the Code.
- 14. The Board has formed an audit committee. It comprises three members, of whom two are non-executive directors.
- 15. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Company and as required by the Code. The terms of reference of the committee have been formed and advised to the committee for compliance.

Manufacturers of Quality PET Bottles and Preforms

F

- 16. The Board has set-up an effective internal audit department, which is considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the Company and is involved in the internal audit function on a full time basis.
- 17. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by Institute of Chartered Accountants of Pakistan.
- 18. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 19. We confirm that all other material principles contained in the Code have been complied with.

Karachi, Dated:August 24, 2006 Ahsan Jamil (Chief Executive Officer)
