Proxies in order to be effective must be received by the Company at the registered office not later than 48 hours before the time for holding the meeting during working hours.
- Members are requested to immediately notify the change of address, if any

Directors' Report

Economic Environment

During the year under review the economy moved into the most stable phase experienced in the recent history. All the major indicators remained very stable. Interest rates came down to the lowest ever level. Security situation also improved with improvement in law and order and de-escalation of borders tension. However, the international economic scenario remained bleak with the continuation of the worldwide recession. Iraq war and outbreak of SARS aggravated the slowdown in the world economy. The export sector of Pakistan, although benefiting from the positive developments at home, remained under pressure because of the unfavourable international conditions and a further appreciation of Pak Rupee against the US Dollar.

Performance of the Company

The company has been able to perform well during the period under review. Sales have decreased by about 2% to Rs. 1.318 billion while net profit increased by 99% to Rs 137.17 million. The company has been consistently earning handsome profits. Keeping in view the exposure of the industry to seasonal and cyclical risks, we have maintained a conservative financial structure and almost all of the fixed assets have been financed from equity. Short-term debt is used only for the current assets. The return on equity this year is 19.7% as compared to 12% last year, while earnings per share this year is Rs. 5.71 as compared to Rs 2.87 last year. Thic year hs. 60.013 million are being distributed as dividend that translates into a dividend per share of Rs. 2.50. The financial strategy for the company ¹⁰ to keep it cash rich, low leverage and low risk so thai it can absorb the unforeseen shocks easily.

Future Outlook

In line with the conservative financial strategy, the future plans for the company will entail Balancing, Modernization, Replacement (BMR) and Expansion. This will enable us to maintain our competitiveness in value added and high quality products. In the past also we have invested heavily in replacing old machinery with new state of the art equipment. We have been constantly entering into new value added products in order to diversify our product line and get premium prices. We plan to maintain a stable level of profits by increasing value to the customers and modernizing the equipment. The pattern of shareholding as at 30 September 2003 is annexed.

Corporate Governance

As required by the Code of Corporate Governance, directors are pleased to report that:

- a. The financial statements prepared by the management of the Company present fairly its true state
 of affairs, the results of its operations, cash flows and changes in equity.
- Proper books of account of the Company have been maintained.
- c. Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- d. international accounting standards, as applicable in Pakistan have been followed in preparation of financial statements

- e. The system of internal control is sound and has been effectively implemented and monitored.
- f. There are no doubts upon the Company's ability to continue as a going concern.
- g. There has been no material departure from me best practices of corporate governance as detailed in the listing regulations of the stock exchanges.

h. Board Meeting

Statement or Compliance with the Code ot Corporate Governance

The Board of Directors take pleasure in announcing that the Company has adopted the Code of Corporate Governance and actions have been taken for relevant clauses of the Code applicable during the year ended

^{**} Resigned on 28 March 2003

30 September 2003 and has been duly complied with.

On behalf of the board

Director

LAHORE: 02 December 2003

Review Report

to the members on statement of Compliance with best practices of Code of Corporate Governance

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of Umer Fabrics Limited to comply with the Listing Regulation No.37 (Chapter XI) of the Karachi Stock Exchange (Guarantee) Limited and Listing Regulation No.40 (Chapter XIII) of the Lahore Stock Exchange (Guarantee) Limited, where the Company is listed.

Director

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropri lately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance.

RIAZ AHMAD & COMPANY

Auditors' Report to the Members

We have audited the annexed balance sheet of UMER FABRICS LIMITED as at 30 September 2003 and the related profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require thai we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) in our opinion, proper books of account have been kept by the company as required by the Companies Ordinance, 1984;
- (b) in our opinion:

i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are

further in accordance with accounting policies consistently applied;

- ii) the expenditure incurred during the year was for the purpose of the company's business; and
- in) tho business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the company;
- (c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view ot the state of the company's affairs as at 30 September 20u3 and of the profit, its cash flows and changes in equity for the year then ended; and
- (cl) in oui opinion, Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the company and deposited in the Central Zakat Fund established under Section 7 of that Ordinance.

for the year ended 30 September 2003

THE COMPANY AND ITS ACTIVITIES

Umer Fabrics Limited is a public limited company incorporated in Pakistan under the Companies Ordinance, 1984 and listed on Lahore and Karachi Stock Exchanges of Pakistan. Its registered office is situated at Lahore. The company is principally engaged in the manufacturing and trading of yarn.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation of financial statements

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan and the requirements of Companies Ordinance, 1984. Approved accounting standards comprise of such International Accounting Standards as notified under the provisions of the Companies Ordinance, 1984. Wherever, the requirements of the Companies Ordinance, 1984 or directives issued by the Securities and Exchange Commission of Pakistan differ with the requirements of these standards, the requirements of Companies Ordinance, 1984 or the requirements of the said directives take precedence.

2.2 Accounting convention

The accounts have been prepared under the historical cost convention except for revaluation of certain financial instruments at fair value.

2.3 Employees' retirement benefits Gratuity

The company operates unfunded gratuity scheme for permanent employees at factory, payable on cessation of employment according to West Pakistan Industrial and Commercial Employment (Standing Orders) Ordinance, 1968. The provision is made on the basis of actuarial valuation to cover the obligation under the scheme for all employees eligible to gratuity benefits. The latest actuarial valuation was carried out as on 30 September 2002 by applying Projected Unit Credit Method using the following significant assumptions:

Discount rate 10 percent per annum.

Expected rate of increase in salary level 9 percent per annum.

The actuarial valuation for the plan determined a transitional liability of Rupees 1.372 million as on 30 September 2001, which is being amortized over a period of five years.

Provident Fund

The company also operates provident fund scheme for head office employees. Equal monthly contributions are made both by the employer and the employees to the fund.

2.4 Provision

Provisions are recognized in the balance sheet when the company has legal or constructive obligation as a result of past event, and it is probable that outflow of economic benefits will be required to settle the

obligation. However, provisions are reviewed at each balance sheet date and adjusted to reflect current best eslii nate.

2.5 Taxation

Current

Provision for tax on income from local sales and other income is based on taxable income at current rates after taking into account tax .ebates and credits available, if any. The company falls in the ambit of presumptive tax regime under section 169 of the Income Tax Ordinance, 2001 to the extent of its export sales.

Deferred

Deferred tax is accounted for by using the liability method on all timing differences between the carrying amounts of assets and liabilities in the financial statements and their tax base. Deferred tax liabilities are recognized for all taxable temporary differences. The company recognizes deferred tax assets on all deductible temporary differences to the extent that it is probable that future taxable profits will be available against which these deductible temporary differences can be utilized. Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realized nr the liability is settled.

2.6 Foreign currency

Assets and liabilities in foreign currencies are translated at the rates of exchange prevailing at balance sheet date or at the contracted rates while foreign currency transactions are initially recorded at the rates of exchange prevailing at the transaction date or at the contracted rates. Exchange gams and losses are charged to income.

2.7 Tangible fixed assets and depreciation

Operating fixed assets except freehold land are stated at cost less accumulated depreciation. Freehold land and capital work-in-progress are stated at cost. Cost of tangible fixed assets consists of historical cost, borrowing cost pertaining to the erection/construction period and other directly attributable cost of bringing the assets to working condition.

Depreciation on operating fixed assets is charged to income on the reducing balance method at the rates given in note 11 to write off the cost over their expected useful lives. The full annual rate of depreciation is applied to the cost of additions except for major additions or extensions to production facilities. Major additions or extensions to production facilities are depreciated on a pro-rata basis for the period of use during the year. No depreciation is charged on assets deleted during the year.

Maintenance and normal repairs are charged to current year's income. Major renewals and replacements are capitalized. Gain or loss on disposal of operating fixed assets is included in current year's income.

2.8 Equity investments

investments are initially recognized on trade-date at cost, comprising of consideration paid and cost of iransaction. For listed securities, closing quotations of stock exchanges on last working day of the accounting year are considered for determining fair value, while for unquoted securities, fair value is determined considering break-up value of the securities. Its classification is made on the basis of intended purpose for Molding such investments. These are measured at the balance sheet date on the following basis:

Held-to-Maturity

These are stated at amortized cost less impairment loss, if any, recognized to reflect irrecoverable amounts. Impairment losses are charged to profit and loss account.

Held for Trading

These are recognized at wir value and changes in carrying values are included in profit and loss account

Available for Sale

These are stated at fair value and changes in carrying values are recognized in equity until investment is

sold or determined to be impaired at which time the cumulative gain or loss previously recognized in equity is included in profit and loss account for the year.

2.9 Financial instruments

All other financial assets and liabilities are recognized at cost which is the fair value of the consideration given or received at the time when the company becomes a party to the contractual provisions of the instrument by following trade date accounting. Any gain or loss on subsequent measurement and aerecognition is charged to income.

2.10 Derivative financial instruments

Forward exchange covers from banks are stated at fair value. The fair value is equivalent to unrealized gain or loss from re-measuring the derivative using prevailing exchange rates. Unrealized gain included in other receivables and unrealized losses are included in other liabilities in the balance sheet. The resulting gain and losses are credited / charged to income currently.

2.11 Stores, spare parts and Iccse tools

Usable stores, spare parts and loose tools are valued principally at moving average cost, while items considered obsolete are carried at nil value.

2.12 Stock-in-trade

Stocks of raw material, work-in-process and finished goods are valued at the lower of annual average cost and net realizable value except waste which is valued at contract prices. Average cost of work-in-process and finished goods comprises cost of direct material, labour and appropriate manufacturing overheads.

Goods purchased for resale are stated at lower of cost based on average purchase price and net realizable value. Net realizable value signifies the estimated selling price in the ordinary course of business less costs necessary to be incurred in order to make a sale.

2.13 Trade debts

Known bad debts are written off. Receivables are carried at original and provision is made against debts considered doubtful.

2.14 Borrowing costs

Interest, mark up and other charges on long term liabilities are capitalized up to the date of commissioning of respective fixed assets acquired out of the proceeds of such long term liabilities, if it takes considerable period for erection / construction. All other interests, mark-up and other charges are charged to income.

2.15 Offsetting

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legally enforceable right to set off and the company intends either to settle on a net basis, or to realize the assets and to settle the liabilities simultaneously.

2.16 Impairment

The carrying amounts of the company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets recoverable amount is estimated and impairment losses are recognized in the profit and loss account.

2.17 Revenue recognition

Revenue from sales is recognized on dispatch of goods to customers. Dividend income on equity investments ib recognized as and when right to receive dividend is established. The return on short term placement of funds wnn banks and financial institutions \s accounted for on a time proportion basis at the rates of profit applicable thereon.

218 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents comprise cash in hand and in transit and balances with banks.

2.19 Related party transactions and transfer pricing

Transactions and contracts with the related parties are carried out at an arm's length price determined in accordance with comparable uncontrolled price method.

24.2 While framing assessment orders for the assessment years 2000-2001 and 2001-2002, the Income Tax Officer disallowed certain expenses on pro-rata basis. The company being aggrieved has filed appeals with the Commissioner of Income Tax (Appeals) which are still pending. No provision against these disallowances has been made in the books of account as the management is confident that the matter would be settled in the company's favour. If the decision of Income Tax Officer is upheld in the appeal, the provision for taxation amounting to Rupees 27.476 million would be required.

24.3 The Income Tax Officer also re-opened assessment years from 1994-95 to 1997-98 on the point of Sec 80-D. The company being aggrieved is filing appeals with Commissioner of Income Tax (Appeals). The company is also considering for writ petition in the High Court. No Provision against this tax has been made in the books of account as the management is confident that the matter would be settled in the company's favour. If the decision of Income Tax Officer is upheld in the appeal, the provision for taxation amounting to Rupees 5.38 million would be required.

25. TRANSACTIONS WITH ASSOCIATED UNDERTAKINGS

The company purchased from and sold to associated undertakings materials and goods in the aggregate sum

of Rupees NIL (2002: Rupees 15.427 million) and Rupees 25.779 million (2002: Rupees 62.380 million) respectively.
