Soneri Bank Limited

PRODUCTS & SERVICES

Soneri Bank offers a diverse range of products & services to cater to the growing banking needs of our customers. Our brand promise "Roshan Har Qadam" manifests our commitment to constantly innovate our product suite for the best match of personal & business needs of our customers, including Commercial, Retail & Corporate segments.

With our Corporate Vision, "to better serve customers to help them & the society grow" & our Mission to "provide innovative & efficient financial solutions to our customers", we integrate with our valuable customers to provide them convenient and hassle-free product solutions. Empowered by an ever-growing network of branches and ATMs, we strive to become the bank of choice for our existing & potential customers.

PKR Current Accounts:

Customers can open any PKR Current Account for their day-to-day banking needs and enjoy the convenience of banking offered via 239 online, real-time branches and a growing ATM network of 266 machines across the country. Some of our Rupee Current Accounts include:

Soneri Current Account

Soneri Current Account is a rupee account which may be opened with any amount. Enjoy unlimited transactions, including free Cash Deposit and Withdrawal facilities via your bank branch and a free Clearing facility to deposit cheques of other banks within the city where your branch is located. We also offer Alternate Delivery Channel Services on these accounts including VISA Debit Card and Soneri Direct Internet Banking.

Soneri Ikhtiar Current Account

Soneri Ikhtiar Current Account is a rupee account for businesses and individuals providing efficient, accessible and convenient banking transactions. On maintaining average monthly balance of Rs. 25,000/-, we provide an array of free facilities on this account, including free issuance of Banker's Cheques, free Cash Deposit and Withdrawal facilities via any Soneri branch, free Cheque Books, free VISA Debit Classic Card and much more, giving you the freedom to see your business grow without worrying about bank service charges.

PKR Savings Accounts

Soneri Bank offers a variety of Savings products for salaried persons or those who have a fixed regular income to encourage them to save money and collect their savings for a rainy day. We also have Savings Accounts for senior citizens and pensioners. Some of our Savings products include:

PLS Savings Account

PLS Savings Account is a basic deposit account with no minimum balance requirement. This account may be opened with an initial deposit of PKR 100 only. We offer Alternate Delivery Channel Services on these accounts, including VISA Debit Card and Soneri Direct Internet Banking.

Soneri Savings Account

Soneri Savings Account is a flexible and fast growing cumulative profit account. The rate of profit on this account increases with your balance without any demand and negotiations with the Bank. Soneri Savings Account has no minimum balance requirement. As with the PLS Savings Account, this account may also be opened with an initial deposit of PKR 100 only. Alternate Delivery Channel Services on this account includes VISA Debit Card and Soneri Direct Internet Banking.

Soneri Sahara Account

Soneri Bank offers a Savings account for its senior account holders so they may retire with a smile. Soneri Sahara Account calculates the profit on the monthly average balances and the profit is credited to the account on the first working day of the following month. We provide the VISA Debit Classic Card and the first Cheque book of 25 leaves for free to our Soneri Sahara Account holders.

PKR Term Deposit Accounts

Term Deposits

Soneri Term Deposits are for customers who intend to retain their savings for a fixed period and earn a higher rate of profit. Term Deposits allow customers to save a fixed amount in Rupees for a set period ranging from 1 month to 3 years at attractive profit rates. The depositor has the option to reinvest the deposit automatically with or without profit.

Diamond Deposits (Monthly Income Scheme)

Soneri Diamond Deposits provide investment opportunities to investors looking for additional monthly income with an attractive return. With terms from 1 year to 3 years, investors earn a monthly profit credited to an associated Current Account for easy withdrawal and use through the VISA Debit Card and over 266 Soneri Bank ATMs across Pakistan.

FCY Deposit Accounts

Soneri Bank also offers FCY Current, Savings & Term Deposit Accounts to cater to the foreign currency transactional needs of our customers.

Financing Products

In addition to our conventional financing products, including Running Finance, Cash Finance, Finance against Imported Merchandise (FIM) and Finance Against Trust Receipts (FATR), the Bank also offers following specific financing products to help the customers grow their business without worrying about capital requirement.

Agriculture Financing

Soneri Bank offers various Agriculture Finance Schemes for the farming & rural community that help them advance their agricultural operations, both for Production & Development. The following Agri product suite is available to meet the needs of our customers

- · Soneri Revolving Credit Scheme.
- Soneri Farm Mechanizing Support Financing Scheme.
- · Soneri Tractor Financing Scheme.
- · Soneri Aabiari/Tube well (Water Management) Financing Scheme.
- · Soneri Live-Stock Development Financing Scheme.
- · Soneri Land Development (Islah e Arazi) Financing Scheme.
- · Soneri Go-Down, Silos, Cold Storage, etc. Construction Financing Scheme.

SME Financing

Soneri Bank offers credit facilities to SME sector of the country to facilitate the customers to grow their businesses and also contribute their share towards industrial growth of the country. Our SME Financing covers a wide range of segments including manufacturing & trade-related activities. The Bank is committed to play its role towards strengthening the SME sector by encouraging quality players to avail credit facilities from us, empowering them to grow beyond financial limitations.

Consumer Finance

Soneri Car Finance

You can become the owner of a brand new car through Soneri Car Finance Scheme. Soneri Bank offers Car Finance facility up to PKR 2.0 million, repayable up to 5 years in equal monthly installments. Processing of application is fast and hassle-free with partial payment and early settlement options.

Home Remittances

Soneri Bank introduces "Soneri Mehnat Wasool", the Home Remittance Service. The service provides customers the convenience of collecting their remittances sent from abroad from any of Soneri Bank's 239 branches in 105 cities across Pakistan. Initially launched with MoneyGram as one of the international money transfer partners, Soneri Bank has signed-up with Wall Street Finance Canada Ltd & Golden Money Transfer under PRI to facilitate its customers.

Alternate Delivery Channel Services

Soneri Mobile Banking

Soneri Mobile Banking lets our customers access their accounts anytime and anywhere via their mobile phones. Customers can view their account statements, perform funds transfer, get mobile top-ups and pay their utility bills conveniently sitting in the comfort of their homes and offices.

Soneri Direct Internet Banking

Soneri Direct Internet Banking provides our customers a hassle-free, simple and secure platform to operate their bank account from the internet 24/7 from anywhere in the world. Customers can access their Soneri Bank account any time, print account statements, pay utility bills, transfer funds and view the history of their Soneri Internet Banking activities with a single click from their computers.

Soneri VISA Debit Card

Soneri VISA Debit Card brings a cashless experience of spending and making payments countrywide and across the globe. Customers are privileged to avail unmatched opportunities and benefits of the VISA Classic Card and VISA Debit Gold Card.

SMS Aler

Soneri Bank offers SMS Alert Service to all of its customers, in order to make them feel secure and in control of their spending from their accounts, both via branches and Alternate Delivery Channels. The alerts are instant & keep customers updated about their account transactions.

Phone Banking

Customers can access their account 24/7 with Soneri Phone Banking. With a telephone, VISA Debit Card number and T-Pin, customers gain instant access to their accounts and get all the information they need, Simply dial +92-21-111-SONERI (766374)

DIRECTORS' REPORT TO **SHAREHOLDERS**

On behalf of the Board of Directors, I am pleased to present the Directors' Report of Soneri Bank Limited (Bank) along with the audited financial statements and auditors' report thereon for the year ended 31 December 2013.

ECONOMY

Pakistan crossed major milestones on the political front in 2013. For the first time in country's history a democratic government completed five years followed by a smooth transfer of power in first half of the year. Based upon the pressing priorities at hand, the new government has set out to address the energy crisis, boosting investment and trade, upgrading infrastructure and privatization of public sector enterprises. The country also entered into an IMF Program conditional upon structural and fiscal reforms.

The country remains impacted by chronic issues which have led to sluggish economic activity for more than five years. The Gross Domestic Product (GDP) growth in FY13 was 3.6 percent as against target of 4.3 percent. The GDP growth target of 4.4 percent for FY14 appears optimistic when examined in view of the key challenges which require remediation, namely (i) strained foreign exchange reserves and balance of payments; (ii) low tax collection being byproduct of restricted tax net and administrative issues; (iii) energy crisis; (iv) security concerns;

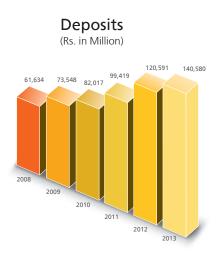

There has been some respite of Inflationary pressure which during the first half of FY 13 was driven by elimination of subsidies, one time taxation measures and some tightening of commodity prices. The CPI for Jan 2014 was registered as 7.9 percent against 9.18% for Dec 2013. State Bank of Pakistan (SBP) consequently kept the discount rate unchanged at 10 percent in its Jan-14 monetary policy. Furthermore, there has been some growth witnessed in the private sector credit and highlight was grant of GSP plus status for Pakistan's exports into the EU. This should provide impetus to the country's exports and improve the balance of payment position.

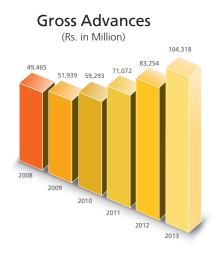

BUSINESS OVERVIEW

Your Bank has delivered well against its strategy and achieved all performance targets set for 2013. Foremost being Minimum Capital Requirement of SBP which was successfully met. The bank is well capitalized and meets the SBP Basel III requirements which became effective at 31 December 2013.

The bank's strategic focus has been and remains managed business growth, process improvement, and proactive management of cost and delinquent assets. During the year bank launched a corporate campaign via brand positioning as "Roshan Har Qadam", which was well received by the public giving bank a good market presence.

In line with its strategy, the deposits base of the Bank increased to Rs.140.58 billion which translates into compounded annual growth rate (CAGR) of 17.93 percent over last six years. The CASA component of deposits shows as impressive a growth, with six years CAGR of 22.77 percent. This is translation of banks focus to mobilize low cost deposits. Similarly net advances now stand at Rs.97.179 billion with six year CAGR of 15.36 percent.

DIRECTORS' REPORT TO SHAREHOLDERS

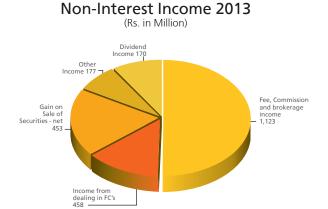

OPERATING RESULTS

The highlights of financial results for 2013 are presented as follows:

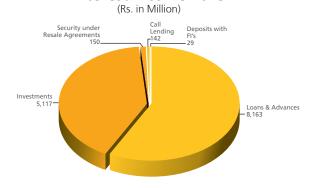

| Profit & Loss Account | 2013 | 2012 | Variance (%) |
|---|-------------|-------------|--------------|
| | (Rupees | in 000) | |
| Net Interest Margin & Non Markup Income | 7,230,726 | 6,700,966 | 7.91 |
| Non Markup Expenses | 4,965,251 | 4,459,278 | 11.35 |
| Profit before Tax & Provisions | 2,265,475 | 2,241,688 | 1.06 |
| Provisions (net of recoveries) | 735,080 | 519,632 | 41.46 |
| Profit before Tax | 1,530,395 | 1,722,056 | -11.13 |
| Profit after Tax | 1,036,857 | 1,104,193 | -6.10 |
| Earning Per Share - Rupee | 0.94 | 1.00 | -6.15 |
| | | | |
| Statement of Financial Position | 2013 | 2012 | Variance (%) |
| | (Rupees | in 000) | |
| Paid up Capital (Net of discount) | 10,023,275 | 9,021,035 | 11.11 |
| Shareholders Equity (excluding Surplus) | 12,450,416 | 11,378,299 | 9.42 |
| Deposits | 140,579,907 | 120,591,496 | 16.58 |
| Advances - net | 97,179,028 | 76,825,006 | 26.49 |
| Investments - net | 46,702,797 | 59,517,180 | -21.53 |
| | | • | |

Despite the challenging macro-economic and business environment, the Bank has posted consistent financial results. Bank's profit after tax stood at Rs 1,037 million while pre-tax profit amounted to Rs 1,530 million. Bank's profit before taxation and provision is better than last year which is a reflection of bank's resilience to withstand the operating pressures faced by the industry throughout 2013.

Bank's Revenue (Net Markup income and Non Markup Income) is up by 7.91 percent when compared to last year. The Net Markup income is almost at par with last year in spite of compressing spreads while non-markup income is higher by 28.19 percent. Fee based revenue contributed to 32.92 percent of this increase while bank also realized significant capital gains through investment portfolio.

Non markup expenses have registered a growth of 11.35 percent which is in line with bank's growth strategy and has also been impacted by inflationary pressure. Six new branches were added to the network while branches opened last year also added to the cost. The branch network of the Bank now stands at 239 and the staff comprises of 3,708 permanent and contractual employees (2012: 3,275).

Non-performing loans of the bank increased by mere 5 percent during the year. The asset quality of the bank has improved with infection ratio down to 9.99 percent (2012: 11.92 percent). The NPL coverage has been prudently managed and increased to 68.48 percent (2012: 64.76 percent).

The Balance Sheet has significantly grown with total assets increasing by 6.69 percent. Overall deposits show an impressive growth of 16.58 percent with CASA deposits increasing by 19.75 percent. Consequently bank's cost of deposits has been favorably impacted. Advances (net of provisions) grew by 26.49 percent which is extraordinary in view of industry's tendency to invest in government paper. Bank's has Advance (net) to Deposits ratio of 69.13 percent (2012: 63.71 percent). Surplus funds continue to be deployed in Government Securities.

MINIMUM CAPTIAL REQUIREMENTS

The bank is fully compliant with the Minimum Capital Requirements (MCR) of the State Bank of Pakistan at 31 December 2013. This was achieved by issue of 10 percent Bonus Shares announced by the Board in its 132nd meeting held on 25 October 2013. As a result, the paid up capital (net of discount) of the Bank as at 31 December 2013 stands at Rs10,023 million

LOOKING AHEAD

Pressure on banking spreads is likely to persist in 2014. The discount rate took an upward turn when SBP in its monetary policy announcement of September 2013 increased the rate by 50 basis points (bps) followed by another 50 bps hike in November 2013. In conjunction with these announcements, the SBP established a formal linkage between the minimum rate of return on average balances held in saving/term deposits and the floor of the interest rate corridor. Effectively, the return on saving/term deposits now cannot be less than 50 bps lower than the floor of the interest rate corridor. As a result banks confront a serious challenge to their spread margins. While this policy has been designed to stimulate credit off take in the system, the results has been to the contrary, given the high sensitivity to credit quality in the system.

Despite this challenging landscape, your bank believes that there are beneficial opportunities to be exploited. During 2014, your bank will continue to pursue a growth strategy with a view to further strengthen our balance sheet. After successfully attaining the Minimum capital requirement of SBP in 2013, the bank is well placed to strengthen its financial position and add value for our shareholders.

The Bank aims on increasing its core deposit base, expand its lending outreach (especially in SME / Commercial), increase trade business volumes and achieve sustainable gains on our expense base. With regard to the latter, the bank will continue to invest in order to build greater efficiencies in its operating platform. We intend to retain our emphasis on improving the product menu and client services. Another area of high priority in 2014 is focus on credit quality with effective management of infected and watch listed relationships.

The branding and service quality programs which were successfully launched in 2013 will continue to be focused upon in 2014.

CREDIT RATING

The Pakistan Credit Rating Agency (PACRA) maintained the long term credit rating of AA- (Double A Minus) and short term rating of A1+ (A One Plus) through its notification dated: 22 June 2013 [2012: long term AA- (Double A Minus): short term A1+ (A One Plus) and instrument rating A+ (A plus)].

BOARD OF DIRECTORS

The existing Board which was elected on 30 March 2011 will complete its three years term on 28 March 2014. New Board of Directors shall be elected in 22nd Annual General Meeting of the Shareholders to be held on 28 March 2014.

COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE

As required by the Code of Corporate Governance (the Code), a prescribed statement by the Board, along with Auditors' Review Report thereon, forms part of this Annual Report.

^{**}Leave of absence was granted to directors/member by the Board/Committee, who could not attend some of the meetings.

The directors are pleased to give the following statement as required by clause (xvi) of the Code:

- The financial statements present fairly the state of affairs of the Bank, the results of its operations, cash flows and changes in equity.
- Proper books of account of the Bank have been maintained.
- · Accounting policies as stated in the notes to the financial statements have been consistently applied in the preparation of financial statements except for change explained in Note 4.4; and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards, as applicable to banks in Pakistan, and as stated in note 3 to the financial statements, have been followed in the preparation of the financial statements.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the Bank's ability to continue as a going concern.
- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.
- The details of outstanding statutory payments, if any, have been adequately disclosed in the financial statements.

STATEMENT ON RISK MANAGEMENT FRAMEWORK

The Board of Directors, through its Board Risk Management Committee (BRMC) ensures that decision making is aligned with the Bank's strategies and risk appetite. The Board receives regular updates on the key risks of the Bank including a quarterly comprehensive summary of the Bank's risk profile and performance of the portfolio against defined goals. Summary is also presented quarterly to the Credit Risk Management Committee (CRMC) and the Market Risk Management Committee (MRMC) which includes senior executives of the Bank, in particular the Chief Executive Officer (CEO) and the Chief Risk Officer (CRO), who are responsible for day to day risk management under the oversight of the Board.

Bank has taken numerous strategic steps to further strengthen the overall risk management framework, salient features of which are summarised below:

- Your bank has developed an internal Credit Risk Rating models for Corporate, Small & Medium Enterprise, Agriculture and Consumer obligors with the assistance of SAS-Enterprise Miner; the world renowned business analytics software. In order to move towards FIRB approach, these rating models are aligned with the probability of default, duly approved by the Board.
- · Another milestone achieved by the bank was automation of Capital Adequacy Ratio (CAR) calculation through Credit Risk Management Solution (CRMS) and Market Risk Management Solution (MRMS). This automation is duly vetted by our internal auditors.
- Bank has a well-defined Internal Capital Adequacy Policy (ICAAP) to comprehensively evaluate and document all risks and substantially appropriate capital allocation for both regulatory and economic capital.
- Bank has in place a robust mechanism on stress testing and through its Risk Management Group carries out this process regularly so as to estimate the potential impact of extreme events on the Bank's earnings, balance sheet, capital, market liquidity.

Your Bank devotes considerable resources in managing the risks to which it is exposed. The momentum attained thus far will be continued in the future through significant investments in human resources, technology and training.

STATEMENT ON INTERNAL CONTROLS

The Board of Directors acknowledge its responsibility for ensuring that an adequate and effective internal control system covering all aspects of our banking operations is in existence and vigorously followed by senior management.

Based on our review of internal control system through various reports from Internal Audit Division, Internal Control Compliance & Control Group and Statutory Auditors as well as various policies, procedures and other matters presented for our review and approval, from time to time, we observed that adequate internal controls have been implemented, monitored and controlled.

FINANCIAL STATEMENTS

The financial statements of the Bank have been audited without qualification by the auditors of the Bank, M/s. KPMG Taseer Hadi & Co., Chartered Accountants and approved/authorized by the Board in its meeting held on 19 February 2014 for issuance to the shareholders.

No material changes and commitments affecting the financial position of your Bank have occurred between the end of the financial year to which these financial statements relate and the date of the Directors' Report.

EXTERNAL AUDITORS

The retiring auditors, being M/s. KPMG Taseer Hadi & Co., Chartered Accountants have served as external auditors for five years and are required to be rotated in accordance with the requirement of Clause xxxvii (a) of Code of Corporate Governance - 2012. The Audit Committee has suggested the name of M/s. A.F. Ferguson & Co., Chartered Accountants as external auditors of the Bank for the next term. The Board of Directors, based on the suggestion of the Audit Committee, recommended the name of M/s. A.F. Ferguson & Co., Chartered Accountants as external auditors for the next term. The external auditor's appointment shall be subject to approval in the forthcoming Annual General Meeting.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The bank is committed to serving the society both directly and indirectly and in this regard has contributed in various ways and means. Besides, contributing towards national exchequer and employee benefit schemes, the Bank has been a regular contributor in the philanthropic and sports activities. A summary of bank's key CSR activities during the year form part of this Annual Report.

SIX YEARS' OPERATING AND FINANCIAL DATA

Six year financial performance of the bank is presented on page No. 30.

PATTERN OF SHAREHOLDING

The pattern of shareholding as required under section 236(2)(d) of the Companies Ordinance, 1984 and Clause (xvi) of the Code of Corporate Governance forms part of this Annual Report.

ACKNOWLEDGEMENT

On behalf of the Board, I would like to express my sincere appreciation to the customers and shareholders for their continued trust and patronage, the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan and other regulatory bodies for their continued guidance and support. I would also like to record specific appreciation for all employees for their dedication, devotion and hard work throughout the year 2013.

On behalf of the Board of Directors

ALAUDDIN FEERASTA

Chairman

Lahore: 19 February 2014

STATEMENT OF INTERNAL CONTROLS YEAR ENDED 31 DECEMBER 2013

The management of Soneri Bank Limited acknowledges its responsibility for establishing and maintaining a sound system of internal controls to provide reasonable assurance to achieve the following objectives:

- Efficiency and effectiveness of operations
- Compliance with applicable laws and regulations
- Reliability of financial reporting

The internal control system encompasses policies and procedures relating to all processes, products and activities of the bank's operations. The internal control policies and procedures are being regularly reviewed by an independent Internal Audit function reporting directly to the Audit Committee of the Board of Directors.

The existing internal control system provides essential support that is needed for the safe and sound banking operations. However, the bank as required by SBP, initiated an exercise to review the system of internal controls and for that purpose has adopted the COSO (Committee of Sponsoring Organization of Tread way Commission) Framework of internal controls.

The bank initially engaged an accounting firm for providing professional guidance in documenting, assessing and testing the existing key Processes and Controls in line with requirements of SBP quidelines and international best practices. Bank has now devised a comprehensive process as suggested by the State Bank of Pakistan (SBP) to ensure ongoing design and effectiveness of internal controls. As part of the exercise, bank has initiated measures to remediate areas wherever the internal controls were deemed to need strengthening, to better the related risks on overall basis, management is of the view that internal control framework operating during the year was effectively implemented. It is pertinent to mention that, internal control system is designed to manage rather than eliminate the risk. As such it can only provide reasonable and not absolute assurance against material misstatement or loss.

The results of testing for the year 2013 showed that the controls were operating effectively throughout the year. Moreover, the bank has satisfactorily completed all stages of internal controls over financial reporting as prescribed by SBP and have been given waiver from submission of Long Form Report by the External Auditors for the year 2013.

MOHAMMED AFTAB MANZOOR

President & Chief Executive Officer

Lahore: 19 February 2014

CORPORATE SOCIAL RESPONSIBILITIES (CSR) ACTIVITIES

Support for Various Causes

Soneri Bank has reflected its new brand promise of "Roshan Har Qadam", in various diverse CSR initiatives, investing in communities, education, health and youth activities. With our vision to empower the society to grow, we have honored a number of humanitarian activities in 2013 that would nurture and strengthen our relationships in our businesses, and with the community, government and our customers. It would help to eradicate poverty, enable improvement & sustainability in the lives of millions of people. Soneri Bank played a pivotal role with regards to socio-economic development in areas of women's empowerment, health & education (basic, technical and vocational).

The Agha Khan University

Soneri Bank's generous commitment to Neo-natal Intensive Care Unit (NICU) & Pediatric Intensive Care Unit (PICU) will be disseminated to the expansion plans of both the units over a period of three years. The Agha Khan University Hospital provides the best and most comprehensive medical care in Pakistan. All facilities and treatments are accessible to every citizen in the country, irrespective of their financial status. With this philanthropic approach, Soneri Bank plays an integral role in uplifting the socio-economic dynamics of the country and facilitating the expansion plans of the institution.

Pakistan Centre for Philanthropy and other bodies (AKU)

Soneri Bank supported a research study of Indigenous Individual Philanthropy in Pakistan, designed to update the findings of a research on individual philanthropy conducted by the Agha Khan development Network. This would enhance the social development objectives by promoting the creation of more social assets through enhanced charitable giving, and would supplement the government's development efforts. In time, it would reduce the burden of poverty via introduction of more schools, clinics and training institutes.

Soneri Bank, with its generous contribution would play an integral part in mobilizing Corporate Philanthropy and in formulation of enabling policy and administrative environment for enhancing the volume and effectiveness of philanthropy for social development.

Soneri Bank has further contributed to The Patients' Behbud Society for AKU and encouraged Zakat donation to the institutions via its branches in terms of their campaign dissemination. In areas of mentorship, Agha Khan Youth of National Youth Camps was supported encouraging leadership skills, entrepreneurship, career development, volunteerism, ethics and diversity.

Shaukat Khanum Memorial Cancer Hospital and Research Centre

A sponsorship was given for the treatment of poor cancer patients at a state-of-art cancer centre of Pakistan that has been providing financially supported treatment to over 75% of its patients for the last 17 years.

Development in Literacy (DIL)

A sponsorship for establishing a school in Korangi was given to improve the dismal state of education in Pakistan's underdeveloped areas. DIL establishes, adopts and manages primary and secondary schools for underprivileged children in partnership with non-governmental organizations in Pakistan.

Promoting Arts & Culture

Soneri Bank packaged and sponsored a selection of Pakistani Classical, Folk and Sufi music, developed by Tehzeeb Foundation working for the advancement and promotion of music, literature and fine arts in Pakistan, along with preservation and archiving of Classical music of the sub-continent.

This Code of Conduct (Code) outlines the principles, policies and laws that govern the activities of Soneri Bank Limited (Bank), and to which the Board members, employees and others who work with the Bank, or represent the Bank directly or indirectly must adhere. All employees are required to read, understand, sign and follow the Code of Conduct.

OBJECTIVE

Soneri Bank Limited (Bank) expects all of its employees to act in full compliance with the policies & guidelines set forth in this Code of Conduct. It is employee's responsibility to make oneself familiar with the following and other policies related to their own business unit:

1. OUTSIDE BUSINESS INTEREST

No employees shall engage directly or indirectly, in any other business but shall faithfully and diligently, perform the duties entrusted to him /her from time to time and devote maximum time and attention to work of the Bank, and ensure his/her best endeavors to promote its interest and welfare. Neither shall take up any activity which will bring him/her any reward or remuneration or benefit, directly or indirectly other than from the job at the Bank.

2. FINANCIAL INTEREST

No employee or his/her immediate family shall enter into speculative and trading activity in stocks, shares, bonds, or any other securities or commodities, either on his/her own account or that of any other person, firm, company, nor shall involve in other speculative activity (ies) including betting/gambling. Further, an employee and his/her immediate family shall not derive any benefit or assist others to derive any benefit from the access to and possession of information about the Bank, which is not in the public domain and thus constitutes inside information. All the employees are required to comply with the applicable company law on prevention of inside trading.

3. ANTI BRIBERY & CORRUPTION

No employee shall accept any presents either in cash or kind from Bank clients, suppliers, vendors and contractors or others, by way of illegal gratification or otherwise. Any such instance where business judgment has been compromised due to such monetary or non-monetary gifts will be considered as a violation of this code. Accepting gifts and benefits that may appear as engaging others in bribery or influencing for a consideration for an official or business favor is prohibited.

No Employee shall give or take bribe or engage in any form of corruption.

4. VIOLATION OF LAW

No payment or transaction should be made or undertaken, by an employee or authorized or instructed to be made or undertaken by any other person or the Bank if the consequence of that transaction or payment would be the violation of any law in force.

5. POLITICAL PARTICIPATION

No employee shall take part in, subscribe in any aid of, assist in or take part in any political activity whatsoever. No employee shall canvass or otherwise, interfere or use his/her influence in connection with or take part in any election to a legislative or local body, whether in Pakistan or elsewhere. Provided that a Bank employee who is qualified to vote at such election may exercise his/her right to vote.

6. PROTECTING BANKS RESOURCES

An Employee must not peruse such outside business activity(ies) and relationships using Banks resources (including but not limited to physical space, office supplies, office communication equipment or time) or allow any outside business, civic or charitable activities to interfere with his/her job performance. Employee must never compromise on integrity, either for personal or professional benefit. Each employee is also personally responsible for the integrity of the information, reports and records under his/her control.

7. ACT OF MISCONDUCT

Employee shall not commit any act of subversion or misconduct or misbehaviors; and will also not act in any manner, which could be prejudicial or detrimental to the interest of the Bank. The Bank shall be entitled to dispense with the services of any employee, any time per the law of his/her employment and/or repeated negligence, disobedience, dishonesty, breach of trust, acts of any other misconduct or subversion without any notice.

8. DATA SECURITY AND CONFIDENTIALITY

All Employees shall avoid, during his/her employment or thereafter to disclose or divulge to any person whomsoever any information relating to the Bank or its customers, suppliers, employees or any confidential information which he/she may have access to while being in the service of the Bank. All Employees shall be bound to protect the confidentiality of the non-public information at all times.

9. ABIDANCE OF LAWS OF THE LAND

Notwithstanding anything contained hereinabove every employee will abide by all the laws of the land including Labor Laws where applicable.

10. PUNCTUALITY

Employees are expected to be at work on time every business day. In the event that employee is absent or late due to illness, accident or personal reasons, he/she is required to inform his/her supervisor as soon as possible so that the department may make other arrangements for substitute help while the employee is away.

11. SEPARATION FROM THE BANK

In case of resignation every employee will have to attend his/her duties until the resignation is accepted and employee is properly relieved by the competent authority. In case he/she fails to attend his/her duty after tendering resignation, the resignation will not be considered and he/she may be dealt according to the relevant HR Policy.

Employee at the time of separation from Bank should return Bank assets, facilities (blackberry, laptop, mobile etc), visiting and Identity cards, stamps etc.

12. ETHICS, DISCRIMINATION OR HARRASSMENT

All employees are expected to comply with ethical standards as a critical element of their responsibilities. It is encouraged to raise possible ethical issues and Bank prohibits any retaliatory action against any individual for raising legitimate concerns regarding ethics, discrimination or harassment matters or for reporting suspected violations. In case of any issue that has been reported, investigation / inquiry shall be held, and all employees are required to fully co-operate with any appropriately authorized internal or external investigations.

13. DRESS CODE & PERSONAL HYGEINE

Employees are expected to dress in a manner consistent with the nature of work performed. While at work, all employees are expected to dress neatly and appropriately in normal office as per the Dress code policy of the Bank.

All employees are expected to abide with the personal hygiene requirements.

14. PROTECTING BANK RESOURCES

All employees are responsible for safeguarding the tangible and intangible assets of Bank and its customers, suppliers and distributors that are under their control. Bank assets may be used only for proper company purpose. Misappropriation, carelessness or waste of Bank assets is a breach of one's duty to the Bank and should be avoided at all cost.

15. FRAUD, THEFT OR ILLEGAL ACTIVITY

An employee must not:

- steal, embezzle or misappropriate money, funds or anything of value from the Bank, doing so shall subject him/her to potential disciplinary action according to the bank policy
- use Bank assets for personal gain or advantage
- remove bank assets from their premises and facilities unless properly authorized by the relevant competent authority
- use Bank's stationery or corporate documents, Bank's brand name for non official purposes since such implies endorsement from Soneri Bank.

16. EMPLOYEE IDENTIFICATION & SECURITY

If employees are supplied with an identification card, this must be worn visibly when on Bank's premises. Each employee is also responsible for the safekeeping of his/her ID card.

17. USAGE OF COMMUNICATION TOOLS

Bank's telephone, e-mail, voice-mail, computer, systems etc are primarily for business purposes. Employees may not use these systems in a manner that could be harmful or embarrassing to Bank. Personal communications using these systems must be kept to a minimum. In case of his/her separation from the Bank, all rights to property and information generated or obtained as part of an employment relationship remains the exclusive property of the Bank only.

An employee must never use Bank systems to transmit or receive electronic images or text of a sexual nature or containing ethnic slurs, racial epithets or any other material of a harassing, offensive or lewd nature

18. RECORD MANAGEMENT

Records are very important business assets. The Bank is committed to managing its records in a consistent, systematic and reliable manner; records provides evidence for business activities and decisions and are often required to meet legal and regulatory requirements. Employees are required to retain the records in accordance with their importance and applicable statutory record retention requirements and Bank policies.

19. TAXATION

The Bank is also committed to accuracy in tax related records and tax reporting in compliance with the overall intent and applicable laws. Tax returns must be filed on a timely basis and taxes due paid in time.

20. WORKFORCE DIVERSITY

The Bank believes that diversity in the staff is critical to its success and is fully committed to equal employment opportunity, compliance with fair employment practices and non discrimination laws. The Bank prohibits sexual or any other kind of discrimination, harassment or intimidation, whether committed by or against a supervisor, co-worker, customer, vendor or visitor.

21. RELATED STAFF MEMBERS

Where husbands, wives or other relatives are employed in the same or related areas, no employee should allow personal and/or domestic circumstances to impinge upon or affect either working relationships or the breach of bank's employment regulations regarding confidentiality and fidelity.

22. DRUG FREE WORKPLACE

Selling, manufacturing, distributing, possessing, using or being under the influence of illegal drugs on the job is prohibited.

23. HEALTH AND SAFETY

To protect the well being of Bank's valued customers and employees, smoking and eating betel leaf within the premises of Bank is strictly prohibited.

24. UNFAIR DEALING PRACTICES

No employee may take unfair advantage of anyone through manipulation, concealment, abuse of confidential information, misrepresentation of facts or other unfair dealing practices.

25. MEDIA AND PUBLIC SPEAKING

No employee other than the authorized personnel is allowed to publish, make speech, give interviews or make public appearance that are connected to Bank's business interests, else an approval is required from HR, Head of Compliance and President.

26. VENDOR RELATIONSHIP

Employees responsible for buying assets on Bank's behalf should purchase all goods and services on the basis of quality, price, availability, terms and service. Employees responsible for customer relationship must never lead a supplier or customer to believe that they can inappropriately influence any procurement decisions at Bank. Employees shall ensure to abide by all the provision of the Fixed Asset Management and Expenditure Control Policies of the Bank

27. CONFLICT OF INTEREST

Real or perceived conflicts of Interest in any process or form should be disclosed and avoided. An employee or any of his/her relatives / associates should not derive any undue personal benefit or advantage by virtue of his/her position or relationship with the Bank. Any dealings with a related party must be conducted in such a way that no preferential treatment is given and adequate disclosures are made as required by the law and as per the applicable policies of the Bank.

Employees must be sensitive to any activities, interests or relationships that might interfere with or even appear to interfere with his/her ability to act in the best interests of Bank and its customers.

An employee must notify authorized person or HR of any business relationship or proposed business transaction Bank may have with any company in which he/she or a related party has a direct or indirect interest or from which he/she or related party may drive a benefit. Even if related party or relative is employed, this may raise conflict of interest. Therefore, it should be avoided.

28. ACCESS TO BUSINESS INFORMATION

Employees should also take steps to ensure that business related paper work and documents are produced, copied and faxed are properly filed and stored or if not needed, should be properly discarded to minimize the risk that an unauthorized person might obtain an access to confidential information. Access to work areas and systems should also be properly controlled.

29. CUSTOMER CONFIDENTIALITY

Employees of the Bank are strictly prohibited to disclose the fact to the customer or any other quarter that a suspicious transaction or related information is being or has been reported to any authority, except if required by law.

30. PERSONAL INVESTMENTS

If any personal investment that affects or appears to affect an employee's ability to make an unbiased business decision for Bank, should be avoided.

31. PERSONAL FINANCIAL NEEDS

Bank employee and their families are encouraged to use Bank for their personal financial services needs.

32. MODIFICATIONS AND AMENDMENTS

The Code of Conduct is subject to variances, modifications, and amendments, from time to time through the resolution of the Board of Directors.

33. **BREACH OF CODE OF CONDUCT**

In case of the breach of any of the above "Code of Conduct", the employee shall be liable to disciplinary action. This shall be without prejudice, to any other rights and remedies of the Bank.

Failure to observe these policies may result in a disciplinary action, up to and including immediate termination of employment or any other relationship with the Bank. Furthermore, violations of this Code may also be violations of the law and may result in civil or criminal penalties.

If an employee has any questions about these policies or would like to report violation of the Code of Conduct, he/she may approach Head of Compliance Division or Head of Human Resources for further guidance and advice

STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No.35 of Listing Regulations of Karachi, Lahore and Islamabad Stock Exchanges for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Code of Corporate Governance.

The Bank has applied the principles contained in the CCG in the following manner:

1. The Bank encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors. At present the Board includes seven non-executive directors including two independent directors, and one executive director (President/CEO):

| Category | Names |
|-------------------------|---|
| Independent Directors | Mr. Inam Elahi Syed Ali Zafar |
| Executive Directors | Mr. Mohammad Aftab Manzoor (President & CEO) |
| Non-Executive Directors | Mr. Alauddin Feerasta Mr. Nooruddin Feerasta Mr. Muhammad Rashid Zahir Mr. Manzoor Ahmed Mr. Shahid Anwar |

The independent directors meet the criteria of independence under clause i(b) of the CCG.

- The directors have confirmed that none of them is serving as a director in more than seven listed companies, including this Bank (excluding the listed subsidiaries of listed holding companies where applicable), except for one nominee director who was given dispensation by the Securities and Exchange Commission of Pakistan for a period of two years.
- 3. All the resident directors of the Bank are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. During the year no casual vacancy occurred on the Board of the Bank.
- 5. The Bank has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Bank along with its supporting policies and procedures.
- 6. The Board has developed a vision/ mission statement, overall corporate strategy and significant policies of the Bank. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- During the year, the directors remained compliant with the provision with regard to their training program and one of the director has also received "Certificate of Director Education" issued by the Pakistan Institute of Corporate Governance.
- 10. The Board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.

STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

- 11. The directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Bank were duly endorsed by the Chief Executive Officer and Chief Financial Officer before approval of the Board.
- 13. The directors, Chief Executive Officer and executives do not hold any interest in the shares of the Bank other than that disclosed in the pattern of shareholding.
- 14. The Bank has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The Board has formed an audit committee. It comprises four members and all the four members (including the chairman) are nonexecutive directors and pursuant to next elections in 2014, the chairman of the committee shall be an independent director.
- 16. The meetings of the audit committee were held once every quarter prior to approval of interim and final results of the Bank and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
- 17. The Board has formed an HR Committee. It comprises 4 members, of whom 3 are non-executive directors and one is an executive director. The Chairman of the committee is also a non-executive director.
- 18. The Board has set-up an effective internal audit function. The Head of Internal Audit and Audit team are suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Bank.
- The statutory auditors of the Bank have confirmed that they have been given a satisfactory rating under the quality control review 19. program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Bank and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on Code of Ethics as adopted by the Institute of Chartered Accountants of Pakistan.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of Bank's securities, was determined and intimated to directors, employees and stock exchanges.
- 22. Material/price sensitive information has been disseminated among all market participants at once through stock exchanges.
- 23. We confirm that all other material principles enshrined in the CCG as immediately applicable have been complied with.

MOHAMMAD AFTAB MANZOOR

President / Chief Executive Officer

Lahore: 19 February 2014

AUDITORS' REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

KPMG Taseer Hadi & Co. **Chartered Accountants** Shiekh Sultan Trust Buildig No. 2 Beaumont Road Karachi, 75530 Pakistan

+92 (21) 3568 5847 Telephone +92 (21) 3568 5095 Fax Internet www.kpmg.com.pk

We have reviewed the Statement of Compliance with the Best Practices contained in the Code of Corporate Governance prepared by the Board of Directors of Soneri Bank Limited ("the Bank") to comply with listing regulations of the Karachi, Lahore and Islamabad Stock Exchanges where the Bank is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Bank. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Bank personnel and review of various documents prepared by the Bank to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal control covers all controls and the effectiveness of such internal controls.

Further sub-regulation (xa) of Listing Regulations 35 (previously Regulation No. 37) notified by the Karachi Stock Exchange Limited vide circular no. KSE/N-269 dated 19 January 2009 requires the Bank to place before the Board of Directors for their consideration and approval of related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the board of directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's Compliance, in all material respects, with the best practices contained in the Code of Corporate Governance for the year ended 31 December 2013.

KPMG Taseer Hadi & Co. Karachi: 19 February 2014 Chartered Accountants

AUDITORS' REPORT TO THE MEMBERS

KPMG Taseer Hadi & Co. Chartered Accountants Shiekh Sultan Trust Buildig No. 2 Beaumont Road Karachi, 75530 Pakistan Telephone +92 (21) 3568 5847 Fax +92 (21) 3568 5095 Internet www.kpmg.com.pk

We have audited the annexed statement of financial position of Soneri Bank Limited ("the Bank") as at 31 December 2013 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof (here-in-after referred to as the 'financial statements') for the year ended 31 December 2013, in which are incorporated the unaudited certified returns from the branches except for 35 branches which have been audited by us and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Bank's Board of Directors to establish and maintain a system of internal control, and prepare and present the financial statements in conformity with the approved accounting standards and the requirements of the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984). Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the International Standards on Auditing as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, which in case of loans and advances covered more than 60% of the total loans and advances of the Bank, we report that:

a) in our opinion, proper books of account have been kept by the Bank as required by the Companies Ordinance, 1984 (XLVII of 1984), and the returns referred to above received from the branches have been found adequate for the purposes of our audit;

b) in our opinion:

- i) the statement of financial position and the related profit and loss account together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), and are in agreement with the books of account and are further in accordance with the accounting policies consistently applied except for the changes referred in the note 4.4 of these financial statements with which we concur;
- ii) the expenditure incurred during the year was for the purpose of the Bank's business; and
- iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank;
- c) in our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Banking Companies Ordinance, 1962 (LVII of 1962), and the Companies Ordinance, 1984 (XLVII of 1984), in the manner so required and give a true and fair view of the state of the Bank's affairs as at 31 December 2013 and its true balance of profit, its cash flows and its changes in equity for the year then ended; and
- d) in our opinion Zakat deductible at source, under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

KPMG Taseer Hadi & Co. Chartered Accountants Muhammad Taufiq

⁽a) This represents reserve created under section 21(i)(a) of the Banking Companies Ordinance, 1962.

The annexed notes 1 to 44 and Annexures I, II, III & IV form an integral part of these financial statements.

ALAUDDIN FEERASTA CHAIRMAN MOHAMMAD AFTAB MANZOOR
PRESIDENT AND
CHIEF EXECUTIVE OFFICER

NOORUDDIN FEERASTA DIRECTOR SYED ALI ZAFAR DIRECTOR

⁽b) As more fully explained in note 9.8 and 10.4 of these financial statements the amount of Rs.1,253.114 million net of tax as at 31 December 2013 represents additional profit arising from availing forced sale value benefit while determining provisioning requirement, which is not available for the purpose of distribution of dividend to shareholders.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2013

1 STATUS AND NATURE OF BUSINESS

Soneri Bank Limited ("the Bank") was incorporated in Pakistan on 28 September 1991 as a public limited company under the Companies Ordinance, 1984. Its registered office is situated at Rupali House 241-242, Upper Mall Scheme, Anand Road, Lahore, Punjab and its shares are quoted on all the three stock exchanges in Pakistan. The Bank is engaged in banking services as described in the Banking Companies Ordinance, 1962 and operates with 239 branches including nine Islamic banking branches (2012: 233 branches including eight Islamic banking branches) in Pakistan.

2 BASIS OF PRESENTATION

In accordance with the directives of the Federal Government regarding the shifting of the banking system to Islamic modes, the State Bank of Pakistan has issued various circulars from time to time. Permissible forms of trade-related modes of financing include purchase of goods by banks from their customers and immediate resale to them at appropriate mark-up in price on deferred payment basis. The purchases and sales arising under these arrangements are not reflected in these financial statements as such but are restricted to the amount of facility actually utilised and the appropriate portion of mark-up thereon.

The financial results of the Islamic banking branches of the Bank have been consolidated in these financial statements for reporting purposes, after eliminating material intra branch transactions / balances. The financial results of the Islamic banking branches are disclosed in Annexure II to these financial statements.

3 STATEMENT OF COMPLIANCE

- 3.1 These financial statements are prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board and Islamic Financial Accounting Standards issued by the Institute of Chartered Accountants of Pakistan as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984, the Banking Companies Ordinance, 1962, and the directives issued by the State Bank of Pakistan. In case the requirements differ, the provisions of and directives issued under the Companies Ordinance, 1984, and the Banking Companies Ordinance, 1962, and the directives issued by the State Bank of Pakistan shall prevail.
- 3.2 The State Bank of Pakistan has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and International Accounting Standard (IAS) 40, 'Investment Property' for Banking Companies through BSD Circular No. 10 dated 26 August 2002 till further instructions. In addition the Securities and Exchange Commission of Pakistan has deferred the applicability of International Financial Reporting Standard 7, Financial Instruments: Disclosures (IFRS 7) vide SRO 411(I) / 2008 till further orders. Accordingly, the requirements of these standards have not been considered in the preparation of these financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the State Bank of Pakistan through various circulars.

3.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective:

The following standards, amendments and interpretations of approved accounting standards will be effective for accounting periods beginning on or after 1 January 2014:

- IFRIC 21- Levies 'an Interpretation on the accounting for levies imposed by governments' (effective for annual periods beginning on or after 1 January 2014). IFRIC 21 is an interpretation of IAS 37 Provisions, Contingent Liabilities and Contingent Assets. IAS 37 sets out criteria for the recognition of a liability, one of which is the requirement for the entity to have a present obligation as a result of a past event (known as an obligating event). The Interpretation clarifies that the obligating event that gives rise to a liability to pay a levy is the activity described in the relevant legislation that triggers the payment of the levy.
- Offsetting Financial Assets and Financial Liabilities (Amendments to IAS 32) (effective for annual periods beginning on or after 1 January 2014). The amendments address inconsistencies in current practice when applying the offsetting criteria in IAS 32. Financial Instruments: Presentation. The amendments clarify the meaning of 'currently has a legally enforceable right of set-off'; and that some gross settlement systems may be considered equivalent to net settlement.
- Amendment to IAS 36 "Impairment of Assets" Recoverable Amount Disclosures for Non-Financial Assets (effective for annual
 periods beginning on or after 1 January 2014). These narrow-scope amendments to IAS 36 Impairment of Assets address the
 disclosure of information about the recoverable amount of impaired assets if that amount is based on fair value less costs of
 disposal.
- Amendments to IAS 39 "Financial Instruments: Recognition and Measurement" Continuing hedge accounting after derivative novations (effective for annual periods beginning on or after 1 January 2014). The amendments add a limited exception to IAS 39, to provide relief from discontinuing an existing hedging relationship when a novation that was not contemplated in the original hedging documentation meets specific criteria.
- Amendments to IAS 19 "Employee Benefits" Employee contributions a practical approach (effective for annual periods beginning on or after 1 July 2014). The practical expedient addresses an issue that arose when amendments were made in 2011 to the previous pension accounting requirements. The amendments introduce a relief that will reduce the complexity and burden of accounting for certain contributions from employees or third parties. The amendments are relevant only to defined benefit plans that involve contributions from employees or third parties meeting certain criteria.

- Annual Improvements 2010-2012 and 2011-2013 cycles (most amendments will apply prospectively for annual period beginning on or after 1 July 2014). The new cycle of improvements contain amendments to the following standards:
- IFRS 2 'Share-based Payment'. IFRS 2 has been amended to clarify the definition of 'vesting condition' by separately defining 'performance condition' and 'service condition'. The amendment also clarifies both: how to distinguish between a market condition and a non-market performance condition and the basis on which a performance condition can be differentiated from a vesting condition.
- IFRS 3 'Business Combinations'. These amendments clarify the classification and measurement of contingent consideration in a business combination. Further IFRS 3 has also been amended to clarify that the standard does not apply to the accounting for the formation of all types of joint arrangements including joint operations in the financial statements of the joint arrangement themselves.
- IFRS 8 'Operating Segments' has been amended to explicitly require the disclosure of judgments made by management in applying the aggregation criteria. In addition this amendment clarifies that a reconciliation of the total of the reportable segment's assets to the entity assets is required only if this information is regularly provided to the entity's chief operating decision maker. This change aligns the disclosure requirements with those for segment liabilities.
- Amendments to IAS 16 'Property, plant and equipment' and IAS 38 'Intangible Assets'. The amendments clarify the requirements of the revaluation model in IAS 16 and IAS 38, recognizing that the restatement of accumulated depreciation (amortization) is not always proportionate to the change in the gross carrying amount of the asset.
- IAS 24 'Related Party Disclosure'. The definition of related party is extended to include a management entity that provides key management personnel services to the reporting entity, either directly or through a group entity.
- IAS 40 'Investment Property'. IAS 40 has been amended to clarify that an entity should: assess whether an acquired property is an investment property under IAS 40 and perform a separate assessment under IFRS 3 to determine whether the acquisition of the investment property constitutes a business combination.

BASIS OF MEASUREMENT

4.1 Accounting convention

These financial statements have been prepared under the historical cost convention, except that certain fixed assets are stated at revalued amounts, certain investments and commitments in respect of certain forward exchange contracts have been marked to market and are carried at fair value and staff retirement benefits are carried at present value.

Functional and presentation currency

These financial statements are presented in Pakistani Rupee which is the currency of primary economic environment in which the Bank operates.

43 Critical accounting estimates and judgements

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgement in application of its accounting policies. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

Significant accounting estimates and areas where judgements were made by the management in the application of accounting policies are as follows:

- i) classification and provisioning against investments (notes 5.3 and 9)
- ii) classification and provisioning against loans and advances (notes 5.4, 10.3 and 10.4)
- iii) income taxes and deferred taxation (notes 5.9, 22.8.1 and 30)
- iv) accounting for defined benefit plan (notes 5.11 and 34)
- v) depreciation, amortization methods, useful lives and revaluation of operating fixed assets (note 5.5 and 11)
- vi) fair value of derivatives (Note 5.18.2)

CHANGE IN ACCOUNTING POLICY 4.4

Except for the changes below, the Bank has consistently applied the accounting policies as set out in notes to these financial statements.

4.4.1 Defined benefit plan

With effect from 1 January 2013, IAS 19 revised is applicable. As per the revision, all the actuarial gains/losses arise during the year will be recognized immediately in the other comprehensive income (OCI) and all the past service cost (vested or non vested) will be recognized in current year profit and loss account. Therefore, the change for deferring past service cost / gains and losses to recognizing these immediately needs to be made retrospectively in accordance with IAS 8 Accounting Policies, Changes in accounting estimates 'and errors', and accordingly the opening equity needs to be adjusted and cost related to past services may not continue to be deferred. Cost deferred in the past need to be recognized retrospectively so that the profit and loss account for the current period reflects values related to the current period only as if the revised standard had always applied.

Effect of retrospective application of change in accounting policy are as follows:

| | 3 | 1 December 20 |)12 | 31 | 31 December 2011 | |
|--|------------------------|---------------|-------------|------------------------|------------------|-------------|
| Effect on Balance sheet report | As previously reported | Restated | As restated | As previously reported | Restated | As restated |
| | | | (Rupees in | '000) | | |
| (Decrease) / increase in defined benefit obligation Increase / (decrease) in | - | 31,889 | 31,889 | - | (67,912) | 67,912 |
| deferred tax asset | - | 11,162 | 11,162 | - | 23,769 | 23,769 |
| Unappropriated profit | 1,967,862 | (20,727) | 1,947,135 | 1,026,476 | (44,143) | 982,333 |

The comprehensive disclosure to this effect is set out in note 34 to these financial statements. The revised policy is stated under note 5 11

4.4.2 Segment Reporting

During the year, the Bank has changed the composition of its reportable segments. As a result, Commercial Banking sector has been merged with Corporate and Retail banking segments. Accordingly the comparative segment information relating to total income, expenses and certain other information for the year ended 31 December 2012 and assets and liabilities as at 31 December 2012 has been restated to bring it in line with the current organization structure of the Bank. As per reorganized structure, the Bank is operating through three business segments as fully explained in note 5.20.

5 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

5.1 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement represent cash and balances with treasury banks and balances with other banks in current and deposit accounts.

5.2 Lendings to / borrowings from financial and other institutions

The Bank enters into repurchase agreements (repo) and reverse repurchase agreements (reverse repo) at contracted rates for a specified period of time. These are recorded as under:

(a) Sale under repurchase agreements

Securities sold subject to a repurchase agreement (repo) are retained in the financial statements as investments and the counter party liability is included in borrowings. The differential in sale and repurchase value is accrued over the period of the contract and recorded as an expense.

(b) Purchase under resale agreements

Securities purchased under agreement to resell (reverse repo) are included in lendings to financial institutions or financing as appropriate. The underlying security is not recognised as a separate asset in the financial statements. The difference between the contracted price and resale price is amortised over the period of the contract and recorded as income.

(c) Lending under margin trading system

Securities purchased under margin financing are recorded as "lending to financial and other institution" at the fair value of the consideration given. All margin financing transactions are accounted for on the transaction date. Income on margin financing is accrued over the period of the contract.

(d) Other borrowings

These are recorded at the proceeds received. Mark-up on such borrowings is charged on time proportion basis to the profit and loss account over the period of borrowings.

Investments 5.3

The Bank classifies its investments as follows:

(a) Held for trading

These represent securities, which are either acquired for the purpose of generating profit from short-term fluctuations in prices or dealer's margin or are securities included in the portfolio in which a pattern of short-term profit making exists.

(b) Held to maturity

These are securities with fixed or determinable payments and maturity, which the Bank has the positive intent and ability to hold till maturity.

(c) Available for sale

These are investments, other than those in subsidiaries and associates, if any, that do not fall under the held for trading or held to maturity categories.

Investments other than those categorised as held for trading are initially recognised at fair value which includes transaction costs associated with the investment. Investments classified as held for trading are initially recognised at fair value, and transaction costs are expensed in the profit and loss account.

All purchases and sales of investments that require delivery within the time frame established by regulations or market convention are recognised at the trade date. Trade date is the date on which the Bank commits to purchase or sell the investment.

Premium or discount on acquisition of investments is amortised through the profit and loss account over the remaining period till maturity using effective interest method.

In accordance with the requirements of the State Bank of Pakistan, quoted securities other than those classified as 'held to maturity' are subsequently re-measured to market value. Surplus / (deficit) arising on revaluation of quoted securities classified as 'available for sale', is taken to a separate account shown in the balance sheet below equity. Surplus / (deficit) arising on revaluation of quoted securities which are classified as 'held for trading', is taken to the profit and loss account. Cost of investment is determined on weighted average basis.

In accordance with the BSD circular No. 14 dated 24 September 2004 issued by the State Bank of Pakistan, investments classified as 'held to maturity' are carried at amortised cost less impairment, if any.

Unquoted equity securities excluding investments in subsidiaries and associates are valued at the lower of cost and break-up value. Break-up value of unquoted equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. Investments in subsidiaries and associates if any (which qualify for accounting under International Accounting Standard - 28) are carried at cost less impairment, if any.

Impairment loss in respect of investments charged as available for sale (except term finance certificates) and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in fair value of an investment below its cost is also considered an objective evidence of impairment. Provisions for diminution in the value of term finance certificates, bonds and sukuks is made as per the Prudential Regulations issued by the State Bank of Pakistan. In case of impairment of available for sale securities, the cumulative loss that has been recognised directly in equity is removed from equity and recognised in the profit and loss account. For investments classified as held to maturity, the impairment loss is recognised in profit and loss account.

Profit / loss on sale of investments is credited / charged to the profit and loss account.

54 **Advances**

Advances are stated at cost less specific and general provisions. Specific provision for non performing advances is determined on the basis of the Prudential Regulations and the other directives issued by the State Bank of Pakistan and charged to the profit and loss account. General provision against consumer and small enterprises financings portfolio is maintained as per the requirements of the Prudential Regulations issued by the State Bank of Pakistan. Advances are written off when there is no realistic prospect of

Murabaha financings are reflected as receivables at the invoiced amount. Actual sale and purchase are not reflected, as the goods are purchased by the customer as agent of the Bank and all documents relating to purchase are in customer name. However, the profit on that sale revenue not due for payment is deferred by recording a credit to the "Deferred Murabaha Income" account. Funds disbursed under Murabaha financing arrangements for purchase of goods are recorded as "Advance Against Murabaha".

In Diminishing Musharaka based financing, the Bank enters into a Musharaka based on Shirkat-ul-milk for financing an agreed share of fixed asset (e.g. house, land, plant or machinery) with its customers and enters into periodic profit payment agreement for the utilization of the Bank's Musharaka share by the customer.

5.5 Operating fixed assets and depreciation

Owned

Property and equipment, other than freehold land, leasehold land and capital work-in-progress are stated at cost or revalued amount less accumulated depreciation and impairment losses, if any. Freehold / leasehold land and capital work-in-progress are stated at cost or revalued amount less impairment losses, if any.

Depreciation on all operating fixed assets is charged using the straight line method in accordance with the rates specified in note 11.2 to the financial statements after taking into account residual value, if any. The residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Land and buildings are revalued by professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value.

Surplus arising on revaluation is credited to the surplus on revaluation of fixed assets account. Deficit arising on subsequent revaluation of fixed assets is adjusted against the balance in the above mentioned surplus account as allowed under the provisions of the Companies Ordinance, 1984. The surplus on revaluation of fixed assets to the extent of incremental depreciation charged on the related assets is transferred to unappropriated profit.

Depreciation on additions is charged from the month the assets are available for use while in the case of assets disposed off, it is charged up to the month of disposal.

Maintenance and normal repairs are charged to income as and when incurred. Renewals and improvements are included in an asset's carrying amount or are recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably.

Gains and losses on sale of fixed assets are charged / credited to the profit and loss account currently, except that the related surplus on revaluation of fixed assets (net of deferred taxation) is transferred directly to unappropriated profit.

Leased (under finance lease)

Assets held under finance lease, if any, are stated at lower of fair value or present value of minimum lease payments at inception less accumulated depreciation. The outstanding obligations under the lease agreements are shown as a liability net of finance charges allocable to future periods.

The finance charges are allocated to accounting periods in a manner so as to provide a constant periodic rate of return on the outstanding liability.

Depreciation on assets held under finance lease is charged in a manner consistent with that for depreciable assets which are owned by the Bank.

Leased (Ijarah)

Assets leased out under 'Ijarah' are stated at cost less accumulated depreciation and impairment losses, if any. Assets under ijarah are depreciated over the period of lease term. However, in the event the asset is expected to be available for re-ijarah, depreciation is charged over the economic life of the asset using straight line basis.

Ijarah income is recognised in income on accrual basis as and when the rental becomes due.

Impairment of operating fixed assets

The carrying amounts of the Bank's operating fixed assets are regularly reviewed to determine whether there is any indication of impairment. An impairment loss is recognised if the carrying amount of an asset exceeds its recoverable amount. Such losses are recognised directly in the profit and loss account.

An impairment loss is reversed if there has been a change in the estimate used to determine the recoverable amount. Such reversals are only made to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had been recognised.

5.6 **Operating leases**

Lease payments, if any, under operating leases are charged to income on a straight line basis over the lease term.

5.7 Intangible assets

Intangible assets having a finite useful life are stated at cost less accumulated amortisation and impairment losses, if any. Intangible assets are amortised from the month, when these assets are available for use, using the straight line method, whereby the cost of the intangible asset is amortised on the basis of the estimated useful life over which economic benefits are expected to flow to the Bank. The residual value, useful life and amortisation method is reviewed and adjusted, if appropriate, at each balance sheet date.

5.8 **Impairment**

The carrying amount of assets is reviewed at each balance sheet date to determine whether there is any indication of impairment of any asset or group of assets. If any such indication exists, the recoverable amount of such assets is estimated and impairment losses are recognised immediately in the financial statements. The resulting impairment loss is taken to the profit and loss account except for impairment loss on revalued assets, which is adjusted against related revaluation surplus to the extent that the impairment loss does not exceed the surplus on revaluation of that asset.

Taxation 5.9

Current

Provision for current taxation is based on the taxable income at the current rates of taxation after taking into account available tax credit and rebates, if any. The charge for current tax also includes adjustments, where considered necessary relating to prior years, which arises from assessments / developments made during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences between the carrying amounts of assets and liabilities used for financial reporting purposes and amounts used for taxation purposes. Deferred tax is calculated at the rates that are expected to apply to the period when the differences are expected to reverse based on tax rates that have been enacted or substantively enacted by the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised

The carrying amount of deferred tax asset is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilised.

The Bank also recognises deferred tax asset / liability on deficit / surplus on revaluation of fixed assets and securities which is adjusted against the related deficit / surplus in accordance with the requirements of International Accounting Standard (IAS) 12, 'Income Taxes'.

Through Finance Act, 2010 certain amendments have been introduced in Seventh Schedule to the Income Tax Ordinance, 2001. The provision for advances & off balance sheet items is now allowed at 5% of total gross advances for consumer and SMEs (as defined in SBP Prudential Regulation). The provision for advances and off balance sheet items other than those falling in definition of consumer & SMEs are allowed upto 1% of such total gross advances.

With reference to allowability of provision, the management has carried out an exercise at year end and concluded that full deduction of provision in succeeding years would be allowed and accordingly recognized deferred tax asset on such provision amounting to Rs. 757.738 million.

5.10 Provisions

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

5.11 Staff retirement benefits

Defined benefit plan

The Bank operates an approved funded gratuity scheme for all its permanent employees. The bank recognises expense in accordance with revised IAS 19 "Employees Benefits". The actuarial valuation is carried out using the projected unit credit method. Actuarial gains and losses are recognised immediately in other comprehensive income. Past service cost is recognised immediately in profit and loss account.

Gratuity is payable to staff on completion of the prescribed qualifying period of service under the scheme.

5.12 Defined Contribution Plan

The Bank operates an approved funded provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Bank and its employees, to the fund at the rate of 8.33% of basic salaries of the employees.

5.13 Employees' compensated absences

Employees' entitlement to annual leave is recognised when they accrue to employees. A provision is made for estimated liability in respect of unavailed leaves earned up to the date of balance sheet. During 2012, the Bank revised its compensated absences plan such that going forward the outstanding leaves balances shall expire at the end of each financial year. Moreover the management introduced a scheme to settle the previous outstanding leaves against encashment. The balance on date of change is being accounted for as per transitional option given.

5.14 Borrowings / deposits and their cost

- Borrowings / deposits are recorded at the proceeds received.
- Borrowing / deposit costs are recognised as an expense in the period in which these are incurred using effective mark-up / interest rate method.

5.15 Revenue recognition

- Mark-up income / interest on advances and return on investments are recognised on a time proportion basis using the effective
- Mark-up / return on classified advances and investments is recognised on receipt basis. Interest / return / mark-up 'on rescheduled / restructured advances and investments is recognised as permitted by the Prudential Regulations issued by the State Bank.
- Fee, commission and brokerage income is recognised on accrual basis upon performance of services.
- Dividend income from investments is recognised when the Bank's right to receive the dividend is established.
- Premium or discount on acquisition of investments is amortised using effective yield method and taken to profit and loss account.
- Gains and losses on disposal of investments and operating fixed assets are dealt with through the profit and loss account in the year in which they arise.

5.16 Foreign currencies

(a) Foreign currency transactions

Foreign currency transactions are translated into rupees at the exchange rates prevailing on the date of the transaction. Monetary assets and liabilities in the foreign currencies are expressed in rupee terms at the exchange rates ruling on the balance sheet date. Outstanding forward foreign exchange contracts and foreign bills purchased are valued at the forward rates applicable to the respective maturities. Exchange gains and losses are included in income.

(b) Translation gains and losses

Translation gains and losses are included in the profit and loss account.

(c) Commitments

Commitments for outstanding forward foreign exchange contracts are disclosed in the financial statements at the contracted rates. Contingent liabilities / commitments for letters of credit and letters of quarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the date of the transaction.

5.17 Provision for guarantee claims and other off balance sheet obligations

Provision for guarantee claims and other off balance sheet obligations are recognised when intimated and reasonable certainty exists for the Bank to settle the obligation. Charge to profit and loss account is stated net of expected recoveries.

5.18 Acceptances

Acceptances comprise undertakings by the Bank to pay bills of exchange drawn on customers. The Bank expects most acceptances to be simultaneously settled with the reimbursement from the customers. Acceptances are accounted for as off-balance sheet transactions and are disclosed as contingent liabilities and commitments.

5.19 Financial instruments

5.19.1 Financial assets and liabilities

Financial instruments carried on the balance sheet include cash and balances with treasury banks, balances with other banks, lendings to financial and other institutions, investments, advances, certain receivables, bills payable, borrowings from financial institutions, deposit accounts and other payables. The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

5.19.2 Derivative financial instruments

Derivative financial instruments, if any, are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently remeasured at fair value using appropriate valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liability when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

5.19.3 Off-setting

Financial assets and financial liabilities are off-set and the net amount is reported in the financial statements when there exists a legally enforceable right to set-off and the Bank intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously. Income and expense items of such assets and liabilities are also off-set and the net amount is reported in the financial statements.

5.20 Segment Reporting

A segment is a distinguishable component of the Bank that is engaged either in providing product or services (business segment), or in providing products or services within a particular economic environment (geographical segment), which is subject to risks and rewards that are different from those of other segments. The operations of the Bank are currently based in Pakistan, therefore, geographical segment is not relevant.

Business segments

a) Corporate

Corporate banking includes financing, deposits and services provided to corporate customers including services in connection with mergers and acquisition, underwriting, privatisation, securitisation, syndication, IPOs.

b) Trading and sales

It includes fixed income, equity, foreign exchanges, lending and repos.

c) Retail banking

It includes all retail related lendings and deposits and banking services (including staff, consumer and SME financing).

5.21 Dividend and appropriation to reserves

Dividend and appropriation to reserves, except appropriation which are required by law after the balance sheet date, are recognised as liability in the Bank's financial statements in the year in which these are approved.

5.22 Basic and diluted earnings per share

The Bank presents basic and diluted earnings per share (EPS) for its shareholders. Basic EPS is calculated by dividing the profit or loss attributable to ordinary shareholders of the Bank by the weighted average number of ordinary shares outstanding during the period / year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any. There were no convertible dilutive potential ordinary shares in issue at 31 December 2013.

- 94 Investments include certain approved government securities which are held by the Bank to comply with the Statutory Liquidity Requirement determined on the basis of the Bank's demand and time liabilities as set out under section 29 of the Banking Companies Ordinance, 1962.
- This includes securities having book value of Rs. 30.700 million (2012: Rs. 30.700 million) pledged with the State Bank of Pakistan 9.5 and National Bank of Pakistan to facilitate T. T. discounting facility for the branches of the Bank.
- 9.6 During 2012, the Bank with other lenders of Azgard Nine Limited entered into the Share Transfer and Debt Swap Agreement dated 12 April 2012. The Bank under the agreement acquired 605,138 shares of Agritech Limited at a price of Rs. 35 per share and settled the loan exposure of Rs. 21.180 million against it. The Bank has also acquired 124,541 shares against cash consideration of Rs. 4.359 million. The total shares held with the Bank are 729,679 at Rs. 35 per share. The share price at 31 December 2013 stood at Rs. 12.67 per share and the Bank has recorded an impairment loss of Rs. 17.023 million on these shares. During the year the State Bank of Pakistan vide circular no. BPRD / BRD - (Policy) / 2013 - 1857 dated 15 February 2013 has clarified that such shares need not to be classified as strategic investment.
- 9.7 During the year the State Bank of Pakistan vide through circular no. BPRD / BRD - (Policy) / 2013 - 1857 dated 15 February 2013, directed the Bank to provide the classified exposure of term finance certificates of Agritech Limited in phase manner. However, the Bank has made a provision of Rs. 7.440 million against total outstanding exposure of Rs. 7.440 million in respect of provision for diminution in the value of held to maturity investments.
- During the year the State Bank of Pakistan vide through circular no. BPRD / BRD (Policy) / 2013 1857 dated 15 February 2013. directed the Bank to provide the classified exposure of term finance certificates of Azgard Nine Limited in phased manner. Bank has made 100% provision as per the afore mentioned circular which amounted to Rs. 22.925 million against outstanding exposure of Rs. 27.019 million in prior year after considering a forced sale value (FSV) benefit of Rs. 4.094 million secured against the mortgaged
- 9.9 The Bank purchased 4,000 certificates (on 29 September 2009) of WAPDA Sukuk certificates through a market based transaction for a cash consideration of Rs. 19.8 million having a face value of Rs. 20 million. These certificates were available in the seller's CDC account and on completion of the transaction were transferred to the Bank's CDC account. A periodic liarah rental was due on 22 October 2009, which was not paid to the Bank on the plea that certain discrepancy in the Central Depository Register was the reason for non payment.

The Bank through a legal notice has clarified the position that the Bank has purchased the aforesaid Sukuk Certificates from the market for a valuable consideration when these Sukuks were already entered in the Central Depository Register of seller's account. However the Bank has fully provided the outstanding amount against these Sukuks. The Bank has filed a recovery suit which is pending before the Sindh High Court, Karachi.

- **9.10** As required under SBP BPRD Circular No. 4 dated 22 May 2008, the shares owned by the Bank have been deposited in a blocked account with the Central Depository Company of Pakistan Limited (CDC).
- **9.11** Market Treasury Bills and Pakistan Investment Bonds are eligible for discounting with the State Bank of Pakistan.
- 9.12 This investment is fully provided and as per "shares subscription agreement", can only be sold to an existing investor.
- **9.13** DHA Cogen Limited shares were received under the enforcement of pledge of third party share by the consortium bank. These were recorded at nil value as the break-up value of shares as of 31 December 2013 is Rs.(24.98) per share.
- 9.14 This includes shares of Islamabad Stock Exchange Limited (ISEL) acquired in pursuance of corporatization and demutualization of ISEL as a public company limited by shares. Out of total 3,034,603 number of shares so acquired 1,820,762 shares have been deposited in a blocked account with the Central Depository Company of Pakistan Limited (CDC). The said shares and Trading Right Entitlement (TRE) Certificate were received against surrender of Stock Exchange Membership Card. As the fair value of both the asset transferred and asset obtained can not be determined with reasonable accuracy, the above investment has been recorded at the carrying value of Stock Exchange Membership Card in Bank's books.

9.15 Significant particulars relating to government securities, term finance certificates and sukuk bonds are as follows:

10.4 During the current year, the Bank decided to avail additional FSV benefit under BSD circular No.01 dated 21 October 2011. Such benefit is availed on case to case basis, based on the risk assessment policies of the Bank. This resulted in reduction of provision against non-performing loans and advances by Rs. 85.112 million.

Had the benefit of FSV not availed by the Bank, the specific provision against non-performing advances tax would have been higher by approximately Rs. 1,923.773 million as at 31 December 2013 and advances (net off provision) would have been lower by same amount. Further the net of tax profit, amounted to Rs. 1,250.452 million arising from availing the benefit of forced sale value is not available for distribution amongst the shareholders either in the form of cash or stock dividend.

10.4.1 Although the Bank has made provision against its non-performing portfolio as per the category of the loans forming part thereof, the Bank still holds enforceable collateral realisable through litigation. These securities comprise of charge against various tangible assets of the borrower including land, building and machinery, stock in trade, etc.

- 11.2.1 The cost of fully depreciated property and equipment still in use amounts to Rs. 838.465 million (2012: Rs. 577.557 million).
- **11.2.2** During the year 2011, the Bank's freehold / leasehold land and buildings on freehold / leasehold land were revalued by M/s Harvester Services (Private) Limited (Valuation and Engineering Consultants) on the basis of their professional assessment of the present market value. As a result of revaluation the market value of freehold / leasehold land and buildings on freehold / leasehold land were determined at Rs. 1,977.670 million.

Had there been no revaluation, the carrying amount of revalued assets at 31 December 2013 would have been Rs.944.812 million (2012: Rs. 983.020 million).

11.2.3 The Islamic banking branches of the Bank have entered into Ijarah transactions with customers during the year. These Ijarah transactions are in respect of motor vehicles and plant and machinery.

The ljarah payments receivable from customers for each of the following period under the terms of respective arrangements are given below:

2012 (Rupees in '000) Not later than one year 36.089 8,443 Later than one year but not later than five years 170,368 185,651 194,094 206.457

11.2.4 Disposals / deletion of property and equipment with original cost or book value in excess of Rs 1 million or Rs 250,000 respectively (which ever is less) are given in Annexure - III which is an integral part of these financial statements.

11.4 The Trading Right Entitlement Certificate (TRE Certificate) acquired on surrender of Islamabad Stock Exchange Membership Card is stated at Nil value.

According to section 5 of the Stock Exchanges (Corporatization, Demutualization and Integration) Act, 2012 an initial shareholder who has been issued TRE certificate and is not registered as a corporate broker with the Exchange, is required to do so within two years from the date of demutualization i.e. 27 August 2012 which is going to end on 26 August 2014.

Further, any initial shareholder who does not want to commence business within the said period of two years is also required to transfer its TRE certificate to any other shareholder.

Failing to commence business as a corporate broker or to transfer the TRE certificate will result in the lapse of the TRE certificate.

11.5 The additions mainly represent license fee in respect of acquisition of various softwares amounting to Rs. 34.634 million (2012: Rs. 37.151 million) for support of the new core banking software namely Sonaware Dot Net.

22.8 Other Contingencies

22.8.1 Taxation

(a) For the tax year 2011, the Bank had filed return under self assessment scheme as envisaged in section 120 of the Income Tax Ordinance, 2001. The income tax department has amended the assessment of tax year 2011 under section 122(5A) of the Income Tax Ordinance, 2001. The amended assessment order has been passed by adding / disallowing certain expenses / deductions resulting in additional tax liability of Rs.313.383 million.

The Bank has filed appeal before the Appellate Tribunal Inland Revenue (ATIR) for the above referred tax year against these disallowances and deductions.

- (b) For years ended 31 December 2008, 2009 and 2010, aggregate liability of Rs.159.10 million has been adjudged under Rule 40A of the Federal Excise Rules 2005 read with section 7 of the Federal Excise Act 2005, on the grounds that Bank failed to deposit applicable Federal Excise Duty on certain income heads. Against the said liability the Bank had preferred appeal before the Commissioner Inland Revenue (Appeals). As a result of appeal filed by the Bank before the Commissioner Inland Revenue (Appeals) certain add backs have been deleted and a net liability of Rs.89.44 million is now pending against which the Bank has preferred an appeal before the Appellate Tribunal Inland Revenue.
- (c) For the year ended 31 December 2011, a liability of Rs. 59.277million has been adjudged under Rule 40A of the Federal Excise Rules 2005 read with section 7 of the Federal Excise Act 2005, on the grounds that the Bank failed to deposit applicable Federal Excise Duty on certain income heads. Against the said liability the Bank has preferred an appeal before the Commissioner Inland Revenue (Appeals).
- (d) The tax department has filed tax references before honourable Lahore High Court, Lahore in respect of certain deductions primarily of provisions against advances which were allowed by the Appellate Tribunal Inland Revenue (ATIR) for assessment year 2000-2001 to tax year 2010.
- (e) For the tax year 2011 the tax authority has passed an order under section 161/205 by treating the Bank as assesses in default for non-deduction of tax on certain payments and has created a net demand of Rs.20.03 million. Against the said demand the Bank has filed an appeal before the Commissioner Inland Revenue (CIR).
- (f) The Bank and its tax advisor are of the view that the above issues will ultimately be decided in Bank's favour. Therefore no additional provision has been made in these financial statements.
- 22.8.2 Claims against the Bank not acknowledged as debts amounted to Rs. 2.4 million (2012: Rs. 2.4 million).
- **22.8.3** A penalty of Rs. 50 million has been imposed by Competition Commission of Pakistan ("the Commission") on the Bank on account of uncompetitive behaviour and impositing uniform cost on cash withdrawal from ATM transaction. The Bank alongwith other Bank's had filed a constitutional petition before the Competition Appellate Tribunal which has set aside the order of the Commission. Against the said order of the Competition Appellate Tribunal, the Commission has filed an appeal before the Supreme Court of Pakistan, the hearing of which is pending.

34 DEFINED BENEFIT PLAN

34.1 General description

As mentioned in note 5.11, the Bank operates a funded gratuity scheme for all its permanent employees. The benefits under the gratuity scheme are payable on retirement at the age of 60 or earlier cessation of service, in lump sum. The benefit is equal to one month's last drawn salary for each year of eligible service or part thereof, subject to a minimum of five years of service.

34.2 Principal actuarial assumptions

The latest actuarial valuation was carried out as at 31 December 2013 using the "Projected Unit Credit Actuarial Cost Method". The information provided in notes 34.2 to 34.12 has been obtained from the actuarial valuation carried out as at 31 December 2013. The main assumptions used for actuarial valuation were as follows:

| | Note | 2013 | 2012 |
|------|---|---------------------------------------|--|
| | Discount rateExpected rate of increase in salariesExpected rate of return on investmentsWithdrawal rate before normal retirement age | 13.00% 11.00% 13.00% "heavy" | 12.00% 10.00% 12.00% "moderate" |

| | 385,636 | 100.00% | 234,635 | 100.00% | | | | |
| L | | | | | | | | |

As per the actuarial recommendations the expected return on plan assets was taken as 13.00% per annum. The expected return on plan assets was determined by considering the expected returns on the assets underlying the current investment policy.

34.12 The expected gratuity expense for the next year commencing 1 January 2014 works out to Rs. 61.644 million.

35 DEFINED CONTRIBUTION PLAN

The Bank operates an approved funded provident fund scheme for all its permanent employees. Equal monthly contributions are made, both by the Bank and its employees, to the fund at the rate of 8.33 percent of basic salaries of the employees. The contribution made by the Bank and its employees during the year amounted to Rs. 66.973 million each (2012: Rs. 43.948 million each). The number of employees as at 31 December 2013 eligible under the scheme were 2,413 (2012: 1,932 employees).

The aggregate amount charged to income as fee to directors and remuneration to other key management personnel was Rs. 1.725 million and Rs. 179.369 million (2012: Rs. 1.834 million and Rs. 193.009 million) respectively.

Executives mean employees, other than the chief executive officer and directors, whose basic salary exceed five hundred thousand rupees in a financial year.

FAIR VALUE OF FINANCIAL INSTRUMENTS 37

37.1 Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction.

The fair value of traded investments is based on quoted market prices, except for tradable securities classified by banks as 'held to maturity'. These securities are being carried at amortised cost in order to comply with the requirements of BSD Circular No.14 dated 24 September 2004.

The fair value of unquoted equity investments is determined on the basis of break up value of these investments as per the latest available audited financial statements.

Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for such assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 5.4 to these financial statements.

The repricing profile, effective rates and maturity are stated in note 42 to these financial statements.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short term in nature or in the case of customer loans and deposits are frequently repriced.

37.2 Off-balance sheet financial instruments

Forward purchase of foreign exchange

Forward sale of foreign exchange

Equity future purchase contract

Equity future sale contract

TRUST ACTIVITIES 39

The Bank is currently not engaged in any trust activities.

40 RELATED PARTY TRANSACTIONS

The related parties of the Bank comprise related group companies, major share holders, directors and their close family members (including their associates), staff retirement funds and key management personnel.

Usual transactions with related parties include deposits, advances, acceptances and provision of other banking services which are carried out in accordance with agreed terms. Transactions with executives are undertaken at terms in accordance with employment agreements and services rules and includes provision of advances on terms softer than those offered to the customers of the Bank. Contribution to and accruals in respect of staff retirement benefit plan are made in accordance with the actuarial valuation / terms of the benefit plan as disclosed in notes 34 and 35. Remuneration to the key management personnel is disclosed in note 36 to these financial statements.

The details of transactions with related parties during the year other than those which have been disclosed else where in these financial statements, are as follows:

These loans were given to key management personnel as per the terms of their employment. Mark-up on these advances amounts to Rs. 39.748 million (2012: Rs.33.186 million).

CAPITAL ADEQUACY 41

41.1 Capital Management

The objective of managing capital is to safeguard the Bank's ability to continue as a going concern, so that it could continue to provide adequate returns to shareholders by pricing products and services commensurating with the level of risk. It is the policy of the Bank to maintain adequate capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The impact of the level of capital on shareholders' return is also recognised and the Bank recognises the need to maintain a balance between the higher returns that might be possible with greater gearing and the advantages and security afforded by a sound capital position.

Goals of managing capital

The goals of capital management are as follows:

- To be an appropriately capitalised institution, as defined by regulatory authorities and in accordance with risk profile;
- Maintain strong ratings and protect the Bank against unexpected events;
- Availability of adequate capital (including the quantum) at a reasonable cost so as to enable the Bank to expand; and achieve low overall cost of capital with appropriate mix of capital elements.

Statutory minimum capital requirement and management of capital

The State Bank of Pakistan through its BSD Circular No. 07 dated 15 April 2009 required that the minimum paid up capital (net of losses) for Banks to be raised to Rs. 10 billion by the year ended 31 December 2013. The raise was to be achieved in a phased manner requiring Rs. 10 billion paid up capital (net of losses) by the end of the financial year 2013. The paid up capital (net of losses) of the Bank for the year ended 31 December 2013 stood at Rs. 10,023.275 million. In addition banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10 percent of the risk weighted exposure of the Bank as at 31 December 2013. The Bank's CAR as at 31 December 2013 was approximately 11.22 percent of its risk weighted exposure.

The capital of the Bank is managed keeping in view the minimum "Capital Adequacy Ratio" required by the SBP through BPRD Circular No. 06: dated 15 August 2013. The adequacy of the capital is tested with reference to the risk-weighted assets of the Bank.

The required capital adequacy ratio is achieved by the Bank through improvement in the asset quality, ensuring better recovery management and striking balance with low risk assets. Banking operations are categorised as either trading book or banking book and risk-weighted assets are determined according to specified requirements of the State Bank of Pakistan that seek to reflect the varying levels of risk attached to assets and off-balance sheet exposures. The total risk-weighted exposures comprise the credit risk and market risk.

For the purpose of calculating capital under the capital adequacy framework, the capital of the bank is classified in two tiers as per the Basel III framework. The total regulatory capital consists of the sum of Tier 1 Capital and Tier 2 Capital. Tier 1 Capital includes Common Equity Tier 1 (CET1) and Additional Tier 1 Capital (AT1). CET1 of our bank includes the sum of fully paid up capital, balance in share premium, reserves for issuance of bonus share, general/statutory reserves as disclosed in the balance sheet, un-appropriated profit, less regulatory adjustments. The Bank's common shares are perpetual in nature and are non-convertible. The common shares have the last subordination in case of liquidation.

AT1 capital includes Instruments issued by the banks that meet the qualifying criteria for AT1, Share premium resulting from the issuance of AT1 instruments less regulatory adjustments applicable on AT1 Capital. The Bank has not allocated any AT1 capital.

Tier 2 Capital includes Subordinated debt / Instruments, Share premium resulting from the issue of instruments included in Tier 2, Revaluation Reserves (net of deficits, if any), General Provisions or General Reserves for loan losses, Foreign Exchange Translation Reserves, Undisclosed Reserves less regulatory adjustments applicable on Tier-2 capital. The bank has not issued any subordinated debt / instruments, therefore its Tier 2 capital comprises of revaluation reserve (upto a maximum of 45% of the balance in the related revaluation reserve) and general provisions for loan losses.

The calculation of capital adequacy enables the Bank to assess the long-term soundness. As the Bank carries on the business on a wide area network basis, it is critical that it is able to continuously monitor the exposure across the entire organisation and aggregate the risks so as to take an integrated approach / view. There has been no material change in the Bank's management of capital during the period.

41.2 Capital adequacy ratio

The capital to risk weighted assets ratio, calculated in accordance with the State Bank of Pakistan's guidelines on capital adequacy using Basel III standardised approach is presented below, except for figure of 2012 which have been calculated using Basel III standardized approach:

| | 2013 | 2012 (Restated) |
|---|------------|--------------------|

42 **RISK MANAGEMENT**

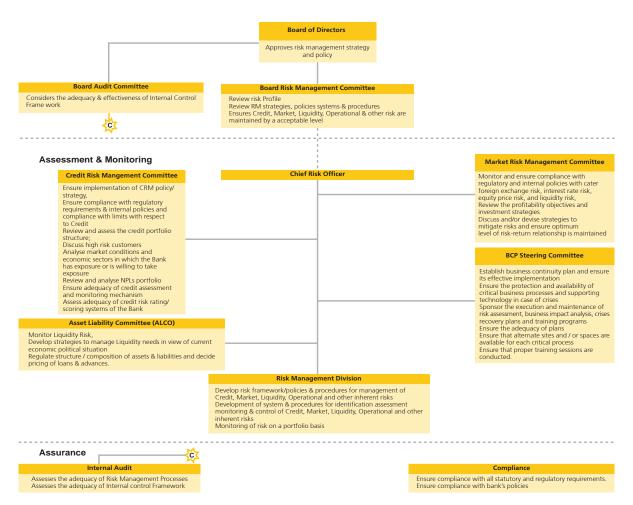

The primary goal of risk management is to identify, assess and monitor risks inherent in the activities of the Bank and take adequate measures to manage and control these risks on timely basis. This will help in achieving sustainable business growth and financial and non-financial targets with better protection and soundness. The Bank's aim is to achieve an appropriate balance between risk and return and minimize potential adverse effects on the Bank's financial performance.

The Bank's risk management framework encompasses the culture, processes and structure and is directed towards the effective management of potential opportunities and threats to the Bank. The prime objective of the Bank's risk management strategy is to abandon the traditional approach of 'managing risk by silos' and to put in place integrated risk and economic capital management capabilities that will enable the Bank to achieve integrated view of risks across its various business operations and to gain strategic advantage from its risk management capabilities.

The calculation of capital adequacy enables the Bank to assess the long-term soundness. As the Bank carries on the business on a wide area network basis, it is critical that it is able to continuously monitor the exposure across the entire organisation and aggregate the risks so as to take an integrated approach / view. There has been no material change in the Bank's management of capital during the period.

The Board of Directors (BOD) keeps an oversight on the Bank-wide risk management framework and approves the risk management strategy and policies of the Bank. Furthermore, the Risk Management Committee, a BOD-level sub-committee, ensures that the Bank at all time maintains a complete and prudent integrated risk management framework and ensures that the risk exposures are maintained within acceptable levels. Moreover, the Credit Risk Management Committee (CRMC) and Market Risk Management Committee (MRMC), both senior management committees, are mainly responsible for ensuring the compliance of BOD approved risk management policy and monitoring and managing risk levels in each exposure of the Bank.

The Bank's risk management policy, formulated on regulatory guidelines, covers all major types of risk that the Bank is exposed to. The policy is laid down on key risk management principles which includes management oversight and control culture, risk recognition and assessment, control activities and segregation of duties, information and communication, and monitoring activities and correcting deficiencies.

The bank has a well-established risk management structure, with an active Board of Directors and Board Risk Management Committee supported by an experienced senior management team and a centralized risk management group which is independent of the business lines.

Risk Management Function

Bank has undertaken a number of initiatives in the area of assessment, measurement and monitoring of credit risk, market risk, funding liquidity risk and operational risk. These measures are providing competitive advantage to the Bank besides preparing the Bank for the implementation of Basel-III advanced approaches in the coming years.

42.1 Credit Risk

Credit risk is a risk arising from the potential that an obligor is either unwilling to perform on an obligation or its ability to perform is impaired resulting in financial loss to the Bank. Credit risk arises from all transactions that give rise to actual, contingent or potential claims against any counterparty, borrower or obligor. The principal source of credit risk arises from the lending and investing activities of the Bank.

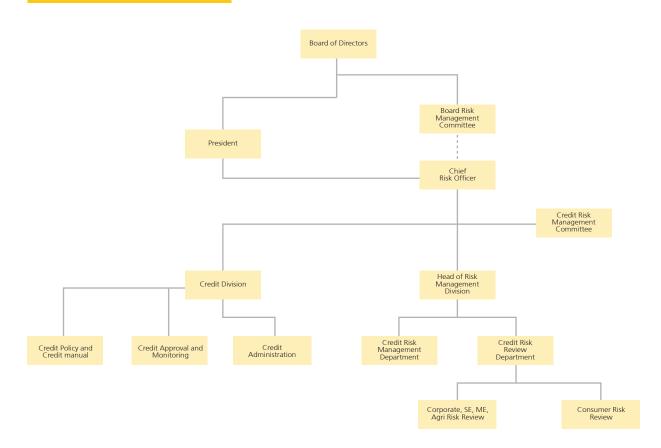

Credit Risk Management Objectives and Organization

Lending of money is the core business activity, a major source of revenue and hence a significant exposure of the Bank. All of this lending is mainly funded from depositors' money. Therefore, in order to protect the stakeholders' wealth, the Bank has deployed considerable resources and adequate controls to manage, monitor and control credit risk throughout the Bank.

The main objective of the credit risk management process is to identify, assess, measure and monitor credit risk in all the financial exposures of the Bank. The Bank has established a rigorous credit risk management framework to timely and effectively manage credit risk in each and every credit transaction as well as at portfolio level. In addition to this, the Enterprise Risk Management (ERM) solution of SAS which was purchased by the Bank in 2010 provides adequate grounds in making better credit decisions, measured risk-taking, better loan pricing and efficient capital allocation their against; thus resulting in efficient and effective use of funds and increase in profitability of the Bank.

The Bank has a sound organization structure for managing credit risk, established on strong internal control environment and equipped with adequate level of expertise and resources.

CREDIT RISK MANAGEMENT STRUCTURE

Credit Approval Authorities and Credit Standards

The Board of Directors have delegated lending powers to different layers of credit approving authorities, constituted at central and regional levels. Extension of credit is executed, in strong internal control environment, in the light of the Bank's credit policy and procedures and regulatory requirements.

Credit Portfolio Management

Besides managing credit risk at transaction level, the Bank regularly monitors credit risk at portfolio level and ensures that no undue concentration of risk is present in the overall credit exposure at Bank level. The Bank has a well established and rigorous management information set-up which allows efficient and effective assessment, monitoring and management of its credit risk profile in various dimensions

Credit Risk Rating

The Rating System provides solid grounds for the assessment and measurement of credit risk against each obligor in addition to fulfil regulatory requirements. The Bank has revised and updated its Corporate, Small Enterprises & Medium Enterprises, and Agriculture Finance Obligor Risk Rating (ORR) in the year 2013 as per the requirement of Basel II for adopting Foundation Internal Rating Based Approach (FIRB) using SAS Enterprise Miner which have been approved by the BOD. The Bank also has BOD approved, Facility Risk Rating System (FRR) for its Corporate, Retail and Consumer clients.

ORR assigns risk grades to customers, in accordance with the regulatory requirement, in twelve (12) grades, out of which top nine (9) grades refer to regular customers whereas remaining three (3) grades pertain to defaulted ones. Whereas, FRR assigns each loan facility in six (6) categories, in accordance with regulatory requirements. Business Units assign credit risk rating to every customer and loan facility as an integral part of the Bank's credit approval process.

Credit Risk Management Policy

A sound credit risk management framework forms part of the overall business strategy and credit operations of the Bank. The principles for credit risk management have been laid down in the Bank's credit risk procedural manual, credit manual and credit policy. The policy has been developed in accordance with the requirements of the State Bank of Pakistan and is reviewed and updated (where required) on periodic basis.

Credit Risk Assessment

The Bank has a well established and rigorous pre-approval evaluation process of credit risk embedded in each credit transaction executed by the Business Units. The entire process broadly encompasses, gathering relevant information on the borrower, credit investigations and visits, detailed credit appraisal, and credit risk assessment and measurement.

Credit Risk Limit Structure

In addition to monitoring credit limits specified in the Prudential Regulations of the State Bank of Pakistan, credit limit structure of the Bank includes internal limits as established by the senior management and the BOD. Internal limits include limits with respect to BOD approved risk appetite, industry / sector, credit approval authority, exposure with banks and NBFIs, exposure with insurance companies, and foreign countries. All these limits are monitored on regular basis and any exceptions are reported to the relevant authorities for their timely action where necessary.

Collateral

Collateral acts as a mitigate to credit risk that the credit exposure may realize in case of default by the borrower. Therefore, every credit facility extended by the Bank are backed by appropriate and quality collaterals. Similarly lending to financial institutions and DFIs are backed by securities viz., Treasury Bills and Pakistan Investment Bonds. Clean facilities are provided, under strict control environment, only to the extent permissible under the Prudential Regulations of the State Bank of Pakistan. The credit manual of the Bank contains list of approved collaterals that the Bank can take and internal control standards for the management of collaterals obtained against credit facilities.

Early Warning System

The Bank has an effective early warning system which enables the Business Units / credit managers / credit administration personnel to identify and report problem loans on a prompt basis. Reports are received from Business Units on regular basis, which are escalated to the concerned authority for necessary action on timely basis.

Remedial Management and Allowances for Impairment

The Bank has standards for identification and classification of credit facilities, restructuring as well as related provisioning requirements and write-off policy, with clear responsibilities pertaining to all processes that are required to be followed.

Loans that have become uncollectible are required to be referred to Special Asset Management (SAM) Division which initiates recovery proceedings against the borrowers in accordance with the Financial Institutions (Recovery of Finances) Ordinance 2001.

42.2 Credit Risk – General Disclosures, Basel III Specific

The Bank has adopted Standardized Approach of the Basel III accord. According to the regulatory statement submitted under the Standardized Approach, the portfolio has been divided into claims fully secured by residential property, claims on corporate (excluding equity exposure) and claims categorized as retail portfolio. Claims on corporate constitute 84% of the total exposure, 1% represents claims fully secured by residential property and the remaining 15% exposure pertains to claims categorized as retail portfolio.

42.3 Credit Risk: Standardized Approach

Currently the Bank does not have any policy whereby customers have to be rated by a rating agency. Therefore, the Bank uses unsolicited / solicited ratings of JCR-VIS, PACRA and other foreign agencies approved by SBP, wherever applicable.

Following are the types of exposure for which each agency is used:

| Exposure | JCR-VIS | PACRA | Fitch, Moody's & S&P |
|-----------------|--------------|-------|----------------------|
| Corporate | ✓ | ✓ | - |
| Banks | \checkmark | ✓ | \checkmark |
| Sovereigns | - | - | = |
| SMEs | - | - | - |
| Securitizations | - | = | - |

Most of the Bank's asset base is short or medium term. Therefore, the Bank uses the entity's rating to assess the risk of our exposure without any adjustments.

For exposure amounts subject to the standardized approach, amount of Bank's outstanding (rated & unrated) in each risk bucket after risk mitigation as well as those that are deducted are as follows:

| Exposure | Rating category No. | Amount outstanding | Deduction CRM* | Net Amount |
|--------------------------------------|---------------------|--------------------|-------------------|-------------|
| Corporate | 1-6 | 63,169,051 | 50 | 5,975,797 |
| Banks (local) | 1-6 | 4,814,992 | - | 73,767 |
| Banks (foreign) | 1-6 | 1,852,732 | 101,058 | 1,153,872 |
| Sovereigns, central banks, etc. | | 69,346,747 | - | 54,107,020 |
| Unrated | | 29,399,550 | 4,938,206 | 103,175,332 |
| Total * CRM= Credit Risk Mitigation | | 168,583,072 | 5,039,314 | 164,485,788 |

Main types of collateral taken by the bank are:-

- Cash Margin
- Lien on deposits / government securities

The Bank has adopted the comprehensive approach to credit risk mitigation under Basel III and therefore has applied haircuts to the collateral. Moreover all eligible collaterals that includes Cash/Liquid Securities have been taken into account with respect to credit risk mitigation.

42.4 **Market Risk**

42.4.1 Market risk is the risk that the Bank's earnings or capital, or its ability to meet business objectives, will be adversely affected by changes in the level or volatility of market rates or prices such as interest rates, commodity prices, equity prices and foreign exchange rates.

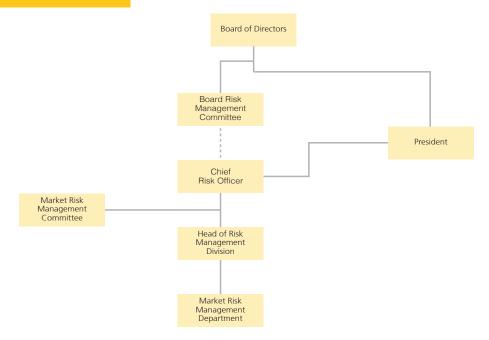

Market Risk Management Objective & Organization

The main objective of the market risk management is to minimize losses in the financial exposures of the Bank and to facilitate business growth within a controlled environment.

The Bank has established a rigorous market risk management framework to efficiently and effectively monitor and manage market risk in every transaction as well as at portfolio level. The Bank has made substantial investment to add value to its market risk management framework by purchasing the license of Market Risk Management System (MRMS), part of Enterprise Risk Management (ERM) solution, of SAS. The said solution will provide adequate analysis to facilitate better investment decisions, measured risktaking and efficient capital allocation their against; thus leading to efficient and effective use of funds.

The Bank has a sound organization structure for managing market risk, established on strong internal control environment and equipped with adequate level of expertise and resources. The Risk Management Committee (RMC), a BOD level sub-committee, is primarily responsible to monitor and manage market risk in all the financial exposures of the Bank, supported by the Risk Management Division and a senior management risk committee namely Market Risk Management Committee (MRMC).

MARKET RISK MANAGEMENT STRUCTURE

Market Risk Monitoring

Besides monitoring regulatory limits, the Bank has well established structure of internal limits with respect to its treasury and investment operations. The Treasury Middle Office (TMO), within the Market Risk Management Department, monitors each and every transaction executed through treasury, monitor risk limits, report breaches, off market rates, tolerance PV01 limits and asses market risk in money market transactions, investments in equity securities and foreign exchange transactions. In order to mitigate unnecessary risk and ensure minimum business losses. Earmarking Policy has also been implemented to ensure risk migration from high risk to low risk transactions.

Portfolio Analysis and Management

Besides managing market risk at transaction level, the Bank regularly monitors market risk at portfolio level and ensures that no undue concentration of risk and adverse correlation is present in the overall financial exposures at Bank level. The Bank has a well established management information set-up which allows efficient and effective assessment, monitoring and management of its market risk profile in various dimensions.

Marking-to-Market

The Bank is marking-to-market (MTM) its investment in tradable securities, i.e., equity securities, debt securities and foreign exchange ready and forward transactions, on regular basis. The same is independently reviewed by the Risk Management Division.

Market Risk Assessment and Measurement

The Bank is assessing and measuring market risk in all of its financial exposures using various types of measurement and analytical tools like Value at Risk (VaR), duration and convexity, performance ratios, interest rate gap, duration gap. Whereas, the Bank is using Standardized Approach of the Basel III accord, for exposures in its trading book and derivative financial instruments, to calculate market risk capital charge and risk weighted asset for Capital Adequacy Ratio (CAR) calculation purposes.

The Bank's principle market risk measurement methodology are VAR and stress testing. Historical financial market rates, prices and volatility serve as the basis for the statistical VAR model underlying the potential loss estimation. The Bank use ten day holding period and the confidence level of 99% to model the risk in our different portfolios. The main assumptions and scenarios of our stress analysis includes:

- 1. Parallel shift in yield curve by 2%, 3% and 4%.
- 2. Change in slope of yield curve by changing short term, medium term and long term maturities by different rates.
- 3. Penalize or reward depending on net long or net short position in foreign currency exposure.
- 4. Fall in general equity price upto 50%.

42.4.2 Foreign Exchange Risk

Foreign Exchange Risk is the probability of loss resulting from adverse movement in exchange rates. Exchange position arising from trading activities is monitored through foreign exchange limits on aggregate and individual currency basis. Hedging strategies and markto-market valuations are used to mitigate exchange risk resulting from open positions. Overall exchange position risk is maintained in accordance with the regulatory requirements prescribed by the State Bank of Pakistan.

42.4.3 **Equity Position Risk**

The Bank has started investment in trading portfolio in 2012 ,equity trading portfolio includes both cash and future position . The bank also enhanced its equity trading portfolio size in 2013. The Bank invests in blue chip securities depending up on market mispricing. Further, the risk arising from investment in equity securities lies in both its banking & trading book which is measured and assessed using the Value at Risk (VaR) approach. The VaR of the portfolio is reported to the BRMC, MRMC and other authorities on periodical basis.

42.4.4 Mismatch of Interest Rate Sensitive Assets and Liabilities

Yield risk is the risk of decline in earnings due to adverse movement of the yield curve. Interest rate risk is the risk that the value of financial instruments will fluctuate due to changes in the market interest rates. The Bank is exposed to yield / interest rate risk as a result of mismatches or gaps in the amounts of assets and liabilities and off balance sheet instruments that mature or re-price in a given period. The Bank manages this risk by matching the re-pricing of assets and liabilities and off-balance sheet instruments. The Bank's yield / interest rate sensitivity position for on-balance sheet instruments is based on the earlier of contractual re-pricing or maturity date and for off-balance sheet instruments is based on settlement date. The bank quantify the yield curve risk via duration, PVBP and convexity for rate sensitive assets and liabilities are held in banking and trading book. The bank also measure impact on net worth depending on duration gap of rate sensitive assets and liabilities.

- (a) The effective interest rate is a historical rate (for December month)for a fixed rate instrument carried at amortised cost and a current market rate for a floating rate instrument.
- $\begin{tabular}{ll} \textbf{(b)} & \textbf{The effective interest rate has been computed by excluding non-performing advances.} \end{tabular}$
- (c) The effective interest rate has been computed by excluding non-remunerative deposits.

42.5 Liquidity Risk

Liquidity risk is the risk that the Bank is unable to meet its obligations when they fall due with consequent failure to repay depositors and fulfil commitments to lend. The risk that the Bank will be unable to do so is inherent in all of its banking operations and can be impacted by a range of institution specific and market-wide events including, but not limited to, credit events, merger and acquisition activity, systemic shocks and natural disasters.

Liquidity Management

Day to day funding, is managed by Treasury Division through net cash flows from payment systems, fresh deposits mobilized by branches, maturing money market deposits etc.

The Bank maintains a portfolio of highly marketable assets viz., Market Treasury Bills and Pakistan Investment Bonds, that can either be sold in the open market or funds can be arranged there against under repo arrangement. This is further supported by investments in short term securities viz., Certificate of Investments etc. In line with its liquidity risk management policy, the Bank maintains a cushion over and above the minimum statutory liquidity requirement of SBP, for maintaining liquidity reserves, to ensure continuity of cash flows.

Liquidity Risk Monitoring

The Bank monitors its liquidity risk through various liquidity ratios and liquidity risk indicators and any deviations and breaches are reported to the concerned authorities for timely action. Moreover, Asset and Liability Management Committee (ALCO), a senior management committee, also reviews the liquidity position of the Bank on at least monthly basis and take appropriate measures where required.

Liquidity Risk Assessment

The Bank uses liquidity gap ladder to assess the liquidity gaps and liquidity needs in different time buckets, under normal and stressed scenarios. Whereas, the Contingency Funding Plan (CFP) of the Bank is also tested on the basis of the results of liquidity stress testing.

Sources of liquidity are regularly reviewed / monitored by Asset and Liability Committee (ALCO) on regular periodic basis. ALCO reviews the current economic situation, projected cash flows and asset / liability mix and approve strategy for managing appropriate liquidity. The liquidity risk management policy of the Bank encompasses liquidity contingency plan for actions to be taken in case of liquidity crises.

Stress testing exercise is conducted, on periodic basis, to test the adequacy of liquidity contingency plan and to identify the extent of liquidity stress that the Bank is able to take in current conditions.

Our liquidity management framework allows us to run stress analysis on our balance sheet and off-balance positions, which include, but are not limited to, the following:

- 1. Significant withdrawal from corporate clients deposits.
- 2. Withdrawal of top ten, top fifteen, and top twenty deposits.
- 3. Loss in the funding value of unencumbered assets.
- 4. Availability of secure lending is subject to significant over collateralisation.

Saving and current deposits and running finance do not have any contractual maturity however these deposits have been allocated into the above time bands based on historical withdrawal pattern of the said deposits. Further, it has been assumed that on a going concern basis, these deposits are not expected to fall below the current year's level.

42.5.2 Maturities of assets and liabilities - based on contractual maturity of the assets and liabilities of the bank

The management believes that above maturity analysis does not reveal the expected maturity of saving deposits as a contractual maturity analysis of deposits alone does not provide information about the conditions expected in normal circumstances. The management believes that the maturity profile disclosed in note 42.5.1 that includes maturities of saving deposits determined by the Asset and Liability Management Committee (ALCO) keeping in view historical withdrawal pattern of these deposits reflects a more meaningful analysis of the liquidity risk of the Bank.

42.6 Operational Risk

"Operational risk 'OpRisk' is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems or external events. This includes legal risk as well as the reputational consequences of failures in operational risk management."

Operational Risk Management Objective & Organization

The main objective of the operational risk management is to minimize expected and unexpected losses arising out of operational activities of the Bank.

The Bank has established a rigorous operational risk management framework to efficiently and effectively monitor and manage operational risk in each business and support activity of the Bank as well as those arising from external events like from natural disasters, outsourcing etc. The Bank has made substantial investment to add value to its operational risk management framework by purchasing the license of OpRisk Monitor, part of Enterprise Risk Management (ERM) solution, of SAS. OpRisk monitor is providing a solid forum for efficient and effective management and monitoring of operational risks across the Bank.

The Bank has a sound organization structure for managing operational risk, established on strong internal control environment and equipped with adequate level of expertise and resources. The Risk Management Committee (RMC), a BOD level sub-committee, is primarily responsible to ensure the compliance of the BOD approved operational risk management framework, supported by the Risk Management Division (RMD).

Operational Risk Assessment

The Bank has been conducting risk and control self assessment (RCSA) exercise for each business & support function of the bank in order to identify and assess operational risks inherent in existing activities, processes and systems. Through the RCSA exercise, the Bank has been able to develop inventory of risks, controls and key risk indicators (KRI) and has identified gaps in its operating activities which are rectified on priority basis.

Operational Risk Monitoring

Operational risk monitoring is conducted through KRIs, identified in the RCSA exercise for each process. SAS OpRisk monitor is being used for KRI monitoring purposes while all branches, offices, divisions/departments report KRI reports on periodical basis to the Operational Risk Management Department (within the Risk Management Division).

Operational Risk Measurement

The Bank keeps a detailed track of its operational loss events and maintains a database in SAS OpRisk Monitor with respect to the same which will help the Bank to step towards advanced approach of Basel II accord and also allows the Bank to formulate strategy to rectify the gap to avoid the incident from happening again. A set-up has been created whereby departments and branches across the country are reporting loss events to the RMD. We also gather external loss events occurring in the banking industry, and design strategies to prevent similar incidents from happening to us.

Operational Risk Assessment for New Products and Services

Operational risk in all new products, systems and processes are identified and assessed by the RMD so that risk associated can be mitigated to acceptable level. Assessment comprises of:

- Review of new process flows and their control activities;
- Conduct RCSA exercise;
- Ensure that all risks and controls are captured and has been adequately assessed and ranked.

Business Continuity Plan

In order to ensure continuity of the Bank's operations, the Bank has in place a well developed and BOD approved Business Continuity Plan (BCP) which has been implemented across the Bank. The BCP has been well communicated down the line and trainings and testing have been conducted across the country. Permanent back up sites have also been established and related testing has been carried out to relocate the critical staff on their designated back up sites. The BCP Steering Committee, a senior management committee, is responsible to ensure the adequacy of the BCP of the Bank as well as to ensure its effective implementation and compliance. The committee reports to the Board Risk Management Committee.

Transaction Risk Monitoring

Operational Risk Management Department (ORMD) performs transactions risk monitoring activity on Soneri Bank Visa Debit Cards with a help of system generated reports provided by ADC on a different set of parameters designed by RMD. ORMD highlights and identify fraudulent transactions and abnormal usage upon Debit cards and take necessary actions to mitigate exposure & safe guard the Bank from possible financial as well as reputational losses.

43 CORRESPONDING FIGURES

Prior year's figures has been reclassified for the purpose of better presentation and comparison. Changes made during the year are as follows;

| Reclassification from Profit and loss account | Reclassification to Profit and loss account | Note | 2013 2012 (Rupees in '000) |
|---|--|------|-------------------------------|
| Other income | Fee, commission and brokerage income | 43.1 | 161,651 |
| Reclassification from Statement of Financial Position | Reclassification to Statement of Financial Position | | |
| Deposits and other accounts - others | Other liability - sundry deposits | | |

43.1 These represents rent on lockers, cheque book issuance charges, handling charges, rebate on bank charges on nostro accounts, prepayment and late payment surcharge, mobile banking charges, LC discrepancy charges and instrument clearing charges.

44 GENERAL

44.1 DATE OF AUTHORISATION

These financial statements were authorized for issue on 19 February 2014 by the Board of Directors of the Bank.

Annexure - II

ISLAMIC BANKING BUSINESS

The Bank is operating nine Islamic banking branches at the end of current year as compared to eight Islamic banking branches at the end of prior year. The statement of financial position, profit and loss account and cash flow statement of these branches (including Islamic Banking Division) are as follows:

BSD circular letter No. 03 dated January 22, 2013 requires all Islamic Banks and Banks with Islamic Banking Branches to present all financing, advances for assets under Islamic modes of financing and any other related items pertaining to Islamic mode of financing under the caption "Islamic Financing and Related Assets" in the statement of Financial position. Previously, advances for assets under Islamic modes of financing were reported under "Other assets" and Ijarah assets were reported under "Operating fixed assets".

Annexure - II

ISLAMIC BANKING BUSINESS

- (vii) Soneri Bank Limited - Islamic Banking Division (SBL - IBD) is maintaining following pools for profit declaration and distribution.
 - (i) General Pool.
 - (ii) IERS Musharika Pool.

Features, Risks and rewards of each pool is given below;

(i) General Pool

(a) Priority of utilization of funds in the general pool shall be

- Equity Funds.
- Depositor Funds.
- Placement / Investments of Other IBI.
- Mudaraba Placement of SBL (Head Office).

(b) Weightages for distribution of profit in general pool

Profits are calculated on the basis of weightages assigned to different tiers and tenors. These weightages are announced at the beginning of the period, while considering weightages emphasis shall be given to the quantum, type and period of risk assessed by applying following factors.

- Contracted period, nature and type of deposits / fund.
- Payment cycle of profit on such deposit / fund i.e. monthly, quarterly or on maturity.
- Magnitude of Risk.

Any change in profit sharing weightages of any category of deposit / fund providers shall be applicable from next month.

(c) Identification and allocation of pool related income and expenditure

The allocation of income and expenditure to different pools is being done based on pre-defined basis and accounting principles as mentioned below;

The direct expenditure shall be charged to respective pool, while indirect expensed including the establishment cost shall be borne by SBL - IBD as Mudarib. The direct expenses to be charged to the pool may include depreciation of Ijarah assets, insurance / Takaful expenses of pool assets, stamp fee or documentation charges, brokerage fee for purchase of securities, impairment / losses due to physical damages to specific assets in pools etc. However, this is not exhaustive list; SBL - IBD pool management framework and the respective pool creation memo may identify and specify these and may similar expenses to be charged to the pool.

(d) Parameters associated with risk and rewards

Following are the consideration attached with risk and reward of general pool;

- Period, return, safety, security and liquidity of investment.
- All financing proposal under process at various stages and likely to be extended near future.
- Expected withdrawal of deposits according to the maturities affecting the deposit base.
- Maturities of funds obtained under modaraba arrangement from Head Office, Islamic Banking financial institutions.
- Element of risk associated with different kind of investments.
- Regulatory requirement.
- Shariah compliance.

(ii) IERS Musharika Pool

All the features and other details of this pool are in accordance with the SBP IERS Scheme and all circulars and instructions issued from time to time in this regard.

Annexure - II

SHARIAH ADVISOR'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2013

The year under review was the ninth year of Soneri Bank Limited, Islamic Banking.

Shariah Audit and Compliance Review

The annual Shariah Audit of Islamic Banking branches has been conducted and observed that Shariah principles, flow chart and procedure are being adhered to in the branches complying Shariah rulings. .

The affairs of Islamic Banking branches has been carried out in accordance with rules and principles of Shariah SBP regulations and guidelines related to Shariah compliance as well as with specific Fatawa and ruling issued by me as Shariah Advisor from time to time.

All the agreements, contracts and documents related to Murabaha, Salam Diminishing Musharakah and Ijarah were studied and checked and ensured that all the terms and conditions are Shariah compliant

Moreover, during the year 2013 Shariah Audit was conducted in all major branches to ensure and evaluate the overall Shariah compliance of the branch's operation and their alignment with the guidelines given by me as Shariah Advisor.

During the audit following documents have been checked.

- Agreements for Murabaha. Ijara, Diminishing Musharakah and Bai Salam.
- Declaration, description of Assets / Goods, relevant purchase invoices.
- -Agreements and recovery of rentals in Ijarah transactions.
- Import finance transactions and related documentations.
- Other related documents and procedures followed by different functional areas.
- Schedule of charges
- Profit Sharing Ratio, Profit weightages.

Distribution of Profit

Deposits are accepted on the Islamic Modes of Mudarabah/Musharakah. The profit is distributed monthly on the basis of weightages which are announced three days before beginning of each month. Bank is assigning weightages on the basis of different tiers and maturities of deposits in different categories. These are in accordance with the Shariah rules and principles duly vetted by me as Shariah Advisor and as per profit distribution policy duly approved by the Board of Directors.

Profit distribution mechanism was checked and observed that income and expenditure are accounted for as approved by the competent authority and in accordance with Shariah Guidelines provided.

Charity Funds

The transactions where penalties were charged the amount of penalties transferred to charity fund instead of retaining in the income account and charity funds are donated to charitable organization as per charity policy.

New Products

During the year 2013 Islamic Forward Cover for imports was launched and its Product Paper, Agreements and Process flows were reviewed by me and found to be compliant to Shariah guidelines.

Training and Development

Islamic Banking awareness programs were organized for understanding of the Islamic Banking concepts and products. However, due to increasing number of branches and employees, this focus on training and development needs to be carried on continuous basis. The staffs of Islamic Banking branches are also provided knowledge of products and Shariah aspects through lectures and materials. Moreover, staff members of Islamic Banking branches are nominated to participate in workshops, seminars and courses conducted on Islamic Banking by various organizations under supervision of SBP and by private institutions.

RECOMMENDATIONS

Based on the review of various transactions we recommend that:

The bank should focus more on development and execution of customers awareness programs in the form of printed materials like brochures of products and or through seminars and workshop regarding Islamic banking and its products.

The staff should ensure the adherence to system and proper following of the recommended process flow, physical checking and verification of the goods in Murabaha and ljarah transactions and also ensure direct payment to the suppliers in overall Murabaha Financing.

CONCLUSION

It is the responsibility of the bank management and employees to ensure the application of Shariah principles and guidelines issued by the Shariah advisor and to ensure Shariah compliance in all activities of the bank.

On the basis of inspection of transactions and Shariah audits. In our opinion, the general conducts of Islamic banking activities are Shariah compliant. We pray to almighty ALLAH, for the success of Islamic banking and provide us guidance to adhere to his Shariah in day to day operations and forgive our mistakes.

MUFTI NADEEM IQBAL

Vice President & Shariah Advisor

Lahore: 19 February 2014
