6. Mr. Muhammad Jahanzeb - Director
7. Mr. Syed Raza Abbas Jafferi (Rep. NIT)

#### **DIRECTORS' REVIEW**

In the Name of Allah, the Most Beneficent, the Merciful

Dear Shareholders

Your Directors are pleased to present before you the un-audited accounts of the company for the first quarter ended September 30, 2013.

#### OPERATING RESULTS:

By the grace Almighty Allah the financial performance of your company remained satisfactory during the first quarter of the new financial year. The company has earned a profit of Rs. 40.38 before tax (2012: 44.76 million) and Rs. 35.76 million after tax (2012: Rs. 25 million).

The GP ratio has been reduced by 1.89% to reach 10.32% (2012: 12.21%) mainly due to sudden increase in energy cost. In spite of energy crises in the country, management succeeded to improve the net profit ratio by 0.77% as compared to last year's same period to reach 3.53% (2012: 2.76%).

#### **FUTURE OUTLOOK**

The summary of results we have given above is enough to describe the main problem we are facing, though the company is striving for best procedures to be adopted to reduce each and every penny of cost that is possible and the management is happy to save a lot as a result. But the energy crises are that huge that management can't combat it so easily. The management focused on Gas Gen-sets and saved a marginal amount but in winter 2013, the gas supply shortage might hit badly.

#### **ACKNOWLEDGMENT**

Your Directors place on record their deep appreciation for the efforts made by the workers and staff of the Company for their deep devotion to work, as these results come from combined efforts of staff and management.

Your Directors would also like to express their thanks to the Shareholders and Financial Institutions for their support and assistance.

On behalf of the Board of Directors

Multan
Dated: October 29, 2013

Mian Muhammad Parvez
Chief Executive

#### VISION 2015

To be a world class and leading organization continuously providing high quality textile products.

#### MISSION 2013

To be a model diversified textile organization exceeding expectations of all stakeholders. We will achieve this by utilizing best blend of state-of-the-art technologies, excellent business processes, high performing people, and synergetic organizational culture.

#### **CORE VALUES**

Our success will not be a matter of chance but of commitment to the following enduring beliefs and values that are engrained in the way we think and take actions to pursue a climate of excellence:

Integrity & Ethics

Integrity, honesty and high ethical, legal & safe standards are corner stones of our business practices.

Quality

We pursue quality as a way of life. It is an attitude that affects everything we do for relentless pursuit of excellence. Our aim is:

To achieve and sustain good reputation in both domestic and international market by manufacturing quality yarn / fabric with organized training and implementation of quality system as per our valued customers needs to ensure the achievement of our aim.

Social Responsibility

We believe in respect for the community and preserving the environment for our future generations and keeping National interests paramount in all our action.

Learning & Innovations

We embrace lifelong learning and innovation as an essential catalyst for our future success. We believe in continuous improvement and to seize opportunities inherent in change to shape the future.

**Team Work** 

We believe that competent and satisfied people are the company's heart, muscle and soul. We savours flashes of genius in organization's life by reinforcing attitude of teamwork and knowledge sharing based on mutual respect, trust and openness.

**Empowerment** 

We flourish under and ecosystem of shared understanding founded on the concept of empowerment, accountability and open communication in all directions.

#### STRATEGIC PLAN

To achieve the above objectives, the Company has made strategic plans to enhance and upgrade its installed capacity over the next 10 years to maintain and expand its market, Further plans are to excel in social responsibilities by implementing related projects and community developments.

## **DIRECTORS' REPORT**

In the name of Allah the Most Beneficent and the Merciful

#### **Dear Shareholders**

Yours Directors are pleased to present before you the 24<sup>th</sup> Annual Report on the affairs of your Company and Financial Results for the year ended June 30, 2013 together with the Directors Report and Auditors Report.

#### **SUMMARIZED FINANCIAL RESULTS:**

	2013	2012
	(Rupees)	(Rupees)
Sales	4,015,813,336	3,376,915,926
Gross Profit	447,346,364	<b>5</b> 424,920,553
Profit before taxation	182,259,430	167,614,187
Profit after taxation	143,998,722	96,222,497

#### **REVIEW OF OPERATIONS:**

By the grace of Almighty Allah, during current year, the operations of the Company were quite satisfactory as your Company has earned gross profit of Rs. 447 million. During the year, gross profit of the Company has decreased by 1.44% from 12.58% to 11.14% as compared to last year; this is mainly due to the Fuel price adjustment surcharge. But due to the increase in sales volume gross profit and net profit is also increased.

Further, the provision for income tax in current year amounted to Rs. 38.26 million (2012:Rs.71.4 million).

No significant change has been observed in administrative expenses. Finance costs, during the year, decreased by Rs. 31.5 million mainly due to effective financial management.

#### DIVIDEND

Your directors are pleased to recommend for the payment of the cash dividend to its shareholders at 15% i.e. Rs. 1.50 per share of Rs. 10/- for the year ended June 30, 2013.

#### **BOARD MEETINGS AND ATTENDANCE BY DIRECTOR:**

#### **FUTURE OUTLOOK**

The Textile Industry has been one of the most unpredictable industries in Pakistan. In future the only dilemma is energy crises and continuously increasing energy prices. There is no solution yet on the part of Govt. of Pakistan, while we have made all possible arrangements to overcome this situation like standby Gas Gensets etc and some other plans are also in pipeline to mitigate the effects of energy price hype.

By the grace of Almighty Allah, management is striving very hard to make the future business profitable.

#### **CORPORATE GOVERNANCE**

Compliance of corporate governance is attached.

#### **AUDITORS**

M/s F.R.A.N.T.S. & Co., Chartered Accountants, Multan being eligible and are recommended for re-appointment as Auditors of the Company for a term of one year as suggested by the Audit Committee.

#### PATTERN OF SHAREHOLDING

Pattern of holding of shares by the shareholders of the Company as on June 30, 2013 as required under Section 236(2)(d) of the Companies Ordinance, 1984, is enclosed.

#### **ACKNOWLEDGMENT**

Your Directors place on record their deep appreciation for the efforts made by the workers and staff of the Company for their deep devotion to work.

Your Directors would also like to express their thanks to the Shareholders and Financial Institutions for their support and assistance, especially Bank Al-Falah Limited, Bank Al-Habib Limited, Allied Bank Limited, Habib Bank Limited, National Bank Limited and United Bank Limited.

On behalf of the Board of Directors

# STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE

Name of Company: Ahmad Hassan Textile Mills Limited

Year ended: June 30, 2013

This statement is being presented to comply with the Code of Corporate Governance (CCG) contained in the Listing Regulation No. 35 of Karachi, Lahore and Islamabad Stock Exchanges for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

The company has applied the principles contained in the CCG in the following manner:

The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. However, none of the directors on the board represents minority. At present the board includes:

#### **Executive Directors:**

- Mr. Muhammad Javed Anwar
- Mr. Muhammad Parvez
- Mr. Muhammad Haris

#### Non-Executive Directors:

- Mr. Muhammad Aurangzeb
- Mr. Muhammad Jahanzeb
- Mrs. Salma Javed
- Syed Raza Abbas Jaffari
- The directors have confirmed that none of them is serving as a director on more than ten listed companies, including the company.
- 3. All the resident directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
- 4. The elections of the directors were held on October 31, 2011 in which seven directors were elected for a term of three years. No casual vacancy occurred on the Board during the year ended June 30, 2013.
- 5. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 7. All the powers of the board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the Chief Executive Officer (CEO), other executive and non-executive Directors, have been taken by the board/shareholders.
- 8. The meetings of the board were presided over by the Chairman and, in his absence, by a director elected by the board for this purpose and the board met at least once in every quarter. Written notices of the board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.

- 9. Three directors of the Company are exempted from the Directors Training Program on the basis of their level of education and length of experience as provided in the CCG. The company will arrange training program of other directors as provided under CCG..
- 10. The board has approved the appointment of Chief Financial Officer (CFO), Company Secretary and Head of Internal Audit including their remuneration and terms and conditions of employment. However, there were no new appointments of CFO, Company Secretary or Head of Internal Audit during the year.
- 11. The directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the board.
- 13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
- 14. The company has complied with all the corporate and financial reporting requirements of the CCG.
- 15. The board has formed an Audit Committee. It comprises of three (3) members, of whom two (2) are non-executive directors. The Chairman of the Committee is non-executive director.
- 16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
- 17. The board has also formed Human Resource and Remuneration Committee. It comprises of CEO and two (2) non-executive directors. The Chairman of the Committee is non-executive director.
- 18. The board has set up an effective internal audit function headed by Head of Internal Audit. The staff is considered suitably qualified and experienced for the purpose and is conversant with the policies and procedures of the company.
- 19. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchanges.
- 22. Material/price sensitive information has been disseminated among all market participants at once through stock exchanges.
- 23. We confirm that all other material principles enshrined in the CCG have been complied with.

Mian Muhammad Parvez Chief Executive Officer

October 04, 2013

# Review Report to the Members on Statement of Compliance with the Best Practices of Code of Corporate Governance

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance (The Code) prepared by the Board of Directors of Ahmad Hassan Textile Mills Limited (the Company) to comply with the Listing Regulations of Karachi, Lahore and Islamabad Stock Exchanges where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

Further, the Code requires the Company to place before the audit committee and upon recommendation of the audit committee, before the Board of Directors for their review and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and recommendation by the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended June 30, 2013.

## **AUDITORS' REPORT TO THE MEMBERS**

We have audited the annexed balance sheet of Ahmad Hassan Textile Mills Limited (the Company) as at June 30, 2013 and the related profit and loss account, statement of comprehensive income, cash flow statement, and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- (a) In our opinion, proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) In our opinion:
  - (i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984 and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
  - (ii) the expenditure incurred during the year was for the purpose of Company's business; and
  - (iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company:
- (c) In our opinion, and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with the approved accounting standards as applicable in Pakistan, and give the information required by the Companies Ordinance, 1984, in the manner so required and, respectively give a true and fair view of the state of the Company's affairs as at June 30, 2013 and of the profit, its cash flows and changes in equity for the year then ended; and
- (d) In our opinion Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980) was deducted by the Company and deposited in Central Zakat Fund established under section 7 of that Ordinance.

# NOTES TO AND FORMING PART OF FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

#### 1. STATUS AND ACTIVITIES

Ahmad Hassan Textile Mills Limited (the Company) was incorporated in Pakistan on December 03, 1989 as a Public Limited Company under the Companies Ordinance 1984. Its shares are quoted on all Stock Exchanges in Pakistan. It is principally engaged in the manufacturing and sale of yarn and fabric. The registered office of the Company is situated at 46-Hassan Parwana Colony, Multan. The mill is located at M. M. Road, Chowk Sarwar Shaheed, District Muzaffargarh.

#### 2. BASIS OF PREPARATION

#### 2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (the IASB) as notified under the provisions of the Companies Ordinance, 1984, the requirements of the Companies Ordinance, 1984 and the directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Companies Ordinance, 1984 or the directives issued by the SECP differ with the requirements of the IFRS, the requirements of the Companies Ordinance, 1984, and the said directives shall take precedence.

#### 2.2 Basis of measurement

These financial statements have been prepared under historical cost convention, except for:

- operating property, plant and equipment as stated in note 2.7.1.
- modification of foreign currency translation adjustments as stated in note 2.7.7,

#### 2.3 Functional and presentation currency

The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

#### 2.4 Significant accounting estimates and judgments

The preparation of financial statements in conformity with approved accounting standards requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which estimates are revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material adjustment in the next financial year are set forth below:

#### Significant accounting estimates and judgments - continued

#### Property, plant and equipment

The Company reviews the rates of depreciation, useful lives, residual values and values of assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of property, plant and equipment with a corresponding effect on the depreciation charge and impairment.

#### Stock-in-trade and stores, spares and loose tools

The Company reviews the net realizable value of stock-in-trade and stores, spares and loose tools to assess any diminution in their respective carrying values. Any change in the estimates in future years might affect the carrying amounts of stock-in-trade and stores, spares and loose tools with a corresponding effect on the amortization charge and impairment. Net realizable value is determined with respect to estimated selling price less estimated expenditure to make the sale.

#### Income taxes

In making the estimates for income taxes currently payable by the Company, the management looks at the current income tax laws and the decisions of appellate authorities on certain issues in the past.

#### 2.5 Standards, interpretation and amendment adopted during the year

In the current year, the Company has adopted following new standards and amendments to approved standards issued by the IASB and as notified by the SECP that are relevant to its operations and effective for the Company's accounting period beginning on July 01, 2012.

- Amendments to IAS 12 deferred tax on investment property
- Presentation of Items of Other Comprehensive Income (Amendments to IAS 1)

In the year 2010, the Company adopted "IAS-1 (revised) - Presentation of financial statements" and opted to present a single statement of profit or loss and other comprehensive income, with profit or loss and other comprehensive income presented in two sections.

During the year, the Company has opted to present the profit or loss section as a separate statement of profit and loss account followed by a separate statement of comprehensive income, which begins with profit or loss for the year after taxation and then presenting the items of other comprehensive income.

Accordingly, the figures of comparative year have also been transferred to statement of comprehensive income. This does not have any significant impact on the financial statements and there is no impact on earnings per share.

The adoption of new standards, interpretations and amendments / improvements did not have any material effect on the Company's financial statements.

#### 2.6 New, revised and amended standards and IFRIC interpretations that are not yet effective

The following standards, amendments and interpretations of approved accounting standards are effective for accounting periods beginning on or after July 1, 2013. These standards are either not relevant to the Companys operations or are not expected to have significant impact on the Companys financial statements;

effective for annual periods beginning on or after

## 2.7 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted are set out below:

#### 2.7.1 Property, plant and equipment

#### Owned

Property, plant and equipment except freehold land and capital work-in-progress (CWIP) are stated at cost or revalued amount less accumulated depreciation and any identified impairment in value. Freehold land is stated at revalued amount and CWIP is stated at cost less any recognized impairment loss. Borrowing costs pertaining to erection / construction of qualifying assets are capitalized as part of the historical cost as stated in *Note 2.7.13*.

All expenditures connected to the specific assets incurred during installation and construction period are carried under CWIP. These are transferred to specific assets as and when assets are available for use.

Depreciation on all items of property, plant and equipment except for freehold land and capital work-in-progress is charged to income by applying reducing balance method so as to write-off the depreciable amounts over estimated remaining useful life of the assets. The useful life and depreciation method are consistent with the expected pattern to ensure that the method and period of depreciation are consistent with the expected pattern of economic benefits from items of operating property, plant and equipment. Rates of depreciation are stated in *Note 3.1*. Depreciation is charged on additions from the month in which an asset is acquired or capitalized and no depreciation is charged for the month in which asset is disposed of. The profit or loss on disposal or retirement of an asset represented by the difference between the sale proceeds and the carrying amount of the asset is recognized as an income or expense.

#### Property, plant and equipment - continued

Surplus arising on revaluation of property, plant and equipment is credited to surplus on revaluation of property, plant and equipment. The surplus on revaluation of property, plant and equipment to the extent of incremental depreciation charged on the related assets and revaluation surplus pertaining to assets disposed off during the year are transferred to unappropriated profit through other comprehensive income.

Subsequent costs are included in the assets carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The assets so replaced, if any, other than those kept as stand-by, are retired. All other repair and maintenance cost is charged to income during the period in which it is incurred.

#### Leased

These are stated at the lower of present value of minimum lease payments under the lease agreements and the fair value of the assets. The related obligation of leases is accounted for as liability. Finance cost is allocated to accounting periods in a manner so as to provide a constant periodic rate of finance cost on the remaining balance of principal for each period.

Depreciation is charged to income at the rates stated in *Note 3.1* applying reducing balance method to write-off the depreciable amounts of the assets over their estimated useful life in view of certainty of ownership of the assets at the end of lease period.

Finance cost and depreciation on leased assets are charged to current year's income.

#### 2.7.2 Impairment of assets

The management assesses at each balance sheet date whether there is any indication that an asset except deferred tax asset is impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If the recoverable amount of the asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount by charging the impairment loss against income for the year.

Where the impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of carrying value based on initial cost of the asset. Reversal of impairment loss is recognized as income.

#### 2.7.3 Investments

#### Held to maturity

Held to maturity investments are initially recognized at cost inclusive of transaction cost and are subsequently carried at amortized cost using effective interest rate method.

#### 2.7.4 Stores, spares and loose tools

These are valued at cost, determined on basis of moving average cost less allowance for obsolete and slow moving items, except for items-in-transit which are valued at cost accumulated to the balance sheet date.

•

#### 2.7.5 Stock-in-trade

These are determined at lower of cost and net realisable value. Cost is determined as;

Raw material at warehouse

Weighted average cost

Work in process

Average manufacturing cost

Finished goods

Average manufacturing cost

Waste

Net realizable value

Cost in relation to work in process and finished goods represents the annual average cost which consists of prime cost and appropriate manufacturing overheads. Cost of raw materials consumed is accounted for by applying the annual average cost of both imported and local purchases.

Net realizable value signifies the selling price in the ordinary course of business less cost of completion and cost to be incurred to such sale.

#### 2.7.6 Trade debts and other receivables

Trade debts and other receivables are carried at original invoice amount less an estimate made for doubtful receivables based on review of outstanding amounts at the year end. Balances considered bad and irrecoverable are written off when identified.

#### 2.7.7 Foreign currency translations

Transactions in foreign currencies are accounted for in Pak Rupees at the exchange rates prevailing on the date of transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated into Pak Rupees at the exchange rates prevailing on the balance sheet date except for those covered by forward contracts, if any. All exchange fluctuations are charged to profit and loss account.

## 2.7.8 Loans, advances, deposits and prepayments

Loans, advances, deposits and prepayments are included in current assets, except for maturities greater than twelve months after the balance sheet date, which are classified as non-current assets.

## 2.7.9 Trade and other payables

Liabilities for trade and other payables are carried at cost which is the fair value of the consideration to be paid in future for the goods and services received, whether or not billed to the Company.

#### 2.7.10 Dividend

Dividend distribution to the Company's shareholders is recognised as a liability in the year in which the dividends are approved.

#### 2.7.11 Related party transactions

The Company enters into transactions with related parties on an arm's length basis. Prices for transactions with related parties are determined using admissible valuation methods.

#### 2.7.12 Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods and services provided in the normal course of business.

- Local sales are recorded when goods are delivered to customers and invoices are raised.
- Processing income is recognized when goods are delivered to customers and invoices are raised.
- Export sales are recorded on shipment basis.
- Export rebate is booked on receipt basis.
- Profit on deposits is accrued on time proportion basis by reference to the principal outstanding and applicable rate of return.
- Markup income is accrued on time basis by reference to the principal outstanding and at the agreed markup rate applicable.

#### 2.7.13 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to profit or loss in the period in which they are incurred.

#### 2.7.14 Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

## 2.7.15 Provision for gratuity

The Company operates an un-funded gratuity scheme covering all eligible employees completing the minimum qualifying period of service as specified by the scheme. Provision and payment of gratuity is made annually based on service period completed by each employee.

#### 2.7.16 Taxation

#### Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing law for taxation of income. The charge for current tax is calculated at the prevailing rates of taxation after taking into account tax credits, rebates and exemption available, if any, or minimum tax on turnover, whichever is higher. The charge for current tax also includes adjustments, where considered necessary, to provision for taxation made in previous years arising from assessments framed during the year for such years. However, for income under final tax regime, taxation is based on applicable tax rates under such regime.

#### Deferred

Deferred tax is provided using the balance sheet liability method for all temporary differences at the balance sheet date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes. In this regard, the effect on deferred taxation of the portion of income subject to final tax regime is also considered in accordance with the requirement of Technical Release 27 of Institute of Chartered Accountants of Pakistan.

Deferred tax asset is recognized for all deductible temporary differences and carry forward of unused tax losses, if any, to the extent that it is probable that taxable profit will be available against which such temporary differences and tax losses can be utilized.

Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the year when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the balance sheet date. Deferred tax is charged or credited in the income statement, except in the case of items credited or charged to equity in which case it is included in equity.

#### 2.7.17 Financial assets and liabilities

All financial assets and liabilities are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value, amortized cost or cost, as the case may be.

All purchases and sales of financial assets are recognized on the trade date when the Company becomes party to the contractual provision.

#### 2.7.18 Off-setting of financial instruments

Financial assets and liabilities are off-set and the net amounts are reported in the balance sheet when there is a legally enforceable right to set-off the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

#### 2.7.19 Derivative financial instruments

These are initially recorded at cost on the date a derivative contract is entered into and are remeasured to fair value at subsequent reporting dates. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged.

#### 2.7.20 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand, balances with banks and running finances that are repayable on demand and form an integral part of the Company's cash management.

## 2.7.21 Non-current assets classified as held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the asset is available for immediate sale in its present condition within one year of the date of its classification as assets held for sale. Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Gain / loss on sale of assets classified as held for sale is recognized in profit and loss account.

#### 2.7.22 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting structure. Management monitors the operating results of its business units separately for the purpose of making decisions regarding resource allocation and performance assessment.

Segment results, assets and liabilities include items directly attributable to segment as well as those that can be allocated on a reasonable basis. Segment assets consist primarily of property, plant and equipment, stores, spares and loose tools, stock-in-trade and trade and other debts. Segment liabilities comprise of operating liabilities and exclude items such as taxation and corporate liabilities.

Segment capital expenditure is the total cost incurred during the year to acquire property, plant and equipment.

In 2007, the Company entered into an Ijara (lease agreement) with Meezan Bank Limited for installation of power grid station. The liabilities under the Ijara were paid in monthly installments by July 2012 subject to markup at the rate of average 6 Months KIBOR plus 2%. During the year markup has been charged at the rate of 14% (2012: 13.82% to 15.37%) per annum. The Company exercised its option to purchase the assets under Ijara upon completion of Ijara terms. The said facility was secured against exclusive ownership of assets under Ijara.

# 22. FINANCES UNDER MARKUP ARRANGEMENTS AND OTHER CREDIT FACILITIES

From banking companies - Secured

Short term running finances	22.1	133,557,774	80,084,109
Short term loans	22.1	228,268,022	60,872,312
Export finances	22.2	130,330,107	350,768,033
		492,155,903	491,724,454

- 22.1 Short term finance facilities available from commercial banks under markup arrangements aggregate to Rs. 1,022.67 million (2012: Rs. 992 million) of which facilities aggregating Rs. 660.84 million (2012: Rs. 852 million) remained unutilized at the year end. These facilities, during the year, carried markup at the rates ranging from 9.69% to 13.89% (2012: 12.54% to 15.31%) per annum.
- 22.2 The Company has obtained export finance facilities from commercial banks aggregating to US\$ 2.36 million (2012: US\$ 3.98 million) of which facilities aggregating US\$ 1.04 million (2012: US\$ 0.372 million) remained unutilized at the year end. These facilities, during the year, carried markup at the rates ranging from 1.68% to 3.50% (2012: 3.5% to 3.75%) per annum.

### Finances under mark up arrangements and other credit facilities - continued

These include foreign currency balances aggregated US\$ 0.995 million (2012: US\$ 3.618 million) which have been converted into Pak rupees at the exchange rate of Rs. 98.8 (2012: Rs. 94.2) prevailing on the balance sheet date.

- **22.3** Facilities available for opening letters of credit and guarantee aggregate Rs. 368.77 million (2012: Rs. 239 million).
- 22.4 The aggregate facilities are secured against pledge, hypothecation of stock in trade, book debts, lien on export bills, lien on title documents, present and future current assets of the Company and personal guarantees of directors of the Company.

<sup>25.1</sup> Income tax returns of the Company have been completed up to the Tax Year 2012 and deemed assessed.

#### Provision for taxation - continued

- 25.2 During the year the Commissioner Inland Revenue, Regional Tax Office (RTO) Multan passed an order u/s 122(5A) for amendment of deemed assessment for tax year 2010. As a result refund determined in the deemed assessment has been curtailed by Rs. 8,259,367. The Company has not made any adjustment in the refund already accounted for in these financial statements (Note 26.6) and filed appeal before the Commissioner Inland Revenue Appeals, Multan. The Company is of the firm view that the outcome of the appeal will be in favour of the Company.
- 25.3 On June 06, 2013 Inland Revenue Audit Officer passed an order levying default surcharge amounting to Rs.154,236 for late deposit of tax deducted on account of dividend. The Company has not accounted for default surcharge and filed an appeal before the Commissioner of Income Tax (Appeals), Multan. The Company is of firm view that the decision will be in favour of the Company in the light of entitlement of benefit of Statutory Regulation Order 494(I)/2013 dated June 10, 2013 for waiver of levied default surcharge.

#### 26. CONTINGENCIES AND COMMITMENTS

#### **Contingencies**

- 26.1 Excise and Taxation Department Karachi imposed excise duty of Rs. 7.152 million on account of machinery imported by the Company. The Company did not accept it and filed a suit in Sindh High Court Karachi against said levy. The Honourable High Court issued order that "Till the next date, the respondent may not recover impugned levy upon the appellants furnishing bank guarantee for the amount demanded". A bank guarantee amounting to Rs. 7.152 million had been given by Bank Al-Habib Limited on behalf of the Company in favour of the Director Excise and Taxation Karachi. During the year, on the basis of interim order passed by Sindh High Court, the Company paid Rs. 3.576 million (50% of the disputed amount) to Excise and Taxation Department, that is classified as receivable in these financial statements. Accordingly the amount of guarantee has been reduced to Rs. 3.576 million. The decision of the Court is still pending. The management of the Company is very confident that decision will be made in their favour.
- 26.2 The Company did not account for additional 2% Earthquake Surcharge (EQS) and markup claimed by Multan Electric Power Company (MEPCO) through monthly electricity bills. The recovery of EQS has been stayed by Honourable Islamabad High Court. The decision of the appeal is still pending. The Company is expecting favourable decision from the Court. The total liability billed by MEPCO and not paid by the Company till 30th June 2013 works out to Rs. 5.8 million (2012: Rs. 5.8 million)
- 26.3 Through the Finance Act, 2006 an amendment was made in section 2(i) of the Workers' Welfare Fund Ordinance, 1971 (the WWF Ordinance) whereby the definition of 'total income' has been amended, the effect of the amendment is that the term "total income" for the purposes of the WWF Ordinance is deemed to be 'profit before taxation' as per the accounts or declared income as per the return, whichever is higher.

#### Contingencies - continued

Further, through Finance Act, 2008 amendments were made in teh WWF Ordinance, and in section 4(5) the term "assessed income" had been substituted with the term "total income" which means that purportedly the WWF is to be charged at 2% of the "total income", as defined and amended in section 2(i) through Finance Act, 2006.

The Honourable Lahore High Court vide its judgment dated August 19, 2011 on a similar case had declared the amendments introduced vide Finance Act, 2006 and Finance Act, 2008 in the WWF Ordinance as unconstitutional and therefore struck down on the basis that the contribution paid towards the fund under the WWF Ordinance is a fee and not a tax. However FBR has filed an appeal with the Supreme Court of Pakistan which had been granted leave but the decision is still pending.

The management expects that the appeal against the applicability of WWF pending in the Honourable Supreme Court of Pakistan on the subject as referred above will be decided in favour of the taxpayers. Based on the above facts, the Company is booking its liability against WWF @2% of assessable income. Moreover in similar cases, the Honourable Lahore High Court restrained FBR to recover the disputed / differential amount of WWF unless authoritative pronouncement is made on the question raised before the Divisional Bench of the Honourable Lahore High Court and Honourable Supreme Court of Pakistan. However subsequent to the balance sheet date, the Deputy Commissioner Inland Revenue, Multan, relying on contrary Judgment of Honorable Sindh High Court, passed the order u/s 4(4) of WWF Ordinance, raising demand of amount aggregating to Rs. 8.07 million for tax year 2010 and 2011. The Company has not accepted the demand as it is contrary to clear instructions of the Honourable Lahore High Court. The aggregate unrecognised disputed amount of WWF as at June 30, 2013 works out to Rs. 11.43 million (June 30, 2012 Rs. 8.07 million).

- 26.4 During the year the Company imported Cotton yarn under Duty and Tax Remission for Exports (DTRE) Scheme. According to the scheme, the company has issued postdated cheque of Rs. 1.93 million to Collector of Customs, Multan against the amount of import duty, Sales Tax and Income Tax. The cheque will be returned to the Company after submission of required document of export of the related fabric.
- 26.5 During the year the Company imported Generators and cleared from Customs without paying Sales Tax by taking benefit of Statutory Regulation Order (SRO) No. 727(I)/2011. According to the provisions of SRO the Company issued postdated cheque to Collector of Customs equal to the amount of Sales Tax of Rs. 14.685 million. After complying with the requirement of the SRO, the cheque will be returned to the Company.
- 26.6 The Company has not accounted for the disputed liability against tax and default surcharge as mentioned in Note 25.2 and Note 25.3.

#### **Commitments**

- The Company's commitments against letter of credit outstanding as at June 30, 2013 amount to Rs. 101.522 million (June 30, 2012: Rs. Nil).
- Foreign bills discounted outstanding as at June 30, 2013 aggregated Rs. 78.540 million (2012: 65.098 million).

#### 38. RELATED PARTY TRANSACTIONS

The related parties comprise of an associated undertaking (Ahmad Cotton Industries), Chief Executive Officer, directors and executives of the Company.

- **38.1** The Company, during the year, purchased goods aggregating Rs. 215,018,046 (2012: Rs. 183,786,668) from the associated undertaking.
- 38.2 Maximum aggregate amount due to the associated undertaking at any month end during the year was Rs. 49,248,162 (2012: Rs. 1,650,350).
- 38.3 No interest was charged on the associated undertaking's balances during the year as these arose due to normal trade dealings.
- 38.4 Remuneration and benefits to Chief Executive Officer, directors and executives under the term of their employment as disclosed in note 41.

#### 39. FINANCIAL RISK MANAGEMENT

The Companys principal financial liabilities comprise borrowings and trade and other payables. The main purpose of these financial liabilities is to raise finance for the Companys operations. The Company has loan and advances, trade and other receivables and cash and short term deposits that arise directly from its operations. The Company also holds investment held to maturity.

The Companys activities expose it to a variety of financial risks: market risk (including currency risk, interest rate risk and price risk), credit risk and liquidity risk. The Companys senior management oversees the management of these risks. The Board of Directors reviews these policies periodically.

### 39.1 Credit risk and concentration of credit risk

The Company is exposed to credit risk from its operating activities (primarily for trade receivables, advances and loans) and from its financing activities, including deposits with banks.

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties to the financial instruments fails to perform as contracted. Out of the total financial assets of Rs. 351,896,844 (2012: Rs. 403,496,047) the financial assets which are subject to credit risk amounted to Rs. 351,667,598 (2012: Rs. 403,046,329). The management believes that the Company is not exposed to major concentration of credit risk. The management monitors and limits the Company's exposure to credit risk through monitoring of clients credit exposure review and conservative estimates of provision for doubtful receivable. The management is of the view that it is not exposed to significant concentration of credit risk.

The maximum exposure to credit risk as at the reporting date is tabulated below:

Financial assets	2013	2012
	Rupees	Rupees
Long term investments	259,376	259,480
Long term deposits	39,180,010	39,180,010
Trade debts	227,255,138	244,238,658
Loans, advances, deposits and prepayments	60,239,162	92,792,313
Short term investments	-	20,394,452
Other receivables	7,026,607	2,964,372
Bank balances	17,707,305	3,217,044
	351,667,598	403,046,329

The bank balances and investments along with credit ratings are tabulated below:

Credit rating	Bank Balances	Short term Investments	Long term Investments
June 30, 2013:		Rupees	
A1+	17,707,305	-	-
AA		-	259,376
	17,707,305	-	259,376
June 30, 2012:			
A1+	2,433,734	394,452	-
A-1+	783,310	· -	_
AAA	. · · · · · · · · · · · · · · · · · · ·	20,000,000	-
AA+	•	- *	259,480
	• 3,217,044	20,394,452	259,480

Due to Company's long standing relationship with these counter parties and after giving due consideration to their strong financial standing, management does not expect non-performance by these counter parties on their obligations to the Company.

#### 39.1.1 Credit risk related to receivables

Customer credit risk is managed by each business unit subject to the Companys established policy, procedures and control relating to customer credit risk management. Credit limits are established for all customers based on past experience with the customer. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit.

At June 30, 2013, the Company has approximately 7 customers (2012: 10 customers) that owed more than Rs. 5 million each and accounted for approximately 79% (2012: 77%) of all trade debts. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets mentioned in *Note 8*.

The Company does not hold collateral as security.

# 39.1.2 Credit risk related to financial instruments and cash deposits

Credit risk on balances with banks is managed by management in accordance with the Companys policy. Excess funds are placed in deposits with reputable banks and financial institutions.

### 39.2 Liquidity risk management

Liquidity risk reflects the Companys inability in raising funds to meet commitments. Management closely monitors the Companys liquidity and cash flow position. This includes maintenance of balance sheet liquidity ratios, debtors and creditors concentration both in terms of the overall funding mix and avoidance of undue reliance on large individual customer.

The Company manages liquidity risk by maintaining adequate reserves and borrowing facilities, by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities. Included in *Note 22.1* is a listing of additional undrawn facilities that the Company has at its disposal to further reduce liquidity risk.

Financial Liabilities in accordance with their contractual maturities are presented as follows:

#### 39.3 Market risk management

Market risk is the risk that changes market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The management of the Company continuously monitors its investments to avoid such risks.

#### 39.3.1 Interest rate risk management

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Companys exposure to the risk of changes in market interest rates relates primarily to the Companys short term debt obligations having floating interest rates,

#### 39.3.2 Interest rate sensitivity

If interest rates had been 50 basis points higher or lower and all other variables were held constant, the Companys profit before taxation for the year ended June 30, 2013 would increase / decrease by Rs. 4,187,695 (2012: Rs. 4,618,896). This is mainly attributable to the Companys exposure to interest rates on its variable rate borrowings.

The Companys sensitivity to interest rates has decreased during the current year mainly due to the decrease in borrowings and variable rate debts.

#### 39.3.3 Foreign exchange risk management

Foreign currency risk arises mainly where receivables and payables exist due to transactions with foreign undertakings. As at June 30, 2013, the total foreign currency risk exposure was Rs. 140,111,954 (2012: Rs. 180,097,593) in respect of foreign trade debts. However, Rs. 98,330,107 (2012: Rs. 340,853,012) were payable in respect of foreign currency borrowing.

In respect of other monetary assets and liabilities denominated in foreign currencies, the Company ensures that its net exposure is kept to an acceptable level by buying or selling foreign currencies at spot rates when necessary to address short-term imbalances.

#### 39.3.4 Foreign currency sensitivity analysis

At June 30, 2013, if the Pak Rupee had strengthened / weakened by 5% against the US dollar with all other variables held constant, profit before taxation for the year would have been increased / decreased by Rs. 233,453 (2012: Rs. 345,845) mainly as a result of foreign exchange gains on translation of US dollar-denominated trade receivables and foreign exchange losses on translation of US dollar short term borrowings. Profit is less sensitive to movement in Rupee / US dollar exchange rates in year 2013 than in year 2012.

#### 39.3 .5 Equity price risk management

The Company is not exposed to equity price risks arising from equity investments as the Company has no such investment which are held for trading purpose.

#### 39.4 Determination of fair values

#### Fair value of financial instruments

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction other than in a forced or liquidation sale.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values.

#### 39.5 Fair value estimation

IFRS 7 requires fair value measurement disclosures using following three level fair value hierarchy that reflects the significance of the inputs used in measuring fair value of financial instruments.

- Level 1; Quoted prices (unadjusted) in active market for identical assets or liabilities
- Level 2: Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. drive from prices).
- Level 3: Inputs for asset or liability that are not based on observable market data (unobservable inputs).

The Company has no financial assets measured at above mentioned levels.

#### 39.6 Financial instruments by category

The Company finances its operations through equity, borrowings and management of working capital with a view to maintaining an approximate mix between various sources of finance to minimize risk. Taken as a whole, the Company's risk arising from financial instruments is limited as there is no significant exposure to price and cash flow risk in respect of such instruments.

#### 40. CAPITAL DISCLOSURE

The Company's objectives, policies and processes for managing capital are as follows:

- The Company is not subject to any externally imposed capital requirements.
- The Companys objectives when managing capital are to safeguard the Companys ability to continue as a going concern in order to provide returns for shareholders and benet for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.
- Consistently with others in the industry, the Company monitors capital on the basis of the debt-to-adjusted capital
  ratio. This ratio is calculated as net debt divided by adjusted capital. Net debt is calculated as total debt (as shown
  in the balance sheet) less cash and cash equivalents. Adjusted capital comprises all components of equity (i.e., share
  capital and unappropriated profit).
- The debt-to-adjusted capital ratios at June 30, 2013 and June 30, 2012 were as follows:

	2013	2012
	Rupees	Rupees
Total debt	942,538,920	1,028,779,206
Less: Cash and bank balances	(17,936,655)	(3,666,866)
Net debt	924,602,265	1,025,112,340
Total equity	819,902,227	673,668,442
Adjusted capital	1,744,504,492	1,698,780,782
Debt-to-adjusted capital ratio	0.53	0.60

#### 41. REMUNERATION OF CHIEF EXECUTIVE OFFICER, DIRECTORS AND EXECUTIVES

	2013			2012
	Rupees	No. of persons	Rupees	No. of persons
lanagerial remuneration:		• •		<del></del>

Directors	5,040,000	3	3,120,00	00 3
Executives	3,590,100	. 6	975,00	0 2
	9,430,100	10	4,095,00	0 5

- 41.1 Meeting fee amounting to Rs. 2,500 (2012: Rs. 5,500) was paid to one (2012: one) non-working director. The chief executive officer, the three directors and three executives are provided with the Company maintained cars. The chief executive officer and three directors are provided with telephone at their residences.
- 41.2 Remuneration of chief executive officer, directors and executives has been included in "Administrative Expenses Staff salaries and benefits (Note 32)".

#### 42. SEGMENT REPORTING

#### 42.1 REPORTABLE SEGMENTS

The management has determined the operating segments of the Company on the basis of the difference in the products produced.

The Company's reportable segments are as follows:

- Spinning segment production of different qualities of yarn using natural and artificial fibers.
- Weaving segment production of different qualities of fabric using yarn.

Information regarding the Company's reportable segments is presented below:

# 42.2 SEGMENT REVENUE AND RESULTS

Following is an analysis of the Company's revenue and results by reportable operating segments :

	Spinning	Weaving	Total
	Rupees	Rupees	Rupees
For the year ended 30 June 2013			•

For the purposes of monitoring segment performance and allocating resources between segments:

- operating property, plant & equipment, Stocks in trade and Stores, spares and Loose tools are allocated to reportable segments while all other assets are held under unallocated corporate assets; and
- long term loans, liabilities against assets subject to finance lease, trade creditors, short term borrowings and accrued markup are allocated to reportable segment and all other liabilities i.e. loans from related parties, deferred liabilities, trade and other payables are held under unallocated corporate liabilities.

### 43. NON ADJUSTING EVENTS AFTER THE BALANCE SHEET DATE

The Board of Directors have proposed Final Dividend for the year ended June 30, 2013 of Rs.1.50 (2012: Rs. 1.25) per share amounting to Rs. 21,612,373 (2012: Rs. 18,010,310) at their meeting held on October 04, 2013 for approval of the members at Annual General Meeting to be held on October 31, 2013. These financial statements do not reflect this dividend payable.

#### 44. NUMBER OF EMPLOYEES

Number of permanent employees as at June 30, 2013 was 623 (2012: 510) and average number of employees during the year was 600 (2012: 480).

45.	CAPACITY AND PRODUCTION		2013	2012
•	Yarn			
	Number of spindles installed		20,760	20,760
	Installed capacity after conversion		•	
	into 20's count (1095 shifts)	Kgs	7,820,907	7,820,907
	Actual production of yarn after			
	conversion into 20's count	Kgs	6, <del>99</del> 3,378	7,442,225
	Fabric		•	
	Number of looms installed		130	130
٠.	Number of looms worked		130	130
	Installed capacity after	Sq. mtrs	41,538,600	41,538,600
	conversion into 60 picks		•	
	Actual production of fabric after			•
	conversion into 60 picks	Sq. mtrs	35,201,438	34,850,626

It is difficult to describe precisely the production capacity in Spinning / Weaving Mills since it fluctuates widely depending on various factors such as count of yarn spun, spindles speed twist, the width and construction of fabric woven etc. It also varies according to the pattern of production adopted in a particular year. Underutilization of capacities is due to electricity shut down and normal repair & maintenance.

#### 46. RECLASSIFICATION

Comparative figures in these financial statements have been reclassified where necessary for the purpose of comparison. However no significant rearrangements have been made.

#### 47. DATE OF AUTHORIZATION

These financial statements were authorized for issue on October 4, 2013 by the board of directors of the Company.

#### 48. GENERAL

Figures have been rounded-off to the nearest Pak Rupee except stated otherwise.
