NAFA ASSET ALLOCATION FUND

DIRECTORS' REPORT

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the Third Annual Report of **NAFA Asset Allocation Fund (NAAF)** for the year ended June 30, 2013.

Fund's Performance

During FY2012-13, the stock market (KSE-100 Index) surged by 52.2%. The positive trend in the market resulted from the combined effect of declining inflation and pursuant reduction in interest rates, improved trading activity and healthy foreign flows. Furthermore, investor confidence was boosted by first democratic transition of power in the history of Pakistan, and improved profitability outlook of the key sectors of the market.

With letup in inflationary pressures and manageable external account position, SBP slashed the Policy Rate during FY13 by 3% to 9%. On the corporate debt sphere, yields on the corporate bonds in the secondary market squeezed due to the price appreciation on the back of decline in interest rates, higher risk appetite of the investors and limited primary issuance. Most TFCs in the Fund are floating rate linked to KIBOR.

During the fiscal year, the return on NAFA Asset Allocation Fund was 31.97% as against its benchmark (33% KSE-30 Index, 33% 6-Month KIBOR, 33% 3-month bank deposit rate) return of 16.91%. Thus the Fund outperformed the benchmark by 15.06% during the year. This out-performance is due to timely asset allocation.

The Fund has earned a total income of Rs.245.88 million during the year. After deducting total expenses of Rs.30.37 million, the net income is Rs.215.51 million

The asset allocation of the Fund as on June 30, 2013 is as follows:

NAFA ASSET ALLOCATION FUND

Income Distribution

In addition to interim distribution of 4% of opening ex-NAV(4.126% of the par value), the Board of Directors of the Management Company has also approved a final distribution of 18.10%, translating into total distribution of 22.10% of opening ex-NAV (22.80% of the par value). After final distribution, the net asset value per unit will be Rs.11.3144 on June 30, 2013.

Taxation

As the above distribution is more than 90% of the income earned during the year, excluding realized and unrealized capital gains on investments, the Fund is not subject to tax under Clause 99 of the Part I of the Second Schedule of the Income Tax Ordinance, 2001.

Auditors

The present auditors, Messers A.F.Ferguson & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment for the year ending June 30, 2014.

Directors' Statement in Compliance with Code of Corporate Governance

1. The financial statements, prepared by the management company, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.
2. Proper books of account of the Fund have been maintained.
3. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
4. International Financial Reporting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. There are no significant doubts upon the Fund's ability to continue as a going concern.
7. There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
8. A performance table/ key financial data is given in this annual report.
9. Outstanding statutory payments on account of taxes, duties, levies and charges, if any, have been fully disclosed in the financial statements.
10. The Board of Directors of the Management Company held five meetings during the year. The attendance of all directors is disclosed in the note 22 to these financial statements.
11. The detailed pattern of unit holding is disclosed in the note 21 to these financial statements.
12. All trades in the units of the Fund, carried out by directors, CEO, CFO, Company Secretary and their spouses and minor children are disclosed in note 18 to these financial statements.

NAFA ASSET ALLOCATION FUND

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment shown by the staff and the Trustee.

On behalf of the Board of

TRUSTEE REPORT TO THE UNIT HOLDERS NAFA ASSET ALLOCATION FUND

Report of Trustee pursuant to Regulation 41(h) and Clause 9 schedule V of the Non-Banking Finance Companies and Notified Entities Regulation, 2008

We, Central Depository Company of Pakistan Limited, being the trustee of NAFA Asset Allocation Fund (the Fund) are of the opinion that NBP Fullerton Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2013 in accordance with the provisions of the following:

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the Fund; and
- (iii) The Non-banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified entities Regulations, 2008 and the constitutive documents of the Fund.

Muhammad Hanif Jakhura
Chief Executive Officer
Central Depository Company of Pakistan Limited

KARACHI: SEPTEMBER 18, 2013

NAFA ASSET ALLOCATION FUND

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE NAFA ASSET ALLOCATION FUND FOR THE YEAR ENDED JUNE 30, 2013

This statement is being presented by the Board of Directors of NBP Fullerton Asset Management Limited (Company), the Management Company of **NAFA Asset Allocation Fund** (the Fund) to comply with the Best Practices of Code of Corporate Governance (CCG) contained in Regulation No. 35, Chapter XI of Listing Regulations of Lahore Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

NBP Fullerton Asset Management Limited, though an un-listed Public Limited Company complies with the CCG as the Fund under its management is listed on Lahore Stock Exchange.

The Company has applied the principles contained in the CCG in the following manner:

1. The Company encourages representation of independent non-executive directors on its Board of Directors. The Company, being an un-listed company, does not have any minority interest. As at June 30, 2013 the board included:

Category	Names
Independent Directors	1. Mr. Kamal Amir Chinoy 2. Mr. Shehryar Faruque
Executive Directors	Dr. Amjad Waheed (Chief Executive Officer)
Non- Executive Directors	1. Mr. Asif Hassan (Chairman) 2. Mr. Khalid Mahmood 3. Mr. Amir Shehzad 4. Mr. Wah Geok Sum 5. Mr. Koh Boon San

The independent directors meet the criteria of independence under clause i (b) of the CCG.

2. The directors have confirmed that none of them is serving as a director of more than seven listed companies, including this Company (excluding the listed subsidiaries of listed holding companies where applicable). However, the requirement of serving as a director of seven listed companies is applicable from the date of next election of directors.
3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFIs or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. Two casual vacancies were occurred on the board on February 26, 2013 and on May 20, 2013 during the year which were filled up by the directors on April 11, 2013 and May 20, 2013 respectively.
5. The Management Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.

NAFA ASSET ALLOCATION FUND

6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Fund. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO have been taken by the Board. There is no other executive-director of the Company besides CEO.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. In order to apprise the directors on their duties and responsibilities and requirements of CCG, the code requires company to conduct formal orientation for directors. Up to 30 June 2013, one of the directors has obtained the director's training program offered by Pakistan Institute of Corporate Governance. The Company has started the process for training of other directors and it is expected that some of other directors may also obtain certification of the director's training program in upcoming year. However, the directors are conversant with the relevant laws applicable to the Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
10. The Board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
11. The Directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
12. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
13. The Directors, CEO and executives do not hold any interest in the units of the Fund other than that disclosed in note 18 to the financial statements "Transactions with Connected Persons".
14. The Company has complied with all the corporate and financial reporting requirements of the CCG.
15. The Board has formed an Audit Committee. It comprises of three members, of whom all are non-executive directors and the chairman of the committee is an independent director.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Fund and as required by the CCG. The revised terms of reference of the committee have been formed and advised to the committee for compliance.
17. The Board has formed a Human Resource and Remuneration Committee. It comprises of three members. All the members are non-executive directors and the chairman of the committee is a non-independent director.
18. The Board has set up an effective internal audit function.

NAFA ASSET ALLOCATION FUND

19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review Program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. There was no 'closed period' prior to the announcement of interim/final results.
22. Material / price sensitive information has been disseminated amongst all market participants at once through stock exchange.
23. We confirm that all other material principles contained in the CCG have been complied with.

NAFA ASSET ALLOCATION FUND

FUND MANAGER REPORT

NAFA Asset Allocation Fund

NAFA Asset Allocation Fund (NAAF) is an open-ended Asset Allocation Fund.

Investment Objective of the Fund

Objective of NAAF is to generate income by investing in debt and money market securities and to generate capital appreciation by investing in equity and equity related securities.

Benchmark

1/3 of Average 3-month Bank Deposit Rates, 1/3 of 6-month KIBOR and 1/3 of KSE-30 Index

Fund Performance Review

During the year under review, the return on NAFA Asset Allocation Fund was 31.97% as against its benchmark (1/3 of KSE-30 Index, 1/3 of 6-Month KIBOR, 1/3 of 3-month bank deposit rate) return of 16.91%. Thus the Fund depicted an out-performance of 15.06% during the year. Since its inception on August 21, 2010, the NAV of NAAF has risen by 80.34% while the benchmark has increased by 41.73%, thus to date out-performance is 38.61%. The out-performance of the Fund is net of management fee and all other expenses. Thus, NAAF has met its investment objective.

NAAF significantly out-performed on the back of timely asset allocation and better than the market performance of its key holdings in the Oil & Gas, Electricity, and Construction & Materials sectors. The Fund followed a strategy of investing in high dividend yielding shares/ stocks belonging to defensive sectors. The chart below shows the performance of NAAF against the benchmark for the year.

NAAF Performance vs Benchmark during FY13

NAFA ASSET ALLOCATION FUND

At the start of the year, NAAF was around 30% invested in equities. During the year, we altered the allocation of the Fund based on our view on the relative performance of different asset classes. Towards the end of the year, the allocation in equities was reduced to less than 1%.

Key factors driving the upbeat performance of the stock market during the year include: (i) 360bps decline in inflation to 7.4% and 300bps cut in discount rate to 9.0%, (ii) first democratic transition of power in the history of Pakistan, (iii) increased foreign participation with net foreign inflow of USD553mn and, (iv) improved profitability outlook of the key sectors of the market.

With letup in inflationary pressures and manageable external account position, SBP slashed the Policy Rate during FY13 by 300 bps to 9%. On the corporate debt sphere, yields on the corporate bond in the secondary market squeezed amid ample liquidity in the market on the back of incessant government borrowing, elevated risk appetite of the investors in search of yield, and limited primary issuance. The Fund is invested in AA category TFCs that are predominantly floating rate linked to KIBOR.

Asset Allocation of the Fund (% of NAV)

Particulars	30-Jun-13	30-Jun-12
Equities / Stocks	0.56%	29.74%
TFCs	2.30%	13.78%
Cash Equivalents	92.43%	11.51%
T-Bills	-	43.84%
Money Market Placements (Short Term Sukuk)	-	7.78%
Other Net (Liabilities) / Assets	4.71%	-6.65%
Total	100.00%	100.00%

Distribution for the Financial Year 2013

Interim Period / Quarter	Dividend as a % of Par Value	Cum Dividend Price Per Unit (Rs.)	Ex- Dividend Price Per Unit (Rs.)
Half year ended Dec-2012	2.063	12.1559	11.9496
Qtr ended March-2013	2.063	12.257	12.0507
Final Dist Year ended June-13	18.674	13.1818	11.3144

NAFA ASSET ALLOCATION FUND

Unit Holding Pattern of NAFA ASSET ALLOCATION FUND as on June 30, 2013

Size of Unit Holding (Units)	No of Unit Holders
1-1000	59
1001-5000	106
5001-10000	137
10001-50000	305
50001-100000	109
100001-500000	86
500001-1000000	12
1000001-5000000	7
5000001-10000000	1
10000001-100000000	1
	823

During the period under question:

There have been no significant changes in the state of affairs of the Fund other than stated above. The Management Company or its delegates did not receive any soft commission (i.e. goods and services) from its broker(s)/dealer(s) by virtue of transactions conducted by the Fund.

Workers' Welfare Fund (WWF)

The scheme has maintained provision against Workers' Welfare Fund's liability to the tune of Rs 6,362,488/-If the same were not made the NAV per unit/return of scheme for the year ended June 30, 2013 would have been higher by Rs.0.0729 / 0.85%.For details investors are advised to read the Note 15 of the Financial Statements of the Scheme for the year ended 30, June 2013.

NAFA ASSET ALLOCATION FUND

REVIEW REPORT ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of NBP Fullerton Asset Management Limited, the Management Company of **NAFA Asset Allocation Fund**, to comply with the Listing Regulation No. 35 (Chapter XI) of the Lahore Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Management Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

Sub-Regulation (x) of Listing Regulations No. 35 as notified by the Lahore Stock Exchange (Guarantee) Limited on which the Fund is listed requires the Management Company to place before the Board of Directors for their consideration and approval, related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of the above requirements to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length prices or not.

Based on our review, nothing has come to our attention, which causes us to believe that the Statement of Compliance does not appropriately reflect the Management Company's compliance for and on behalf of the Fund, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Fund for the year ended June 30, 2013.

NAFA ASSET ALLOCATION FUND

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **NAFA Asset Allocation Fund (here in after referred to as "the Fund")**, which comprise the statement of assets and liabilities as at June 30, 2013, and the related income statement, statement of comprehensive income, distribution statement, statement of movement in unit holders' fund and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management Company's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the International Standards on Auditing as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at June 30, 2013, and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements have been prepared in all material respects in accordance with the relevant provisions of the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NAFA ASSET ALLOCATION FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

1 LEGAL STATUS AND NATURE OF BUSINESS

NAFA Asset Allocation Fund (the Fund) was established under a Trust Deed executed between NBP Fullerton Asset Management Limited as the Management Company and Central Depository Company of Pakistan Limited (CDC) as the Trustee. The Trust Deed was executed on June 29, 2010 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on July 14, 2010.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company is situated at 7th Floor, Clifton Diamond Building, Block No.4, Scheme No.5, Clifton, Karachi. The Management Company is a member of Mutual Funds Association of Pakistan (MUFAP).

The Fund is an open-ended mutual fund and is listed on the Lahore Stock Exchange. Units are offered for public subscription on a continuous basis. The units of the Fund are transferable and can be redeemed by surrendering these to the Fund. The Fund is categorised as an Open-End "Asset Allocation Scheme" as per the criteria laid down by the SECP for categorisation of Collective Investment Schemes (CIS).

The objective of the Fund is to generate income by investing in debt and money market securities and to generate capital appreciation by investing in equity and equity related securities. The Fund also undertakes transactions under margin trading system.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of AM2 to the Management Company.

Title of the assets of the Fund is held in the name of CDC as trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRSs, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

2.2 Standards, interpretations and amendments to published approved accounting standards that are effective in the current year

The following standards, amendments and interpretation to approved accounting standards have been published and are mandatory for the Fund's accounting period beginning on or after July 1, 2012:

- IAS 1, 'Financial statement presentation'. The main change resulting from these amendments is a requirement for entities to group items presented in 'other comprehensive income' (OCI) on the basis of whether they are potentially reclassifiable to profit or loss subsequently (reclassification adjustments). The amendments do not address which items are presented in OCI. The amendments do not have any effect on the Fund's financial statements.

There are other new and amended standards and interpretations that are mandatory for accounting periods beginning July 1, 2012 but are considered not to be relevant or do not have any significant effect on the Fund's operations and are therefore not detailed in these financial statements.

2.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective

There are certain new and amended standards and interpretations that are mandatory for accounting periods beginning on or after July 1, 2013 but are considered not to be relevant or do not have any significant effect on the Fund's operations and are therefore not detailed in these financial statements.

NAFA ASSET ALLOCATION FUND

2.4 Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, income and expenses. It also requires the management to exercise judgment in application of its accounting policies. The estimates, judgments and associated assumptions are based on the management's experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised in application of accounting policies principally relate to classification and valuation of investments (note 3.2 and note 5).

2.5 Accounting Convention

These financial statements have been prepared under the historical cost convention except that certain financial assets have been carried at fair value in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments Recognition and Measurement.

2.6 Functional and Presentation Currency

Items included in these financial statements are measured using the currency of the primary economic environment in which the Fund operates. These financial statements are presented in Pakistani Rupees which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the presentation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated :

3.1 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances in savings accounts and other deposits with banks having original maturities of three months or less. Cash and cash equivalents are carried in the Statement of Assets and Liabilities at cost.

3.2 Financial assets

3.2.1 Classification

The Fund classifies its financial assets in the following categories: financial assets at fair value through profit or loss, loans and receivables and available for sale. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this classification on a regular basis.

Investments are categorised as follows:

a) Financial assets at fair value through profit or loss

These are financial assets acquired principally for the purpose of generating profit from short term fluctuations in market prices, interest rate movements or are financial assets included in a portfolio in which a pattern of short-term profit taking exists.

b) Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

c) Available for sale

These are non-derivative financial assets that are either designated in this category or not classified in any of the other categories.

3.2.2 Regular way contracts

Regular purchases and sales of financial assets are recognised on the trade date - the date on which the Fund commits to purchase or sell the asset.

3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried at 'fair value through profit or loss'. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the income statement.

NAFA ASSET ALLOCATION FUND

3.2.4 Subsequent measurement

a) Financial assets 'at fair value through profit or loss' and 'available for sale'

Subsequent to initial recognition, financial assets designated by the management as at fair value through profit or loss and available for sale are valued as follows:

- Basis of valuation of debt securities

The investment of the Fund in debt securities is valued on the basis of rates determined by the Mutual Fund Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its circular no. 1 of 2009 dated January 6, 2009, circular no.33 of 2012 dated October 24, 2012 and circular no. 35 of 2012 dated November 26, 2012. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

Basis of valuation of government securities

The investment of the Fund in government securities is subsequently stated at fair value which is determined on the basis of rates announced by the Financial Market Association of Pakistan in accordance with the requirements of the NBFC Regulations, 2008.

Net gains and losses arising from changes in fair value of financial assets carried at fair value through profit or loss are taken to the income statement.

Net gains and losses arising from changes in fair value of 'available for sale' financial assets are recognised as 'other comprehensive income' in the statement of comprehensive income until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised as 'other comprehensive income' is transferred to the income statement as capital gain / (loss).

b) Loans and receivables

Subsequent to initial recognition financial assets classified as loans and receivables are carried at amortised cost using the effective interest method.

Gain or loss is also recognised in the income statement when financial assets carried at amortised cost are derecognised or impaired, and through the amortisation process.

3.2.5 Impairment

The carrying amounts of the Fund's assets are revalued at each reporting date to determine whether there is any indication of impairment in any asset or group of assets. If such indication exists, the recoverable amount of the assets is estimated and impairment losses are recognised immediately as an expense in the income statement. If any impairment evidence exists for available for sale financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in the statement of comprehensive income is reclassified from other comprehensive income and recognised in the income statement.

a) Debt securities

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed under circular no. 1 of 2009 dated January 6, 2009, circular no.33 of 2012 dated October 24, 2012 and circular no. 35 of 2012 dated November 26, 2012, issued by the SECP. Impairment losses recognised on debt securities can be reversed through the 'Income Statement'.

As allowed under circular no. 33 of 2012 dated October 24, 2012, issued by the SECP, the management may also make provision against debt securities over and above the minimum provision requirement prescribed in the aforesaid circular, in accordance with a provisioning policy approved by the Board of Directors.

b) Equity securities

For equity securities classified as 'available for sale', a significant or prolonged decline in the fair value of the security below its cost is considered, amongst other indicators, as an indicator that the security is impaired. If any such evidence exists for 'available for sale' financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in 'income statement' is reclassified from 'unit holders' fund' to 'income statement'. Impairment losses recognised on equity instruments are not reversed through the 'income statement'.

c) Loans and receivables

For financial assets classified as loans and receivables, a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is determined based on the provisioning criteria specified by the SECP.

NAFA ASSET ALLOCATION FUND

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the investments have expired, have been realised or have been transferred and the Fund has transferred substantially all the risks and rewards of ownership.

3.2.7 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. Financial liabilities include payable to management company, payable to trustee and other liabilities.

3.4 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

3.5 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.6 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to avail the tax exemption under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company of the Fund for the applications received by the distributors during business hours on that date. The offer price represents the net asset value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours on that day. The redemption price represents the net asset value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created.

Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is determined based on the income earned during the year and on unrealised appreciation / (diminution) arising during the year on available for sale securities. This amount so determined is taken directly to the distribution statement.

3.9 Securities under Margin Trading System (MTS)

Securities purchased under margin financing are included as 'receivable against Margin Trading System (MTS)' at the fair value of consideration given. All MTS transactions are accounted for on the settlement date. Income on MTS is calculated on outstanding balance at agreed rates and recorded in the Income Statement. Transaction costs are expensed in the Income Statement.

NAFA ASSET ALLOCATION FUND

3.10 Proposed distributions

Distributions declared subsequent to the year end are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared.

3.11 Net asset value per unit

The net asset value per unit as disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year end.

3.12 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

3.13 Revenue recognition

- Realised capital gains / (losses) arising on sale of investments are included in the 'income statement' on the date at which the transaction takes place.
- Dividend income is recognised when the right to receive the dividend is established.
- Income on treasury bills is recognised on straight line basis.
- Income from investments in term finance certificates is recognised on an accrual basis, except where recovery is doubtful in which case it is credited to the suspense account.
- Unrealised capital gains / (losses) arising on re-measurement of investments classified as financial assets 'at fair value through profit or loss' are included in the income statement in the period in which they arise.
- Profit on bank deposits is recognised on an accrual basis.
- Income on MTS transactions is recognised on an accrual basis.

15 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / Mutual Funds (CISs) / Pension Funds whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a Constitutional Petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs / pension funds, which is pending adjudication. However, without prejudice to the above, the Management Company made a provision for WWF contribution in the annual financial statements for the year ended June 30, 2010.

During the year ended June 30, 2011, a clarification was issued by the Ministry of Labour and Manpower (the Ministry) on July 8, 2010 which stated that mutual funds are not liable to contribute to WWF on the basis of their income. However on December 14, 2010 the Ministry filed its response against the Constitutional Petition requesting the Court to dismiss the same. This response was contradictory to the earlier clarification issued by the Ministry. Show cause notices were then issued by the Federal Board of Revenue (FBR) to several mutual funds (CISs) / pension funds for the collection of WWF. In respect of such show cause notices, certain mutual funds (CISs) / pension funds have been granted stay by the Honorable SHC on the basis of the pending Constitutional Petition as referred to above.

NAFA ASSET ALLOCATION FUND

In March 2013, a three member bench of the Sindh High Court in its judgement on various Constitutional Petitions challenging the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, held that WWF is a tax and consequently, the amendments introduced in the Workers' Welfare Fund Ordinance, 1971 through the Finance Act, 2006 and 2008 respectively (Money Bills) do not suffer from any constitutional or legal infirmity. This judgement was in contrast to the July 2011 single member bench decision of the Honorable Lahore High Court which had held such amendments as unlawful and unconstitutional for the reason that they were made through the money bills. For the CISs and pension funds, the issue of chargeability or otherwise of WWF levy to the CISs / pension funds is currently pending before the Honorable SHC.

However, pending the decision of the said constitutional petition, the Management Company, as a matter of abundant caution, has decided to continue to maintain the provision for WWF amounting to Rs. 6.362 million (including Rs. 4.398 million for the current year) in these financial statements. Had the same not been made the net asset value per unit of the Fund would have been higher by Rs 0.0729.

16 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund has not recorded a provision for taxation in respect of income relating to the current year as subsequent to the year end the Management Company has distributed the required minimum percentage of the Fund's accounting income for the year as reduced by capital gains (whether realised or unrealised) to its unit holders as detailed in note 28.

24 FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

24.1 Market risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following internal risk management policies and investment guidelines approved by the Investment Committee and regulations laid down by the SECP.

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk.

24.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as all transactions are carried out in Pakistani Rupees.

24.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

a) Sensitivity analysis for variable rate instruments

Presently, the Fund holds KIBOR based interest bearing term finance certificates exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on June 30, 2013 with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs 0.132 (2012: Rs.0.137 million).

The composition of the Fund's investment portfolio and KIBOR rates is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2013 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

NAFA ASSET ALLOCATION FUND

b) Sensitivity analysis for fixed rate instruments

As at June 30, 2013, the Fund does not hold any fixed rate instruments that may expose the fund to fair value interest rate risk.

NAFA ASSET ALLOCATION FUND

24.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk because of the investments held by the Fund and classified in the Statement of Assets and Liabilities as financial assets 'at fair value through profit or loss'. The Fund manages price risk by limiting individual equity securities to not more than ten percent of net assets attributable to holders of the Fund's assets. Moreover, the sector limits have also been restricted to twenty five percent. The equity investments are listed on the Karachi Stock Exchange. The Fund's policy requires that the overall market position is monitored on a daily basis by the Fund Manager and is reviewed on a regular basis by the investment committee as well as the Board of Directors.

In case of 5% increase / decrease in KSE 100 index on June 30, 2013, net income for the year would increase / decrease by Rs 0.043 million (2012: Rs 8.817 million) and net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as 'at fair value through profit or loss'.

The analysis is based on the assumption that the equity index had increased / decreased by 5% with all other variables held constant and all the Fund's equity instruments moved according to the historical correlation with the index. This represents management's best estimate of a reasonable possible shift in the KSE 100 index, having regard to the historical volatility of the index. The composition of the Fund's investment portfolio and the correlation thereof to the KSE index, is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2013 is not necessarily indicative of the effect on the Fund's net assets of future movements in the level of KSE 100 index.

24.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted. The Fund's credit risk is primarily attributable to balances with banks, its investment in term finance certificates, receivable against sale of investments, dividend receivable and profit receivable on balances with banks. The credit risk on liquid funds is limited because the counter parties are financial institutions with reasonably high credit ratings. In addition, the internal risk management policies and investment guidelines (approved by the investment Committee) require the Fund to invest in debt securities that have been rated by a well known rating agency. Credit risk on dividends receivable is minimal due to statutory protection. All transactions in listed securities are settled / paid for upon delivery using the central clearing company. The risk of default is considered minimal due to inherent systematic measures taken therein.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. The Fund does not expect to incur material credit losses on its financial assets.

The analysis below summarises the credit quality of the Fund's financial assets:

Balances with banks by rating category	2013	2012
	Percentage	
A1+	99.71%	99.94%
A3	0.29%	0.06%
	<u>100.00%</u>	<u>100.00%</u>
Term finance certificates by rating category		
AA	100.00%	43.24%
AA-	0.00%	56.76%
	<u>100.00%</u>	<u>100.00%</u>

The maximum exposure to credit risk before any credit enhancement as at June 30, 2013 is the carrying amount of the financial assets. The term finance certificates held by the Fund are generally secured against hypothecation of stocks and receivables and mortgage of fixed assets.

24.2.1 Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio is mainly concentrated in government securities and bank balances with commercial banks whereas the remaining transactions are entered into with diverse creditworthy counterparties thereby mitigating any significant concentration of credit risk to counterparties other than government.

NAFA ASSET ALLOCATION FUND

24.2.2 Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

24.2.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to settlement of equity securities and to daily cash redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed off and are considered readily realisable.

For the purpose of making redemptions, the Fund has the ability to borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any significant redemptions during the year.

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	----- June 30, 2013 -----			
	Total	Upto three months	Over three months and upto one year	Over one year

NAFA ASSET ALLOCATION FUND

25 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share, based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the 'Statement of Movement in Unit holders' Fund.

The Fund's objectives when managing unit holders' fund are to safeguard its ability to continue as a going concern so that it can continue to provide returns to unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies stated in note 24, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

26 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the balance sheet date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book values as the items are either short term in nature or periodically repriced.

According to the amendments to International Financial Reporting Standard 7, Financial Instruments : Disclosure - Improving disclosures about financial instruments, an entity shall classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, whether directly (i.e. as prices) or indirectly (i.e. derived from prices) (level 2) ; and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3)

Investments carried at fair value are categorised as follows:

	----- As at June 30, 2013 -----			
	Level 1	Level 2	Level 3	Total
	----- (Rupees in '000) -----
