D.M. TEXTILE MILLS LIMITED

SELECTED NOTES TO THE CONDENSED INTERIM FINANCIAL INFORMATION (UN-AUDITED)

FOR THE NINE MONTHS ENDED 31 MARCH 2014

1 THE COMPANY AND ITS OPERATIONS

- 1.1 D.M. Textile Mills Limited is a public limited company incorporated in Pakistan under the Companies Act, 1913 (Now the Companies Ordinance, 1984) and listed on Karachi and Islamabad Stock Exchanges in Pakistan. Its registered office is situated at Westridge, Rawalpindi. The Company is engaged in the business of manufacturing, sale and trading of cotton, polyester, viscose and blended yarn.
- 1.2 During the nine months ended 31 March 2014, the Company sustained net loss of Rupees 10.072 million. As of that date the accumulated loss was of Rupees 250.123 million. The current liabilities of the Company exceeded its current assets by Rupees 417.948 million. These events indicate a material uncertainty which may cast significant doubt on the Company's ability to continue as a going concern. However, this condensed interim financial information has been prepared under going concern assumption as the management is hopeful in negotiation with banks for restructuring / rescheduling of loans. The management is also trying to avail suppliers' credit to continue the operations of the mill.

2 BASIS OF PREPARATION

This condensed interim financial information is un-audited but subject to limited scope review by the statutory auditors and is being submitted to shareholders as required by section 245 of the Companies Ordinance, 1984. This condensed interim financial information of the Company for the nine months ended 31 March 2014 has been prepared in accordance with the requirements of International Accounting Standard (IAS) 34 "Interim Financial Reporting" and provisions of and directives issued under the Companies Ordinance, 1984. In case where requirements differ, the provisions of or directives issued under the Companies Ordinance, 1984 have been followed. This condensed interim financial information should be read in conjunction with the audited annual published financial statements of the Company for the year ended 30 June 2013.

3 ACCOUNTING POLICIES

The accounting policies and methods of computations adopted for the preparation of this condensed interim financial information are the same as applied in the preparation of the preceding audited annual published financial statements of the Company for the year ended 30 June 2013.

Consequent to the revision of IAS 19 "Employee Benefits" which is effective for annual periods beginning on or after 01 January 2013, the Company has changed its accounting policy wherein, the actuarial gains and losses (measurement gains / losses) on employees' retirement benefit plans are recognized immediately in other comprehensive income. Previously, the actuarial gains / losses were recognized immediately in profit and loss account. This change in accounting policy has been accounted for retrospectively. However, this change has no impact on the condensed interim balance sheet as the Company has no unrecognized actuarial gains or losses. Therefore, balance sheet at the beginning of the preceding period has not been presented.

The effect on the condensed interim profit and loss account and the condensed interim statement of comprehensive income for the nine months ended 31 March 2014 has not been disclosed separately since the actuarial valuation is carried out on annual basis. There is no impact on condensed interim statement of cash flows.

4 CRITICAL ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of this condensed interim financial information in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

During preparation of this condensed interim financial information, the significant judgments made by the management in applying the Company's accounting policies and the key sources of estimation and uncertainty were the same as those applied in the preceding audited annual published financial statements of the Company for the year ended 30 June 2013.
