DIRECTORS' REPORT

The Directors of your company are pleased to present Twenty Second Annual Report together with Audited accounts and Report thereon for the period ended 30th June 2013.

Your company has sustained a net loss after tax of Rs.1,172,203 for the year ended 30th June 2013, which was mainly for the salary of security staff and other general expenses. Further, there has been no commercial activity during the period under review.

During the period under review, the factory remained in-operative owing to the non-availability of infrastructural facilities in Winder, coupled with other factors of unworkable production cost due to the inflationary trends law and order condition as well as political instability in the province. Our unit is anxiously looking forward to receive gas connection to be arranged by M/S.Sui Southern Gas Company so as to start factory at winder.

Referring to the unqualified observations of Auditors in Auditors Report regarding non charging of depreciation on specific fixed assets since 2002-2003, we reiterate and clarify that the Company's Policy with regard to depreciation is to follow minimum recommended approach under IAS. According to IAS 16, the depreciation method envisaged at 62 for unit of production method has been adopted by your company as suited as the said method for expected use and output of the respective fixed assets is based on the life expectancy of the machineries having good condition. Hence, your management on each year while reviewing the expected pattern of consumption of those assets's residual value not made provision for charging the depreciation from the period of non usage. However, when these assets are utilized upon start of commercial production, the adjustment as required to the carrying of amount and classification of assets with an appropriate method would be applied and determined in recognition of impairment loss for charging depreciation.

It is further clarified that straight line depreciation charging during the period of non-utilization of assets would have inappropriately resulted in future depletion of value of assets and the burden of losses on the books of the company for the period when its operations were fully suspended and its fixed assets have useful life, regarding remarks for the unit's existence of material uncertainty and doubts on going concern of the Auditors it is further clarified that such observations for this unit over the years have not caused any event or instance at all as the management of your company has been trying with utmost efforts by putting funds from their own resources to run the unit

Securities and Exchange Commission of Pakistan issued notice under section 305 (c) of the Companies Ordinance 1984 regarding filing of the winding up petition against the company and subsequently Joint Registrar of Company, Karachi Director Enforcement Wing of SECP has passed the order directing to file the winding up petition. The company filed a Revision Petition under section 484 of the Companies Ordinance 1984, and in which the company requested SECP to allow time for commencing business operation of factory upto December 31, 2014 as at that time supply of Iran Gas will Commence to Pakistan, which onward will be supplied to the Company enabling the mill of the Company to start the commercial production therefore the SECP after considering this fact granted the time till December 31, 2014, and the matter stands disposed of for the time being.

Your Directors are struggling to utilize precious investment in Balochistan for healthy growth of the economy and to provide job opportunities to the local upon restart of its factory..

The Board of Directors through out the period under Review complied with the Code of Corporate Governance as per Listing Regulations of Stock Exchange and confirm that:-

- ⊞ The Financial statements prepared by the Company present fairly its state of affairs , the result of its operations, cash flows and changes in equity.
- ⊞ Proper books of accounts of the Company have been maintained.
- ⊞ Appropriate accounting policies have been adhered-to in preparation of financial statements based on reasonable and prudent practice,
- ⊞ International Accounting Standards as applicable in Pakistan have been followed in preparation of financial statements.
- ⊞ The Internal Control system has been effectively implemented and monitored.
- ⊞ There are no significant doubts upon the Company's ability to continue as going concern your management is hopeful to revive the unit and start operation in the near future. The Government has plans to provide gas connection at the factory which is expected to be supplied in future. Currently Government has entered into the agreement with Iran to supply gas to Pakistan and the work has been started on the same and it is expected that gas has also will supply to Winder industrial Area.
- ⊞ There has been no trading during the year in the shares of the company carried out by the directors, CEO, CFO, Company Secretary and their spouse and minor children.
- ⊞ None of the directors of the Company is serving on the Board of 7 or more listed companies.
- ⊞ All of the Directors of the Company are registered as tax payers and none of the companies director s are in default of payment of any dues to a banking company,DFI, NBFi and Stock Exchange .
- ⊞ There has been no material departure from the best practice of Corporate Governance.
- ⊞ During the year the meeting of the Board of Directors held , attended by each directors is as follows;

Names of Directors	No. of Meetings Attended
1. Mr. Akberali Hashwani	4
2. Mr. Amin A. Hashwani	4
3. Mr. Abdullah A. Hashwani	3

**AUDITORS REVIEW REPORT TO THE MEMBERS ON STATEMENT OF
COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE**

We have reviewed the 'Statement of Compliance with the Best Practices' contained in the 'Code of Corporate Governance' as applicable to the company for the year ended June 30, 2013 prepared by the Board of Directors of Landmark Spinning Industries Limited to comply with the Listing Regulation No(s). 37 of the Karachi and Lahore Stock Exchange (Guarantee) Limited where the company is listed.

The responsibility for compliance with the 'Code of Corporate Governance' is that of the board of directors of the company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the 'Statement of Compliance' reflects the status of the company's compliance with the provisions of the 'Code of Corporate Governance', and report if it does not. A review is limited primarily to inquiries of the company personnel and review of the various documents prepared by the company to comply with the code.

As part of our audit of the financial statements, we are required to obtain an understanding of the accounting and internal control systems, sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the board's statement on internal control covers all controls, and the effectiveness of such controls.

Further, Sub-Regulation (xiii) of Listing Regulation on 35 (previously Regulation no 37) notified by The Karachi Stock Exchange (Guarantee) Limited vide circular KSE/N-269 dated 19 January 2009 requires the Management Company to place before the Board of Director for their consideration and approval related party transactions distinguishing between transactions carried out on term equivalent to those that prevail in arm's length transactions and transaction which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transaction are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Director and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention that causes us to believe, that the 'Statement of Compliance' does not appropriately reflect the company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the company for the year ended June 30, 2012.

We have audited the annexed Balance Sheet of M/s Landmark Spinning Industries Limited, as at June 30, 2013 and the related Profit & Loss Account, statement of Comprehensive Statement, Cash Flow Statement and Statement of Changes in Equity together with the notes forming part thereof (hereinafter collectively referred to as the "financial statements"), for the year then ended, and we state that, we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit.

It is the responsibility of the company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- a) Depreciation on fixed assets has not been charged except on Vehicle and Hut at sandpit since the date of commercial operation has suspended by the company in 2002-2003, Had the company charged depreciation on all the assets of the company without taking impact of revaluation the written down value of the fixed assets (without revaluation) would have been reduced by Rs. 96,653,992 and Consequently Accumulated Losses of the Company as of Balance sheet date would have been increased by Rs. 96,653,992 , Furthermore the company has made revaluation on its fixed assets Land, Building and Plant and Machinery in the year 2008, Had the company charged depreciation on all the assets of the company taking impact of revaluation the written down value of the fixed assets (revalued) would have been reduced by Rs. 143,424,655 and Consequently Accumulated Losses of the Company as of Balance sheet date would have been increased by Rs. 143,424,655.
- b) We draw attention to Note. 2 in the annexed notes to the Financial Statements wherein the company has incurred a net loss of Rs. 1,172,203 (2012: Rs. 1,082,492/-) during the year ended June 30, 2012 and as of that date it has accumulated losses of Rs. 173,295,941 (2012: Rs. 172,123,738) which have eroded its capital and its total liabilities exceeded its total assets by Rs. 52,058,941 (2012: Rs. 50,886,738/=), the company has not started its production for last many years despite representation made by the management to revive the production. Continuous breakdowns in electricity and non availability of gas line for gas generator are a major problem to run the factory at winder Baluchistan. These conditions indicate the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern and therefore it may be unable to realize its assets and discharge its liabilities in the normal course of business.
- c) in our opinion, proper books of account have been kept by the company as required by the Companies Ordinance, 1984;
- d) in our opinion :-
 - i) the Balance Sheet and Profit & Loss Account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with the accounting policies consistently applied;
 - ii) the expenditure incurred during the year was for the purpose of the Company's business; and,
 - iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the Company;
- e) in our opinion, except for the matter discussed in the preceding paragraph (a) and (b) Consequently if any adjustment may be required to the carrying amounts and classification of assets and liabilities, the financial statement and the notes thereto not disclose this fact, and to the best of our information and according to the explanations given to us, the Balance Sheet, Profit & Loss Account , Statement of Comprehensive income, Cash Flow Statement and Statement of Changes in Equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and give a true and fair view of the state of the Company's affairs as at June 30, 2013 and of the Loss, its Comprehensive income, Cash flow and Changes in Equity for the year then ended; and
- f) In our opinion "no Zakat was deductible at source under the Zakat and Ushr ordinance 1980".

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2013**

1. Corporate Information

Landmark Spinning Industries Limited (the Company) was incorporated in Pakistan, as a private Limited Company on October 21, 1991 and was converted into a public limited company on April 30, 1992 under the Companies Ordinance, 1984 and its share are listed on the Karachi and Lahore Stock Exchanges in Pakistan. The registered office of the Company is located at 1st floor, cotton Exchange Building, I.I. Chundigar Road, Karachi, Pakistan; while its manufacturing facilities are located at Winder Baluchitan, Pakistan. The Principal activity of the Company is trading, Manufacturing and sale of Yarn.

The company commenced its commercial operation, from 2001 after reactivation of plant which remained idle for the seven years. However, the company again suspended its production on November 29, 2002 to forestall the recurring losses on account of electricity breakdowns and frequent Load shedding stop gap arrangement was made to suspend operations for the time being until the market trends becomes conducive for positive results. The management feels that immediately upon the utility provision of gas supplies to winder Baluchistan industrial zone S.S.G.C. Limited, which is in progress, the same is also disclosed in note 12.2 to the financial statements, the production will be expected to commence in future.

2. Going Concern Assumption

The Company has incurred a net loss, after tax, of Rs. 1,172,203/- (2012:Rs. 1,082,492), during the year ended June 30, 2013, and as of that date it has accumulated losses of Rs. 173,295,941 (2012:Rs. 172,123,738) which have eroded its Capital and Total Liabilities exceed its Total Assets by Rs. 52,058,941/-, (2012:Rs. 50,886,738) Further, as mentioned in Note 1 and 12.2, the operations of the company are, and have been in recession for a considerable period of time. During the year under review the production remain suspended owing to unfavorable conditions and lack of infrastructure facilities at winder Industrial area, especially the non availability of gas, as prices of fuel, diesel and electricity breakdowns have already caused the unit to bear losses. Conversely, the Management is hopeful to review the unit, and start operations in the near future, The Government has plans to Provide Gas Connection at the factory which is expected to be supplied in future Currently the government has entered into the agreement with Iran to supply the Gas to Pakistan and the work has been started on the same and it is expected to this gas has also will supply to Winder Industrial State. Upon the supply of Gas connection, the management would commence commercial operation and ultimately, the shareholders would be benefited in future.

3. Statement of Compliance

4 Significant Accounting Judgments, Estimates and Assumption

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected. In the process of applying the Company's accounting policies, management has made the following estimates and judgments which are significant to the financial statements:

4.1 Property, plant and equipment

Estimates with respect to residual values and depreciable lives and pattern of flow of economic benefits are based on the recommendation of technical team of the Company. Further, the Company reviews the value of the assets for possible impairment on an annual basis. Any change in the estimates in future years might affect the carrying amounts of the respective items of tangible fixed assets with a corresponding affect on the depreciation charge and impairment.

4.2 Taxation

In making the estimates for income taxes payable by the Company, the management considers applicable tax laws and the decisions of appellate authorities on certain cases issued in past. Deferred tax assets are recognized for all unused tax losses and credits to the extent that it is probable that taxable profit will be available against which such losses and credits can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

4.3 Stock-in-trade

The Company reviews the Net Realizable Value (NRV) of stock-in-trade to assess any diminution in the respective carrying values.

4.4 Provision for doubtful receivables

A provision for impairment of trade and other receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. These estimates and underlying assumptions are reviewed on an ongoing basis.

4.5 Contingencies

The assessment of the contingencies inherently involves the exercise of significant judgment as the out come of the future events cannot be predicted with certainty. The company, based on the availability of the latest information, estimates at the value of contingent assets and liabilities which may differ on the occurrence/non occurrence of the uncertain future events.

5 Approval of Financial Statements

These financial statements were approved by the Board of Directors and authorized for issue on _____.

6 Summary of Significant Accounting Policies

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as described below:

6.1 New and amended standards and interpretations

The company has adopted the following amendments to IFRs which became effective during the year:

IAS 1 - Presentation of Financial Statements - Presentation of Items of other comprehensive income (Amendment)

IAS 12 - Income Taxes - Recovery of Underlying Assets (Amendment)

The adoption of the above standards, amendments, interpretations and improvements did not have any material effect on the financial statements.

6.2 Basis of Preparation

The financial statements have primarily been prepared on the historical cost basis except that the Land, Building and Plant and Machinery which are stated at revalued amounts, unless an accounting policy herein states otherwise. The financial statements, except for the cash flow statement, have been prepared under the accrual basis of accounting.

6.3 Trade and Other Payables

Liabilities for trade and other amounts payable are carried at cost, which is fair value of the consideration to be paid in the future for the goods or services so received whether billed to the Company or not.

6.4 Taxation

Current Year

Provision in respect of current year's taxation is based on the method of taxation prescribed under the Income Tax Ordinance, 2001, whereby taxable income is determined and tax charged at the current rates of taxation after taking into account tax credits and rebates available, if any, or the minimum tax liability determined under Section 113 of the Income Tax Ordinance, 2001, whichever is higher.

Deferred

The Company accounts for deferred taxation on all material timing differences between the tax base and accounting base of an asset or a liability. However, deferred tax is not provided if it can be established with reasonable certainty that these differences would not crystallize in the foreseeable future.

6.5 Property, Plant and Equipment

- **Owned**
Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any; except for capital works in progress which are stated at cost and lease hold land which is on straight line basis.
- **Depreciation**
Depreciation is charged to income using reducing balance method, at the rates specified in the annexed schedule, whereby the cost of asset is written off over its estimated useful life, reflecting the approximate value of the consumption of the respective assets economic benefits. The depreciation method and useful lives of the items of property, plant and equipment are reviewed periodically and altered if circumstances or expectations have changed significantly. Any change is accounted for as a change in accounting estimate by changing the depreciation charge for the current and future periods.

Assets residual Values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet dates.

- Repairs, renewals and maintenance
Major repairs and renewals are capitalized . Normal repairs and maintenance are charged as expense when incurred. Gains or losses on disposal or retirement of assets are determined as the difference between the sale proceeds and the carrying amounts of these assets, and are included in the income currently.

6.6 Stores, Spares and Loose Tools

These are stated at the lower of cost and net realizable value. The cost of inventory is based on the average cost. Items in transit are stated at cost accumulated up to the date of the balance sheet.

Provision for Slow moving, damaged and obsolete items are charged to Profit and Loss account. Value of items is reviewed at each balance sheet date to record provision for any slow moving items, damaged and obsolete items.

6.7 Stock-in-Trade

These are valued as follows :

Raw Material	:	At lower of average cost or net realizable value. Cost of raw material and components represents invoice value plus other charges paid thereon.
Finished Goods	:	At lower of weighted average cost or net realizable value. Cost of finished goods comprises of prime cost and an appropriate portion of production overheads.

Net Realizable Value signifies the estimated selling price in the ordinary course of business less cost necessary to be incurred in order to make the sale.

6.8 Trade Debts & Other Receivables

Trade debts are carried at the original invoice amount, less an estimate made for doubtful receivables based on a review of all outstanding amounts at the year end. Bad debts are written off when identified. Debts considered bad, if any, by the management are written-off, and provision is made against those considered doubtful. No general provision is made for bad and doubtful debts.

6.9 Foreign Currency Translation

Transactions in foreign currencies, if any, are recorded using the rates of exchange prevalent at the date of the transaction. Assets and Liabilities in foreign currencies, if any, are translated into the reporting currency, i.e., Rupees, at the exchange rate prevalent at the balance sheet date, except where foreign exchange contracts are entered into; in which case, the contracted rates are used. Exchange gains and losses, if any, are included/charged into income currently.

6.10 Deferred Costs - Unallocated Pre-production Expenses

The company used to amortize this deferred cost over a period of five years from the year of commencement of commercial production.

6.11 Borrowing Cost

Borrowing cost are charged to income in the period in which they are incurred.

6.12 Provisions

A provision is recognized in the balance sheet when the company has a legal or constructive obligation, and, as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and that a reliable estimate can be made for the amount of this obligation. However, Provisions are reviewed at each balance sheet date adjusted to reflect current best estimate.

6.13 Financial Instruments

Financial assets are initially measured at cost, which is the fair value of the consideration given and received respectively. These financial Assets and liabilities are subsequently premeasured to fair value, amortized cost or cost as the case may be, Any gain or loss on the recognition and de-recognition of the financial assets and liabilities is included in the profit and loss account for the period in which it arises.

All financial assets and liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Financial Assets are recognized when the company loses control of the contractual rights that comprises the financial asset. Financial Liabilities are removed from the balance sheet when the obligation is extinguished, discharged, cancelled or expired.

Assets and liabilities that are not contractual in nature and that are created as a result of statutory requirements imposed by the government are not the financial instruments of the company.

6.14 Off Setting

Financial asset and financial liability is set off and the net amount is reported in the balance sheet if the company has a legal right to set off the transaction and also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously. Corresponding income on assets and charge on liability is also offset.

6.15 Cash and Cash Equivalents

For the purpose of the cash flow statement, cash and cash equivalents comprise cash and bank balances.

6.16 Impairment of Assets

The carrying amounts of the assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount, whereby the asset is written down and that impairment losses are recognized in the profit and loss account.

6.16 Related Party Transactions

All transactions with related parties are carried out by the company at arm's length prices with the exception of loan taken from related parties which is interest / mark up free.

6.17 Loans, Advances and Other Receivables

Loans, advances and other receivables are recognized initially at cost, and subsequently at their amortized/ residual cost.

6.18 Revenue Recognition

Revenue from Sales is recognized on dispatch of goods to customers.
Other Income is recognized on accrual Basis.
