DIRECTORS' REPORT TO THE UNIT HOLDERS

The Board of Directors of Habib Asset Management Limited (HAML) have pleasure to present the Annual Report along with the audited financial statements of the Funds under its management for the year ended June 30, 2016.

ECONOMY & MONEY MARKET

The National Economy made significant improvements for the Financial Year 2016 (FY2016) and the average annual CPI Inflation declined to a multi-year low to 2.9%. GDP grew by 4.7% during FY2016 against 4.2% of last year. This led to further reduction in Discount Rate to 6.25% by State Bank of Pakistan (SBP). Accordingly, a corresponding reduction was witnessed in the rates of Govt. Securities as detailed below (vis. a vis. corresponding period).

T-Bills Cut off Yields			
Tenor	June 2015	June 2016	
3M	6.93%	5.90%	
6M	6.95%	5.93%	
12M	6.97%	5.96%	

PIBs Cut off Yields		
Tenor	June 2015	June 2016
3Y	8.09%	6.41%
5Y	9.00%	6.91%
10Y	9.25%	8.02%

STOCK MARKET

During the year under review, the Pakistan Stock Exchange (PSX) 100 index gained 3,384.68 points or 9.8% (FY 2015: 16.01%) to close at 37,783.54 points on June 30, 2016. The average daily volume was 208 million shares with average daily traded value at \$91 million during the Financial Year 2015-2016. Foreign investors remained net sellers during FY2016 with a net outflow of \$282 million worth of stocks against net foreign portfolio buying of around \$40 million in 2015. Major outflows were witnessed in banking and oil exploration/production sectors.

MUTUAL FUNDS INDUSTRY

The Assets Under Management (AUMs) of Open-ended Funds Industry grew by 10% to Rs. 453 billion as at June 30,2016 from Rs. 412 billion on June 30, 2015. Conventional Debt (Money Market& Income) Funds grew by 0.41% while Shariah Compliant Debt Funds, rose by 3%. Conventional Equity Funds increased by 3% while Shariah Compliant Equity Funds, rose by 31%. As at June 30, 2016, there were 20 Companies engaged in Asset Management Business.

	7,983.00	

The asset and sector allocation of FHIBF as on June 30, 2016, can be viewed as under:

Future Outlook

Pakistan's economic growth is set to improve further in FY2017 mainly due to (i) rising investment under PSDP and materialization of CPEC projects; (ii) expected improvement of power availability to industry; (iii) low interest rate scenario; (iv) healthy private sector credit uptake; and (v) improving law and order situation. We pray to Allah for continued Peace and Stability in the Country, prosperity and well being of the common man and success to the Company for the year 2016 / 2017.

Acknowledgement

The Board is indeed thankful to all the stakeholders particularly its valued Unit-holders, Central Depository Company of Pakistan Limited as Trustee, the Securities and Exchange Commission of Pakistan and the management of Pakistan Stock Exchange for their support and cooperation. The Board also appreciates the employees of the Management Company for their commitment, loyalty and hard work.

On behalf of the Board of the Directors

ALI RAZA D. HABIB *Chairman*Habib Asset Management Limited

TRUSTEE REPORT TO THE UNIT HOLDERS

FIRST HABIB INCOME FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of First Habib Income Fund (the Fund) are of the opinion that Habib Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2016 in accordance with the provisions of the following:

- Limitations imposed on the investment powers of the Management Company (i) under the constitutive documents of the Fund;
- The pricing, issuance and redemption of units are carried out in accordance (ii) with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Muhammad Hanif Jakhura

Chief Executive Officer

Central Depository Company of Pakistan Limited

Karachi: September 19, 2016

STATEMENT OF COMPLIANCE BY HABIB ASSET MANAGEMENT LIMITED WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2016

This statement is being presented by the Board of Directors of Habib Asset Management Limited, the management company of **First Habib Income Fund** (the Fund), to comply with the Code of Corporate Governance (the Code) contained in Chapter XI of the Listing Regulations of Pakistan Stock Exchange Limited where the Fund is listed, for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Corporate Governance.

Habib Asset Management Limited (HAML), the Management Company, is not listed and hence, the Code is not applicable to it. However, First Habib Income Fund (FHIF) managed by HAML is listed on the Pakistan Stock Exchange; therefore, it comes under the ambit of the Code. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary and other necessary personnel to manage the affairs of the Fund.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors. At present, the Board includes:

Category	Name
Independent Directors	Mr. Admiral (R) Khalid M. Mir,
	Mr. Liaquat Habib Merchant
Executive Director	Mr. Imran Azim, Mr. Sajjad Hussain Habib
Non-Executive Director	Mr. Ali Raza D. Habib, Mr. Mohammad Ali Jameel and Mr. Mansoor Ali

The independent directors meet the criteria of independence under clause i (b) of the Code.

- 2. The directors have confirmed that none of them are serving as a director in more than seven listed companies, including this company.
- 3. All the resident directors of the Management Company are registered as taxpayers and none of them have defaulted in payment of any loan to a banking company, a DFI or an NBFC or, being a member of a stock exchange, have been declared as a defaulter by that stock exchange.
- 4. No casual vacancy in the Board of the Management Company has occurred during the year.
- 5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The Board has developed a vision / mission statement, an overall corporate strategy and significant policies for the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other executive and non-executive directors have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for the purpose, and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The directors are conversant with the relevant laws applicable to the company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities. Two directors are exempt from directors training program due to qualification and experience, however, the remaining directors will comply will this requirement in due course.
- 10. The Board approved the appointments of Chief Financial Officer and Company Secretary including the remuneration and terms and conditions of employment as determined by the CEO.

- 11. The Directors' report relating to the Fund for the year ended June 30, 2016 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
- 13. The Directors, CEO, and executives do not hold any interest in the units of the Fund other than disclosed in note 25 to the financial statements "Transactions with Connected Persons".
- 14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
- 15. The Board has formed an Audit Committee. It comprises of three members, all of whom are non-executive directors of the Management Company including the Chairman of the Committee.
- 16. The meetings of the Audit Committee were held at least once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference have been approved in the meeting of the Board and the Committee has been advised to ensure compliance with those terms of reference.
- 17. The Board has formed an HR and Compensation Committee. It comprises of three members, of whom two are non-executive directors including the chairman of the Committee.
- 18. The Board has setup up an effective internal audit function who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Fund's units, was determined and intimated to directors, employees and stock exchange(s).
- 22. Material / price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. There is no mechanism in place for an annual evaluation of the board's own performance.
- 24. We confirm that all other applicable material principles enshrined in the Code have been complied with.

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors (the Board) of Habib Asset Management Limited (the Management Company) of First Habib Income Fund (the Fund) for the year ended 30 June 2016 to comply with the requirements of Listing Regulation Number 35 of the Pakistan Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval the Fund's related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended 30 June 2016.

Further, we highlight below instances of non-compliance with the requirements of the Code as reflected in the paragraph references where these are stated in the Statement:

Paragraph Reference	Description
9	Directors have not attended any Directors' Training programme as envisaged by the Code of Corporate Governance.
23	An annual evaluation of the Board's performance as per the requirements of the Code of Corporate Governance is not in place.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of First Habib Income Fund (the Fund), which comprise the statement of assets and liabilities as at 30 June 2016, and the related statements of income, comprehensive income, distribution, cash flows and movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit opinion. evidence we have obtained is sufficient and appropriate to provide a basis for our audit

Opinion

In our opinion the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2016 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2016

1. LEGAL STATUS AND NATURE OF BUSINESS

First Habib Income Fund (the "Fund") was established under a Trust Deed executed between Habib Asset Management Limited (HAML) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 6 September 2006 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on 3 August 2006 under Regulation 44 of the NBFC and Notified Entities Regulations 2008.

The Management Company of the Fund has been licensed to undertake Asset Management Services as Non Banking Finance Company under the NBFC Rules by the SECP. The registered office of the Management Company is situated at Imperial Court Building, Dr. Ziauddin Ahmed Road Karachi, Pakistan.

The Fund is an open-end mutual fund and is listed on Pakistan Stock Exchange. Units are offered for public subscription on a continuous basis. Units are transferable and can be redeemed by surrendering them to the Fund at the option of the unit holder.

The Fund has been formed to provide reasonable rate of return consistent with reasonable concern for safety of principal amount to the unit holders, along with facility to join or leave the fund at their convenience. The management team would seek to enhance returns through active portfolio management using efficiency tools.

Pakistan Credit Rating Agency (PACRA) has assigned asset management rating of 'AM3+' and "AA-(f)' to the Management Company and the Fund respectively.

The Fund invests in a diversified portfolio of term finance certificates, government securities, corporate debt securities, certificates of investments, term deposit receipts, continuous funding system and other money market instruments (including the clean placements). The Fund has been categorised as income scheme.

Title of the assets of the Fund are held in the name of CDC as a trustee of the Fund.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

3. BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention except for investments and derivatives which are accounted for as stated in notes 4.2 and 4.3.

These financial statements have been presented in Pakistan Rupees which is the functional and presentation currency of the Fund.

4. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as described below.

4.1 New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following revised standard, amendments and interpretation of IFRSs which became effective for the current year:

IFRS 10 - Consolidated Financial Statements

IFRS 11 - Joint Arrangements

IFRS 12 - Disclosure of Interests in Other Entities

IFRS 13 - Fair Value Measurement

IAS 27 - Separate Financial Statements - (Amended)

IAS 28 - Investment in Associates and Joint Ventures - (Amended)

The adoption of the above amendments, revisions, improvements to accounting standards and interpretations did not have any effect on the financial statements except for certain additional disclosures due to the adoption of IFRS 13 (see note 27).

4.2 Financial instruments

The Fund classifies its financial instruments in the following categories:

a) Financial instruments at fair value through profit or loss

An instrument is classified at fair value through profit or loss if it is held-for-trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit or loss if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy.

Financial assets which are acquired principally for the purpose of generating profit from short term price fluctuation or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held for trading or a derivative.

Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in Income Statement

b) Available-for-sale

Available for sale financial assets are non-derivative that are either designated in this category or not classified in any other category.

c) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than those classified by the Fund as 'at fair value through profit or loss' or 'available for sale'.

d) Financial liabilities

Financial liabilities, other than those 'at fair value through profit or loss', are measured at amortised cost using the effective yield.

Recognition

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention such as 'T+2' purchases and sales are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell the assets.

Financial liabilities are not recognised unless one of the parties has performed its part of the contract or the contract is a derivative contract.

Measurement

Financial instruments are measured initially at fair value (transaction price) plus, in case of a financial instrument not at 'fair value through profit or loss', transaction costs that are directly attributable to the acquisition or issue of the financial instrument. Transaction costs on financial instrument at fair value through profit or loss are expensed out immediately.

Subsequent to initial recognition, financial instruments classified as at 'fair value through profit or 'loss' and 'available for sale' are measured at fair value. Gains or losses arising, from changes in the fair value of the financial assets 'at fair value through profit or loss' are recognized in the Income Statement. Changes in the fair value of financial instruments classified as 'available-for-sale' are recognized in Statement of Comprehensive Income until derecognized or impaired, when the accumulated adjustments recognized in Unit Holders' Fund are included in the Income Statement.

Basis of valuation of Term Finance Certificates (TFC's) / Debt Securities

The Fund's investment in term finance certificates and sukuk certificates are revalued at the year end rates quoted by Mutual Fund Association of Pakistan (MUFAP) in accordance with the circular no.1 dated 6 January 2009 and Reuters. Further Circular no.1 has provided the discretion to the asset management company to apply the mark up/ mark down (within the available limits as prescribed in that circular) to the non- traded debt securities for their valuation. Application of discretionary mark up/ mark down shall be approved by the Investment Committee (with proper written justification) and shall be reported on the same day to the Board of Directors (of AMC), MUFAP, SECP and the Trustees. The decision in relation to application of the discretionary mark up/ mark down shall be ratified by the Board of the AMC in the next meeting.

Basis of valuation of Government Securities

The investment of the Fund in government securities are valued at their fair values (determined by reference to the quotations obtained from the PKRV rate sheet on the Reuters page), based on the remaining tenor of the security.

FIRST HABIB INCOME FUND

Impairment

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. Provision for diminution in the value of debt securities is recognised as per the requirements of Circular 1 of 2009 read with Circular 33 of 2012 issued by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company pursuant to the requirements of the SECP's above referred circular. In case of impairment of available-for-sale investments, the cumulative loss that has been recognised directly in statement of comprehensive income is taken to the income statement.

Derecognition

The Fund derecognises a financial asset when the contractual right to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition in accordance with International Accounting Standard 39: Financial Instruments; Recognition and Measurement.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.3 Derivative financial instruments

Derivative instruments held by the Fund are measured initially and of each subsequent measurement at their fair values which is calculated as being the net difference between the contract price and the closing price reported on the primary exchange of the futures contract. All derivatives in a net receivables positions (positive fair values) are reported as financial asset held for trading. All derivatives in a net payable position (negative fair values) are reported as financial liabilities held for trading. The resultant gains and losses are included in the income currently.

4.4 Securities under resale agreements

Transactions of purchase under resale (reverse-repo) of the securities purchased under continuous funding system, are entered into at contracted rates for specified periods of time. Securities purchased with a corresponding commitment to resell at a specified future date (reverse-repo) are not recognised in the statement of assets and liabilities. Amounts paid under these agreements are recognised as receivable against continuous funding system. The difference between purchase and resale price is treated as income from continuous funding system and accrued over the life of the agreement.

All Continuous Funding System transactions are accounted for on the settlement date.

4.5 Unit holders' fund

Unit holders' fund representing the units issued by the Fund, is carried at the net assets value representing the investors' right to a residual interest in the Fund's assets.

4.6 Issue and redemption of units

Units issued are recorded at the net assets value, determined by the Management Company for the applications received during business hours on that day. Allotment of units is recorded on acceptance of application and units are issued upon realization of the proceeds in the Fund's bank account.

Units redeemed are recorded at the net assets value, applicable on units for which the management company receives redemption applications during business hours on that day. Redemption of units is recorded on acceptance of application for redemption.

4.7 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Element is arrived at by comparing the unit prices with opening Ex - NAV at the beginning of the financial year. The Element so computed is recognised in the income statement except to the extent that the amount represented by unrealised appreciation / diminution arising on available for sale securities is included in distribution statement.

4.8 Net asset value - per unit

The net asset value per unit disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

4.9 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income of that year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the Fund's unit holders.

The Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year. Accordingly, no tax liability or deferred tax has been recognised in these financial statements.

4.10 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date 'at which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of investments classified as financial assets at fair value through profit or loss are included in the Income Statement in the period in which they arise.
- Unrealised gains / (losses) arising on the revaluation of derivatives to fair value are taken to the Income Statement in the period in which they arise.
- Income on reverse repurchase transactions, continuous funding system, term finance certificates, clean placements and government securities is recognised on an accrual basis using the effective interest rate method.
- Profit on bank deposit is recognised on time proportion basis taking in to account effective yield.
- Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is included in the Income Statement on the date of issue and redemption of units.

4.11 Expenses

All expenses including management fee, trustee fee and annual fee of SECP are recognised in the income statement on an accrual basis.

4.12 Provisions

Provisions are recognised when the Fund has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.13 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances and term deposits receipts maturing with in three months. Cash equivalents are short term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

4.14 Dividend distributions and appropriations

Dividends distributions (including bonus units) declared subsequent to the balance sheet date are recorded in the period in which the distributions are approved. As per Regulation 63 of the Non Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income, excluding unrealised capital gains, to the unit holders.

5. ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amount of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form basis of making the judgments about the carrying values of assets and liabilities that are readily not apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of its revision and future periods if the revision affects both current and future periods.

FIRST HABIB INCOME FUND

Judgments made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material judgment are discussed below:

Classification and fair value of investments (note 4.2)

Impairment of investment (note 4.2)

Workers' welfare fund (note 15)

6. STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard o	r Interpretation	Effective date (annual periods beginning on or after)
IFRS 2	- Share-based Payments - Classification and Measurement of Share-	
	based Payments Transactions (Amendments)	01 January 2018
IFRS 10	- Consolidated Financial Statements, IFRS 12 Disclosure of Interests	
	in Other Entities and IAS 28 Investment in Associates – Investment	
	Entities: Applying the Consolidation Exception (Amendment)	01 January 2016

The above standards and amendments are not expected to have any material impact on the Company's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in September 2014. Such improvements are generally effective for accounting periods beginning on or after 01 January 2016. The Company expects that such improvements to the standards will not have any material impact on the Company's financial statements in the period of initial amplication.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan:

Standard	NOTE	IASB Effective date (annual periods beginning on or after)
IFRS 9 – Financial Instruments: Classification and Measurement		01 January 2018
IFRS 14 – Regulatory Deferral Accounts		01 January 2016
IFRS 15 – Revenue from Contracts with Customers		01 January 2018
IFRS 16 – Leases		01 January 2019

11.1 These deposits are non remunerative.

12. PROVISION FOR FEDERAL EXCISE DUTY ON REMUNERATION OF THE MANAGEMENT COMPANY

As per the requirements of the Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to provincial sales tax, further levy of FED results in double taxation, which does not appear to be the spirit of the law. The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and CDC on behalf of schemes through a constitutional petition filed in the Honourable Sindh High Court (SHC) in September 2013 which is pending adjudication. However, the SHC has issued a stay order against the recovery of FED. The Fund, as a matter of abundant caution, has charged FED and sales tax on service thereon in its financial statements with effect from June 13, 2013.

The Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. The management is however of the view that since the Federal government still has the right to appeal against the order, the previous balance of FED can not be reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non banking finance companies from charge of FED on their services.

In view of the pending decision and as a matter of abundant caution, the Management Company of the Fund has made a provision for FED in the books of accounts of the Fund with effect from July 03, 2013 to June 30, 2016 aggregating to Rs. 8.75 million (2015: 4.83 million).

13.	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2016 (Rupees	2015 in '000)
	Trustee fee	13.1	177	169
	CDS charges		217	67
		_	394	236

- 13.1 The trustee is entitled to a monthly remuneration for services rendered to the Fund at the rates as follows:
 - at higher of Rs. 0.6 million or 0.17% per annum of daily net assets where the Net Asset Value does not exceed Rs. 1 billion and
 - at Rs. 1.7 million plus 0.085% per annum on amount exceeding Rs. 1 billion of average daily net assets of the Fund

14. PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

This represents annual fee payable to Securities and Exchange Commission of Pakistan (SECP) in accordance with the rule 62 of the NBFC Regulations 2008, whereby the Fund is required to pay SECP an amount at the rate of 0.075% of the average daily net assets of the Fund

15. WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it is alleged that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Honorable Lahore High Court (LHC), in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013, a larger bench of the Honorable High Court of Sindh (SHC) has passed an order declaring that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 respectively do not suffer from any constitutional or legal infirmity. However, as mentioned above the constitutional petition challenging the applicability of WWF on mutual funds is still pending adjudication and not yet decided. The Management Company has considered the implications of above judgment of SHC and is of the view that the matter will eventually be settled in its favor and WWF will not be levied on the Fund.

As per the legal counsel handling the case, the constitutional petition filed by the CIS to challenge the WWF contribution has not been affected by SHC judgment.

Further, in May 2014, the Honorable Peshawar High Court (PHC) held that the impugned levy of contribution introduced in the Ordinance through Finance Acts, 1996 and 2009 lacks the essential mandate to be introduced and passed through a Money Bill under the constitution and, hence, the amendments made through the Finance Acts are declared as 'Ultra Vires'.

As the matter relating to the levy of WWF is currently pending in the SHC, the Management Company, as a matter of prudence, has decided to retain the provision for WWF amounting to Rs.1.10 million (June 30, 2015: Rs.1.10 million) in these financial statements. Had the provision not been made, the net assets value per unit of the Fund would have been higher by Re. 0.58 (0.57%) per unit (June 30, 2015: Re.0.54 (0.54%) per unit).

The Finance Act, 2015 has excluded Mutual Funds and Collective Investment Schemes from the definition of 'industrial establishment' subject to WWF under WWF Ordinance, 1971. Accordingly, no provision for WWF is made from July 01, 2015 onwards. However, provision made till June 30, 2015 has not been reversed as the above lawsuit is pending in the SHC.

FIRST HABIB INCOME FUND

17. CLASS OF UNITS IN ISSUE

The Fund has three classes of units as per the Trust Deed. Class 'A' units pertain to core investors. Such units are redeemable after two years of issue. Class 'B' and 'C' units are issued and redeemed in the usual course of business on a daily basis. Class 'C' units only rank for cash dividend.

	Units in issue as at 30 June in each class are:	Note	2016 (Number of	2015 Units)
	Type 'A' Units Type 'B' Units Type 'C' Units	-	520,826 9,633,507 3,021,561 13,175,894	498,088 6,806,205 4,580,022 11,884,315

	Income on saving accounts Income on term deposit receipts	18.1	19,676 5,079	9,730 4,379
		- -	24,755	14,109

18.1 This includes profit on deposits with Bank AL Habib (A related party) of Rs. 0.137 million (2015: 1.661 million).

19. REMUNERATION OF HABIB ASSET MANAGEMENT LIMITED - MANAGEMENT COMPANY

Under the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Company and Notified Entities Regulation 2008, the Management Company of the Fund is entitled to a remuneration during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two percent of such net assets of the Fund. The Management Company has charged its remuneration at the rate of 1.5% (2015: 1.5%) per annum for the current year in accordance with the Trust Deed.

20. SALES TAX ON MANAGEMENT FEE

During the current year, an amount of Rs. 3.975 million (2015: 3.527 million) was charged on account of sales tax on management fee levied through Sindh Sales Tax on Services Act, 2011.

21. AUDITORS' REMUNERATION

Annual audit fee	270	229
Half yearly review fee	89	63
Other certification fees	27	26
Out of pocket expenses	10	32
•	396	350

22. EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended 30 June 2016 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

23. TAXATION

The income of the fund is exempt from income tax under Clause (99) of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001 (Clause 99) subject to the condition that not less than 90 percent of the accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders. The Management Company has distributed not less than 90 percent of its annual accounting income to avail the tax exemption. Accordingly, no provision for current and deferred tax has been made in this financial statements.

In 2014, the taxation officers had issued a show cause notice to the fund under Section 122(5A) of the Income Tax Ordinance, 2001 which required the fund to respond as to why the assessment was not amended for the Tax Year 2008, and raised a tax demand of Rs 76.64 million. Further in case of certain mutual funds the taxation officers had amended the assessment under Section 120 of the Income Tax Ordinance, 2001. These orders ,denied the exemption to the income of the mutual funds under Clause 99, on the basis that a different viewpoint, not supported by law, is being adopted by the tax authorities for the tax effect and incidence of the 'distribution' made by the mutual funds by way of bonus units.

This industry issue has been examined by legal experts and tax advisors and there is unanimity of view that under the present regulations, including the provisions of Clause 99, tax department's contentions are primarily erroneous and not tenable under the law. This view is further supported by the fact that subsequently, through the Finance Act, 2014, an amendment has been made in Clause 99, whereby issuance of bonus units shall not be considered towards distribution of 90% of income, and only cash dividend shall be taken into consideration for computation of 90% distribution to claim exemption. Introduction of this amendment, applicable on distribution to be made from July 1, 2014, essentially strengthens the stand of the mutual fund industry that, previously, issuance of bonus units was valid

for the purpose of claiming exemption in case of 90% distribution. In view of the aforesaid, appropriate appellate and executive remedies are being adopted from the forum of MUFAP to resolve the matter.

During the year, the Commissioner Income Tax Appeals, has passed certain orders in cases of certain mutual funds whereby the position taken by the industry has been accepted and therefore the management company is confident that the above matter would be resolved favourably in due course of time.

24. DERIVATIVE INSTRUMENTS

The fund has been involved in derivatives transactions involving equity futures.

Operational procedures and controls have been established to facilitate complete, accurate and timely processing of transactions, these controls include appropriate segregaation of duties, regular reconciliation of accounts, and the valuation of assets and positions.

25. TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include Habib Asset Management Limited being the Management Company, associated companies of the Management Company, First Habib Stock Fund, First Habib Cash Fund and First Habib Islamic Balanced Fund being the Funds managed by common Management Company, Central Depository Company of Pakistan Limited being the trustee of the Fund and all other concerns that fall under common management or control.

The transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market norms.

Remuneration to management company and trustee is determined in accordance with the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Companies and Notified Entities Regulation 2008 and the Trust Deed respectively.

26. FINANCIAL RISK MANAGEMENT

Introduction and overview

The Fund has exposure to following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

This note presents information about the Fund's exposure to each of the above risks, the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

Risk management framework

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the management company supervises the overall risk management approach within the Fund.

The Fund invests in a diversified portfolio of term finance certificates, government securities, corporate debt securities, certificates of investments, term deposit receipts, continuous funding system and other money market instruments (including the clean placements). Such investments are subject to varying degrees of risk.

The management of these risks is carried out by the Investment Committee (IC) under the policies and procedures approved by the Board. IC is constituted by the Board of Directors of the Management Company. IC is responsible to devise the investment strategy and manage the investment portfolio of the Fund in accordance with the limits prescribed and restrictions imposed in the Non-Banking Finance Companies and Notified Entities Regulations, 2008, Rules, and Constitutive Documents of the Fund in addition to the Fund's internal risk management policies.

26.1 Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Fund, resulting in a financial loss to the Fund. At the year-end it arises principally from bank balances, investment in debt securities, income recievables and deposits.

FIRST HABIB INCOME FUND

Management of credit risk

The Fund's policy is to enter into financial contracts in accordance with the investment guidelines approved by the Investment Committee, its Trust Deed, the requirements of NBFC rules and regulations and guidelines given by SECP from time to time.

Credit risk is managed and controlled by the management company of the Fund in the following manner:

- Where the investment committee makes an investment decision, the credit rating and credit worthiness of the issuer is taken into account along with the financial background so as to minimise the risk of default.
- Investment transactions are carried out with a large number of brokers, whose credit rating is taken into account so as to minimise the risk of default and transactions are settled or paid for only upon delivery.
- The risk of counterparty exposure due to failed trades causing a loss to the Fund is mitigated by a periodic review of trade reports, credit ratings and financial statements on a regular basis. In addition, the investment Committee approves the trading of securities of entities with credit ratings approved by external rating agencies.

Exposure to credit risk

In summary, compared to the maximum amount included in statement of assets and liabilities, the maximum exposure to credit risk as follows:

	30 June 2016		30 June 2015		
	Statement of assets and liabilities	Maximum exposure	Statement of assets and liabilities in '000)	Maximum exposure	
Bank balances	562,182	562,182	145.029	145,029	
	,	302,162	- ,	143,029	
Investments	714,958	-	681,369	-	
Receivable against Margin Trading System	-	-	415,592	415,592	
Income receivable	9,079	2,458	23,771	8,821	
Receivable against sale of investment	43,898	43,898	1,947	1,947	
Deposits & prepayments	33,148	33,148	2,953	2,953	
	1,363,265	641,686	1,270,661	574,342	

Differences in the balances as per the statement of assets & liabilities and maximum exposures in investments were due to the fact that investments of Rs. 714.958 million (2015: 681.369 million) relate to investments in equity securities amounting to Rs. 510.634 million (2015: Nil) and investments in Government securities which are not considered to carry credit risk, and therefore pertaining income receivable amounting to Rs. 5.398 million (2015: 14.950 million) is also excluded.

Credit ratings and Collaterals

Credit risk arising on debt securities is mitigated by investing primarily in investment-grade rated instruments published by MUFAP and as determined by Pakistan Credit Rating Agency or (JCR-VIS). The Fund did not have any debt securities (including profit recievable on debt securities) as at 30 June 2016.

Details of the credit ratings of balances with the banks (including profit receivable) as at 30 June are as follows:

Ratings	2016	2015
AA+	35.00%	99.99%
AA	63.00%	0.01%
A+	2.00%	0.00%
	100%	100%

Cash is held only with reputable banks with high quality external credit enhancements.

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Around 14.99% (2015: 53.62%) of the Funds financial assets are in Government Securities which are not exposed to credit risk while the remaining portfolio of financial assets is broadly diversified and transactions are entered into with diverse credit-worthy counterparties thereby mitigating any significant concentrations of credit risk.

As at 30 June, the Fund's total credit risk was concentrated in the following industrial / economic sectors:

	2016	2015
Banks	91.79%	25.06%
Financial services	8.21%	74.94%
	100%	100%

Past due and impaired assets

None of the financial assets of the Fund are past due / impaired. No provisions have been booked during the year.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

26.2 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligation will have to be settled in a manner disadvantageous to the Fund.

The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive document and guidelines laid down by Securities and Exchange Commission of Pakistan (SECP).

Management of Liquidity Risk

The Fund's policy is to manage this risk by investing majority of its assets in investments that are traded in an active market and can be readily disposed. The Fund invests primarily in marketable securities and other financial instruments, which under normal market conditions are readily convertible to cash. As a result, the Fund may be able to liquidate quickly its investments in these instruments at an amount close to their fair value to meet its liquidity requirement.

The Fund has the ability to borrow, with prior approval of trustee, for meeting redemption requests. The maximum amount available to the Fund from borrowings is limited to the extent of 15% of total assets at the time of borrowing with repayment with in 90 days of such borrowings. No such borrowings have arisen during the year.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

Maturity analysis of financial liabilities

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

26.2.1 The maturity profile of the Fund's liabilities based on contractual maturities is given below:

	30 June 2016				
Non-derivative financial liabilities	Carrying amount	Gross nominal outflow	Less than one month Rupees in '000) -	One to three months	Three months to one year
Payable to Habib Asset Management Limited - Management Company	2,200	2,200	2,200	-	-
Payable to Central Depository Company of Pakistan Limited - Trustee	394	394	394	-	-
Payable to Securities and Exchange Commission of Pakistan (SECP)	1,224	1,224	-	1,224	-
Accrued expenses and other liabilities	10,626	10,626	10,232	394	-
	14,444	14,444	12,826	1,618	-

		30 June 2015

Payable to Securities and Exchange Commission of Pakistan	1,014	1,014	-	1,014	-		
Accrued expenses and other liabilities	43,464	43,464	42,912	552	_		
•	46,919	46,919	45,353	1,566	-		

26.3 Market risk

Market risk is the risk that the Fund's income or value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market.

Management of market risks

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee of Management Company and regulations laid down by the Securities and Exchange Commission of Pakistan (SECP). The maximum risk resulting from financial instruments equals their fair value.

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk. Fund is exposed to interest rate risk only.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises on investment in Government Securities, certain Term Finance Certificates, Term Deposit Receipts, Certificate of Investments, clean placements and profit and loss sharing bank balances. The Fund carries a mix of fixed and floating rate financial instruments. Currently the exposure in fixed rate instruments is in Government securities only. To enhance the earning potential of the Fund, the Fund invests in variable rate instruments as most of the instruments currently available are indexed to KIBOR. The Fund monitors the interest rate environment on a regular basis and alters the portfolio mix of fixed and floating rate securities. Other risk management procedures are the same as those mentioned in the credit risk management.

At 30 June, details of the interest rate profile of the Fund's interest bearing financial instruments were as follows:

	2016	2015
Fixed rate instruments	(Rupees in '000)	
Government securities	204,324	681,369
Term deposit receipts	-	100,000
Placements	125,000	-
	329,324	781,369
Variable rate instruments	=======================================	
Bank balance	328,005	13,386
	328,005	13,386

None of the financial liabilities carry any interest rate risk.

a) Cash flow Sensitivity analysis for variable rate instruments

In case of change of 100 basis points in KIBOR and Weighted Average Yield on 30 June 2016, the net assets of the Fund would have been lower / higher by Rs. 3.28 million (2015: 0.134 million) with consequential effect on net income for the year. The analysis assumes that all other variables remain constant.

b) Fair value Sensitivity analysis for fixed rate instruments

As at 30 June 2016, investment in Government Securities and term deposit receipts exposes the Fund to fair value interest rate risk. In case of 100 basis points increase / decrease in PKRV and interest on term deposit receipts on 30 June 2016, the net assets of the Fund would have been lower/ higher by Rs. 0.109 million (2015: 0.173 million) with consequential effect on net income for the year. The analysis assumes that all other variables remain constant.

The composition of the Fund's investment portfolio, KIBOR rates and yield matrix calculated by MUFAP is expected to change over time. Accordingly, the sensitivity analysis prepared as of 30 June 2016 is not necessarily indicative of the effect on the Fund's net assets of future movements in interest rates.

A summary of the Fund's interest rate gap position, categorised by the earlier of contractual re-pricing or maturity date, is as follows:

30 June 2016 Assets	Markup / profit rate 	Less than one month	One to three months (Rupees	Three months to one year in '000)	Total
Bank balances Investments Total assets	4.00% - 6.40% 5.90% to 6.39% _	562,182 714,958 1,277,140	-	- - -	562,182 714,958 1,277,140
30 June 2015	Markup / profit rate	Less than one month	One to three months	Three months to one year	Total
Assets			(Rupees	in '000)	
Bank balances Investments Total assets	5.50% - 9.00% 6.94% - 9.97%	145,029 24,895 169,924	197,592 197,592	- 458,882 458,882	145,029 681,369 826,398

None of the Fund's liabilities are subject to interest rate risk.

26.4 Unit Holders' Fund risk management

Management's objective when managing unit holders' funds is to safe guard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders' and to ensure reasonable safety of unit holders' funds.

The Management Company manages Fund's investment portfolio and other assets by monitoring return on net assets and makes adjustments to it in the light of changes in markets' conditions. The unit holders' funds structure depends on the issuance and redemption of units.

27. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Fund's accounting policy on fair value measurements is discussed in note 4.2.

Accrued expenses and other liabilities			43,464	43,464	
			67,436	67,436	

Fair Value Hierarchy

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at fair value at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised as at 30 June.

30 June 2016	Level 1	Level 2 (Rupees in	Level 3 '000)	Total
Equity securities	510,634	-	-	510,634
Government securities	-	204,324	-	204,324
- -	510,634	204,324		714,958
30 June 2015	Level 1	Level 2	Level 3	Total
		(Rupees in	'000)	
Government securities	-	681,369	-	681,369
- -	<u> </u>	681,369		681,369

During the year ended 30 June 2016, There were no transfers between level 1 and level 2 fair value measurements, and no transfer into and out of level 3 fair value measurements.

10Yr-PIB (%)	8.02	9.25	-1.23	9.40	8.02

Pakistan's economy posted notable improvements in the Financial Year 2016 (FY16) as average annual CPI Inflation declined to a 47 year low of 2.86% and real GDP growth touched an 8-year high of 4.7% from 4.5% in Financial Year 2015 in contrast to global economic down turns in China, US, Gulf States & KSA, owing to volatile international crude oil prices and post Brexit implications. Private sector credit posted a considerable surge with accelerating loans for fixed investment and working capital. Growth in broad money was contained as the government borrowing remained lower.

International credit ratings agency Moody's Investors Service made its assessment in its Credit Analysis of 'Government of Pakistan as B3 Stable', a sign of strengthening economic growth and progress on structural reforms against a relatively high government debt burden and political risks. Discreetly evaluating the outlook of these improvements, SBPcut the Discount Rate by a cumulative 75bps in the FinancialYear 2016 (50 bps in Sep 2015 & 25 bps in May 2016) to 6.25% lowest in 42 years; over and above cut of 300bps in the FinancialYear 2015. SBP's data garners that although increased demand for currency and at times government borrowing from commercial banks kept the money market under pressure, effective injections to keep the market sufficiently liquid by SBP has helped in a better transmission of monetary policy. This was visible in overnight repo rate which on average remained closer to the policy rate. Overall, 6-month KIBOR has seen a steeper 93bps reduction in the FinancialYear 2016, compared to a 75 bps reduction in the policy rate during May 2015 to May 2016.

Resultantly, in this low interest rates environment, the yields of government securities (T-Bills & PIBs)traileddownward; as on 30th June 2016, the cut-off yields on Market TreasuryBills for 3M, 6M, and 12M stood at 5.9017%, 5.9258% and 5.9598% respectively, whereas the cut-off yields on PIBs for 3Y, 5Y, and 10Y stood at 6.4608%%, 6.9092% and 8.0197% respectively.

Both external and domestic factors have contributed towards improvement of the economy. On the external front, despite a decline in exports growth, foreign exchange market remained broadly stable due to lower oil prices; whereintotal liquid foreign exchange reserves held by the country on 30th June 2016, stood at record high US\$ 23trn, rising 27% from US\$ 18bn as on 30th June 2015. Current Account Deficit (CAD) for FY16 shrank by a slight 7% YoY to US\$ 2.5bn (FY15: US\$ 2.7bn). Robust Workers' remittances during the year settled at US\$ 19.9bn (a 6% rise from FY15), coupled with an impressive 39% surge in FDI to US\$ 1.3bn, which managed to cushion the CAD. While on the domestic side, country's overall large scale manufacturing (LSM)sector has witnessed growth of 3.21% during the FinancialYear 2015-16, and an increase in Federal Board of Revenue (FBR) revenues have helped in increasing development spending, while at the same time maintaining fiscal deficit close to the target level.

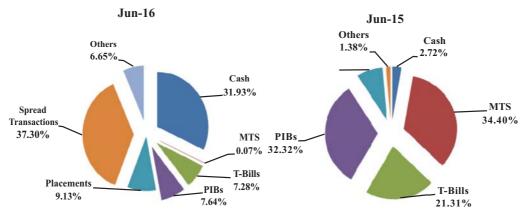

As of June 30, 2016, the major portion i.e. 37.30% was invested in Spread Transactions, 31% was available as cash in banks, 9.13% was Placements with Banks, & DFI's, while remaining 7.28% was in T-Bills and 7.64% in PIBs.

The Fund generated a return of 6.66% p.a. for the financial year 2016.

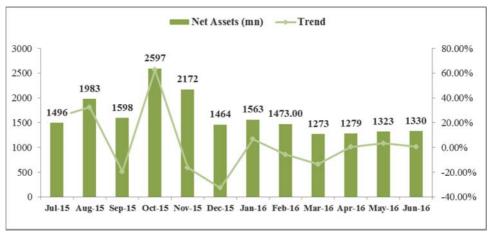

The weighted average time to maturity of net assets at year end stood at 03 days.

Asset Allocation as on June 30, 2016

Fund Size

The net assets of FHIF were recorded at Rs. 1,330 million as at June 30, 2016 in comparison to the last year's net assets of Rs. 1,203 million.

TRUSTEE REPORT TO THE UNIT HOLDERS

FIRST HABIB STOCK FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of First Habib Stock Fund (the Fund) are of the opinion that Habib Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2016 in accordance with the provisions of the following:

- Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Myhammad Hanif Jakhura Chief Executive Officer

tentral Depository Company of Pakistan Limited

Karachi: September 16, 2016

STATEMENT OF COMPLIANCE BY HABIB ASSET MANAGEMENT LIMITED WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2016

This statement is being presented by the Board of Directors of Habib Asset Management Limited, the management company of **First Habib Stock Fund** (the Fund), to comply with the Code of Corporate Governance (the Code) contained in Chapter XI of the Listing Regulations of Pakistan Stock Exchange Limited where the Fund is listed, for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Corporate Governance.

Habib Asset Management Limited (HAML), the Management Company, is not listed and hence, the Code is not applicable to it. However, First Habib Stock Fund (FHSF) managed by HAML is listed on the Pakistan Stock Exchange; therefore, it comes under the ambit of the Code. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary and other necessary personnel to manage the affairs of the Fund.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors. At present, the Board includes:

Category	Name
Independent Directors	Mr. Admiral (R) Khalid M. Mir,
	Mr. Liaquat Habib Merchant
Executive Director	Mr. Imran Azim, Mr. Sajjad Hussain Habib
Non-Executive Director	Mr. Ali Raza D. Habib, Mr. Mohammad Ali Jameel and Mr. Mansoor Ali

The independent directors meet the criteria of independence under clause i (b) of the Code.

- 2. The directors have confirmed that none of them are serving as a director in more than seven listed companies, including this company.
- 3. All the resident directors of the Management Company are registered as taxpayers and none of them have defaulted in payment of any loan to a banking company, a DFI or an NBFC or, being a member of a stock exchange, have been declared as a defaulter by that stock exchange.
- 4. No casual vacancy in the Board of the Management Company has occurred during the year.
- 5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The Board has developed a vision / mission statement, an overall corporate strategy and significant policies for the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other executive and non-executive directors have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for the purpose, and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The directors are conversant with the relevant laws applicable to the company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities. Two directors are exempt from directors training program due to qualification and experience, however, the remaining directors will comply will this requirement in due course.
- 10. The Board approved the appointments of Chief Financial Officer and Company Secretary including the remuneration and terms and conditions of employment as determined by the CEO.

FIRST HABIB STOCK FUND

- 11. The Directors' report relating to the Fund for the year ended June 30, 2016 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
- 13. The Directors, CEO, and executives do not hold any interest in the units of the Fund other than disclosed in note 24 to the financial statements "Transactions with Connected Persons".
- 14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
- 15. The Board has formed an Audit Committee. It comprises of three members, all of whom are non-executive directors of the Management Company including the Chairman of the Committee.
- 16. The meetings of the Audit Committee were held at least once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference have been approved in the meeting of the Board and the Committee has been advised to ensure compliance with those terms of reference.
- 17. The Board has formed an HR and Compensation Committee. It comprises of three members, of whom two are non-executive directors including the chairman of the Committee.
- 18. The Board has setup up an effective internal audit function who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Fund's units, was determined and intimated to directors, employees and stock exchange(s).
- 22. Material / price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. There is no mechanism in place for an annual evaluation of the board's own performance.
- 24. We confirm that all other applicable material principles enshrined in the Code have been complied with.

Karachi, September 10, 2016

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors (the Board) of Habib Asset Management Limited (the Management Company) of First Habib Stock Fund (the Fund) for the year ended 30 June 2016 to comply with the requirements of Listing Regulation Number 35 of the Pakistan Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval the Fund's related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended 30 June 2016.

Further, we highlight below instances of non-compliance with the requirements of the Code as reflected in the paragraph references where these are stated in the Statement:

Para	agraph Reference	Description
	9	Directors have not attended any Directors' Training programme as envisaged by the Code of Corporate Governance.
	23	An annual evaluation of the Board's performance as per the requirements of the Code of Corporate Governance is not in place.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of First Habib Stock Fund (the Fund), which comprise the statement of assets and liabilities as at 30 June 2016, and the related statements of income, comprehensive income, distribution, cash flows and movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

FYY

Opinion

In our opinion the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2016 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2016

1. LEGAL STATUS AND NATURE OF BUSINESS

First Habib Stock Fund (the "Fund") was established under a Trust Deed executed between Habib Asset Management Limited (HAML) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 21 August 2008 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on 11 August 2008 under Rule 67 of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules).

The Management Company of the Fund has been licensed to undertake Asset Management Services as Non Banking Finance Company under the NBFC Rules by the SECP. The registered office of the management company is situated at Imperial Court Building, Dr. Ziauddin Ahmed Road Karachi, Pakistan.

The Fund is an open-end mutual fund and is listed on the Pakistan Stock Exchange. Units are offered for public subscription on a continuous basis. Units are transferable and can be redeemed by surrendering them to the Fund at the option of the unit holder.

Pakistan Credit Rating Agency (PACRA) has assigned asset management rating of 'AM3+' to the Management Company and a performance ranking of 'MFR 1-Star' to the Fund.

The Fund has been formed to provide reasonable rate of return consistent with reasonable concern for safety of principal amount to the unit holders, along with facility to join or leave the fund at their convenience. The management team would seek to enhance returns through active portfolio management using efficiency tools.

The policy of the fund is to invest in equity securities of listed companies, cash and near cash instrument. The Fund has been categorized as equity scheme.

Title of the assets of the Fund are held in the name of CDC as a trustee of the Fund.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

3. BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention, except for investments and derviatives which are accounted for as stated in notes 4.2.

These financial statements are presented in Pakistani Rupees which is the functional and presentation currency of the Fund and rounded to the nearest thousand rupees.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as describe below:

4.1 New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 10 - Consolidated Financial Statements

IFRS 11 – Joint Arrangements

IFRS 12 – Disclosure of Interests in Other Entities

IFRS 13 - Fair Value Measurement

IAS 27 – Separate Financial Statements – (Amended)

IAS 28 - Investment in Associates and Joint Ventures - (Amended)

The adoption of the above accounting standards did not have any effect on the financial statements except for certain additional disclosures due to adoption of IFRS 13 (Refer Note 23).

4.2 Financial instruments

The Fund classifies its financial instruments in the following categories:

a) Financial instruments at fair value through profit or loss

An instrument is classified at fair value through profit or loss if it is held-for-trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit or loss if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy.

Financial assets which are acquired principally for the purpose of generating profit from short term price fluctuation or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held for trading or a derivative.

Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in Income Statement.

b) Available-for-sale

Available for sale financial assets are non-derivative that are either designated in this category or not classified in any other category.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than those classified by the Fund as fair value through profit or loss or available for sale.

d) Financial liabilities

Financial liabilities, other than those at fair value through profit or loss, are measured at amortised cost using the effective yield method.

Recognition

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention such as 'T+2' purchases and sales are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell the assets.

Financial liabilities are not recognised unless one of the parties has performed its part of the contract or the contract is a derivative contract.

Measurement

Financial instruments are measured initially at fair value (transaction price) plus, in case of a financial instrument not at 'fair value through profit or loss', transaction costs that are directly attributable to the acquisition or issue of the financial instrument. Transaction costs on financial instrument at fair value through profit or loss are expensed out immediately.

Subsequent to initial recognition, financial instruments classified as at 'fair value through profit or loss' and 'available for sale' are measured at fair value. Gains or losses arising, from changes in the fair value of the financial assets 'at fair value through profit or loss' are recognised in the Income Statement. Changes in the fair value of financial instruments classified as 'available-for-sale' are recognised in Statement of Comprehensive Income until derecognised or impaired, when the accumulated adjustments recognised in Unit Holders' Fund are included in the Income Statement.

Fair value measurement principles

The fair value of a security listed on a stock exchange is valued at its last sale price on such exchange on the date on which it is valued or if such exchange is not open on such date, then at its last sale price on the next preceding date on which such exchange was open and if no sale is reported for such date the security is valued at an amount neither higher than the closing asked price nor lower than the closing bid price.

Impairment

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired.Impairment loss in respect of investments (other than debt securities) is recognised when there is objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in fair value of an equity investment below its cost is considered an objective evidence of impairment. Provision for diminution in the value of debt securities is recognised as per the requirements of Circular 1 of 2009 read with Circular 33 of 2012 issued by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company pursuant to the requirements of the SECP's above referred circular. In case of impairment of available for sale investments, the cumulative loss that has been recognised directly in statement of comprehensive income is taken to the income statement.

Derecognition

The Fund derecognises a financial asset when the contractual right to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition in accordance with International Accounting Standard 39: Financial Instruments; Recognition and Measurement.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.3 Unit holders' fund

Unit holders' fund representing the units issued by the Fund, is carried at the redemption amount representing the investors' right to a residual interest in the Fund's assets.

4.4 Issue and redemption of units

Units issued are recorded at the net asset value, determined by the Fund, applicable for the day on which fund(s) have been realised in the bank account.

Units redeemed are recorded at the net assets value, applicable on units for which the management company receives redemption applications during business hours on that day. Redemption of units is recorded on acceptance of application for redemption.

Units will be issued and recorded at the net asset value, determined by the Management Company for the applications received during business hours on that day. Allotment of units will be recorded on acceptance of application and units will be issued upon realization of the proceeds in the Fund's bank account.

4.5 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Element is arrived at by comparing the unit prices with opening Ex - NAV at the beginning of the financial year. The Element so computed is recognised in the income statement except to the extent that the amount represented by unrealized appreciation / diminution arising on available for sale securities is included in distribution statement.

4.6 Net asset value - per unit

The net asset value per unit disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

4.7 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income of that year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the Fund's unit holders.

The Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realized or unrealized, to its unit holders every year. Accordingly, no tax liability or deferred tax has been recognised in these financial statements.

4.8 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date 'at which the transaction takes place.
- Unrealized gains / (losses) arising on revaluation of investments classified as financial assets at fair value through profit or loss are included in the Income Statement in the period in which they arise.
- Income on government securities is recognised on an accrual basis using the effective interest rate method.
- Profit on bank deposit is recognised on time proportion basis taking in to account effective yield.
- Dividend income is recognised when the right to receive the dividend is established.
- Net element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is included in the Income Statement on the date of issue and redemption of units.

FIRST HABIB STOCK FUND

4.9 Expenses

All expenses including management fee, trustee fee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

4.10 Provisions

Provisions are recognized in the statement of assets and liabilities when the Fund has a present, legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.11 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances only. Cash equivalents are short term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

4.12 Dividend (including bonus units)

Dividend distributions (including the bonus units) declared subsequent to the balance sheet date are recorded in the period in which the distributions are approved. As per regulation 63 of Non - Banking Finance Companies and Notified Entities Regulations 2008, the Fund is required to distribute ninety percent of the net accounting income, excluding unrealized capital gain, to the unit holders.

5. ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have most significant effect on the amounts recognised in the financial statements are given below:

Classification and fair value of investments (Refer Note 4.2)

Impairment of investment (Refer Note 4.2)

Workers' welfare fund (Refer Note 14)

Provision for taxation (Refer Note 4.7)

6. STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Effective date

based Payments Transactions (Amendments)	periods on or after)
Other Entities and IAS 28 Investment in Associates – Investment	ary 2018
	ary 2016
IFRS 10 - Consolidated Financial Statements and IAS 28 Investment in - Associates and Joint Ventures - Sale or Contribution of Assets - between an Investor and its Associate or Joint Venture - Not yet (Amendment)	Finalized
IFRS 11 - Joint Arrangements - Accounting for Acquisition of Interest in - Joint Operation (Amendment) 01 Janu	ary 2016
IAS 1 - Presentation of Financial Statements - Disclosure Initiative - (Amendment) 01 Janu	ary 2016

		Effective date (annual periods
Standard or	Interpretation	beginning on or after)
IAS 7	- Financial Instruments: Disclosures - Disclosure Initiative -	
	(Amendment)	01 January 2017
IAS 12	- Income Taxes - Recognition of Deferred Tax Assets for Unrealized -	
	losses (Amendments)	01 January 2017
IAS 16	- Property, Plant and Equipment and IAS 38 intangible assets -	
	Clarification of Acceptable Method of Depreciation and -	
	Amortization (Amendment)	01 January 2016
IAS 16	- Property, Plant and Equipment IAS 41 Agriculture - Agriculture: Bearer -	
	Plants (Amendment)	01 January 2016
IAS 27	- Separate Financial Statements - Equity Method in Separate Financial -	
	Statements (Amendment)	01 January 2016

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in September 2014. Such improvements are generally effective for accounting periods beginning on or after 01 January 2016. The Fund expects that such improvements to the standards will not have any material impact on the Fund's financial statements in the period of initial application.

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standard	IASB Effective date (annual periods beginning on or after)
IFRS 9 – Financial Instruments: Classification and Measurement	01 January 2018
IFRS 14 – Regulatory Deferral Accounts	01 January 2016

11 PROVISION FOR FEDERAL EXCISE DUTY ON REMUNERATION OF THE MANAGEMENT COMPANY

As per the requirements of the Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to provincial sales tax, further levy of FED results in double taxation, which does not appear to be the spirit of the law. The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and CDC on behalf of schemes through a constitutional petition filed in the Honourable Sindh High Court (SHC) in September 2013 which is pending adjudication. However, the SHC has issued a stay order against the recovery of FED. The Fund, as a matter of abundant caution, has charged FED and sales tax on service thereon in its financial statements with effect from the date of commencement of its operations.

The Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. The management is however of the view that since the Federal government still has the right to appeal against the order, the previous balance of FED can not be reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non banking finance companies from charge of FED on their services.

In view of the pending decision and as a matter of abundant caution, the Management Company of the Fund has made a provision for FED in the books of accounts of the Fund with effect from July 03, 2013 to June 30, 2016 aggregating to Rs. 2.04 million (2015: 1.52 million).

12	PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE	Note	2016 (Rupees in	2015 n '000)
	Trustee fee	12.1	65	62
	CDS charges		9	26
		•	74	88

12.1 The Trustee is entitled to a remuneration for services rendered to the Fund under the provisions of the Trust Deed based on the daily Net Asset Value of the Fund. The remuneration of the Trustee has been calculated as per following applicable tariff;

Average net assets (Rs. in million)	Tariff
Upto Rs. 1,000	Rs. 0.7 million or 0.2% per annum of net asset value, whichever is higher.
Rs. 1,000 and above	Rs. 2 million plus 0.10% per annum of net asset value exceeding Rs. 1,000 million.

13. PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

This represents annual fee payable to Securities and Exchange Commission of Pakistan (SECP) in accordance with the rule 62 of the NBFC Regulations 2008, whereby the Fund is required to pay SECP an amount at the rate of 0.095% of the average daily net assets of the Fund

14. PROVISION AGAINST CONTRIBUTION TO WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it is alleged that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Honorable Lahore High Court (LHC), in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013, a larger bench of the Honorable High Court of Sindh (SHC) has passed an order declaring that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 respectively do not suffer from any constitutional or legal infirmity. However, as mentioned above the constitutional petition challenging the applicability of WWF on mutual funds is still pending adjudication and not yet decided. The Management Company has considered the implications of above judgment of SHC and is of the view that the matter will eventually be settled in its favor and WWF will not be levied on the Fund.

As per the legal counsel handling the case, the constitutional petition filed by the CIS to challenge the WWF contribution has not been affected by SHC judgment.

Further, in May 2014, the Honorable Peshawar High Court (PHC) held that the impugned levy of contribution introduced in the Ordinance through Finance Acts, 1996 and 2009 lacks the essential mandate to be introduced and passed through a Money Bill under the constitution and, hence, the amendments made through the Finance Acts are declared as 'Ultra Vires'.

As the matter relating to the levy of WWF is currently pending in the SHC, the Management Company, as a matter of prudence, has decided to retain the provision for WWF amounting to Rs. 2.332 million (2015: 2.332 million) in these financial statements. Had the provision not been made, the net assets value per unit of the Fund would have been higher by Rs. 1.83 (2015: 2.10) per unit.

The Finance Act, 2015 has excluded Mutual Funds and Collective Investment Schemes from the definition of 'industrial establishment' subject to WWF under WWF Ordinance, 1971. Accordingly, no provision for WWF is made from July 01, 2015 onwards. However, provision made till June 30, 2015 has not been reversed as the above lawsuit is pending in the SHC.

15.	ACCRUED EXPENSES AND OTHER LIABILITIES	2016 (Rupees in	2015 n '000)

	Others	31	35
		30,451	1,257

16. CLASS OF UNITS IN ISSUE

The Fund has three classes of units as per the Trust Deed. Class 'A' units pertain to core investors. Such units are redeemable after two years of issue. Class 'B' and 'C' units are issued and redeemed in the usual course of business on a daily basis. Class 'C' units only rank for cash dividend.

Units in issue as at 30 June in each class are:

		2016 (Number o	2015 f Units)
	Type 'A' Units	17,879	17,879
	Type 'B' Units	1,155,185	990,549
	Type 'C' Units	100,000	100,000
		1,273,063	1,108,428
17.	PROFIT ON BANK DEPOSITS

	Other income	36	-
		1,791	1,347

17.1 It includes balance with Bank AL Habib, a related party. Markup on this account is carried at 6.00% (2015: 7.50%).

18. REMUNERATION OF THE MANAGEMENT COMPANY

Under the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Company and Notified Entities Regulation 2008, the Management Company of the Fund is entitled to a remuneration during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two percent of such net assets of the Fund. The Management Company has charged its remuneration at the rate of 2% (2015: 2%-3%) per annum in accordance with the Trust Deed.

19. SALES TAX ON REMUNERATION OF THE MANAGEMENT COMPANY

During the year, an amount of Rs. 535,314 (2015: Rs. 592,807) was charged on account of sales tax on remuneration of the Management Company levied through Sindh Sales Tax on Services Act, 2011.

		2016	2015
20.	AUDITORS' REMUNERATION	(Number	of Units)

	Half yearly review fee	59	58
	Review of Code of Corporate Governance	32	32
	Out of pocket expenses	26	26
		296	295

21. EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended 30 June 2016 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

FIRST HABIB STOCK FUND

22. TAXATION

The income of the fund is exempt from income tax under Clause (99) of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001 (Clause 99) subject to the condition that not less than 90 percent of the accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders. The Management Company has distributed not less than 90 percent of its annual accounting income to avail the tax exemption. Accordingly, no provision for current and deferred tax has been made in this financial statements.

23. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Fund's accounting policy on fair value measurements as discussed in Note 4.2.

Fair value hierarchy

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted price (unadjusted) in an active market for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs)

As at 30 June, all investment in equity securities is valued under level 1.

24. TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include Habib Asset Management Limited being the Management Company, AL Habib Capital Markets (Private) Limited and Bank AL Habib Limited being companies under common management, First Habib Income Fund, First Habib Cash Fund and First Habib Islamic Balanced Fund being the Funds managed by common Management Company, Central Depository Company Limited being the Trustee of the Fund.

The transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market norms

Remuneration to management company and trustee is determined in accordance with the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Companies and Notified Entities Regulation 2008 and the Trust Deed respectively.

Details of transactions with connected persons are as follows: 2016 2015 (Rupees in '000) Habib Asset Management Limited - Management Company 3,407 Management fee 3,297 Sales tax on Management Fee 535 593 Federal excise duty on Management fee 527 545 AL Habib Capital Markets (Private) Limited - Brokerage house 165 66 Central Depository Company of Pakistan Limited - Trustee 799 700 Remuneration **Bank AL Habib Limited** Profit on bank balances 1,791 1,347

25. RISK MANAGEMENT

Introduction and overview

The Fund has exposure to following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

This note presents information about the Fund's exposure to each of the above risks, the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

Risk management framework

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the management company supervises the overall risk management approach within the Fund.

The Fund primarily invests in shares of listed companies and near cash instruments. Such investments are subject to varying degrees of risk.

The management of these risks is carried out by the Investment Committee (IC) under the policies and procedures approved by the Board. IC is constituted by the Board of Directors of the Management Company. IC is responsible to devise the investment strategy and manage the investment portfolio of the Fund in accordance with the limits prescribed and restrictions imposed in the Non-Banking Finance Companies and Notified Entities Regulations, 2008, Rules, and Constitutive Documents of the Fund in addition to the Fund's internal risk management policies.

25.1 Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Fund, resulting in a financial loss to the Fund. At the year-end it arises principally from bank balances, dividend and income recievables, recievable against sale of investments and deposits etc.

Management of credit risk

The Fund's policy is to enter into financial contracts in accordance with the investment guidelines approved by the Investment Committee, its Trust Deed, the requirements of NBFC rules and regulations and guidelines given by SECP from time to time.

Credit risk is managed and controlled by the management company of the Fund in the following manner:

- Where the investment committee makes an investment decision, the credit rating and credit worthiness of the issuer is taken into
 account along with the financial background so as to minimise the risk of default.
- Investment transactions are carried out with a large number of brokers, whose credit rating is taken into account so as to minimise the risk of default and transactions are settled or paid for only upon delivery.
- The risk of counterparty exposure due to failed trades causing a loss to the Fund is mitigated by a periodic review of trade reports, credit ratings and financial statements on a regular basis. In addition, the investment Committee approves the trading of securities of entities with credit ratings approved by external rating agencies.

FIRST HABIB STOCK FUND

Exposure to credit risk

In summary, compared to the maximum amount included in statement of assets and liabilities, the maximum exposure to credit risk as at 30 June is as follows:

	2016		2015	
	Statement of assets and liabilities	Maximum exposure	Statement of assets and liabilities	Maximum exposure
	(Rupees in '000)		(Rupees	in '000)
Bank balances	8,820	8,820	1,892	1,892
Investments	119,161	-	90,514	-
Dividend receivable	256	256	429	429
Receivable against sale of investments	35,998	35,998	13,194	13,194
Deposits, advances & prepayments	3,769	3,769	13,624	13,624
	168,004	48,843	119,653	29,139

Differences in the balances as per the statement of assets & liabilities and maximum exposures were due to the fact that investments of Rs. 119.161 million (2015: Rs.90.514 million) relates to investments in equity securities which are not considered to carry credit risk.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

25.2 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligation will have to be settled in a manner disadvantageous to the Fund.

The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive document and guidelines laid down by Securities and Exchange Commission of Pakistan (SECP).

Credit ratings and Collaterals

Details of the credit rating of balance with the bank (including profit receivable) as at 30 June is as follows:

Ratings

AA+

Concentration of credit risk

Concentration is the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. Concentration of risks arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The Fund's portfolio of financial assets is broadly diversified and transactions are entered into with diverse credit worthy counterparties thereby mitigating any significant concentration of credit risk.

Past due and impaired assets

None of the financial assets of the Fund are past due / impaired.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

25.3 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligation will have to be settled in a manner disadvantageous to the Fund.

The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive document and guidelines laid down by Securities and Exchange Commission of Pakistan (SECP).

Management of Liquidity Risk

The Fund's policy is to manage this risk by investing majority of its assets in investments that are traded in an active market and can be readily disposed. The Fund invests primarily in marketable securities and other financial instruments, which under normal market conditions are readily convertible to cash. As a result, the Fund may be able to liquidate quickly its investments in these instruments at an amount close to their fair value to meet its liquidity requirement. The present settlement system is a T+2 system, which means that proceeds from sales (to pay off redemptions) of holdings will be received on the second day after the sale, while redemptions have to be paid within a period of six days from the date of the redemption request.

The Fund has the ability to borrow, with prior approval of trustee, for meeting redemption requests. The maximum amount available to the Fund from borrowings is limited to the extent of 15% of total assets at the time of borrowing with repayment with in 90 days of such borrowings. No such borrowings have arisen during the year.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

Maturity analysis of financial liabilities

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

The maturity profile of the Fund's liabilities based on contractual maturities is given below:

• •	2016				
Non- derivative fînancial liabilities	Carrying amount	Gross nominal inflow / (outflow)	Less than one month	More than one month and up to three months	More than three months and up to one year

Non- derivative financial liabilities			(Rupees in '0	00)	
Payable to Habib Asset Management Limited - Management Company	244	244	244	-	-
Payable to Central Depository Company of Pakistan Lim - Trustee	ited 88	88	88	-	_
Payable to Securities and Exchange Commission of Pakistan	143	143	-	143	-
Accrued expenses and other liabilities	1,257	1,257	1,257	- -	
	1,732	1,732	1,589	143	

25.4 Market risk

Market risk is the risk that the Fund's income or value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market.

Management of Market Risk

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and regulations laid down by the Securities and Exchange Commission of Pakistan (SECP). The maximum risk resulting from financial instruments equals their fair value.

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk. The Fund is exposed to interest rate and other price risk only.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

At 30 June 2016, the Fund did not bear any interest rate financial instruments.

The composition of the Fund's financial instruments, interest rates are expected to change overtime. Accordingly, the sensitivity analysis prepared as of 30 June 2016 is not necessarily indicative of the effect on the fund's net assets of future movements in interest rates

A summary of the Fund's interest rate gap position, categorised by the earlier of contractual re-pricing or maturity date, is as follows:

				2016		
	Markup /Profit (%)	Less than one month	One to three months	Three months to one year (Rupees in '000)	More than one year	Total
Assets						
Bank balances	5.25-6.00	8,820	-		-	8,820
Total assets		8,820	-			8,820
				2015		
	Markup /Profit (%)	Less than one month	One to three months	Three months to one year (Rupees in '000)	More than one year	Total
Assets				(Rupees in 600)		
Bank balances Total assets	7.00-7.50	1,892 1,892	<u>-</u>	<u> </u>	<u>-</u>	1,892 1,892

None of the fund's financial liabilities are subject to interest rate risk.

Other price risk

Other price risk is the risk of unfavourable changes in the fair value of equity securities and units of mutual funds as a result of changes in the levels of respective indices and the value of individual securities. This arises from the investment held by the Fund for which prices in the future are uncertain. The Fund's policy is to manage price risk through diversification and selection of securities within specified limits set by internal risk management guidelines.

The Fund manages this risk by limiting its investment exposure in the following ways:

- $-10\% \ of \ NAV \ or \ index \ weight \ of \ a \ single \ security, \ subject \ to \ a \ maximum \ limit \ of \ 15\%, \ whichever \ is \ higher.$
- higher of 30% of NAV or index weight of a single stock exchange sector, subject to a maximum limit of 35% of NAV.

A summary analysis of local investments by industry sector, the percentage in relation to Fund's assets is presented in note 8.1 to these financial statements. Further, the Fund's policy requires that the overall Fund position is monitored on a daily basis by the Fund Manager and is reviewed on bi-monthly basis by the Investment Committee and by the Board of Directors in every meeting of the Board. Non-compliance with the Fund's investment policies is reported to the Board of Directors.

The Fund's investments in equity securities are publicly traded and are valued at the rates quoted on the relevant stock exchanges.

As at 30 June, the fair value of equity securities exposed to price risk are disclosed in notes 8.1.

Sensitivity analysis

The following table illustrates the sensitivity of the Fund's net asset value attributable to unit holders and net profit for the year to change of 10% in the fair values of the Fund's investment in equity securities as at 30 June 2015. This level of change is considered to be reasonably possible and represents management's best estimate of a reasonable possible shift in respective market indices and resulting increase/decrease in fair value of the Fund's investment in equity securities.

Effect on income statement, net assets attributable to unit holders of an increase in index

2016 2015 (Rupees in '000) 11,916 9,05

Equity investments

A decrease of 10% would have equal but opposite effect to the amounts shown above, on the basis that all other variable remains same.

25.5 Unit Holders' Fund risk management

Management's objective when managing unit holders' funds is to safe guard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders' and to ensure reasonable safety of unit holders' funds.

The Management Company manages Fund's investment portfolio and other assets by monitoring return on net assets and makes adjustments to it in the light of changes in markets' conditions. The unit holders' funds structure depends on the issuance and redemption of units.

26. PATTERN OF UNITHOLDING

Unit holding pattern of the fund as at 30 June 2016 is as follows:

Category	Note	Number of unit holders	Number of	Investment Amount (Rupees in	Percentage of Total Investment

MARKET REVIEW

Despiteimproving macroeconomic fundamentals, the performance of Pakistan Stock Exchange (PSX) remained lackluster in Financial Year 2016 amid heightened volatility, with the benchmark PSX-100-index rising by 9.8% or 3,385 points to close at 37,783.54 points in the outgoing Financial Year2015-2016, as compared to 16.01% return in corresponding period.

Despite seeing a decrease in both the average daily volume (by 3.1%) and average daily traded value (by 14.3%), KSE-100 successfully out-performed the MSCI Frontier Market (FM) and Emerging Market indexes which declined by 14.2% and 15.3% respectively.

The average daily volume clocked in at 208 million shares while the average daily traded value registered at US\$91 million during the Financial Year2016. This decline is attributable to the fact that the investors remained more focused on mid-tier stocks during the said period. During the Financial Year 2016, the PSX 100 index touched an intra-day low of 29,785 points in January 2016, whereas it peaked to a historic high of 39,039.67 points in June 2016 amidst euphoric celebration of inclusion in MSCI Emerging Markets (EM).

Significantly, Foreigners remained net sellers throughout the year with an offload of \$282 million worth of stocks. Major outflows were witnessed in banking and oil exploration and production sectors on the back of monetary easing and slump in oil prices. Among the key sectors, Tobacco (+38.4%), Pharmaceuticals (+37.2%) & Cements (23.5%) were top performers in the Financial Year2016 while Food (-11.2%), Chemicals (-7.4%) and Oil & Gas (6.5%) underperformed the broader index during the period under review.

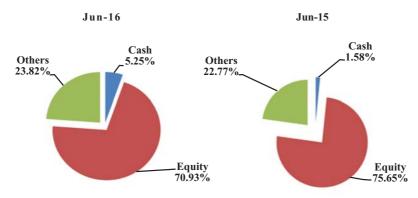

The merger of Karachi, Lahore & Islamabad Stock Exchange into Pakistan Stock Exchange (PSX)in January 2016 and its reclassification in the MSCI Emerging Market (EM) index-with formal induction likely to be effective in May 2017, amidst upbeat earnings from various sectors due to projects under the China-Pak Economic Corridor, has raised the PSX with the highest dividend rate, on most portfolio investments in Pakistan.

Furthermore, the present up-tick in the macroeconomic indicators led to very high dividends in almost all sectors of business and the economy; withhighest dividend-yielding companies belonging to main board sectors like banks, financial institutions, cement, fertilizers, energy, oil and gas exploration.

Fund Performance Review

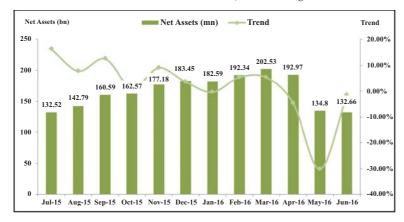

As of June 30, 2016, the Fund was invested up to 70.93% in equities, while remaining 5.25% was available as cash in banks. The Fund provided a net return of 1.26%.

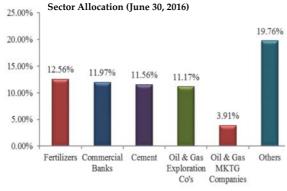

Asset Allocation as on June 30, 2016

Fund Size

Net Assets of FHSF stood at Rs. 132.66 million as at June 30, 2016 against net assets of Rs. 114.07 million at June 30, 2015.

Top Ten Stocks (June 30, 2016)

TRUSTEE REPORT TO THE UNIT HOLDERS

FIRST HABIB CASH FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of First Habib Cash Fund (the Fund) are of the opinion that Habib Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2016 in accordance with the provisions of the following:

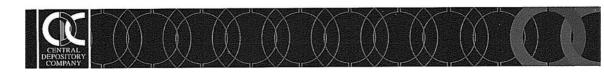

- (i) Limitations imposed on the investment powers of the Management Company under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

Muhammad Hanif Jakhura

Chief Executive Officer

Central Depository Company of Pakistan Limited

Karachi: September 16, 2016

STATEMENT OF COMPLIANCE BY HABIB ASSET MANAGEMENT LIMITED WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2016

This statement is being presented by the Board of Directors of Habib Asset Management Limited, the management company of **First Habib Cash Fund** (the Fund), to comply with the Code of Corporate Governance (the Code) contained in Chapter XI of the Listing Regulations of Pakistan Stock Exchange Limited where the Fund is listed, for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Corporate Governance.

Habib Asset Management Limited (HAML), the Management Company, is not listed and hence, the Code is not applicable to it. However, First Habib Cash Fund (FHCF) managed by HAML is listed on the Pakistan Stock Exchange; therefore, it comes under the ambit of the Code. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary and other necessary personnel to manage the affairs of the Fund.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors. At present, the Board includes:

Category	Name
Independent Directors	Mr. Admiral (R) Khalid M. Mir, Mr. Liaquat Habib Merchant
Executive Director	Mr. Imran Azim, Mr. Sajjad Hussain Habib
Non-Executive Director	Mr. Ali Raza D. Habib, Mr. Mohammad Ali Jameel and Mr. Mansoor Ali

The independent directors meet the criteria of independence under clause i (b) of the Code.

- The directors have confirmed that none of them are serving as a director in more than seven listed companies, including this company.
- 3. All the resident directors of the Management Company are registered as taxpayers and none of them have defaulted in payment of any loan to a banking company, a DFI or an NBFC or, being a member of a stock exchange, have been declared as a defaulter by that stock exchange.
- 4. No casual vacancy in the Board of the Management Company has occurred during the year.
- 5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The Board has developed a vision / mission statement, an overall corporate strategy and significant policies for the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other executive and non-executive directors have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for the purpose, and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The directors are conversant with the relevant laws applicable to the company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities. Two directors are exempt from directors training program due to qualification and experience, however, the remaining directors will comply will this requirement in due course.
- The Board approved the appointments of Chief Financial Officer and Company Secretary including the remuneration and terms and conditions of employment as determined by the CEO.

- 11. The Directors' report relating to the Fund for the year ended June 30, 2016 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
- 13. The Directors, CEO, and executives do not hold any interest in the units of the Fund other than disclosed in note 25 to the financial statements "Transactions with Connected Persons.
- 14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
- 15. The Board has formed an Audit Committee. It comprises of three members, all of whom are non-executive directors of the Management Company including the Chairman of the Committee.
- 16. The meetings of the Audit Committee were held at least once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference have been approved in the meeting of the Board and the Committee has been advised to ensure compliance with those terms of reference.
- 17. The Board has formed an HR and Compensation Committee. It comprises of three members, of whom two are non-executive directors including the chairman of the Committee.
- 18. The Board has setup up an effective internal audit function who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Fund's units, was determined and intimated to directors, employees and stock exchange(s).
- 22. Material / price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. There is no mechanism in place for an annual evaluation of the board's own performance.
- 24. We confirm that all other applicable material principles enshrined in the Code have been complied with.

Karachi, September 10, 2016

For and on behalf of the Board

EY Ford Rhodes Chartered Accountants Progressive Plaza, Beaumont Road P.O. Box 15541, Karachi 75530 Pakistan Tel: +9221 3565 0007-11 Fax: +9221 3568 1965 ey.khi@pk.ey.com ey.com/pk

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors (the Board) of Habib Asset Management Limited (the Management Company) of First Habib Cash Fund (the Fund) for the year ended 30 June 2016 to comply with the requirements of Listing Regulation Number 35 of the Pakistan Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval the Fund's related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended 30 June 2016.

EYFR

Further, we highlight below instances of non-compliance with the requirements of the Code as reflected in the paragraph references where these are stated in the Statement:

Paragraph Reference	Description
9	Directors have not attended any Directors' Training programme as envisaged by the Code of Corporate Governance.
23	An annual evaluation of the Board's performance as per the requirements of the Code of Corporate Governance is not in place.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of First Habib Cash Fund (the Fund), which comprise the statement of assets and liabilities as at 30 June 2016, and the related statements of income, comprehensive income, distribution, cash flows and movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

A member firm of Ernst & Young Global Limited

Opinion

In our opinion the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2016 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2016

1. LEGAL STATUS AND NATURE OF BUSINESS

First Habib Cash Fund (the "Fund") was established under a Trust Deed executed between Habib Asset Management Limited (HAML) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 14 July 2010 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on 13 July 2010 under Regulation 44 of the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (NBFC Regulations).

The Management Company of the Fund has been licensed to undertake Asset Management Services as Non Banking Finance Company under the NBFC Rules by the SECP. The registered office of the Management Company is situated at Imperial Court Building, Dr. Ziauddin Ahmed Road Karachi, Pakistan.

The Fund is an open-end mutual fund and is listed on the Pakistan Stock Exchange. Units are offered for public subscription on a continuous basis. Units are transferable and can be redeemed by surrendering them to the Fund at the option of the unit holder.

The Fund has been formed to provide reasonable rate of return consistent with reasonable concern for safety of principal amount to the unit holders, along with facility to join or leave the fund at their convenience. The management team would seek to enhance returns through active portfolio management using efficiency tools.

Pakistan Credit Rating Agency (PACRA) has assigned asset management rating of 'AM3+' to the Management Company and JCR-VIS has assigned fund stability rating of 'AA (f)' to the Fund.

The Fund has been categorized as an Open-End Money Market Scheme as per the criteria laid down by the Securities and Exchange Commission of Pakistan (SECP) for categorisation of Collective Investment Schemes (CIS).

The objective of the Fund is to earn competitive returns from a portfolio of low risk short term duration assets while maintaining high level of liquidity through a blend assets of money market and sovereign debt instruments. The Fund, in line with its investment objective, invests primarily in treasury bills, government securities and cash and near cash instruments. The Fund has been categorized as money market scheme.

Title of the assets of the Fund are held in name of CDC as trustee of Fund.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

3. BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention, except that investments classified as 'at fair value through profit or loss' are measured at fair value.

These financial statements are presented in Pak Rupees which is the functional and presentation currency of the Fund and rounded to the nearest thousand rupees.

4. SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as describe below:

4.1. New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 10 - Consolidated Financial Statements

IFRS 11 – Joint Arrangements

IFRS 12 – Disclosure of Interests in Other Entities

IFRS 13 - Fair Value Measurement

IAS 27 – Separate Financial Statements – (Amended)

IAS 28 - Investment in Associates and Joint Ventures - (Amended)

The adoption of the above accounting standards did not have any effect on the financial statements except for certain additional disclosures due to adoption of IFRS 13 (Refer Note 27).

4.2 Financial instruments

The Fund classifies its financial instruments in the following categories:

a) Financial instruments at fair value through profit or loss

An instrument is classified at fair value through profit or loss if it is held-for-trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit or loss if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy.

Financial assets which are acquired principally for the purpose of generating profit from short term price fluctuation or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held for trading or a derivative.

Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in Income Statement

b) Available-for-sale

Available for sale financial assets are non-derivative that are either designated in this category or not classified in any other category.

c) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than those classified by the Fund as fair value through profit or loss or available for sale.

d) Financial liabilities

Financial liabilities, other than those at fair value through profit or loss, are measured at amortised cost using the effective yield method.

Recognition

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

All regular way of purchases and sales of investments are recognised on the trade date i.e. the date the Fund commits to purchase / sell the investments

Financial liabilities are not recognised unless one of the parties has performed its part of the contract or the contract is a derivative contract.

Measurement

Financial instruments are measured initially at fair value (transaction price) plus, in case of a financial instrument not at 'fair value through profit or loss', transaction costs that are directly attributable to the acquisition or issue of the financial instrument. Transaction costs on financial instrument at fair value through profit or loss are expensed out immediately.

Subsequent to initial recognition, financial instruments classified as at 'fair value through profit or loss' and 'available for sale' are measured at fair value. Gains or losses arising, from changes in the fair value of the financial assets 'at fair value through profit or loss' are recognised in the Income Statement. Changes in the fair value of financial instruments classified as 'available-for-sale' are recognised in Statement of Comprehensive Income until derecognised or impaired, when the accumulated adjustments recognised in Unit Holders' Fund are included in the Income Statement.

Basis of valuation of Government Securities

The investment of the Fund in government securities are valued at their fair values (determined by reference to the quotations obtained from the PKRV rate sheet on the Reuters page), based on the remaining tenor of the security.

Derecognition

The Fund derecognises a financial asset when the contractual right to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition in accordance with International Accounting Standard 39: Financial Instruments; Recognition and Measurement.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.3 Unit holders' fund

Unit holders' fund representing the units issued by the Fund, is carried at the redemption amount representing the investors' right to a residual interest in the Fund's assets.

4.4 Issue and redemption of units

Units issued are recorded at the net asset value, determined by the Fund, applicable for the day on which fund(s) have been realised in the bank account.

Units redeemed are recorded at the net assets value, applicable on units for which the management company receives redemption applications during business hours on that day. Redemption of units is recorded on acceptance of application for redemption.

Units will be issued and recorded at the net asset value, determined by the Management Company for the applications received during business hours on that day. Allotment of units will be recorded on acceptance of application and units will be issued upon realization of the proceeds in the Fund's bank account.

4.5 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Element is arrived at by comparing the unit prices with opening Ex - NAV at the beginning of the financial year. The Element so computed is recognised in the income statement except to the extent that the amount represented by unrealised appreciation / diminution arising on available for sale securities is included in distribution statement.

4.6 Net asset value - per unit

The net asset value per unit disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the period end.

4.7 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income of that year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the Fund's unit holders.

The Fund intends to avail tax exemption by distributing at least ninety percent of its accounting income for the period as reduced by capital gains, whether realised or unrealised, to its unit holders. Accordingly, no tax liability or deferred tax has been recognised in these financial statements.

4.8 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of investments classified as financial assets at fair value through profit or loss are included in the Income Statement in the period in which they arise.
- Income on reverse repurchase transactions, clean placements and government securities is recognised on an accrual basis using the
 effective interest rate method.
- Profit on bank deposit is recognised on time proportion basis taking in to account effective yield.
- Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is included in the Income Statement on the date of issue and redemption of units.

4.9 Expenses

All expenses including management fee, trustee fee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

4.10 Provisions

Provisions are recognized when the Fund has a present, legal or constructive obligation as a result of past events and it is probable that and outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.11 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred up to the close of Initial Public Offer (IPO) period of the Fund. These costs are being amortised over a period of five years commencing from 10 Mar 2011 as per the Trust Deed of the Fund.

4.12 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances. Cash equivalents are short term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

4.13 Dividend (including bonus units)

Dividend distributions (including the bonus units) declared subsequent to the balance sheet date are recorded in the period in which the distributions are approved. As per regulation 63 of NBFC Regulations, the Fund is required to distribute ninety percent of the net accounting income, excluding unrealised capital gain, to the unit holders.

5. ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the application of policies and reported amount of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form basis of making the judgments about the carrying values of assets and liabilities that are readily not apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of its revision and future periods if the revision effects both current and future periods.

Judgments made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material judgment are discussed below:

Classification and fair value of investments (Refer Note 4.2)

Workers' welfare fund (Refer Note 16)

Provision for taxation (Refer Note 4.7)

6. STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Standard	, interpretation or amendment	Effective date (accounting periods
		beginning on or after)
IFRS 2	- Share-based Payments - Classification and Measurement of Share-based	01 January 2018
	Payments Transactions (Amendments)	
IFRS 10	- Consolidated Financial Statements, IFRS 12 Disclosure of Interests in	
	Other Entities and IAS 28 Investment in Associates - Investment	
	Entities: Applying the Consolidation Exception (Amendment)	01 January 2016
IFRS 10	- Consolidated Financial Statements and IAS 28 Investment in	
	Associates and Joint Ventures - Sale or Contribution of Assets	
	between an Investor and its Associate or Joint Venture (Amendment)	Not yet finalized
IFRS 11	- Joint Arrangements - Accounting for Acquisition of Interest in Joint	
	Operation (Amendment)	01 January 2016
IAS 1	- Presentation of Financial Statements - Disclosure Initiative (Amendment)	01 January 2016
IAS 7	- Financial Instruments: Disclosures - Disclosure Initiative - (Amendment)	01 January 2017
IAS 12	- Income Taxes - Recognition of Deferred Tax Assets for Unrealized	
	losses (Amendments)	01 January 2017
IAS 16	- Property, Plant and Equipment and IAS 38 intangible assets - Clarification of	
	Acceptable Method of Depreciation and Amortisation (Amendment)	01 January 2016
IAS 16	- Property, Plant and Equipment and IAS 41 Agriculture - Agriculture: Bearer	
	Plants (Amendment)	01 January 2016
IAS 27	- Separate Financial Statements - Equity Method in Separate Financial	
	Statements (Amendment)	01 January 2016

The above standards and amendments are not expected to have any material impact on the Fund's financial statements in the period of initial application.

In addition to the above standards and amendments, improvements to various accounting standards have also been issued by the IASB in September 2014. Such improvements are generally effective for accounting periods beginning on or after 01 January 2016. The Fund expects that such improvements to the standards will not have any material impact on the Fund's financial statements in the period of initial application.

FIRST HABIB CASH FUND

Further, following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standard	IASB Effective date (annual periods beginning on or after)
IFRS 9 - Financial Instruments: Classification and Measurement	01 January 2018
IFRS 14 - Regulatory Deferral Accounts	01 January 2016
IFRS 15 - Revenue from Contracts with Customers	01 January 2018
IFRS 16 - Leases	01 January 2019

13. PROVISION FOR FEDERAL EXCISE DUTY ON REMUNERATION OF THE MANAGEMENT COMPANY

As per the requirements of the Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to provincial sales tax, further levy of FED results in double taxation, which does not appear to be the spirit of the law. The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and CDC on behalf of schemes through a constitutional petition filed in the Honourable Sindh High Court (SHC) in September 2013 which is pending adjudication. However, the SHC has issued a stay order against the recovery of FED. The Fund, as a matter of abundant caution, has charged FED and sales tax on service thereon in its financial statements with effect from the date June 2013 of commencement of its operations.

The Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. The management is however of the view that since the Federal government still has the right to appeal against the order, the previous balance of FED can not be reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non banking finance companies from charge of FED on their services.

In view of the pending decision and as a matter of abundant caution, the Management Company of the Fund has made a provision for FED in the books of accounts of the Fund with effect from July 03, 2013 to June 30, 2016 aggregating to Rs. 13.417 million (2015: 11.684 million).

14. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed based on the daily Net Asset Value of the Fund. The remuneration of the Trustee has been calculated as per following applicable tariff;

Net Assets(Rs.)	Tariff
Up to Rs. 1 billion	0.15% p.a. of Net Assets.
1 billion to 10 billion	Rs.1.5 million plus 0.075% p.a. of Net Assets, exceeding Rs. 1 billion.
Over 10 billion	Rs. 8.25 million plus 0.06% p.a. of Net Assets, exceeding Rs. 10 billion.

15. PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

This represents annual fee payable to Securities and Exchange Commission of Pakistan (SECP) in accordance with rule 62 of the NBFC Regulations 2008, whereby the Fund is required to pay SECP an amount at the rate of 0.075% of the average daily net assets of the Fund.

16. PROVISION AGAINST CONTRIBUTION TO WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it is alleged that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Honorable Lahore High Court (LHC), in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013, a larger bench of the Honorable High Court of Sindh (SHC) has passed an order declaring that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 respectively do not suffer from any constitutional

FIRST HABIB CASH FUND

or legal infirmity. However, as mentioned above the constitutional petition challenging the applicability of WWF on mutual funds is still pending adjudication and not yet decided. The Management Company has considered the implications of above judgment of SHC and is of the view that the matter will eventually be settled in its favor and WWF will not be levied on the Fund.

As per the legal counsel handling the case, the constitutional petition filed by the CIS to challenge the WWF contribution has not been affected by SHC judgment.

Further, in May 2014, the Honorable Peshawar High Court (PHC) held that the impugned levy of contribution introduced in the Ordinance through Finance Acts, 1996 and 2009 lacks the essential mandate to be introduced and passed through a Money Bill under the constitution and, hence, the amendments made through the Finance Acts are declared as 'Ultra Vires'.

As the matter relating to the levy of WWF is currently pending in the SHC, the Management Company, as a matter of prudence, has decided to retain the provision for WWF amounting to Rs. 16.41 million (2015: 16.41 million) in these financial statements. Had the provision not been made, the net assets value per unit of the Fund would have been higher by Rs. 1.49 (2015: 1.29) per unit.

The Finance Act, 2015 has excluded Mutual Funds and Collective Investment Schemes from the definition of 'industrial establishment' subject to WWF under WWF Ordinance, 1971. Accordingly, no provision for WWF is made from July 01, 2015 onwards. However, provision made till June 30, 2015 has not been reversed as the above lawsuit is pending in the SHC.

17. ACCRUED EXPENSES AND OTHER LIABILITIES	2016	2015
	(Rupees in	'000)
Auditors' remuneration payable	252	253
Printing charges	83	100
Payable against redemption of units	6,932	81,382
Capital gain and withholding tax	8,737	8,721
Others	157	361
	16,161	90.817

18. CLASS OF UNITS IN ISSUE

The Fund has three classes of units as per the Trust Deed. Class 'A' units pertain to core investors. Such core units are invested in the scheme for a period of two years or life of collective investment scheme whichever is earlier from the date of the closure of initial offer period. Class 'B' units are issued and redeemed in the usual course of business on a daily basis. Class 'C' units are entitled to cash dividend only even if the distribution to other classes is in form of bonus units.

	Units in issue as at 30 June in each class are:	Note	2016 2015 (Number of Units)		
	Type 'A' Units		-	-	
	Type 'B' Units		8,918,615	9,155,281	
	Type 'C' Units		1,392,189	3,537,717	
		_	10,310,803	12,692,998	
		_	2016	2015	
19.	PROFIT ON BANK DEPOSITS		(Rupees in	1 '000)	
	Saving accounts	19.1	10,777	14,956	
	Term deposit receipts		3,824	28,464	
		_	14,601	43,420	

19.1 It includes profit on deposits with Bank AL Habib of Rs. 61,664 (2015: 2,530,377).

20. REMUNERATION OF HABIB ASSET MANAGEMENT LIMITED-MANAGEMENT COMPANY

Under the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Company and Notified Entities Regulation 2008, the Management Company of the Fund is entitled to a remuneration during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two percent of such net assets of the Fund. The Management Company has charged its remuneration at the rate of 0.85% (2015:0.85%) per annum for the current year in accordance with the Trust Deed.

21. SALES TAX ON MANAGEMENT FEE

During the current year, an amount of Rs. 1.76 million (2015: Rs. 5.09 million) was charged on account of sales tax on management fee levied through Sindh Sales Tax on Services Act, 2011.

	2016	2015	
22. AUDITORS' REMUNERATION	(Rupees in '000)		
Annual audit fee	180	180	
Half yearly review fee	60	60	
Other certifications fee	30	30	
Out of pocket expenses	44	44	
	314	314	

23. EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended 30 June 2016 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

24. TAXATION

The income of the fund is exempt from income tax under Clause (99) of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001 (Clause 99) subject to the condition that not less than 90 percent of the accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders. The Management Company has distributed not less than 90 percent of its annual accounting income to avail the tax exemption. Accordingly, no provision for current and deferred tax has been made in this financial statements.

25. TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include Habib Asset Management Limited being the Management Company, associated companies of the Management Company, First Habib Income Fund, First Habib Islamic Balanced Fund and First Habib Stock Fund being the Funds managed by the common Management company, Central Depository Company Limited being the Trustee of the Fund.

The transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market norms.

Remuneration to management company and trustee is determined in accordance with the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Companies and Notified Entities Regulation 2008 and the Trust Deed respectively.

26. RISK MANAGEMENT

Trustee Fee payables

Introduction and overview

The Fund has exposure to following risks from its use of financial instruments:

Central Depository Company of Pakistan Limited - Trustee

- Credit Risk Liquidity Risk
- Market Risk

This note presents information about the Fund's exposure to each of the above risks, the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

227

132

FIRST HABIB CASH FUND

Risk management framework

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund.

The management of these risks is carried out by the Investment Committee (IC) under the policies and procedures approved by the Board. IC is constituted by the Board of Directors of the Management Company. IC is responsible to devise the investment strategy and manage the investment portfolio of the Fund in accordance with the limits prescribed and restrictions imposed in the Non-Banking Finance Companies and Notified Entities Regulations, 2008, Rules, and Constitutive Documents of the Fund in addition to the Fund's internal risk management policies.

26.1 Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Fund, resulting in a financial loss to the Fund. At the period-end it arises principally from bank balances, income receivable, and prepayments etc.

Management of credit risk

The Fund's policy is to enter into financial contracts in accordance with the investment guidelines approved by the Investment Committee, its Trust Deed, the requirements of NBFC rules and regulations and guidelines given by SECP from time to time.

Credit risk is managed and controlled by the Management Company of the Fund in the following manner:

- Where the investment committee makes an investment decision, the credit rating and credit worthiness of the issuer is taken into account along with the financial background so as to minimise the risk of default.
- Investment transactions are carried out with a large number of brokers, whose credit rating is taken into account so as to minimise the risk of default and transactions are settled or paid for only upon delivery.
- The risk of counterparty exposure due to failed trades causing a loss to the Fund is mitigated by a periodic review of trade reports, credit ratings and financial statements on a regular basis. In addition, the investment Committee approves the trading of securities of entities with credit ratings approved by external rating agencies.

Exposure to credit risk

In summary, compared to the maximum amount included in statement of assets and liabilities, the maximum exposure to credit risk as at 30 June is as follows:

	30 June	30 June 2016		e 2015	
	Statement of assets and liabilities	Maximum exposure	Statement of assets and liabilities	Maximum exposure	
		(Rupees in '000)			
Bank balances and term deposit receipts	804,535	804,535	555,465	555,465	
Placements	200,000	200,000	200,000	200,000	
Investments	69,162	-	640,002	-	
Income receivable	9,064	9,064	5,978	5,978	
	1,082,761	1,013,599	1,401,445	761,443	

Differences in the balances as per the statement of assets & liabilities and maximum exposures were due to the fact that investments of Rs. 69.162 million (2015: Rs. 640.002 million) relate to investments in government securities which are not considered to carry credit risk.

Credit ratings and Collaterals

Details of the credit ratings of balances with the banks (including profit receivable) as at 30 June are as follows:

Ratings	2016	2015
AAA	67.25%	99.07%
AA+	1.16%	0.93%
AA	31.60%	
	100%	100%

Cash is held only with reputable banks with high quality external credit enhancements.

Concentration of credit risk

Concentration is the relative sensitivity of the Fund's performance to developments affecting a particular industry or geographical location. Concentration of risks arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. The Fund's portfolio of financial assets is broadly diversified and transactions are entered into with diverse credit worthy counterparties thereby mitigating any significant concentration of credit risk.

Past due and impaired assets

None of the financial assets of the Fund are past due / impaired.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

26.2 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligation will have to be settled in a manner disadvantageous to the Fund.

The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive document and guidelines laid down by Securities and Exchange Commission of Pakistan (SECP).

Management of Liquidity Risk

The Fund's policy is to manage this risk by investing majority of its assets in investments that are traded in an active market and can be readily disposed. The Fund invests primarily in marketable securities and other financial instruments, which under normal market conditions are readily convertible to cash. As a result, the Fund may be able to liquidate quickly its investments in these instruments at an amount close to their fair value to meet its liquidity requirement.

The Fund has the ability to borrow, with prior approval of trustee, for meeting redemption requests. The maximum amount available to the Fund from borrowings is limited to the extent of 15% of total assets at the time of borrowing with repayment with in 90 days of such borrowings. No such borrowings have arisen during the period.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

Maturity analysis of financial liabilities

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

The maturity profile of the Fund's liabilities based on contractual maturities is given below:

		30 June 2016			
	Carrying amount	Gross nominal outflow	Less than one month	One month to three months	Three months to one year
Non- derivative financial liabilities			(Kupees III 0	00)	
Payable to Habib Asset Management Limited - Management Company Payable to Central Depository Company	1,275	1,275	1,275	-	-
of Pakistan Limited - Trustee	151	151	151	-	-
Payable to Securities and Exchange Commission of Pakistan Accrued expenses and other liabilities	956 16,161	956 16,161	956 15,908	252	-
	18,543	18,543	18,290	252	-

		30 June 2015			
	Carrying amount	Gross nominal outflow	Less than one month	One month to three months	Three months to one year
Non- derivative financial liabilities			(Rupees in 0	00)	
Payable to Habib Asset Management Limited - Management Company	2,216	2,216	2,216	-	-
Payable to Central Depository Company of Pakistan Limited - Trustee	227	227	227	-	-
Payable to Securities and Exchange Commission of Pakistan	2,432	2,432	2,432	-	-
Accrued expenses and other liabilities	90,817	90,817	90,564	253	
	95,692	95,692	95,439	253	

26.3 Market risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market.

Management of Market Risk

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and regulations laid down by the Securities and Exchange Commission of Pakistan (SECP).

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk. The Fund is exposed to interest rate risk only.

26.3.1 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises on investment in Government Securities, sharing bank balances. Currently the exposure in fixed rate instruments is in Government securities Other risk management procedures are the same as those mentioned in the credit risk management.

At 30 June, details of the interest rate profile of the Fund's interest bearing financial instruments were as follows:

	2016	2015	
	(Rupees in '000)		
Fixed rate instruments			
Investment in government securities	69,162	640,002	
Term deposit receipts (TDRs)	-	250,000	
Placements	200,000	200,000	
	269,162	1,090,002	
Variable rate instruments			
Bank balance	804,535	305,465	

None of the financial liabilities carry any interest rate risk.

- a) Cash flow Sensitivity analysis for variable rate instruments
 - As at 30 June 2016, the Fund does not hold any variable rate instrument and is not exposed to any cash flow interest rate risk.
- b) Fair value Sensitivity analysis for fixed rate instruments

As at 30 June 2016, investment in Government Securities carries fixed interest rate that exposes the Fund to fair value interest rate risk. In case of change of 100 basis points in PKRV on 30 June 2016, the net assets of the Fund would have been lower/higher by Rs. 0.032 million (2015: Rs.1.420 million) with consequential effect on net income for the period. The analysis assumes that all other variables remain constant.

A summary of the Fund's interest rate gap position, categorised by the earlier of contractual re-pricing or maturity date, is as follows:

Assets	Mark-up / profit rate	Less than one month	One to three months	30 June 201 Three months to one year (Rupees in '00	More than one year	Total
Bank balances and term deposit receipts Investments Placements	5.25%-6.00% 6.36%-6.38% 6.45%	804,535 69,162 100,000	- - 100,000	- - -	- - -	804,535 69,162 200,000
Total assets		973,697	100,000			1,073,697
				30 June 201	5	
	Mark-up / profit rate	Less than one month	One to three months	Three months to one year	More than one year	Total
Assets				- (Rupees in '00	00)	
Bank balances	7.00%-7.5%	555,465	-	-	-	555,465
Investments	6.57%-6.88%	-	-	640,002	-	640,002
Placements	7.00%	200,000	-	-	-	200,000
Total assets		755,465		640,002		1,395,467

None of the Fund's liabilities are subject to interest rate risk.

27. FAIR VALUE OF FINANCIAL INSTRUMENTS

The Fund's accounting policy on fair value measurements is discussed in note 4.2.

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the

Level 1: Fair value measurements using quoted price (unadjusted) in an active market for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurement using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

As at 30 June 2016, all the investment in government securities is valued under level 2.

28. PATTERN OF UNITHOLDING

Fair Value Hierarchy

Unit holding pattern of the Fund as at 30 June 2016 is as follows:

The macroeconomic indicators of Pakistan have picked up momentum in the Financial Year ended 2016 and GDP growth has escalated to an eight-year high of 4.7%, in an era of global economic slowdown. Average Inflation, Consumer Price Index (CPI) is at its lowest in decades at 2.86% and is expected to remain much below the target of 6% for the present year.

The Current Account Deficit (CAD) has been significantly reduced to an average 1%, from 4%, and the fiscal gap has been almost halved to 4.3% from 8.2% of GDP. Remittances sent by Pakistani workers from across the world have peaked to US\$19.90bn from US\$13.9bn, and foreign exchange reserves have peaked at record high of US\$ 23trn. The International Monetary Fund (IMF) also, viewed that Pakistan economy has now reached a position where it will be able to absorb mild shocks.

Both external and domestic factors have contributed towards improvement of the economy. On the external front, stability in the balance of payments and upward trajectory in foreign exchange reserves mainly owes to a combination of favorable developments both in the current and financial accounts. Steady workers' remittances and low oil prices have helped contain the current account deficits at manageable levels, while multilateral and bilateral inflows have largely contributed to the surpluses in the financial account. Amongst domestic factors, on one hand, country's overall large scale manufacturing (LSM) sector has witnessed growth of 3.21% during the Financial Year 2015-16, while on the other hand, an increase in Federal Board of Revenue (FBR) revenues have helped in increasing development spending, while at the same time maintaining fiscal deficit close to the target level.

International credit ratings agency Moody's Investors Service assessment of the Credit Analysis of Government of Pakistan was 'B3 Stable', a sign of strengthening economic growth and progress on structural reforms against a relatively high government debt burden and political risks. The State Bank of Pakistan (SBP) cut the Discount Rate by a cumulative 75bps in Financial Year 2016 (50 bps in Sep 2015 & 25 bps in May 2016) to 6.25% lowest in 42 years; a trend followed by most global Central Banks. Following the trajectoryofthis low interest rate situation, the cut-off yields of Market Treasury Bills (MTB)as on June 30, 2016 were lowered to:3M at 5.9017%, 6M at 5.9258%, and 12M at 5.9598%.

Fund Performance Review

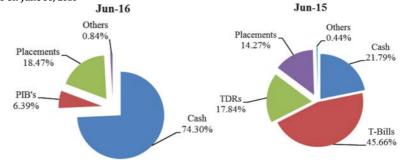

As on June 30, 2016, the major portion i.e. 74.30% was available as cash in banks, 18.47% was invested as Placements with Banks & DFIs as LoPs, and the remaining 6.39% in T-Bills/PIBs.

The Fund generated a return of 5.35% p.a. for the Financial Year 2016.

The weighted average time to maturity of net assets at year end stood at 01 day.

Fund Size

The net assets of FHCF stood at Rs. 1034.53 million as at June 30, 2016 in comparison to the last year's net assets of Rs. 1278.20 million.

Income Distribution

The Fund made a total distribution of Rs.5.75 per unit on 22nd June 2016, for the year ended June 30, 2016, as per details given below:

2015-2016	Cum NAV Rs.	EX-NAV Rs.	Distribution Rs.
July-June	105.9456	100.1956	5.75

Sales and Redemptions of Units

During the year, 9,403,489 units of the value of Rs. 2,006.06 million were sold while 9,008,442 units of the value of Rs. 2,289.12 million were redeemed resulting in to a net redemption of 395,047 units of the value of Rs. 283.065 million during the year.

Unit Holders Pattern

For the breakdown of unit holding by size as on June 30, 2016, please refer to note 28 to the Annual Accounts 2016.

FHCF Performance at a Glance

	2016	2015	2014
Net Assets as at June 30 (Rs. in million)	1,034.00	1,280.00	3,710.00
NAV per unit June 30 (Rs.)	100.3349	100.7015	100.1449
Highest NAV	105.9660	108.3231	100.8442
Lowest NAV	100.2344	100.1914	100.0753
Total Distribution	5.75	7.75	7.7500
Annual Return	5.35%	8.29%	8.12%

TRUSTEE REPORT TO THE UNIT HOLDERS

FIRST HABIB ISLAMIC BALANCED FUND

Report of the Trustee pursuant to Regulation 41(h) and clause 9 of Schedule V of the Non-Banking Finance Companies and Notified Entities Regulations, 2008

We Central Depository Company of Pakistan Limited, being the Trustee of First Habib Islamic Balanced Fund (the Fund) are of the opinion that Habib Asset Management Limited being the Management Company of the Fund has in all material respects managed the Fund during the year ended June 30, 2016 in accordance with the provisions of the following:

- Limitations imposed on the investment powers of the Management Company (i) under the constitutive documents of the Fund;
- (ii) The pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the Fund; and
- (iii) The Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, the Non-Banking Finance Companies and Notified Entities Regulations, 2008 and the constitutive documents of the Fund.

FIRST HABIB ISLAMIC BALANCED FUND

REVIEW REPORT OF THE SHARIAH ADVISOR

As a Shariah Advisor of the **First Habib Islamic Balanced Fund (FHIBF)**, I am issuing this report in accordance with clause 8.2.9 of the Trust Deed of the fund. The scope of the report is to express an opinion on the Shariah compliance of the fund's activities.

It is the responsibility of the management of aforesaid fund to establish and maintain a system of internal control to ensure compliance with day to day given Shariah guidelines. As a Shariah Advisor of the fund, it is my responsibility to express my opinion based on my review of representations made by the management to the extent where such compliance can be objectively verified.

As part of my mandate as the Shariah Advisor of the fund, I have reviewed the following during the year:

- The modes of investment of the fund's property and its compliance with the given Shariah guidelines
- > The process of deployment of the fund's property and its compliance
- > The process of purification of non compliant income and its compliance

In the light of the above scope, I hereby certify that all the provisions of the scheme and investments made by First Habib Islamic Balanced Fund (FHIBF), for the year ended 30 June 2016 are in compliance with the Shariah principles. No T+2 violation is found. Dividends received by the investee companies are duly purified. A separate account for charity amount is instructed to be opened. All transactions in shares were undertaken according to the issued instructions, and not a single instance of noncompliance has been found. A paltry sum of amount will be given in charity to purify the dividends received on shares. Almost all such money for charity is promptly channeled towards a dedicated charity fund especially instituted for this purpose, from which the available charity funds are utilized under Shariah Advisor's approval.

Independent assurance report to the unit holders of the Fund in respect of the Fund's compliance with the Shariah rules and principles

We have performed an independent assurance engagement of First Habib Islamic Balanced Fund (the Fund) to ensure that the Fund has complied with the Shariah rules and principles prescribed by the Shariah Advisor of the Fund during the year ended 30 June 2016.

2. Management's responsibility for Shariah compliance

It is the responsibility of the management of the Fund to ensure that the financial arrangements, contracts, products and transactions entered into by the Fund are, in substance and in their legal form, in compliance with the requirements of Shariah rules and principles as determined by the Shariah Advisor. The management is also responsible for design, implementation and maintenance of appropriate internal control procedures with respect to such compliance and maintenance of relevant accounting records.

3. Our responsibility

- **3.1.** Our responsibility is to express an opinion, based on the procedures performed on the Fund's financial arrangements, contracts and transactions having Shariah implications, on a test basis whether such financial arrangements, contracts and transactions, having Shariah implications, are in line with the Shariah rules and principles as prescribed by Shariah Advisor of the Fund.
- 3.2. The "Assurance Procedures" selected by us for the engagement were dependent on our judgment, including the assessment of the risks of material non-compliance with the Shariah rules and principles. In making those risk assessments, we considered internal controls relevant to the Fund's compliance with the Shariah rules and principles in order to design procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal controls.
- **3.3.** We believe that the evidence we have obtained through performing our procedures on a sample basis were sufficient and appropriate to provide a basis for our opinion.

EYFR

A member firm of Ernst & Young Global Limited

4. Framework

4.1. We have planned and performed our evidence gathering procedures to obtain a basis for our conclusion in accordance with International Standard for Assurance Engagements 3000 (ISAE 3000) "Assurance Engagements other than Audits or Reviews of Historical Financial information". This Standard requires that we comply with ethical requirements and plan and perform the engagement to obtain reasonable assurance regarding the subject-matter i.e. the Fund's compliance with the Shariah rules and principles as determined by the Shariah Advisor.

5. Our opinion

In our opinion, the Fund was, in all material respects, in compliance with the Shariah rules and principles as determined by Shariah Advisor of the Fund during the year ended 30 June 2016.

STATEMENT OF COMPLIANCE BY HABIB ASSET MANAGEMENT LIMITED WITH THE CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2016

This statement is being presented by the Board of Directors of Habib Asset Management Limited, the management company of **First Habib Islamic Balanced Fund** (the Fund), to comply with the Code of Corporate Governance (the Code) contained in Chapter XI of the Listing Regulations of Pakistan Stock Exchange Limited where the Fund is listed, for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of Corporate Governance.

Habib Asset Management Limited (HAML), the Management Company, is not listed and hence, the Code is not applicable to it. However, First Habib Islamic Balanced Fund (FHIF) managed by HAML is listed on the Pakistan Stock Exchange; therefore, it comes under the ambit of the Code. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary and other necessary personnel to manage the affairs of the Fund.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors and directors representing minority interests on its Board of directors. At present, the Board includes:

Category	Name
Independent Directors	Mr. Admiral (R) Khalid M. Mir, Mr. Liaquat Habib Merchant
Executive Director	Mr. Imran Azim, Mr. Sajjad Hussain Habib
Non-Executive Director	Mr. Ali Raza D. Habib, Mr. Mohammad Ali Jameel and Mr. Mansoor Ali

The independent directors meet the criteria of independence under clause i (b) of the Code.

- 2. The directors have confirmed that none of them are serving as a director in more than seven listed companies, including this company.
- 3. All the resident directors of the Management Company are registered as taxpayers and none of them have defaulted in payment of any loan to a banking company, a DFI or an NBFC or, being a member of a stock exchange, have been declared as a defaulter by that stock exchange.
- 4. No casual vacancy in the Board of the Management Company has occurred during the year.
- 5. The Management Company has prepared a 'Code of Conduct' and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 6. The Board has developed a vision / mission statement, an overall corporate strategy and significant policies for the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.
- 7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO and other executive and non-executive directors have been taken by the Board.
- 8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for the purpose, and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
- 9. The directors are conversant with the relevant laws applicable to the company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities. Two directors are exempt from directors training program due to qualification and experience, however, the remaining directors will comply will this requirement in due course.
- 10. The Board approved the appointments of Chief Financial Officer and Company Secretary including the remuneration and terms and conditions of employment as determined by the CEO.

FIRST HABIB ISLAMIC BALANCED FUND

- 11. The Directors' report relating to the Fund for the year ended June 30, 2016 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
- 12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
- 13. The Directors, CEO, and executives do not hold any interest in the units of the Fund other than disclosed in note 23 to the financial statements "Transactions with Connected Persons".
- 14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
- 15. The Board has formed an Audit Committee. It comprises of three members, all of whom are non-executive directors of the Management Company including the Chairman of the Committee.
- 16. The meetings of the Audit Committee were held at least once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference have been approved in the meeting of the Board and the Committee has been advised to ensure compliance with those terms of reference.
- 17. The Board has formed an HR and Compensation Committee. It comprises of three members, of whom two are non-executive directors including the chairman of the Committee.
- 18. The Board has setup up an effective internal audit function who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
- 19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
- 21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Fund's units, was determined and intimated to directors, employees and stock exchange(s).
- 22. Material / price sensitive information has been disseminated among all market participants at once through stock exchange(s).
- 23. There is no mechanism in place for an annual evaluation of the board's own performance.
- 24. We confirm that all other applicable material principles enshrined in the Code have been complied with.

Karachi, September 10, 2016

For and on behalf of the Board

EY Ford Rhodes Chartered Accountants Progressive Plaza, Beaumont Road P.O. Box 15541, Karachi 75530 Pakistan Tel: +9221 3565 0007-11 Fax: +9221 3568 1965 ey.khi@pk.ey.com ey.com/pk

REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors (the Board) of Habib Asset Management Limited (the Management Company) of First Habib Islamic Balanced Fund (the Fund) for the year ended 30 June 2016 to comply with the requirements of Listing Regulation Number 35 of the Pakistan Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

The Code requires the Management Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board for their review and approval the Fund's related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Fund for the year ended 30 June 2016.

EYGE

A member firm of Ernst & Young Global Limited

Further, we highlight below instances of non-compliance with the requirements of the Code as reflected in the paragraph references where these are stated in the Statement:

Paragraph Reference	Description
9	Directors have not attended any Directors' Training programme as envisaged by the Code of Corporate Governance.
23	An annual evaluation of the Board's performance as per the requirements of the Code of Corporate Governance is not in place.

EY Ford Rhodes Chartered Accountants Progressive Plaza, Beaumont Road P.O. Box 15541, Karachi 75530 Pakistan Tel: +9221 3565 0007-11 Fax: +9221 3568 1965 ey.khi@pk.ey.com ey.com/pk

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of First Habib Islamic Balanced Fund (the Fund), which comprise the statement of assets and liabilities as at 30 June 2016, and the related statements of income, comprehensive income, distribution, cash flows and movement in unit holders' fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

EYIK

Opinion

In our opinion the financial statements give a true and fair view of the state of the Fund's affairs as at 30 June 2016 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2016

1. LEGAL STATUS AND NATURE OF BUSINESS

First Habib Islamic Balanced Fund (the "Fund") was established under a Trust Deed executed between Habib Asset Management Limited (HAML) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 24 November 2011 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on 3 November 2011 under Regulation 44(3) of the Non-Banking Finance Companies & Notified Entities Regulation, 2008.

The Management Company of the Fund has been licensed to undertake Asset Management Services as Non Banking Finance Company under the NBFC Rules by the SECP. The registered office of the management company is situated at Imperial Court Building, Dr. Ziauddin Ahmed Road Karachi, Pakistan.

The Fund is an open-end mutual fund and is listed on the Pakistan Stock Exchange. Units are offered for public subscription on a continuous basis. Units are transferable and can be redeemed by surrendering them to the Fund at the option of the unit holder.

The Fund has been formed to provide reasonable rate of return consistent with reasonable concern for safety of principal amount to the unit holders, along with facility to join or leave the fund at their convenience. The management team would seek to enhance returns through active portfolio management using efficiency tools.

Pakistan Credit Rating Agency (PACRA) has assigned asset management rating of 'AM3+' to the Management Company and a performance ranking of 'MFR 2-Star' to the Fund.

The Fund has been categorized as an Open -End Shariah Compliant (Islamic) Balanced Scheme as per the criteria laid down by the SECP for categorisation of Collective Investment Schemes(CIS).

The objective of the Fund is to provide long term capital growth and income by investing in shariah compliant equity and debt securities. The Fund, in line with its investment objective, invests primarily in shariah compliant equity and debt securities.

Title of the assets of the Fund are held in the name of Central Depository Company of Pakistan Limited as a Trustee of the Fund.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the Non Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives prevail.

3. BASIS OF MEASUREMENT

These financial statements have been prepared under the historical cost convention, except for investments classified as 'at fair value through profit or loss' which are measured at fair value.

These financial statements are presented in Pakistani Rupees which is the functional and presentation currency of the Fund and rounded to the nearest thousand rupees.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as described below.

4.1 New and amended standards and interpretations

The accounting policies adopted in the preparation of these financial statements are consistent with those of the previous financial year except as described below.

New / Revised Standards, Interpretations and Amendments

The Fund has adopted the following accounting standard and the amendments and interpretation of IFRSs which became effective for the current year:

IFRS 10 - Consolidated Financial Statements

IFRS 11 – Joint Arrangements

IFRS 12 – Disclosure of Interests in Other Entities

IFRS 13 – Fair Value Measurement

IAS 27 – Separate Financial Statements – (Amended)

IAS 28 - Investment in Associates and Joint Ventures - (Amended)

The adoption of the above accounting standards did not have any effect on the financial statements except for certain additional disclosures due to adoption of IFRS 13 (Refer Note 25).

FIRST HABIB ISLAMIC BALANCED FUND

4.2 Financial instruments

The Fund classifies its financial instruments in the following categories:

a) Financial instruments at fair value through profit or loss

An instrument is classified at fair value through profit or loss if it is held-for-trading or is designated as such upon initial recognition. Financial instruments are designated at fair value through profit or loss if the Fund manages such investments and makes purchase and sale decisions based on their fair value in accordance with the Fund's documented risk management or investment strategy. Financial assets which are acquired principally for the purpose of generating profit from short term price fluctuation or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held for trading or a derivative.

Financial instruments at fair value through profit or loss are measured at fair value, and changes therein are recognised in Income Statement.

b) Available-for-sale

Available for sale financial assets are non-derivative that are either designated in this category or not classified in any other category.

c) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market, other than those classified by the Fund as fair value through profit or loss or available for sale.

d) Financial liabilities

Financial liabilities, other than those at fair value through profit or loss, are measured at amortised cost using the effective yield method.

Recognition

The Fund recognises financial assets and financial liabilities on the date it becomes a party to the contractual provisions of the instrument.

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention such as 'T+2' purchases and sales are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell the assets.

Financial liabilities are not recognised unless one of the parties has performed its part of the contract or the contract is a derivative contract.

Measurement

Financial instruments are measured initially at fair value (transaction price) plus, in case of a financial instrument not at 'fair value through profit or loss', transaction costs that are directly attributable to the acquisition or issue of the financial instrument. Transaction costs on financial instrument at fair value through profit or loss are expensed out immediately.

Subsequent to initial recognition, financial instruments classified as 'fair value through profit or loss' and 'available for sale' are measured at fair value. Gains or losses arising, from changes in the fair value of the financial assets 'at fair value through profit or loss' are recognised in the Income Statement. Changes in the fair value of financial instruments classified as 'available-for-sale' are recognised in Statement of Comprehensive Income until derecognised or impaired, when the accumulated adjustments recognised in Unit Holders' Fund are included in the Income Statement.

Basis of Valuation of Listed Equity Securities

The fair value of a security listed on a stock exchange is valued at its last sale price on such exchange on the date on which it is valued or if such exchange is not open on such date, then at its last sale price on the next preceding date on which such exchange was open and if no sale is reported for such date the security is valued at an amount neither higher than the closing asked price nor lower than the closing bid price.

Basis of Valuation of Term Finance Certificates (TFC's) / Debt Securities

The Fund's investment in term finance certificates and sukuk certificates are revalued at the year end rates quoted by Mutual Fund Association of Pakistan (MUFAP) in accordance with the Circular no.1 dated 6 January 2009, read with Circular no. 33 of 2012. Further these circulars have provided the discretion to the asset management company to apply the mark up/ mark down (within the available limits as prescribed in the Circulars) to the non- traded debt securities for their valuation. Application of discretionary mark up/ mark down shall be approved by the Investment Committee (with proper written justification) and shall be reported on the same day to the Board of Directors (of AMC), MUFAP, SECP and the Trustees. The decision in relation to application of the discretionary mark up/ mark down shall be ratified by the Board of the AMC in the next meeting. Accordingly, the Fund has valued certain non-traded debt securities by applying the discretion which has been approved by the Board.

Impairment

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired.Impairment loss in respect of investments (other than debt securities) is recognised when there is objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. A significant or prolonged decline in fair value of an equity investment below its cost is considered an objective evidence of impairment. Provision for diminution in the value of debt securities is recognised as per the requirements of Circular 1 of 2009 read with Circular 33 of 2012 issued by the SECP and based on management's assessment made in line with its provisioning policy approved by the Board of Directors of the Management Company pursuant to the requirements of the SECP's above referred circular. In case of impairment of available for sale investments, the cumulative loss that has been recognised directly in statement of comprehensive income is taken to the income statement.

Derecognition

The Fund derecognises a financial asset when the contractual right to the cash flows from the financial asset expires or it transfers the financial asset and the transfer qualifies for derecognition in accordance with International Accounting Standard 39: Financial Instruments; Recognition and Measurement.

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expired.

Offsetting of financial instruments

Financial assets and liabilities are offset and the net amount reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or to realise the assets and settle the liabilities simultaneously.

4.3 Unit holders' fund

Unit holders' fund representing the units issued by the Fund, is carried at the net assets value representing the investors' right to a residual interest in the Fund's assets.

4.4 Issue and redemption of units

Units issued are recorded at the net asset value, determined by the Fund, applicable for the day on which fund(s) have been realised in the bank account.

Units redeemed are recorded at the net assets value, applicable on units for which the management company receives redemption applications during business hours on that day. Redemption of units is recorded on acceptance of application for redemption.

Units will be issued and recorded at the net asset value, determined by the Management Company for the applications received during business hours on that day. Allotment of units will be recorded on acceptance of application and units will be issued upon realization of the proceeds in the Fund's bank account.

4.5 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Element is arrived at by comparing the unit prices with opening Ex - NAV at the beginning of the financial year. The Element so computed is recognised in the income statement except to the extent that the amount represented by unrealized appreciation / diminution arising on available for sale securities is included in distribution statement.

4.6 Net asset value - per unit

The net asset value per unit disclosed in the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

4.7 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income of that year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the Fund's unit holders.

The Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realized or unrealized, to its unit holders every year. Accordingly, no tax liability or deferred tax has been recognised in these financial statements.

4.8 Revenue recognition

- Gains / (losses) arising on sale of investments are included in the Income Statement on the date 'at which the transaction takes place.
- Unrealized gains / (losses) arising on revaluation of investments classified as financial assets at fair value through profit or loss are included in the Income Statement in the period in which they arise.

- Income on government securities is recognised on an accrual basis using the effective interest rate method.
- Profit on bank deposit is recognised on time proportion basis taking in to account effective yield.
- Dividend income is recognised when the right to receive the dividend is established.
- Net element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed is included in the Income Statement on the date of issue and redemption of units.

4.9 Expenses

All expenses including management fee, trustee fee and annual fee of SECP are recognised in the Income Statement on an accrual basis.

4.10 Provisions

Provisions are recognized in the statement of assets and liabilities when the Fund has a present, legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.11 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred up to the close of Initial Public Offer (IPO) period of the Fund. These costs are being amortised over a period of five years commencing from 09 November 2012 as per the Trust Deed of the Fund.

4.12 Cash and cash equivalents

Cash and cash equivalents comprise of bank balances. Cash equivalents are short term highly liquid investments that are readily convertible to known amounts of cash, are subject to an insignificant risk of changes in value, and are held for the purpose of meeting short term cash commitments rather than for investments and other purposes.

4.13 Dividend Distribution and Appropriations

Dividends declared (including distribution in the form of bonus units) subsequent to the balance sheet date are recorded in the period in which the distributions are accrued. As per Regulations 63 of the Non Banking Finance Companies and Notified Entities Regulations, 2008, the Fund is required to distribute 90% of the net accounting income, excluding unrealized capital gains, to the unit holders.

4.14 Zakat

Zakat payment is the responsibility of each unit holder. Nevertheless, the Fund follows the provisions of Zakat and Ushr Ordinance 1980. Units held by individual resident Pakistani shareholders are subject to Zakat @ 2.5% of the par value of the unit under the said Ordinance, except those exempted from Zakat. Zakat is deducted at source from dividend or from redemption proceeds, if units are redeemed during the Zakat year before the payment of Zakat.

5. ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards, as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgments made by the management in the application of approved accounting standards, as applicable in Pakistan, that have significant effect on the financial statements and estimates with a significant risk of material judgment are discussed below:

Classification and fair value of investments (Refer Note 4.2)

Impairment of investment (Refer Note 4.2)

Workers' welfare fund (Refer Note 15)

Provision for taxation (Refer Note 4.7)

STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following standards, amendments and interpretations with respect to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

would be effective from the dates mentioned below against the respective standard or interpretation: Standard or Interpretation	Effective date (annual periods beginning on or after)
IFRS 2 - Share-based Payments - Classification and Measurement of Share -

11.1 This represents expenses incurred on the formation of the Fund. The said expenses are being amortised over a period of five years effective from 09 November 2012, i.e. after the close of initial period of the Fund.

12. PROVISION FOR FEDERAL EXCISE DUTY ON REMUNERATION TO THE MANAGEMENT COMPANY

As per the requirements of the Finance Act 2013, Federal Excise Duty (FED) at the rate of 16% on the services of the Management Company has been applied effective June 13, 2013. The Management Company is of the view that since the remuneration is already subject to provincial sales tax, further levy of FED results in double taxation, which does not appear to be the spirit of the law. The matter has been collectively taken up by the Management Company jointly with other Asset Management Companies and CDC on behalf of schemes through a constitutional petition filed in the Honourable Sindh High Court (SHC) in September 2013 which is pending adjudication. However, the SHC has issued a stay order against the recovery of FED. The Fund, as a matter of abundant caution, has charged FED and sales tax on service thereon in its financial statements with effect from June 13, 2013.

The Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. The management is however of the view that since the Federal government still has the right to appeal against the order, the previous balance of FED can not be reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non banking finance companies from charge of FED on their services.

In view of the pending decision and as a matter of abundant caution, the Management Company of the Fund has made a provision for FED in the books of accounts of the Fund with effect from July 03, 2013 to June 30, 2016 aggregating to Rs. 0.225 million (2015: 0.549 million).

13. PAYABLE TO CENTRAL DEPOSITORY COMPANY OF PAKISTAN LIMITED - TRUSTEE

13.1 The Trustee is entitled to a remuneration for services rendered to the Fund under the provisions of the Trust Deed based on the daily Net Asset Value of the Fund. The remuneration of the Trustee has been calculated as per following applicable tariff;

Average net assets (Rs. in million)	Tariff
Upto Rs. 1,000 Rs. 1,000 and above	Rs. 0.7 million or 0.2% per annum of net asset value, whichever is higher. Rs. 2 million plus 0.10% per annum of net asset value exceeding Rs. 1,000 million.

14. PAYABLE TO SECURITIES AND EXCHANGE COMMISSION OF PAKISTAN

This represents annual fee payable to Securities and Exchange Commission of Pakistan (SECP) in accordance with the rule 62 of the NBFC Regulations 2008, whereby the Fund is required to pay SECP an amount at the rate of 0.085% (2015: 0.085%) of the average daily net assets of the Fund.

15. PROVISION AGAINST CONTRIBUTION TO WORKERS' WELFARE FUND

The Finance Act, 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it is alleged that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs.0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

In August 2011, the Honorable Lahore High Court (LHC), in a Constitutional Petition relating to the amendments brought in the WWF Ordinance, 1971 through the Finance Act, 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional and struck them down. In March 2013, a larger bench of the Honorable High Court of Sindh (SHC) has passed an order declaring that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 respectively do not suffer from any constitutional petition challenging the applicability of WWF on mutual funds is still pending adjudication and not yet decided. The Management Company has considered the implications of above judgment of SHC and is of the view that the matter will eventually be settled in its favor and WWF will not be levied on the Fund.

As per the legal counsel handling the case, the constitutional petition filed by the CIS to challenge the WWF contribution has not been affected by SHC judgment.

Further, in May 2014, the Honorable Peshawar High Court (PHC) held that the impugned levy of contribution introduced in the Ordinance through Finance Acts, 1996 and 2009 lacks the essential mandate to be introduced and passed through a Money Bill under the constitution and, hence, the amendments made through the Finance Acts are declared as 'Ultra Vires'.

As the matter relating to the levy of WWF is currently pending in the SHC, the Management Company, as a matter of prudence, has decided to retain the provision for WWF amounting to Rs. 1.604 million (2015: 1.604 million) in these financial statements. Had the provision not been made, the net assets value per unit of the Fund would have been higher by Rs. 1.46 (2015: 1.49) per unit.

The Finance Act, 2015 has excluded Mutual Funds and Collective Investment Schemes from the definition of 'industrial establishment' subject to WWF under WWF Ordinance, 1971. Accordingly, no provision for WWF is made from July 01, 2015 onwards. However, provision made till June 30, 2015 has not been reversed as the above lawsuit is pending in the SHC.

17. CLASS OF UNITS IN ISSUE

The Fund has three classes of units as per the Trust Deed. Class 'A' units pertain to core investors. Such core units are invested in the scheme for a period of two years or life of collective investment scheme whichever is earlier from the date of the closure of initial offer period. Class 'B' units are issued and redeemed in the usual course of business on a daily basis. Class 'C' units are entitled to cash dividend only even if the distribution to other classes is in the form of bonus units.

Units in issue as at 30 June in each class are:

	2016	2015
	(Number	r of Units)
Type 'B' Units	999,913	827,556
Type 'C' Units	100,929	252,322
	1,100,842	1,079,878

18. REMUNERATION OF HABIB ASSET MANAGEMENT LIMITED-MANAGEMENT COMPANY

Under the provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non-Banking Finance Company and Notified Entities Regulation 2008, the Management Company of the Fund is entitled to a remuneration during the first five years of the Fund, of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two percent of such net assets of the Fund. The Management Company has charged its remuneration at the rate of 1.35% (2015:1.35%) per annum for the current year in accordance with the Trust Deed.

19. SALES TAX ON MANAGEMENT FEE

During the current year, an amount of Rs. 228,181 (2015: Rs. 596,975) was charged on account of sindh sales tax on management fee levied through Sindh Sales Tax Act, 2011.

21. EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended 30 June 2016 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

22. TAXATION

The income of the fund is exempt from income tax under Clause (99) of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001 (Clause 99) subject to the condition that not less than 90 percent of the accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders. The Management Company has distributed not less than 90 percent of its annual accounting income to avail the tax exemption. Accordingly, no provision for current and deferred tax has been made in this financial statements.

23. TRANSACTIONS WITH CONNECTED PERSONS

Connected persons include Habib Asset Management Limited being the Management Company, AL Habib Capital Markets (Private) Limited and Bank AL Habib Limited being companies under common management, First Habib Income Fund, First Habib Cash Fund and First Habib Stock Fund being the Fund managed by common Management Company, Central Depository Company Limited being the Trustee of the Fund.

The transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market norms.

Remuneration to management company and trustee is determined in accordance with the provisions of Non- Banking Finance Companies (Establishment and Regulation) Rules, 2003, Non- Banking Finance Companies and Notified Entities Regulation 2008 and the Trust Deed respectively.

24. RISK MANAGEMENT

Introduction and overview

The Fund has exposure to following risks from its use of financial instruments:

- Credit Risk
- Liquidity Risk
- Market Risk

This note presents information about the Fund's exposure to each of the above risks, the Fund's objectives, policies and processes for measuring and managing risk, and the Fund's management of capital.

Risk management framework

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up based on limits established by the management company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the management company supervises the overall risk management approach within the Fund.

The Fund primarily invests in shares of listed companies and near cash instruments. Such investments are subject to varying degrees of risk.

The management of these risks is carried out by the Investment Committee (IC) under the policies and procedures approved by the Board. IC is constituted by the Board of Directors of the Management Company. IC is responsible to devise the investment strategy and manage the investment portfolio of the Fund in accordance with the limits prescribed and restrictions imposed in the Non-Banking Finance Companies and Notified Entities Regulations, 2008, Rules, and Constitutive Documents of the Fund in addition to the Fund's internal risk management policies.

24.1 Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation or commitment that it has entered into with the Fund, resulting in a financial loss to the Fund. At the year-end it arises principally from bank balances, dividend and income recievables, recievable against sale of investments and deposits etc.

Management of credit risk

The Fund's policy is to enter into financial contracts in accordance with the investment guidelines approved by the Investment Committee, its Trust Deed, the requirements of NBFC rules and regulations and guidelines given by SECP from time to time.

Credit risk is managed and controlled by the management company of the Fund in the following manner:

- Where the investment committee makes an investment decision, the credit rating and credit worthiness of the issuer is taken into
 account along with the financial background so as to minimise the risk of default.
- Investment transactions are carried out with a large number of brokers, whose credit rating is taken into account so as to minimise the risk of default and transactions are settled or paid for only upon delivery.
- The risk of counterparty exposure due to failed trades causing a loss to the Fund is mitigated by a periodic review of trade reports, credit ratings and financial statements on a regular basis. In addition, the investment Committee approves the trading of securities of entities with credit ratings approved by external rating agencies.

Exposure to credit risk

In summary, compared to the maximum amount included in statement of assets and liabilities, the maximum exposure to credit risk as at 30 June is as follows:

2016		2015	
Statement of assets and liabilities	Maximum exposure	Statement of assets and liabilities	Maximum exposure
(Rupees	in '000)	(Rupee	s in '000)
38,294	38,294	27,288	27,288
64,465	-	41,744	17,933
267	134	806	533
21,634	21,634	43,550	43,550
124,660	60,062	113,388	89,304
	Statement of assets and liabilities (Rupees 38,294 64,465 267 21,634	of assets and Maximum liabilities exposure (Rupees in '000) 38,294 38,294 64,465 - 267 134 21,634 21,634	Statement of assets and liabilities Maximum exposure (Rupees in '000) Statement of assets and liabilities 38,294 38,294 27,288 64,465 - 41,744 267 134 806 21,634 21,634 43,550

Differences in the balances as per the statement of assets & liabilities and maximum exposures in investments and income receivable were due to the fact that investments of Rs. 64.465 million (2015: 23.812 million) relates to investments in Equity securities which are not considered to carry credit risk; and therefore the pertaining income receivable amounting to Rs. 132,500 (2015: 273,440) is also excluded.

Credit ratings and Collaterals

Credit risk arising on debt securities is mitigated by investing primarily in investment-grade rated instruments published by MUFAP (and as determined by Pakistan Credit Rating Agency or (JCR-VIS). Details of the credit ratings of investment in debt securities (including profit receivable) as at 30 June are as follows:

Ratings	2016	2015
AAA	-	100%
	-	100%
Details of the credit ratings of balances with the banks (including profit receivable) as at 30 Ju as follows:	une are	
Ratings	2016	2015
AAA	4%	8%
AA+	61%	92%
A+	35%	0%
	100%	100%

Cash is held only with reputable banks with high quality external credit enhancements.

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors affect groups of counterpar+B71ties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. Around 51.82% (2015: 21.24%) of the Fund's financial assets are in Equity investments which are not exposed to credit risk.

As at 30 June, the Fund's total credit risk was concentrated in the following industrial / economic sectors:

	2016	2015
Banks	64%	31%
Financial services	36%	69%
	100%	100%

Past due and impaired assets

None of the financial assets of the Fund are past due / impaired.

Settlement risk

The Fund's activities may give rise to risk at the time of settlement of transactions. Settlement risk is the risk of loss due to the failure of an entity to honour its obligations to deliver cash, securities or other assets as contractually agreed.

For the vast majority of transactions the Fund mitigates this risk by conducting settlements through a broker to ensure that a trade is settled only when both parties have fulfilled their contractual settlement obligations.

24.2 Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting obligations arising from its financial liabilities that are settled by delivering cash or another financial asset, or that such obligation will have to be settled in a manner disadvantageous to the Fund.

The Fund is exposed to cash redemptions of its units on a regular basis. Units are redeemable at the holder's option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive document and guidelines laid down by Securities and Exchange Commission of Pakistan (SECP).

Management of Liquidity Risk

The Fund's policy is to manage this risk by investing majority of its assets in investments that are traded in an active market and can be readily disposed. The Fund invests primarily in marketable securities and other financial instruments, which under normal market conditions are readily convertible to cash. As a result, the Fund may be able to liquidate quickly its investments in these instruments at an amount close to their fair value to meet its liquidity requirement. The present settlement system is a T+2 system, which means that proceeds from sales (to pay off redemptions) of holdings will be received on the second day after the sale, while redemptions have to be paid within a period of six days from the date of the redemption request.

The Fund has the ability to borrow, with prior approval of trustee, for meeting redemption requests. The maximum amount available to the Fund from borrowings is limited to the extent of 15% of total assets at the time of borrowing with repayment with in 90 days of such borrowings. No such borrowings have arisen during the year.

In order to manage the Fund's overall liquidity, the Fund also has the ability to withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any redemptions during the year.

Maturity analysis of financial liabilities

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

The maturity profile of the Fund's liabilities based on contractual maturities is given below:

	30 June 2016				
	Carrying amount	Gross nominal inflow / (outflow)	Less than one month	More than one month and up to three months	More than three months and up to one year
Non- derivative financial liabilities	(Rupees in '000)				
Payable to Habib Asset Management Limited - Management Company	173	173	173	-	-
Payable to Central Depository Company of Pakistan Limited-Trustee	65	65	65	-	-
Payable to Securities and Exchange Commission of Pakistan	88	88	-	88	-
Accrued expenses and other liabilities	7,599	7,599	7,000	599	
	7,925	7,925	7,238	687	

	30 June 2015

24.3 Market risk

Market risk is the risk that the Fund's income or value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price of securities due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market.

Management of Market Risk

The Management Company manages market risk by monitoring exposure on marketable securities by following the internal risk management policies and investment guidelines approved by the Investment Committee and regulations laid down by the Securities and Exchange Commission of Pakistan (SECP). The maximum risk resulting from financial instruments equals their fair value.

Market risk comprises of three types of risk: currency risk, interest rate risk and other price risk. The Fund is exposed to interest rate and other price risk only.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Majority of the interest rate exposure arises on investment in Government Securities, certain Term Finance Certificates, Term Deposit Receipts, Certificate of Investments, clean placements and profit and loss sharing bank balances. To enhance the earning potential of the Fund, the Fund invests in variable rate instruments as most of the instruments currently available are indexed to KIBOR. The Fund monitors the interest rate environment on a regular basis. Other risk management procedures are the same as those mentioned in the credit risk management

At 30 June, details of the interest rate profile of the Fund's interest bearing financial instruments were as follows:

	2016	2015
	(Rupees	in '000)
Variable rate instruments		
Bank balances	37,849	26,463
Debt certificates		17,932
	37,849	44,395

None of the financial liabilities carry any interest rate risk.

a) Cash flow Sensitivity analysis for variable rate instruments

In case of change of 100 basis points in KIBOR on 30 June 2016, the net assets of the Fund would have been lower/ higher by Rs. 0.38 million (2015: 18 million) with consequential effect on net income for the year. The analysis assumes that all other variables remain constant.

The composition of the Fund's financial instruments, interest rates are expected to change overtime. Accordingly, the sensitivity analysis prepared as of 30 June 2016 is not necessarily indicative of the effect on the fund's net assets of future movements in interest rates

A summary of the Fund's interest rate gap position, categorised by the earlier of contractual re-pricing or maturity date, is as follows:

Assets	Markup /Profit (%)	Less than one month	One to three months	30 June 2016 Three months to one year (Rupees in '000)	More than one year	Total
Bank balances Total assets	4.25%-6.25%	38,294 38,294	<u>-</u>	<u>-</u>	<u>-</u>	38,294 38,294
Assets	Markup /Profit (%)	Less than one month	One to three months	30 June 2015 Three months to one year (Rupees in '000)	More than one year	Total
Bank balances Investments Total assets	5.63%-6.45% 9.19%	27,288 - 27,288	- - -	17,932 17,932	- - -	27,288 17,932 45,220

None of the fund's financial liabilities are subject to interest rate risk.

Other price risk

Other price risk is the risk of unfavourable changes in the fair value of equity securities and units of mutual funds as a result of changes in the levels of respective indices and the value of individual securities. This arises from the investment held by the Fund for which prices in the future are uncertain. The Fund's policy is to manage price risk through diversification and selection of securities within specified limits set by internal risk management guidelines.

- The Fund manages this risk by limiting its investment exposure in the following ways:
- 10% of NAV or index weight of a single security, subject to a maximum limit of 15%, whichever is higher.
- higher of 30% of NAV or index weight of a single stock exchange sector, subject to a maximum limit of 35% of NAV.

A summary analysis of local investments by industry sector, the percentage in relation to Fund's assets is presented in note 8.1 to these financial statements. Further, the Fund's policy requires that the overall Fund position is monitored on a daily basis by the Fund Manager and is reviewed on bi-monthly basis by the Investment Committee and by the Board of Directors in every meeting of the Board. Non-compliance with the Fund's investment policies is reported to the Board of Directors.

As at 30 June, the fair value of equity securities exposed to price risk are disclosed in notes 8.1.

Sensitivity analysis

The following table illustrates the sensitivity of the Fund's net asset value attributable to unit holders and net profit for the year to change of 10% in the fair values of the Fund's investment in equity securities as at 30 June 2016. This level of change is considered to be reasonably possible and represents management's best estimate of a reasonable possible shift in respective market indices and resulting increase/decrease in fair value of the Fund's investment in equity securities.

Effect on income statement, net assets attributable to unit holders of an increase in index

Equity investments

2016 2015 (Rupees in '000)

Equity investments

2016 2015 (Rupees in '000)

A decrease of 10 % would have equal but opposite effect to the amounts shown above, on the basis that all other variable remains same.

24.4 Unit Holders' Fund risk management

Management's objective when managing unit holders' funds is to safe guard the Fund's ability to continue as a going concern so that it can continue to provide optimum returns to its unit holders' and to ensure reasonable safety of unit holders' funds.

The Management Company manages Fund's investment portfolio and other assets by monitoring return on net assets and makes adjustments to it in the light of changes in markets' conditions. The unit holders' funds structure depends on the issuance and redemption of units.

25. Fair value of financial instruments

The Fund's accounting policy on fair value measurements is discussed in note 4.2.

Fair value hierarchy

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Fair value measurements using inputs for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyses financial instruments measured at fair value at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised as at 30 June.

30 June 2016	Level 1	Level 2 (Rupees i	Level 3 n '000)	Total

Trustee	Central Depository Company of Pakistan Ltd.		

MARKET REVIEW

Financial Year 2016 turned out to be quite an eventful year for the stock market. The year initiated with continued foreign investors' selling which dragged the market down during the first half but positive developments later like continued monetary easing by the SBP (whereby the policy rate was slashed by 75bps cumulatively and brought down to 5.75%) and reclassification of Pakistan in MSCI's emerging

markets category (after eight years) provided the much needed impetus to keep the investors' confidence intact and drive the market to new highs.

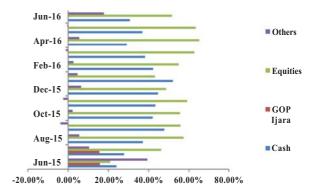

Despite a total net sell of USD 282 million by foreigners during the Financial Year 2016, the KMI-30 Index of Shariah-compliant equity securities posted a return of 15.53% or 8,891.43 points to close at 66,162.77 points, reflecting the consistently improving macroeconomic fundamentals of Pakistan as well as the potential inherent in the market which has kept it resilient so far. The benchmark KMI-30 Index reached its highest peak of 67,519.80 points and touched low of 51,626.03 points during the year under review. The average daily traded volume of shares reached 55.29 million during the year.

The State Bank of Pakistan (SBP) carried out three IjarahSukuk auctions during Financial Year 2016 cumulatively amounting to Rs. 314 billion, it is important to note that a total of six GoP IjarahSukuks amounting to Rs. 277 billion also matured during the year.

Fund Performance Review

The Fund generated a net return of 1.66% for the Financial Year 2016. As on June, 30 2016, the Fund was invested up to 51.60% in Shariah compliant equities and 30.65% washeld as cash in banks.

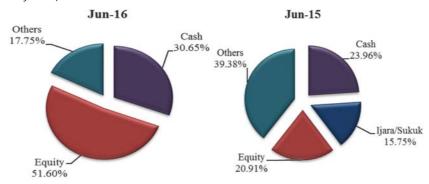

During the year under review, the Fund earned gross income of Rs. 7.98 million of which Rs. 0.24 million was attributed to net realized loss from sale of equity securities, whereas Rs. 3.35 million was earned as dividend income.

Details of Fund's Gross Income are provided below:

	Rs. In million		
Profit on Bank Deposits	1.82	23%	
Income from Debt Securities	0.27	3%
