REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICE OF CODE OF CORPORATE GOVERNANCE

We have reviewed the statement of compliance with the best practice contained in the Code of Corporate Governance prepared by the Board of Directors of Apollo Textile Mills Limited ("the Company") to comply with the listing Regulation No. 35 of Karachi, Lahore and Islamabad Stock Exchanges.

The responsibility for compliance with the code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliances can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliances with the provision of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company's personal and review of various documents prepared by the Company to comply with the code.

As part of our audit of financial statement we are required to obtain an understanding of the accounting and internal control system sufficient to plan the audit and develop an effective audit approach. We have not carried out any special review of the internal control system to enable us to express an opinion as to whether the Board's statement on internal controls, covers all controls and the effectiveness of such internal control, the Company's Corporate Governance procedure and risks.

Further, Sub-Regulation (X) of Listing Regulation No. 35 notified by Karachi, Lahore and Islamabad Stock Exchanges requires the Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arms length transaction which are not executed at arms length, price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the Audit Committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transaction before the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arms price or not.

Base on our review, we are unable to express any comments that the Company's records reflect the company's compliances in all material respects and with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended June 30, 2014.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of **Apollo Textile Mills Limited** as at 30 June 2014 and the related profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards as applicable in Pakistan and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that-

1. As disclosed in note 15.1 and 15.2 of the financial statements where it has been mentioned that the stock of raw cotton and cotton yarn was misappropriated by the banks and their muqqadams amounted to Rs. 250,877,333 and Rs. 989,382,159 respectively which were pledged with the various financial institutions. The Company has filed suits against them in high court for the recovery of value of misappropriated stocks as disclosed in the aforesaid note. We would also like to draw your attention towards note 12.1.1 to 12.1.8 which describes the matter relating to the stock and the pending suits filed by and against the Company.
2. As disclosed in note 12.1.1 to 12.1.8 of the financial statement where it has been mentioned that there are suits filed against the company. If the suits are decided against the company, it would not be able to continue as a going concern.
3. We have sent various confirmations to Banks / Financial institutions and legal advisors for the confirmation of long term finance margin on bank guarantees, liabilities against subject to finance lease, short term finance, and bank balances and contingences and commitments reported in the financial statements However, we did not receive any replies from them.
4. The Company has not charged finance cost on long term finance, short term finance and finance lease obtained from banks / financial institutions and also the current maturity of long term finances has not been made in the financial statements by the company.
5. The Company is following revaluation model to value land & buildings and plant and machinery as per the requirement of IAS 16. However, the company has not carried out any revaluation since May 31, 2005.
6. The Company is operating unfunded gratuity scheme and is following actuarial valuation to calculate provision as per requirement of IAS- 19. However, the Company has not carried out actuarial valuation since June 30, 2009.
7. We are unable to obtain appropriate evidence as to the some of the assets and liabilities.

NAZIR CHAUDHURI & CO.
CHARTERED ACCOUNTANTS

4-Karachi Chambers, Hasrat Mohani Road, P.O Box 5061 Karachi- 74000
Tel: 2412778 / 2412779 Fax: 2419452 E-mail: raoco@super.net.pk

8. We are unable to perform Physical stock and cash count observation due to recent appointment as statutory auditor of the Company.

As a result of the matters stated above, we were unable to determine whether any adjustments might have been found necessary in respect of recorded or unrecorded inventories, long term finances, margin on bank guarantees, short term finances, liabilities against subject to finance lease and property plant and equipment and the elements making up the profit and loss account, statement of comprehensive income, cash flow statements and statement of changes in equity.

Because of the significance matters discussed in paragraph 1-8 above, we are unable to form an opinion as to whether:

- (a) proper books of account have been kept by the Company as required by the Companies Ordinance, 1984;
- (b) i) the balance sheet and profit and loss account together with the note thereon have been drawn up in conformity with the companies ordinance, 1984 and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
- ii) the expenditure incurred during the year was for the purpose of the Company's business; and
- iii) the business conducted, investment made and the expenditure incurred during the year were in accordance with the object of the Company.
- (c) the balance sheet, profit and loss account, statement of comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2014 and of the loss, comprehensive income, its cash flows and changes in equity for the year then ended; and
- (d) in our opinion no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980.

CHIEF EXECUTIVE 

DIRECTOR 

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

1 Status and Nature of Business

Apollo Textile Mills Limited (the Company) was incorporated in Pakistan on August 09, 1973 as a public limited company under Companies Act 1913 (now Companies Ordinance 1984) and started commercial production on November 16, 1976. The Company is principally engaged in the manufacturing and sale of cotton yarn. The Company is listed on the Karachi, Lahore and Islamabad Stock Exchanges.

The financial statements are presented in Pak Rupee, which is the Company's functional and presentation currency.

2 Basis of Preparation

a) Statement of Compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the provisions or directives of the Companies Ordinance, 1984 shall prevail

b) Accounting Convention

These financial statements have been prepared under the historical cost convention except for the certain financial instruments carried at fair value.

c) Critical accounting estimates and judgments

The preparation of financial statements in conformity with the approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgments were exercised in application of accounting policies are as follows:

Financial instruments

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques based on assumptions that are dependent on conditions existing at balance sheet date.

Useful lives, patterns of economic benefits and impairments

Estimates with respect to residual values and useful lives and pattern of flow of economic benefits are based on the analysis of the management of the Company. Further, the Company reviews the value of assets for possible impairment on an annual basis. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with a corresponding effect on the depreciation charge and

Inventories

Net realizable value of inventories is determined with reference to currently prevailing selling prices less estimated expenditure to make sales.

Taxation

In making the estimates for income tax currently payable by the Company, the management takes into account the current income tax law and the decisions of appellate authorities on certain issues in the past.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

Provision for doubtful debts

The Company reviews its receivable against any provision required for any doubtful balances on an ongoing basis. The provision is made while taking into consideration expected recoveries, if any.

Impairment of investments in subsidiaries and equity method accounted for associated companies

In making an estimate of recoverable amount of the Company's investments in subsidiaries and equity method accounted for associated companies, the management considers future cash flows.

d) Amendments to published approved standards that are effective in current year and are relevant to the Company

The following amendments to published approved standards are mandatory for the Company's accounting periods beginning on or after 01 July 2013:

IFRS 7 (Amendment) 'Financial Instruments: Disclosures' (effective for annual periods beginning on or after 01 January 2013). The International Accounting Standards Board (IASB) has amended the accounting requirements and disclosures related to offsetting of financial assets and financial liabilities by issuing amendments to IAS 32 'Financial Instruments: Presentation' and IFRS 7. These amendments are the result of IASB and US Financial Accounting Standard Board undertaking a joint project to address the differences in their respective accounting standards regarding offsetting of financial instruments. The application of the amendments does not result in any impact on profit or loss, other comprehensive income and total comprehensive income.

On 17 May 2012, IASB issued Annual Improvements to IFRS: 2009 – 2011 Cycle, incorporating amendments to five IFRS more specifically in IAS 1 'Presentation of Financial Statements' and IAS 32 'Financial instruments: Presentation' that are considered relevant to the Company's financial statements. These amendments are effective for annual periods beginning on or after 01 January 2013. The application of the amendments does not result in any impact on profit or loss, other comprehensive income and total comprehensive income.

e) Standards, interpretation and amendments to published standards that are effective in current year but not relevant to the Company.

There are other standards, new interpretation and amendments to published standards that are mandatory for accounting periods beginning on or after 01 July 2013 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

f) Standards, interpretations and amendments to published standards that are not yet effective but relevant to the Company

Following standard, interpretation and amendments to existing standards have been published and are mandatory for the Company's accounting periods beginning on or after 01 July 2014 or later periods:

IFRS 9 'Financial Instruments' (effective for annual periods beginning on or after 01 January 2018). A finalized version of IFRS 9 which contains accounting requirements for financial instruments, replacing IAS 39 'Financial Instruments: Recognition and Measurement'. Financial assets are classified by reference to the business model within which they are held and their contractual cash flow characteristics. The 2014 version of IFRS 9 introduces a 'fair value through other comprehensive income' category for certain debt instruments. Financial liabilities are classified in a similar manner to under IAS 39, however there are differences in the requirements applying to the measurement of an entity's own credit risk. The 2014 version of IFRS 9 introduces an 'expected credit loss' model for the measurement of the impairment of financial assets, so it is no longer necessary for a credit event to have occurred before a credit loss is recognized. It introduces a new hedge accounting model that is designed to be more closely aligned with how entities undertake risk management activities when hedging financial and non-financial risk exposures. The requirements for the derecognition of financial assets and liabilities are carried forward from IAS 39. The management of the Company is in the process of evaluating the impacts of the aforesaid standard on the Company's financial statements.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

IFRS 10 'Consolidated Financial Statements' (effective for annual periods beginning on or after 01 January 2015). Concurrent with the issuance of IFRS 10, the IASB has also issued IFRS 11 'Joint Arrangements', IFRS 12 'Disclosure of Interests in Other Entities', IAS 27 (revised 2011) 'Consolidated and Separate Financial Statements' and IAS 28 (revised 2011) 'Investments in Associates'. The objective of IFRS 10 is to have a single basis for consolidation for all entities, regardless of the nature of the investee, and that basis is control. The definition of control includes three elements: power over an investee, exposure or rights to variable returns of the investee and the ability to use power over the investee to affect the investor's returns. IFRS 10 replaces those parts of IAS 27 'Consolidated and Separate Financial Statements' that address when and how an investor should prepare consolidated financial statements and replaces Standing Interpretations Committee (SIC) 12 'Consolidation – Special Purpose Entities' in its entirety. The management of the Company is in the process of evaluating the impacts of the aforesaid standard on the Company's financial statements.

Amendments to IFRS 10, IFRS 11 and IFRS 12 (effective for annual periods beginning on or after 01 January 2015) provide additional transition relief in by limiting the requirement to provide adjusted comparative information to only the preceding comparative period. Also, amendments to IFRS 12 eliminate the requirement to provide comparative information for periods prior to the immediately preceding period.

IFRS 12 'Disclosures of Interests in Other Entities' (effective for annual periods beginning on or after 01 January 2015). This standard includes the disclosure requirements for all forms of interests in other entities, including joint arrangements, associates, special purpose vehicles and other off-balance sheet vehicles. This standard is not expected to have a material impact on the Company's financial statements.

IFRS 13 'Fair value Measurement' (effective for annual periods beginning on or after 01 January 2015). This standard aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across IFRSs. The requirements, which are largely aligned between IFRSs and US GAAP, do not extend the use of fair value accounting but provide guidance on how it should be applied where its use is already required or permitted by other standards within IFRSs or US GAAP. This standard is not expected to have a material impact on the Company's financial statements.

IFRS 15 'Revenue from Contracts with Customers' (effective for annual periods beginning on or after 01 January 2017). IFRS 15 provides a single, principles based five-step model to be applied to all contracts with customers. The five steps in the model are: identify the contract with the customer; identify the performance obligations in the contract; determine the transaction price; allocate the transaction price to the performance obligations in the contracts; and recognize revenue when (or as) the entity satisfies a performance obligation. Guidance is provided on topics such as the point in which revenue is recognized, accounting for variable consideration, costs of fulfilling and obtaining a contract and various related matters. New disclosures about revenue are also introduced. The management of the Company is in the process of evaluating the impacts of the aforesaid standard on the Company's financial statements.

Amendments to IFRS 10, IFRS 12 and IAS 27 (effective for annual periods beginning on or after 01 January 2015) provide 'investment entities' an exemption from the consolidation of particular subsidiaries and instead require that: an investment entity measure the investment in each eligible subsidiary at fair value through profit or loss; requires additional disclosures; and require an investment entity to account for its investment in a relevant subsidiary in the same way in its consolidated and separate financial statements. The management of the Company is in the process of evaluating the impacts of the aforesaid amendments on the Company's financial statements.

IAS 16 (Amendments) 'Property, Plant and Equipment' (effective for annual periods beginning on or after 01 January 2016). The amendments clarify that a depreciation method that is based on revenue that is generated by an activity that includes the use of an asset is not appropriate for property, plant and equipment; and add guidance that expected future reductions in the selling price of an item that was produced using an asset could indicate the expectation of technological or commercial obsolescence

of the asset, which, in turn, might reflect a reduction of the future economic benefits embodied in the asset. However, the amendments are not expected to have a material impact on the Company's financial statements.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

IAS 32 (Amendments) 'Financial Instruments: Presentation' (effective for annual periods beginning on or after 01 January 2014). Amendments have been made to clarify certain aspects because of diversity in application of the requirements on offsetting, focused on four main areas: the meaning of 'currently has a legally enforceable right of set-off'; the application of simultaneous realization and settlement; the offsetting of collateral amounts and the unit of account for applying the offsetting requirements. However, the amendments are not expected to have a material impact on the Company's financial statements.

IAS 36 (Amendments) 'Impairment of Assets' (effective for annual periods beginning on or after 01 January 2014). Amendments have been made in IAS 36 to reduce the circumstances in which the recoverable amount of assets or cash-generating units is required to be disclosed, clarify the disclosures required and to introduce an explicit requirement to disclose the discount rate used in determining impairment (or reversals) where recoverable amount (based on fair value less costs of disposal) is determined using a present value technique. However, the amendments are not expected to have a material impact on the Company's financial statements.

On 12 December 2013, IASB issued Annual Improvements to IFRSs: 2010 – 2012 Cycle, incorporating amendments to seven IFRSs more specifically in IFRS 8 'Operating Segments' and IFRS 13 'Fair Value Measurement', which are considered relevant to the Company's financial statements. These amendments are effective for annual periods beginning on or after 01 July 2014. These amendments are unlikely to have a significant impact on the Company's financial statements and have therefore not been analyzed in detail.

On 12 December 2013, IASB issued Annual Improvements to IFRSs: 2011 – 2013 Cycle, incorporating amendments to four IFRSs more specifically in IFRS 13 'Fair Value Measurement', that is considered relevant to the Company's financial statements. These amendments are effective for annual periods beginning on or after 01 July 2014. These amendments are unlikely to have a significant impact on the Company's financial statements and have therefore not been analyzed in detail. IFRIC 21 'Levies' (effective for annual periods beginning on or after 01 January 2014). The interpretation provides guidance on when to recognize a liability for a levy imposed by a government, both for levies that are accounted for in accordance with IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' and those where the timing and amount of the levy is certain. The Interpretation identifies the obligating event for the recognition of a liability as the activity that triggers the payment of the levy in accordance with the relevant legislation. However, the interpretation is not expected to have a material impact on the Company's financial statements.

g) **Standard and amendments to published standards that are not yet effective and not considered relevant to the Company.**

There are other standard and amendments to published standards that are mandatory for accounting periods beginning on or after 01 July 2014 but are considered not to be relevant or do not have any significant impact on the Company's financial statements and are therefore not detailed in these financial statements.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated:

3.1 Staff Benefits

3.1.1 Defined benefit plan - Gratuity Scheme

The Company operates an unfunded gratuity scheme for all its employees. These benefits are payable to employees on completion of prescribed qualifying period of service under the scheme.

Liability in respect of gratuity payable to employees has been fully provided for in these accounts on the basis of actuarial valuation and is charged to profit and loss account.

Projected unit credit method, using following significant assumptions, is used for determining the liability.

Discount rate	2%
Expected rate of salary increase	1%

Actuarial gain and losses are recognized as per the recommendation in actuarial valuation report. The most recent valuation was carried out as of June 30, 2009.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

3.2 Leases

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. Assets held under finance leases are recognized as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lesser is included in the balance sheet as liability against assets subject to finance lease. The liabilities are classified as current and long-term depending upon the timing of payment. Lease payments are apportioned between finance charges and reduction of the liability against assets subject to finance lease so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit and loss account, unless they are directly attributable to qualifying assets, in which case they are capitalized in accordance with the Company.

3.3 Trade And Other Payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services received whether billed to the Company or not.

3.4 Taxation

3.4.1 Current

Provision for current taxation is based on taxable income for the year at the current rates of taxation after taking into account tax credits and rebates available, if any, or minimum taxation at the rate of one percent of the turnover whichever is higher. However, for income covered under final tax regime, taxation is based on applicable tax rates under such regime.

3.4.2 Deferred

Deferred tax is recognized using the balance sheet liability method, providing for all the temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. In this regard, the effects on deferred taxation of the portion of income subject to final tax regime is also considered in accordance with the requirement of Technical Release-27 of Institute of Chartered Accountants of Pakistan.

Deferred tax liabilities are recognized for all temporary differences. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which temporary difference can be utilized. Deferred tax asset are reviewed at each reporting date and are reduced to the extent that is no longer probable that the related tax benefits will be realized.

3.5 Property, Plant And Equipment

3.5.1 Owned

These are stated at cost / revalued amounts less accumulated depreciation. Depreciation is charged to profit and loss account applying the reducing balance method at the rates specified in fixed assets except for land, building and plant and machinery, which are stated at revalued amount. An amount equal to the incremental depreciation charged during the year net of deferred tax on revalued assets is transferred from the surplus on revaluation of fixed assets to unappropriated profit.

Depreciation is charged from the date the asset is put into operation and discontinued from the date the asset is retired.

Gains or losses on disposal of items of property, plant and equipment are dealt through the profit and loss account. Normal repair and maintenance are charged to expenses as and when incurred. Major renewals and replacements are capitalized and the assets so replaced, if any, are retired.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

3.5.2 Capital work in progress

Capital work-in-progress is stated at cost. All expenditures connected to the specific assets incurred during installation and construction period are carried under capital work-in-progress. These are transferred to specific assets as and when assets are available for use.

3.5.3 Leased

Leased assets are depreciated over their expected useful lives on the same basis as owned assets.

3.5.4 Impairment of asset

The carrying amount of the company's assets are reviewed at each balance sheet date to identify circumstances indicating concurrence of impairment loss or reversal of previous impairment losses. If any such indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversal of impairment losses are recognized in the profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

3.6 Stores and spares

Stores and spares are valued at lower of cost and net realizable value less allowance for the obsolete and slow moving items. Cost is determined using moving average method.

Provision for obsolete and slow moving stores, spares and loose tools is determined based on management's estimate regarding their future usability.

Items in transit/bond are valued at cost comprising invoice value plus other charges incurred thereon up to the balance sheet date.

Net realizable value signifies the estimated selling price in the ordinary course of business less the estimated costs necessary to be incurred to make the sale.

3.7 Stock in trade.

Stock in trade is valued at the lower of cost and net realizable value

Cost incurred in bringing each product to its present location and condition are accounted for as follows.

Raw and packing material except in transit/bond

at purchase cost on weighted average basis.

Finished goods and work in process

average production cost which includes cost of :

- Direct material
- Direct expense
- Overheads

Waste stock value is determined by net realizable value.

Items in transit/bond are valued at cost comprising invoice value plus other charges incurred thereon up to the balance sheet date.

Net realizable value signifies the estimated selling price in the ordinary course of business less cost necessary to be incurred to make the sale.

3.8 Trade Debts

Trade debts are recognized at fair value of consideration receivable. Debts considered irrecoverable are written off and provision is made against those considered doubtful of recovery.

3.9 Foreign Currencies Translations

Pakistan rupee (PKR) is the functional currency of the Company. Monetary assets and liabilities in foreign currencies are translated into Pak Rupees at the rates of exchange prevailing at the balance sheet date except for those covered by forward contracts, which are stated at contracted rates. Foreign currency transactions are translated into Pak Rupees at the rate of exchange prevailing at the date of transaction except for those covered by forward contracts, which are translated at contracted rates. Exchange gain and loss on translation are taken to profit and loss account.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

3.10 Cash and Cash Equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purpose of cash flow statement, cash and cash equivalents include cash in hand and with bank. The fair value of cash and cash equivalents approximates their carrying amount.

3.11 Revenue Recognition

Revenue is recognized to the extent that is probable that the future economic benefits will flow to the Company and the revenue can be measured reliably. Revenue is measured at the fair value of consideration received or receivable on the following basis:

Sales are recorded as revenue when the title of the goods is transferred to the customer which normally corresponds with the dispatch of goods to customers.

3.12 Provisions

Provisions are recognized when the company has a present legal or constructive obligation as a result of past events, it is probable that an out flow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made. Provision are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

3.13 Borrowing Costs

Borrowing costs are recognized as an expense in the period in which they are Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the asset.

3.14 Related Party Transactions

Transaction with related parties are carried out on commercial terms and conditions.

3.15 Other Financial Assets And Liabilities

All other financial assets and financial liabilities are recognized at the time when the company becomes a party to the contractual provisions of the instrument. Any gain or loss on the recognition and derecognition of the financial assets and financial liabilities are included in the profit and loss account of the current year. All financial assets and financial liabilities, other than disclosed above, are carried at amortized cost. The fair value of these approximate their carrying amount.

3.16 Offsetting Of Financial Assets And Financial Liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to set-off the recognized amounts and the Company intends to either settle on a net basis, or to realize the asset and settle the liability simultaneously and the same is required or permitted by IAS / IFRS or interpretations thereof.

3.17 Proposed Dividends And Transfer Between Reserves

Dividend distribution to the Company's shareholders is recognized as a liability in the period in which dividends are approved. Transfer between reserves made subsequent to the balance sheet date is considered as non-adjusting event and is recognized in the financial statement in the period in which such transfer are made.

30 Capacity And Production

The production capacity of the plant cannot be determined as this depends upon relative proportion of various products and products components.

31 Financial Instruments And Related Disclosures

Financial risk management

The Board of Directors of the Company has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has exposure to the following risk from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

31.1 Credit Risk

Exposure to credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the trade debts, loans and advances, trade deposits and other receivables. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows:

	2014 Rupees	2013 Rupees
Trade debtors - unsecured, considered good	86,383,828	337,356,911
Loans and advances	26,167,289	39,056,012
Trade deposits	53,855,962	52,425,234
Other receivables	1,950,409	1,950,409
Cash and bank balances	<u>7,907,265</u>	<u>20,710,908</u>

31.1.1 The maximum exposure to credit risk for trade debts amounting to Rs.86.38 million (2013: Rs.337 million), at the balance sheet date by geographic region is as follows:

Domestic	16,692,624	64,409,054
Export	69,691,204	272,947,857
	<u>86,383,828</u>	<u>337,356,911</u>

31.1.2 Based on the past experience, consideration of financial position, past track records and recoveries, the Company believes that trade debtors past due up to one year do not require any impairment and no impairment allowance is necessary in respect of remaining portion of past due over one year.

APOLLO TEXTILE MILLS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2014

31.2 Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach to manage liquidity is to ensure as far as possible to always have sufficient liquidity to meet its liabilities when due. In addition, the Company has obtained various financing facilities from financial institutions and banks. Based on the above, management believes that Company is not presently exposed to liquidity risk.

The details of company's interest/markup and non-interest markup bearing liabilities are as follows:

	Interest Bearing			Non-Interest Bearing			Jun-14	Jun-13
	Less than one year	One to five years	Sub total (a)	Less than one year	One to five	Sub total (a)	Total	Total
Financial Liabilities								
Long term finances-secured	63,936,000	392,915,253	456,851,253	-	-	-	456,851,253	456,851,253
Liabilities against assets subject to finance lease	13,719,441	5,545,043	19,264,484	-	-	-	19,264,484	19,264,484
Trade and other payables	-	-	-	58,598,598	-	58,598,598	58,598,598	222,715,820
Short term bank finances-secured	1,153,888,574	-	1,153,888,574	-	-	-	1,153,888,574	1,153,888,574
Accrued markup	-	-	-	239,712,219	-	239,712,219	239,712,219	239,712,219
	<u>1,231,544,015</u>	<u>398,460,296</u>	<u>1,630,004,311</u>	<u>298,310,817</u>	<u>-</u>	<u>298,310,817</u>	<u>1,928,315,128</u>	<u>2,092,432,350</u>

31.3 Market Risk

Market risk is the risk that the value of the financial instrument may fluctuate as a result of changes in market interest rates or the market price due to a change in credit rating of the issuer or the instrument, change in market sentiments, speculative activities, supply and demand of securities and liquidity in the market. The Company is not exposed to any market risk.

31.3.1 Interest Rate Risk

Interest rate risk arises from the possibility that changes in interest rates will effect the value of financial instruments. The Company has adopted appropriate policies to minimize its exposure to this risk.

31.3.2 Foreign Exchange Risk

Foreign exchange risk is the risk of loss through change in foreign exchange rates. The Company is exposed to foreign exchange due to transactions denominated in foreign currencies.

31.4 Fair Value Of Financial Assets And Liabilities

The carrying amounts of all financial assets and liabilities reflected in the financial statements approximate their fair value.

The fair value of financial instruments traded in active markets is based on quoted market prices at the balance sheet date. However, the company does not hold any quoted financial instrument.

The financial instruments that are not traded in active market are carried at cost and are tested for impairment according to IAS 39 'Financial Instruments: Recognition and Measurement'.

The carrying amount less impairment provision of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the company for similar financial instruments.

31.5 Capital Risk Management

The objective of the Company when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders and benefit for other stakeholders; and to maintain a strong capital base to support the sustained development of its business.

The Company manages its capital structure by monitoring return on net assets and makes adjustment to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to the shareholders or issue bonus / new shares.

32 Accounting Estimates & Judgments

The company makes estimates and assumptions that effect the reported amounts of assets and liabilities within the next financial year. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

32.1 Trade Debtors

The Company reviews its receivables against provision required there on an ongoing basis. The provision is made taking into consideration expected recoveries, if any.

32.2 Income Taxes

In making the estimates for income taxes currently payable by the company the management considers the current income tax law and decision of appellate authorities on certain issues in the past.

32.3 Defined retirement benefit

The Company operates an unfunded gratuity scheme for all its permanent employees. Estimates of liability in respect of staff retirement gratuity (note J.1.1).

**APOLLO TEXTILE MILLS LIMITED
