The Independent director meets the criteria of independence under clause 5.19.1.(b) of the CCG

2. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including this company (excluding the listed subsidiaries of listed holding companies where applicable).
3. All the resident directors of the company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFII or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. Three casual vacancies occurring on the board on 09-Oct-2015, 29-Feb-2016 & 16-May-2016 were filled up by the directors on 30-Oct-2015, 25-March-2016 & 03-June-2016 respectively.
5. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
6. The board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, other executive and non-executive directors, have been taken by the board/shareholders.
8. The meetings of the board were presided over by the Chairman and, in his absence, by a director elected by the board for this purpose and the board met at least once in every quarter. Written notices of the board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.

9. The members of the Board are well conversant with the listing regulations, legal requirements and operational imperatives of the Company, and as such are fully aware of their duties and responsibilities. At present, one Director has acquired the formal Director's Training Certificate from the Pakistan Institute of Corporate Governance (PICG)
10. The board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
11. The directors' report for this year has been prepared in compliance with the requirements of the Code of Corporate Governance (CCG) and fully describes the salient matters required to be disclosed.
12. The financial statements of the company were duly endorsed by CEO and CFO before approval of the board.
13. The directors, CEO and executives do not hold any interest in the shares of the company other than that disclosed in the pattern of shareholding.
14. The company has complied with all the corporate and financial reporting requirements of the CCG.
15. The board has formed an Audit Committee. It comprises of three members, who are non-executive directors including the chairman of the committee.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the company and as required by the CCG. The terms of reference of the committee have been formed and advised to the committee for compliance.
17. The board has formed an HR and Remuneration Committee. It comprises of three members, of whom two are non-executive directors including the chairman of the committee.
18. The board has set up an effective internal audit function.
19. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of company's securities, was determined and intimated to directors, employees and stock exchange(s).
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange(s).
23. We confirm that all other material principles enshrined in the CCG have been complied with, except those which are not yet applicable.

REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the enclosed Statement of Compliance with the best practices contained in the Code of Corporate Governance ("the Code") prepared by the Board of Directors of **CAPITAL ASSETS LEASING CORPORATION LIMITED** ("the Company") for the year ended June 30, 2016 to comply with the requirements of Listing Regulations of Pakistan Stock Exchange where the Company is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code and report if it does not and to highlight any non-compliance with the requirements of the Code. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Code requires the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval its related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price and recording proper justification for using such alternate pricing mechanism. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code as applicable to the Company for the year ended June 30, 2016.

AUDITORS' REPORT TO THE MEMBERS

We have audited the annexed balance sheet of **CAPITAL ASSETS LEASING CORPORATION LIMITED** as at June 30, 2016 and the related profit and loss account, statement of other comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof, (here-in-after referred to as the financial statements) for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

It is the responsibility of the Company's management to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards and the requirements of the Companies Ordinance, 1984. Our responsibility is to express an opinion on these statements based on our audit.

We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the above said statements are free of any material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the above said statements. An audit also includes assessing the accounting policies and significant estimates made by management, as well as, evaluating the overall presentation of the above said statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that:

- a) in our opinion, proper books of accounts have been kept by the Company as required by the Companies Ordinance;
- b) in our opinion:
 - i) the balance sheet and profit and loss account together with the notes thereon have been drawn up in conformity with the Companies Ordinance, 1984, and are in agreement with the books of account and are further in accordance with accounting policies consistently applied;
 - ii) the expenditure incurred during the year was for the purpose of the company's business; and
 - iii) the business conducted, investments made and the expenditure incurred during the year were in accordance with the objects of the company.
- c) in our opinion and to the best of our information and according to the explanations given to us, the balance sheet, profit and loss accounts, statement of other comprehensive income, cash flow statement and statement of changes in equity together with the notes forming part thereof conform with approved accounting standard as applicable in Pakistan, and, give the information required by the Companies Ordinance, 1984, in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2016, and of the profit, its cash flow and changes in equity for the year then ended; and
- d) in our opinion no Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

Without qualifying our opinion we draw attention to note 1.2 of the accompanying financial statements. As more fully described in these notes, the leasing license of the company had expired and not renewed by the Securities and Exchange Commission of Pakistan under the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003, due to company's capital being below minimum capital required for a Non-Banking Financial Company (a leasing company licensed under the Non-Banking Companies and Notified Entities Regulation, 2008). The company has not advanced any lease facility since April 2008. However, as per new regulations recently promulgated, the company is now entitled, based on reduced capital requirements, to operate as a Non-deposit taking leasing company. Hence, it has applied for the license to operate as such after the year end.

Chief Executive Officer

Director

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2016

1. LEGAL STATUS AND OPERATIONS

- 1.1** The company CAPITAL ASSETS LEASING CORPORATION LIMITED was incorporated on April 1, 1992 in Pakistan as a public limited company and its shares are quoted on Pakistan Stock Exchange. The principal activity of the Company is to carry on leasing business. In addition, the company is also engaged in renting out of vehicles through its holding company.

The registered office of the company is situated at 14th Floor, Chapal Plaza, Hasrat Mohani Road, Karachi. The company is a subsidiary of M/s. Optimus Limited which holds 83.96% ordinary share capital of the company.

- 1.2** The company has been operating with an equity which is less than the statutory requirement and has stopped its leasing operations since April 2008. This had created significant doubt over company's ability to continue as a Non-Banking Financial Company (a leasing company licenced under the Non-Banking Companies and Notified Entities Regulation, 2008).

However, according to the Non-Banking Finance Companies and Notified Entities Regulations, 2008 as notified by the SECP through its S.R.O.1203 (I) 2008, dated November 21, 2008, and further amended through its SRO 764 dated September 2, 2009 the minimum equity requirement for the leasing companies has been enhanced. The existing leasing companies are required to increase their minimum equity to Rs. 700 million which has later been reduced to Rs. 500 million for deposit taking leasing companies through SRO 1160 of 2015, for non depository leasing companies it has been fixed at Rs.50.00 million. Hence, the management has subsequently applied for the leasing license as non depository leasing company under new NBFC Regulations.

2. BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan, the requirements of the Companies Ordinance, 1984 (the Ordinance), Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (the Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the Regulations). Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standard Board as are notified under the Companies Ordinance, 1984, provisions of and directives issued under the Companies Ordinance, 1984. In case requirements differ, the requirements of the Ordinance, the Rules, the Regulations or the directives issued by the Securities and Exchange Commission of Pakistan (SECP) shall prevail.

2.2 Critical Accounting estimates and judgments

The preparation of financial statements in conformity with IFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The matters involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant which have been disclosed in the respective notes to the financial statements include:

- Useful life and residual value of property and equipment
- Provision for doubtful receivables (Note 4.10)
- Taxation (Note 4.9)

Estimates and judgments are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

New or revised standards, amendments and interpretations to published approved accounting standards that are effective and relevant

Following amendments to existing standards and interpretations have been published and are mandatory for accounting periods beginning on January 1, 2015 and are considered to be relevant to the Company's operations:

IFRS 12, 'Disclosures of interests in other entities' includes the disclosure requirements for all forms of interests in other entities, including joint arrangements, associates, structured entities and other off balance sheet vehicles. The standard will affect the disclosures in the financial statements of the Company.

IFRS 13, 'Fair value measurement', aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across IFRSs. The requirements do not extend the use of fair value accounting but provide guidance on how it should be applied where its use is already required or permitted by other standards within IFRSs. The standard will affect the determination of fair value and its related disclosures in the financial statements of the Company.

New or revised standards, amendments and interpretations to published approved accounting standards that are effective but not relevant

The new standards, amendments and interpretations that are mandatory for accounting periods beginning on or after January 1, 2015 are considered not to be relevant to Company's financial statements and hence have not been detailed here.

New or revised standards, amendments and interpretations to published approved accounting standards that are not yet effective

New standards, amendments and interpretations that are mandatory for accounting periods beginning on or after January 1, 2016 are not yet effective and hence have not been detailed here.

3. OVER ALL VALUATION POLICY

The financial statements are prepared under the historical cost convention except as disclosed in the accounting policies below.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1 Net Investment in Finance Lease

Leases where the company transfers substantially all the risk and rewards incidental to ownership of the leased assets to the lessees, are classified as finance leases.

The lease asset is derecognized and the present value of the lease receivable is recognized on the balance sheet. The difference between the gross receivable and the present value of the lease receivable is recognized as unearned finance income.

Each lease payment received is applied against the gross investment in the finance lease receivable to reduce both the principal and unearned finance income. The finance income is recognized in the income statement on a basis that reflects a constant periodic rate of return on the net investment in the finance lease receivable.

4.2 Property, Plant and Equipment

4.2.1 Owned

Tangible

These are stated at cost less accumulated depreciation. Depreciation is charged to income applying the straight line method. The rates of depreciation are given in note 11. With respect to Vehicles plying for hire, a residual value has been estimated equal to expected recoverable value at the end of its useful life while for other assets residual value is considered zero.

On additions, depreciation is charged from the month in which assets are put to use and on disposals up to the month immediately preceding the disposal. Maintenance and normal repairs are charged to income as and when incurred. Major renewals and improvements are capitalized and the assets so replaced, if any, are retired. Gains or losses on disposal of assets are taken to the income statement.

Intangible

Intangibles are stated at cost less accumulated amortization and impairment, if any. These costs are amortized over their estimated useful life of three years using the straight-line method.

4.2.2 Leased

Finance leases, which transfer to the Company substantially all the risks and benefits incidental to the ownership of the leased item, are capitalized at inception of the lease at fair value of the leased property or, if lower, at present value of the minimum lease payments.

"Assets acquired under finance lease are depreciated over the useful life of the assets on the same basis as that of owned assets."

A sale and leaseback transaction is one where the Company sells an asset and immediately reacquires the use of that asset by entering into a lease with the buyer. The accounting treatment of the sale and leaseback depends upon the substance of the transaction and whether or not the sale was made at the asset's fair value.

For sale and leasebacks, any profit from the sale is deferred and amortized over the lease term.

4.3 Obligation under finance lease

The Company accounts for assets acquired under financial leases by recording the assets and the related liabilities. The amounts are determined on the basis of discounted value of total minimum lease payments and residual value of the assets at the end of the lease period to be paid by the Company.

Financial charges are allocated to accounting periods in a manner so as to provide constant periodic rate of charge on the outstanding liability.

4.4 Ijarah

In Ijarah transaction significant portion of the risks and rewards of ownership are retained by the lesser. Islamic Financial Accounting Standard -2 (IFAS 2). 'Ijarah' requires the recognition of Ujrah Payments (Lease Rental) against Ijarah Financing as an expense in the profit and loss on a straight line basis over the Ijarah term.

4.5 Trade and other receivables

Trade and other receivables are recognized at fair value of consideration receivable. Debts considered irrecoverable are written off and provision is made against those considered doubtful of recovery.

4.6 Trade, accrued and other payables

Liabilities for trade and other amounts payable are carried at cost which is the fair value of the consideration to be paid in future for goods and services.

4.7 Staff retirement benefits

Effective July 01, 1998, the company operates an approved defined contribution provident fund covering all its permanent employees. Equal monthly contribution to the fund are made both by the company and by the employee at rate of 8.33% of basic pay.

4.8 Revenue Recognition

4.8.1 Income from leasing operations

The Company recognizes all direct leases, sale and leaseback and hire purchase contracts of financing nature as finance leases. The total unearned income which consists of excess of aggregate lease rentals and residual value over the cost of the leased asset is deferred and amortized to income over the lease term using annuity method so as to produce a systematic return on net investment in lease finance. Front-end fees, lease document fees, commitment, other charges and other income is accounted for on accrual basis.

4.8.2 Income from Vehicle Plying for Hire

Income from hire of vehicles is recognised upon performance of service based on the terms of the rental contract.

4.8.3 Morabaha and Short-term finances

Profit on Morabaha and short-term finances is recognized on prorata basis taking into account relevant buy-back date. Gain on sale of investments is taken to income in the period in which it arises. Income on bank deposits is recognized on accrual basis. Dividend income is recorded at the time of closure of share transfer books of the company declaring the dividends.

4.9 Taxation

4.9.1 Current

The charge for the current taxation is based on taxable income at the current rates of taxation after taking into account tax credits, rebates available, if any and adjustments for prior years.

4.9.2 Deferred

Deferred tax asset is provided using the balance sheet liability method for all temporary differences at the balance sheet date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax asset is recognized for all deductible temporary differences and carry forward of unused tax losses, if any, to the extent that it is probable that taxable profit will be available against which such temporary differences and tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

4.10 Provision for potential losses and provision for doubtful receivables

Provision for losses against lease, Morabaha finances, short term finances, long term advances is made according to the Non-Banking Finance Companies and Notified Entities Regulations, 2008. While the provision for other receivables is made on the best judgment of the management which in the opinion of the management represents the amount that is required to cover potential losses that can be reasonably anticipated. The allowance is increased by provision charged to income and decreased by charge-off and recoveries. The amounts are shown under respective heads as a deduction from gross amounts of receivables.

4.11 Cash and cash equivalents

Cash and cash equivalents are carried in the balance sheet at cost. For the purposes of the cash flow statement, cash and cash equivalents comprise cash in hand, with banks on current and savings accounts, term deposits with maturities of three months or less and short term running finance.

4.12 Impairment

The carrying values of assets or cash-generating units are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable. If any such indication exists and where the carrying values exceed the estimated recoverable amount, the assets or cash-generating units are written down to their recoverable amount and the resulting impairment is charged to profit and loss account.

4.13 Financial Instruments

Financial Assets

The Company classifies its financial assets in the following categories: at fair value through profit or loss, loans and receivables, available for sale and held to maturity. The classification depends on the purpose for which the financial assets were acquired. Management determines the classification of its financial assets at initial recognition.

a) Financial assets at fair value through profit or loss

Financial assets at fair value through profit or loss are financial assets held for trading and financial assets designated upon initial recognition as at fair value through profit or loss. A financial asset is classified as held for trading if acquired principally for the purpose of selling in the short term. Assets in this category are classified as current assets.

b) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for maturities greater than twelve months after the balance sheet date, which are classified as non-current assets. Loans and receivables comprise trade debts, loans, advances, deposits, other receivable and cash and bank balances in the balance sheet.

c) Available-for-sale financial assets

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless the investment matures or management intends to dispose of the investments within twelve months from the balance sheet date. These comprise investment in shares.

d) Held to maturity

Financial assets with fixed or determinable payments and fixed maturity, where management has intention and ability to hold till maturity are classified as held to maturity.

All financial assets are recognised at the time when the Company becomes a party to the contractual provisions of the instrument. Financial assets are initially recognised at fair value plus transaction costs except for financial assets at fair value through profit or loss. Financial assets are derecognised when the rights to receive cash flows from the assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership. Available-for-sale financial assets and financial assets at fair value through profit or loss are subsequently carried at fair value.

Financial Liabilities

All financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. Where an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in the profit and loss account.

Financial liabilities carried on the balance sheet include Medium term finances, short term finances under markup arrangements and trade and other payables.

4.14 Transactions with Related Parties

Transactions and contracts with the related parties are carried out at an arm's length price determined in accordance with permissible method of pricing.

Financial assets and liabilities are approximate to their fair values.

28.4 Financial assets and liabilities are approximate to their fair values.

28.5 Credit Risk

The Company's credit risk exposure is not significantly different from that reflected in the financial statements. The management monitors and limits company's exposure to credit risk through monitoring of clients' credit exposure, review and conservative estimates of provisions for potential lease losses and doubtful receivables and by obtaining securities/collateral for large amounts of credits. The management is of the view that it is not exposed to significant concentration of credit risk as its financial assets are adequately diversified in different avenues.

Breakdown of credit risk exposure by class of business is follows:

Class of Business	June 30, 2016		June 30, 2015
