PROFILE OF THE MEMBERS OF THE BOARD OF DIRECTORS

Syed Haroon Rashid
Chairman (Non-Executive Director)

Syed Haroon Rashid has over twenty years of experience in corporate finance and strategic management having worked in various financial as well as non-financial institutions. He started his career with the Experts Advisory Cell, a successor to the Board of Industrial Management, established to assist the Ministry of Production in the management & control, corporate planning and performance evaluation of public sector industrial enterprises in sectors ranging from fertilizer, automobiles, heavy engineering, chemicals, petroleum, cement to steel.

Subsequently, he served as Advisor with the Investment Corporation of Pakistan which was the first closed-end mutual fund established in Pakistan in the early 1960's. Later, he joined the ZaraiTaraqiati Bank Ltd. as part of a senior management team formed for the restructuring of the Bank where he served as Head, Restructuring (Project Loans) as well as Head, Project Implementation Unit of the Asian Development Bank. He played a major role in restructuring of corporate loan departments of the organization and worked to successfully revitalize them. He is also a training consultant with the National Institute of Banking and Finance, Islamabad (State Bank of Pakistan).

Syed Haroon Rashid has also served as NIT's (National Investment Trust) Director on Boards of various public listed companies. He is also a Certified Director of the IFC (World Bank Group) sponsored by Pakistan Institute of Corporate Governance (PICG)

Mr. Razak H. M. Bengali Managing Director / CEO (Executive Director)

Mr. Razak Haji Mohammed Bengali belongs to an industrialist family which has been in business since 1947. After graduating in First Class First Position in commerce from Karachi, he joined Siemens and proceeded to Germany where he received business education in German language and passed the examination of Industrial Businessmen (equivalent to MBA).

After coming back from Germany, he remained associated with his family business for about 30 years. At present, he is the Chief Executive of Baluchistan Wheels Limited (an engineering unit producing automotive steel wheel rims), which position he has been holding since July, 1998.

He has been the Chairman of Filament Yarn Manufacturers Association, and Vice President of the Employers Federation of Pakistan.

Also, he has been the President and Vice President of Pakistan German Business Forum (PGBF) for a long number of years. He made this institution active and vibrant which has the recognition and support of various Government organizations and the business people in Pakistan and in Germany.

He holds the membership of the following social bodies:

- 1. Member and Past President of Karachi Gymkhana
- 2. Member of Karachi Boat Club
- 3. Member of Rotary Club of Karachi Continental
- 4. Member of Defence Authority Country & Golf Club

Also, he has participated in various international seminars, and has widely traveled around the globe. Besides English and Urdu, he is well-versed in German language.

Mr. Muhammad Siddique Misri
Director Marketing / Business Development (Executive Director)

Mr. Muhammad Siddique Misri is a Graduate from Sindh University. After graduation, he proceeded to Saudi Arabia and started his business of trading, imports and distribution of food items from 1982 and captured a larger market share in this field in Saudi Arabia.

He came back to Pakistan and set up a food processing industry with the name of Zaiqa Food Industries in the year 1995. The unit is engaged in processing of spices and other foods items and in exports of the same to the gulf countries, the Middle East, the UK, the USA and the Canada. In the year 1998, he took over with the association of his friends the management of Baluchistan Wheels Limited, and since then he is involved in managing and running the company with dedication and hard-work. He is a man of wisdom and possesses business acumen.

He has been the member of Managing Committee of the Federation of Pakistan Chambers of Commerce & Industry. He has also served as the Chairman of Pakistan Association of Automotive Parts & Accessories Manufacturers (PAAPAM) and played an active role for the growth of Vending Industry as well as for the Auto Industry in the Country.

Mr. Muhammad Irfan Ghani Chief Operating Officer (Executive Director)

Mr. Muhammad Irfan Ghani joined Baluchistan Wheels Ltd as Chief Operating Officer (C.O.O) in the year 1996 and took the responsibility of planning and production. He has been instrumental in the balancing modernization and expansion of various Plant facilities at BWL. He has over 30 years of experience in the field of manufacturing, marketing & administration. He has been associated with various business groups. He is certified Director and had successfully completed Director's Training Programme from the Institute of the Chartered Accountants of Pakistan (ICAP).

Mr. Anis Wahab Zuberi Independent Director

Mr. Anis Wahab Zuberi is an Independent Director and he is a Chartered Accountant and a fellow of the Institute of the Chartered Accountants in England and Wales and Pakistan. He carries a vast experience of teaching, management of large scale industries, investment and financing. He has been associated with National Investment Trust (NIT) and has served on the Board of various companies as a nominee Director of NIT. He has attended various seminars and lectures in the process of continuing professional development and have been associated with Institute of Chartered Accountants of Pakistan (ICAP) Committee for Technical Services and also served as a member of Quality Assurance Board of ICAP.

He is a Certified Director and had completed Director's Training Programme from the Institute of Chartered Accountants of Pakistan.

Mr. Irfan Ahmed Qureshi Independent Director

Mr. Irfan Ahmed Qureshi has over 30 years of versatile experience in the fields of Investment-Banking, Feasibility Studies of projects and its implementation by raising equity & debt, Leasing, Finance and Corporate affairs and Manufacturing. He had been associated with Baluchistan Wheels Ltd (BWL) for over 15 years in various capacities as company secretary, Head of Finance & Director on the Board. He retired from the Baluchistan Wheels Limited in 2015 and is very well versed with the Auto Vending and Assembly Industry. He is a Commerce Graduate and an MBA besides he is also a member of Institute of Chartered Secretaries and Managers.

Mr. Muhammad Javed Independent Director

Mr. Muhammad Javed is a Mechanical Engineer and life time member of Pakistan Engineering Council. He had foreign training in Japan and visits to China, Taiwan, Malaysia, Netherlands, Turkey and India for technical agreement, selection /testing and development of plant machinery and equipment.

He has over 40 years' experience of managing engineering and automobile wheel industry. He retired from the Baluchistan Wheels Limited in 2015 after serving 31years at various positions, Head of Technical Division and Director on Board and executed projects of Plant Expansion & Modernization.

Mr. Aamir Amin Non-Executive Director (Nominee NIT)

Mr. Aamir Amin is at present Head of Finance of National Investment Trust Limited. Mr. Amin is a Chartered Accountant by profession from Institute of Chartered Accountants of Pakistan (ICAP) with training from Ernst & Young – Pakistan. He is also a Certified Information Systems Auditor (CISA). He has work experience of over 18 years, substantially in financial services industry and also represents NIT as Nominee Director on various Boards.

Mrs. Saba Nadeem
Non-Executive Director

Mrs. Saba Nadeem belongs to a business family. She has done A'Levels. Also, she has done Diploma in Interior Designing from the Indus Valley School of Arts, and remained involved in activities like Fabric Painting and Glass Painting. She has been a teacher in a grammar school in Clifton, Karachi.

She is a Certified Director and had completed Director Education Certification Programme from the Institute of Cost & Management Accountants of Pakistan (ICMAP).

She has developed a special interest in being involved in business and commerce and, therefore, she has chosen to be on the Board of Directors of Baluchistan Wheels Limited.

REVIEW REPORT BY THE CHAIRMAN ON THE OVERALL PERFORMANCE OF BOARD AND EFFECTIVENESS OF THE ROLE PLAYED BY THE BOARD IN ACHIEVING THE COMPANY'S OBJECTIVES:

The Board of Directors (the Board) of Baluchistan Wheels Limited (BWL) has performed their duties diligently in upholding the best interest of shareholders' of the Company and has managed the affairs of the Company in an effective and efficient manner. The Board has exercised its powers and has performed its duties as stated in the Companies Act, 2017, the Listed Companies Corporate Governance Regulations 2019 (the Code) and the Rule Book of the Pakistan Stock Exchange (the Rule Book) where the Company is listed.

The Board during the year ended 30 June 2020 played an effective role in managing the affairs of the Company and achieving its objectives in the following manner;

- The Board has ensured that there is adequate representation of non-executive, independent and female directors on the Board and its committees as required under the Code and that members of the Board and its respective committees have adequate skill, experience and knowledge to manage the affairs of the Company;
- All the Directors including independent Directors, fully participate and contribute to the decision making process of the Board
- The Board has formed an Audit Committee and Human Resource and Remuneration Committee and has approved their respective terms of references and has assigned adequate resources so that the committees perform their responsibilities diligently;
- The Board set the overall strategy and direction for the management to manage the company;
- The Board has an evaluation process to assess its own performance and that of its committees and individual directors as well as governance areas. The findings of the annual evaluation are assessed and re-evaluated by the Board annually;
- The Board has ensured that the directors are provided with orientation courses to enable them to perform their duties in an effective manner;
- The Board has ensured that the meetings of the Board and that of its Committees were held with the requisite quorum, all the decision making were taken through Board resolution and that the minutes of all the meetings(including committees) are appropriately recorded and maintained;

ISO 9002

- ard has developed a code of conduct setting forth the professional standards and orporate values adhered through the Company and has developed significant policies for smooth functioning;
- All the significant issues throughout the year were presented before the Board or its committees to strengthen and formalize the corporate decision making process;
- All the related party transactions executed by the Company were approved by the Board on the recommendation of the Audit Committee;
- The Board has ensured that the adequate system of internal control is in place and its regular assessment through self-assessment mechanism and /or internal audit activities;
- The Board has prepared and approved the director's report and has ensured that the directors' report is published with the quarterly and annual financial statement of the Company and the content of the directors' report are inaccordance with the requirement of applicable laws and regulations;
- The Board has ensured the hiring, evaluation and compensation of the Chief Executive and other key executives including Chief Financial Officer, Company Secretary, and Head of Internal Audit;
- The Board has ensured that adequate information is shared among its members in a timely manner and the Board members are kept abreast of developments between meetings; and
- The Board has exercised its powers in light of the power assigned to the Board in accordance with the relevant laws and regulation applicable on the Company and the Board has always prioritized the Compliance with all the applicable laws and regulation in terms of their conduct as directors and exercising their powers and decision making.

The evaluation of the Board's performance is assessed based on those key areas where the Board requires clarity in order to provide high level oversight, including the strategic process; key business drivers and performing milestones, the global economic environment and competitive context in which the Company operates; the risk faced by the Company's business; Board dynamics; capability and information flows.

Based on the aforementioned, it can reasonably be stated that the Board of BWL has played a key role in ensuring that the Company objectives are not only achieved, but also exceeded expectations through a joint effort with the management team and guidance and oversight by the Board and its members.

DIRECTORS REPORT

The Directors are pleased to present their Report together with the Audited Financial Statements and Auditors' Report thereon for the year ended June 30, 2020.

BUSINESS REVIEW

Overall at the National Level the sales of Passenger Cars decreased by 54% with the total sales of 96,455 units in 2020 as compared to 207,630 units in the year 2019. 15,507 LCV's, Vans and Jeeps were sold in 2020 as against 33,016 units in the year 2019, decreased by 53%. 3,647 units. Trucks / Buses were sold in 2020 as against sale of 6,763 Trucks / Buses in the year 2019, showing decline of 46% over the corresponding last year. Similarly, the Tractors sales has also declined to 32,727 units in the year 2020 as compared to 50,405 tractors in the year 2019 decreased by 35%.

COVID-19 has proved disastrous for the Auto Sector from April onwards when Sales, especially of Car Sales, were already down by 50%. Production of heavy vehicles remained suspended during April and May. The Auto Sector ended the year on a dismal note as production and sales of various vehicle suffered declines. The economic uncertainty, persistent devaluation of PAK Rupee against US Dollar and increased input cost ultimately affected the purchasing power of general public which restricted buyers towards purchasing of new vehicles.

Specific factors for decline of Car sales was due to higher interest rates of 13.25% till mid-March and increase in Federal Excise Duty, for Truck/Bus negative economic growth, and restrictions on Non-Filers and for Tractor Industry mainly due to locust attack and water shortage affecting harvesting season in Sindh and Punjab resulting lesser yield of crops.

During the year 2019-2020 the company had overall consolidated revenue of Rs. 912.82 million as compared to Rs. 1,587.55 million which is 43% less than the previous year. The car wheels sale was Rs. 539.05 million as compared to Rs. 887.40 million in the previous year declined by 39%. The Truck / Bus wheels sale was Rs. 73.68 million as compared to Rs. 154.08 million in the previous year reduced by 52%. Similarly, the Tractor wheels sale was to Rs. 264.07 million as compared to Rs. 476.59 million in the previous year decreased by 45%.

Export sales during the year was Rs. 7.48 million as compared to Rs. 6.84 million in the previous year improved by 9%.

FINANCIAL RESULTS

The decrease in turnover of 43% is due to the decline in sales of wheels of all segments i.e. Cars, Truck, Buses and Tractors which declined by 39%, 52% & 45% respectively. The Cost of Sales was Rs.795.406 million during the year under review as against Rs. 1,341.776 million of last year. The gross profit decreased by 52% to Rs. 117.414 million against Rs. 245.782 million of last year. Similarly, the company earned profit after taxation of Rs. 18.92 million as compared to Rs. 71.51 million in the previous year, declined by 74%.

The devaluation of Pak Rupee against US \$ resulted in increase in imported material cost and amid slowdown in obtaining fresh orders from the OEM's due to reduced demand adversely affected our sales as well as gross profit margins and ultimately impacted the net profit for the year.

The comparative financial results for the year 2020 as against the year 2019 are as follows:

	2020	2019
	(Rs. in	(000)
Turnover-net	912,820	1,587,558
Gross Profit	117,414	245,782
Profit before Taxation	23,695	93,955
Profit after Taxation	18,920	71,512
Earnings per Share (Rs.)	1.42	5.36

EARNINGS PER SHARE

Based on the net profit for the current year, the earnings per share is Rs. 1.42 (2019: Rs. 5.36)

PROPOSED DIVIDEND

The Board of Directors have proposed final cash dividend of Rs. **1.50** per share (15 %) for the year ended June 30, 2020 amounting Rs. **20.001** million (2019: Rs. 2.00 per share 20% amounting Rs. 26.667 million) at the meeting held on September 14, 2020, for approval of members at the Annual General Meeting to be held on October 22, 2020. The financial statements, however, do not reflect these appropriations in compliance with the applicable Laws.

HUMAN RESOURCE & WELFARE SCHEMES

We firmly believe that our officers, staff and workforce are the backbone of our business. The management believes in encouraging the talented and dedicated employees, who are frequently sent for training at home and abroad to update their professional and technical skills. Human resource policies were designed to ensure best practices to attract, recruit, develop and retain highest quality of human capital.

Direct and indirect rewards to the workforce like worker-of-the-month award, Hajj Scheme for both officers and workers, special health allocation and many other such benefits are in place. The Labour laws are strictly followed and the company is able to maintain cordial relationship with CBA Labour Union. The management is also regularly paying bonus to all the employees. WPPF as well as Eid advance are also being paid to the workers. The Company also gives workers social security and EOBI pension benefit / facilities.

SAFETY, HEALTH & ENVIRONMENT

We are actively managing health and safety risks associated with our manufacturing process and are working towards improving our procedures to reduce and control the risk of accidents or injuries during work & up till now no serious accident has taken place during the production, resulting in any major injury or loss of life. All employees at plant are provided safety

appliances/equipments i.e. uniforms, shoes, helmets, ear plugs and gloves, goggles etc. during performance of their duties. Fire fighting system has been installed to cope with any mishap and full time safety officer is employed for this job. In house Fire Fighting and safety training and exercises are carried out regularly.

The company allows and shall continue the medical facilities and other facilities as may be adequate from time to time for up keep of health of its employees. A dispensary with qualified dispenser has been established in the factory for all types of treatment/emergency. Services of qualified MBBS doctors have been hired on retainer ship basis for treatment/emergency of employees. Workers medical check-up is conducted by certifying surgeon in every six months. Apart from this, healthy activities of sports are encouraged, and we have a cricket as well as football team. Every year picnic arranged for workers.

Protection of environment is of prime concern, every measure is being taken to preserve nature and to maintain clean environment at workplaces. Green environment is maintained by planting trees and grass all around the factory. BWL fully discourages the use of substance of concern and ensure that all the products& material procured and products manufactured are free from hazardous material.

We comply with all applicable laws, regulations and conditions granted in environmental standards. Design new facilities and conduct operations with preventive approach and industry best practices to avoid adverse impacts to the human health and the environment. Ensure appropriate training and awareness on environmental systems, procedures, best practices and on shared responsibility towards environmental protection among employees, contractors, suppliers and customers. Regularly review environmental performance and carry out audit and set targets to achieve continuous improvement.

The company has obtained International Certification ISO-14001 of environment to meet the International Environment Standards and has been recertified by the International Agency.

ENERGY CONSERVATION

Effective measures and steps are being taken to conserve energy, wherever possible in the area of electricity, gas and heating system to reduce the consumption of electricity, gas and fuels etc. In this regard a comprehensive plan is made and implemented and production and operations are planned in such a manner that only essential plant are operated in electricity peak hours.

In powder coating Paint shop # 02 new heavy duty conveyors were installed three years back, the electrical system was old and its complete electrical panels were redesigned with automation and circuitry to improve it functionality and reduce power consumption.

Light Duty RIM line #1 was installed in 1984 and was having an old design and inefficient electric control panels. New Electric panels were designed and replaced with PLC based automation and control system to efficiently operate the plant and machinery and also will help in reduction on consumption of spare and downtime caused due to non availability of old design parts which have now become obsolete.

The electricity cost is increasing day by day, in order to reduce the energy cost and also to support the environment a study is being conducted to introduce & self generate alternate electricity by installing SOLAR energy system. In this regards reliable and well-known companies are contacted and quotations are obtained, which are under evaluation and if found feasible the system may be installed. This will help in cost cut as well as reduce the burden on the national grid.

Energy monitoring system has been introduced with installation of Electricity meters at the area's and equipments which consumes heavy power so that consumption could be monitored and controlled.

All these measures contribute towards considerable reduction in power consumption.

UPGRADATION OF PLANT & PROCESS

The company is producing wheels as per International Standards, and to meet the customer's product specification and quality requirements it is necessary that plant and machinery and process are continuously upgraded and maintain in good working and operative condition so that we get a satisfactory performance and machine and equipments give a good and longer period of workable life.

Foreign technical experts are engaged from time to time and continuous liaison is kept with the plant and machinery equipment suppliers for technical advice and improvements.

We are continuously studying for updating the machines and also making efforts for reducing scrap and rework ratios. By all these measures the product quality, productivity and customers confidence and satisfaction is improved.

RESEARCH & DEVELOPMENT & QUALITY CONTROL

The Research and Development (R&D) Department is constantly engage to support the development of new products and production as per customer's satisfaction and international standards. Over the year the R&D facilities have grown and our Design Office is now capable of computer added designing of products, tool & dies, jigs and fixtures and FEA / Computer analysis of design for confirmation and 3D model development.

R&D Department has a complete Tool & Die manufacturing shop equipped with the Conventional and CNC Machines for in-house manufacturing of complete set of Tools Dies, Fixtures, Jigs, Gauges and running Tooling Spares to meet the production requirement and also support in repair and manufacturing of Machineries spares etc.

Our R&D Department has highly experienced and qualified team to carry out the repair and maintenance of the production tooling. The team is constantly endeavoring to improve the process, reduce down time and rejections by analyzing and supporting for addition of latest equipment, machineries and tooling etc.

During the year BWL have successfully completed the in-house development of Tooling for new upcoming models such as Kia Picanto, Regal, and JAC etc. for passenger car and Van / Pickup.

Wheel being a critical and safety part requiring very stringent dimensional control are being manufactured with a standard quality control procedures and quality is being assured right from the material procurements to the final delivery to the customers.

During the year in order to meet the customer requirements for run out testing and low point marking by PAINT MARK. For wheel balancing Existing Run out gauging machine was modified and third machine was refurbished and installed to meet the quality requirement.

One of the tests for fatigue life of wheel namely RADIAL FATIGUE TEST is essential to establish the design requirement confirmation and performance. In this regard the Current Installed RADIAL TEST machine was upgraded to cater for the higher test values and now BWL is fully capable to carry out the test of Large size TRUCK/BUS section based and Tube less wheels.

Similarly the wheel being the outer part and require high standard of quality for paint life. In this regard previously the paint performance test were carried out from outsource /Outside the country. Now BWL has installed its own SALT SPRAY test machine to conduct this test.

Quality Control Department is equipped with the requisite international standard testing equipments, tool and instruments to control the process and to monitor the quality of wheels. The instruments / gauges, quality checking equipments are regularly up graded and calibrated to ensure its precision and accuracy so that products are produce as per customer quality requirement and this is also supplemented by the experienced and trained manpower.

COMPANY'S CONTRIBUTION TO THE ECONOMY OF THE COUNTRY

Your company being an import substitution unit is contributing to the economy by saving foreign exchange and is very important vending industry for the auto assemblers. During the year under review, your company saved approx. \$ 5.6 million foreign exchange reserves on account of supply of wheels to the OEM's and contributed to national exchequer by paying income tax, sales tax and other indirect taxes to the tune of Rs. 158 million (approx.). Besides, it is also providing employment opportunities to the local people residing in Hub and other adjoining areas.

CORPORATE AND FINANCIAL REPORTING FRAMEWORK

The Board of Directors and the Company remain committed to the principles of good corporate management practice with emphasis on transparency and disclosures. The Board and management are cognizant to their responsibilities and monitor the Company's operations and performance to enhance the accuracy, comprehensiveness and transparency of financial and non-financial information.

In Compliance with the provisions of the Listing Regulations of the Pakistan Stock Exchange the Board Members / Directors are pleased to place the following statements on record:

- a. The financial statements prepared by the management of the Company present fairly its state of affairs, the result of its operations, cash flows and changes in equity.
- b. Proper books of accounts have been maintained.

3	Mr. Anis Wahab Zuberi	1
4	Syed Haroon Rashid	1

Directors' Remuneration

Directors Fee is paid in line with Board approval and the Company is in the process of finalizing a formal policy in this regard in accordance with the Companies Act, 2017 and the CCG.

Board Evaluation

During the year, the Board has undertaken a formal process of evaluation of its performance. The overall performance of the Board measured on the defined parameters for the year was satisfactory.

Directors' Training

The Board ensured the compliance of the requirement of Code of Corporate Governance in respect of Directors' training program of the Board members. The Company stands complied with the requirement of having half of the Directors on the board Directors Training Program (DTP) certified as prescribed under the sub clause 1(a) of regulation no. 19 of the Regulations. Currently five directors of the Company have certification under Directors Training Program and two directors of the Company have the exemption from the requirements of the Directors' Training Program. The remaining directors shall obtain certification under the DTP in due course of time.

Statement of Compliance with Listed Companies (Code of Corporate Governance) Regulations, 2019

There has been no material departure from the best practices of the Code of Corporate Governance and the company has fully complied with requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019. A statement to this effect is annexed with this report.

Pattern of Shareholding

The total number of Company's shareholders as at June 30, 2020 was 1,351 as against 1,365 on June 30, 2019. The pattern of shareholding as at June 30, 2020 and its disclosure is included in this annual report.

The highest and lowest market prices of the Company's shares during 2019-2020 were as follows:

Highest December 27, 2019 PKR 71.49 Lowest September 12, 2019 PKR 40.27

Trading in Shares of the Company by Directors and Executives

During the year ended June 30, 2020, the directors, executives and their spouses and minor children have not traded in the shares of the Company. The threshold set by the Fourth schedule of the Companies Act, 2017, for disclosure of the term "executive", in annual report, constitutes employee whose annual basic salary exceeds Rs. 1.2 million in a year.

Appointment of Auditors

The present auditors **M/s. EY Ford Rhodes, Chartered Accountants** have completed the annual audit for the year ended June 30, 2020, and have issued an unqualified audit report. The auditors are retiring at the conclusion of the 40th Annual General Meeting of the Company.

The management intends to change the existing Auditors and the Board Audit Committee and the Board of Directors recommends that M/s. BDO Ibrahim & Co., Chartered Accountants be appointed as statutory Auditors of the Company for the year ending June 31, 2021, at a fee mutually agreed but not less than the current fee.

STATEMENT OF ETHICS AND BUSINESS PRACTICES

The Board regularly reviews the company's strategic direction. Annual plans and performance targets for business are set and are reviewed by the Board in the light of the company's overall objectives. The Board is committed to maintain highest standards of good corporate governance. As a leading wheel manufacturer, reputation for high ethical standards is critical to business success. Treatment of stakeholders with respect, courtesy and competence, ensuring clear conscientiousness in all decisions and operations and on this basis code of business principles has been developed and acknowledged by each Director and employee of the company.

NBP AND RELATED MATTERS

NBP suit for recovery against the Company (BWL) and Privatization Commission (PC) for payment amounting to Rs. 91.25 million it has paid to PC, which the Company does not acknowledge as briefly explained at Note No. 24.1 in the financial statements for the year ended June 30, 2020. The case was first heard by Mr. Justice Faisal Arab during 2008 and the matter was concluded and was reserved the announcement of judgment. Unfortunately, no judgment was announced and the matter was sent to the office for fixing the same.

The case was then heard by Honorable Justice of Sindh High Court Mr. Justice Salman Talibuddin and various hearings were held and the order was expected but has been sent for final arguments again because of July 31, 2009 decision of the Honorable Supreme Court of

Pakistan where by several Judges were removed and the Honorable Judge who had heard this matter was also removed.

Thereafter, the matter was again fixed before Mr. Justice Faisal Arab. The case was reheard and was argued during 2010. During various hearings the parties concluded their arguments and Mr. Justice Faisal Arab reserved the matter for announcement of judgment. Again no judgment was announced and the matter was sent to the office for fixing the same for rehearing.

The matter was then fixed before Honorable Justice Mrs. Ashraf Jahan and then transferred in the Court of Honorable Justice Mr. Justice Aziz ur Rehman who was transferred to the divisional bench. Then this case was transferred in the Court of Honorable Justice Muhammad Shafi Siddiqui. The case was subsequently transferred for administrative reasons to and is now under adjudication before the Banking Court No. III at Karachi. The efforts were made by both the lawyers of BWL & NBP for concluding the matter. The latest development is that the matter is at the stage of final arguments. The management and its legal counsel are hopeful that the ultimate outcome of the matter will be in Company's favour.

FUTURE OUTLOOK

Massive declines witnessed in sales of Auto Sector in the financial year July 2019-June2020 on account of multiple upward price revisions due to PKR currency depreciation. Further COVID-19 outbreak and the economic slowdown hit the Auto Sector hard.

Low volumetric demand and the price hikes affected the purchasing /buying power of consumers.

COVID-19 pandemic wreaking havoc on the global and domestic economy which affected the overall supply chain in the country

Macro-economic indicators of the country are challenging for auto industry. Pak Rupee devaluation, rising raw material prices and additional taxes and duties are major challenges for auto industry.

However, the cut in the discount rate from the relatively high 13.25% to 8% is expected to reduce financing cost and hopefully trigger consumer financing and increase in sales of Auto Sector.

We expect sluggish demand will pick up following lifting of lockdown restrictions and growth momentum of Auto Sector will also kickup in the next two years.

The management is aware of the challenges ahead and is continuously evolving strategies and adopting measures to meet future challenges and maintain business growth.

ACKNOWLEDGEMENT

We take this opportunity to thank our customers and all the stakeholders who reposed their trust and confidence in the company and acknowledge the efforts of the entire BWL team including our staff and workers and look forward to their continued support.

May Allah bless us and help us to achieve success for your company and for the benefit of all stake holders, and the Country in general. Aameen!

For and on Behalf of the Board

Razak H.M. Bengali Chief Executive Muhammad Siddique Misri Director

Karachi: September 14, 2020

بجلی کی بحیت:۔

بجلی کی بچت کے لئے مناسب اقد امات کئے گئے ، جہال تک ممکن ہوا بجلی گیس اور فیول کی کھیت کو کم کیا گیا اور اس کے لیے ایک جامع منصوبہ بندی کی گئی تا کہ اُن گھنٹوں میں جن میں بجلی مہنگی پڑتی ہے صرف وہ شینیں چلائی جائیں جن کی اَشد ضرورت ہو۔ پرانے ہزار ٹن ہائڈ رولک پریس کو نئے ، جدیداور بہتر کارکردگی والے ہزار ٹن ہائڈ رولک پریس ہے تبدیل کیا گیا ہے جس سے بجلی کے بل اور پریس ہے متعلقہ اسپئیر پارٹس کی کھیت میں نمایاں کی واقع ہوئی۔

پاؤ ڈرکوڈ نگ پینٹ شاپ# 2 میں نے ہیوی ڈیوٹی کنوبرزکونتین سال قبل انسٹال کیا گیا تھا، بجلی کا نظام پرانا تھاا وراس کی فعالیت کوبہتر بنانے اور بجلی کی کھیت کوئم کرنے کیلئے اس سے کلمل الکیٹریکل پینلز کوآ ٹومیشن اورسرکٹری کے ساتھ دوبارہ ڈیزائن کیا گیا تھا۔

لائٹ ڈیوٹی ریم لائن #1 سال 1984 میں انسٹال کیا گیا تھا اور اس میں پرانا ڈیزائن اور بکلی کے غیر موثر پینل موجود تھے۔ پلاٹ اور مشینری کوموثر انداز میں چلانے کے لئے نئے الیکٹرک پینلوکو پی ایل ہی جیمٹر آٹومیشن اینڈ کنٹرول سٹم کے ساتھ ڈیزائن کو تبدیل کیا گیا تھا جسکی وجہ سے پرانے ڈیزائن کے پرزوں کی عدم دستیابی کی وجہ سے ہونے والے اسپئیر کی کھیت میں کی کرنے میں مدد ملے گی جواب متروک ہونچکے ہیں۔

بجلی کی لاگت روز بروخ بوسی جارہی ہے، توانائی کی لاگت کو کم کرنے اور ماحول دوست بنانے کیلئے ایک مطالعہ کیا جارہا ہے جس کے تحت مشی توانائی کا نظام لگا کرمتبادل بجلی پیدا کی جائے گی۔اس سلسلے میں قابل اعتاد اورمعروف ممپنی سے رابطہ کیا جارہا ہے اورکوٹیشن حاصل کیے گئے ہیں بیسب اقدامات بجلی کی کھپت میں کمی کی طرف کافی معاون ثابت ہوئے ہیں۔

تو انائی کی نگرانی کے نظام کومتعارف کرایا گیا ہے جس میں ایسے میٹرنصب کیے گئے ہیں جن کی مدد سے بکلی کی تنصیبات کی نگرانی اور کنٹر ول ممکن ہوسکا ہے جہاں بکلی کی کھیت زیادہ ہوتی ہے۔ پیتمام اقدامات بکلی کی کھیت میں خاطر خواہ کی لانے میں معاون میں۔

بلانث اورمشینری کااپ گریڈش:۔

ہماری کمپنی عالمی میعار کے پہیے بنار بی ہےاورگا کہوں کی ضروریات کو پورا کرر ہی ہے چنا چدا سکے لئے مینہایت ضروری ہے کہ بلانٹ اور مشینری مسلسل اپ گریڈ ہواوراچھی حالت میں رمیں تا کہ ہم اطمینان بخش طریقے سے کام کرسکیں اور مشین اور آلات بھی زیادہ عرصے تک کام کرسکیں۔

بیرون ملک سے ماہرین کو وقتاً فوقتاً بلایاجا تار ہتاہے اورمشینول کواپ گریڈ کرنے کے لئے ان سے ہم مناسب ٹیکنیکل مشورے لیتے رہتے ہیں۔

ہم مثینوں کواپ گریڈ کرنے کے لئے مستقل بنیادوں پر اقدامات لیتے رہتے ہیں اوراس کے ساتھ ساتھ اسکریپ اور ری ورک کی شرح کو بھی کم کرنے کے لئے کوششیں کرتے رہتے ہیں۔ اِن تمام اقدامات سے مصنوعات کے معیار، پیداوار کی صلاحیت، اور صارفین کے اعتاد کو بہتر بنایا گیا ہے۔

انسانی وسائل اورمعاوضے کی تمیش: _

ہم پختہ یقین رکھتے ہیں کہ ہمارے آفیسرزاسٹاف اورورکرز ہمارے کاروبار کی ریڑھ کی بٹری ہیں۔ہم سیجھتے ہیں کے باصلاحیت مزدوراور آفیسرز کی حوصلہ افز کی نہایت ضروری ہے اسلئے ہم انہیں لوکل انٹرنیشٹل تربیت کے لئے بھیجتے رہتے ہیں تا کہ بیا پی پیشہ وارانہ مہارت میں اضافہ کرسکیں۔انسانی وسائل کی پالیسی اسطرح تر تبیب دی گئ ہے کہ اس بات کویقٹی ہنایا جائے کہ ہم اچھے اور باصلاحیت لوگوں کونوکریاں دیں اوران کومناسب مشاہرہ دیں تا کہ وہ اطمینان سے کام انجام دے سکیں۔

بلاواسطاوربلواسطانعام مہینہ کے بہترین ورکر کے لیے، حج اسیم برائے آفیسرزاورورکرز،خاص صحت پالیسی اور دوسر نے فوائد موجود ہیں۔مزدوری قانون پر پوری طرح عملار آمد کیاجا تا ہےاور CBA / لیبر یونین سےا چھے تعلقات رکھے جاتے ہیں۔انظامیہ با قاعد گی سے تماپ ملاز مین کو یونس بھی دے رہی ہے۔ PPFاورعیدا فیروانس بھی ورکروں کوادا کیا جار ہاہے اس کے علاوہ کمپنی کارکنوں کوسوشل سیکورٹی اور EOBI پنش کی مہولت فراہم کرتی ہے۔

حفاظت صحت اور ماحول: _

ہم صحت اور حفاظت کے شعبہ میں خطرات کا چھی طرح سے انظام کرتے ہیں اور اپنے طریقہ کا رکو بہتر کررہے ہیں تا کہ خطرات اور حادثات کو مکنہ حد تک کم کیا جاسکے۔ تمام ملاز میں جو پلانٹ پرکام کررہے ہیں انہیں حفاظتی چیزیں مثلاً دستانے ، چشے ،Ear Plug اور اعلیٰ معیار کے حفاظتی جوتے دیئے جاتے ہیں تا کہ وہ اپنی ڈیلو اسلم میں انجام دے سکیں۔ اس کے علاوہ آگ بجھانے کے آلات بھی موجود ہیں تا کہ کسی نا خوشگوار صور تھال سے نمٹا جا سکے۔ اس کام کیلئے ایک فکل نائم آفیسر رکھا گیا ہے جو کے مختلف اوقات میں آگ بجھانے اور حفاظتی اقد امات کی تربیت اور مشق کو انجام دیتا ہے۔

کمپنی کی کوشش ہے کہ طبی اُموراور حفاظتی چیزوں میں ملازمین کا خیال رکھاجائے اسکے لئے ایک ڈیپنسری مجمعہ ڈاکٹر کے فیکٹری میں موجود ہے تا کہ کسی مکنہ حادثاتی صورتحال کا سامنا کیا جاسکے۔اس کے علاوہ تجربہ کارڈاکٹروں کی خدمات Retainership کی بنیاد پربھی حاصل کی گئی ہیں۔ ملازمین کا ہرچے مہینے کے بعد طبی معائنہ کیا جاتا ہے جو کہ ایک ماہر سرجن کرتا ہے۔اس کے علاوہ کھیلوں کی صحت مندسر گرمیوں کی بھی حوصلہ افزائی کی جاتی ہے، کمپنی کی اپنی کرکٹ اورفٹ بال کی بھی ٹیمیں موجود ہیں۔سالانہ کپئک کا انتظام بھی کیا جاتا ہے۔

ما حول کی حفاظت کا خاص خیال رکھا جاتا ہے اور ہرمکن تد اہیر کی جاتیں ہیں تا کہ کام کی جگہ کا ماحول صاف تقرار ہے۔ ماحول کوسر سزاور ہرا بھرار کھنے کیلئے یوری فیکٹری کے گرد پودے اور درخت لگائے گئے ہیں۔ ہم تشویش کے مادہ کے استعمال کی ممل حوصلہ تکفی کرتے ہیں اور اس بات کو بقینی بناتے ہیں کہ تیار کردہ اور خریدی ہوئی تمام مصنوعات خطرنا ک موادے یاک ہو۔

ہم تمام قانونی معاملات کا با قاعدگی سے خیال رکھتے ہیں اور ہماری پوری کوشش ہوتی ہے کہ ماحول دوست انتظامات اور انٹرسٹری کے اچھے طریقے کو اپنایا جائے تا کہ انسانی صحت پر اسکے اچھے اثر ات مرتب ہوں۔ اس کے ساتھ ساتھ تربیت کا بھی انتظام موجود ہے تا کہ ملاز مین میں ماحول دوست شعور پیدا ہو۔ ان تمام چیزوں کا ستعقل بنیا دوں پر جائزہ لیا جاتا ہے کمپنی نے 14001 میں میں کیا ہے تا کہنی کے معیاد کو عالمی ماحولیاتی معیار کے مطابق کیا جاسکے۔

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Baluchistan Wheels Limited (the Company)

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Baluchistan Wheels Limited for the year ended 30 June 2020 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2020.

INDEPENDENT AUDITOR'S REPORT

To the members of Baluchistan Wheels Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Baluchistan Wheels Limited (the Company), which comprise the statement of financial position as at 30 June 2020, and the statement of profit or loss, the statement of comprehensive income, the statement of cash flows for the year then ended, the statement of changes in equity, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at 30 June 2020 and of the profit, other comprehensive income, its cash flows and the changes in equity for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the key audit matters:

Key audit matters

How our audit addressed the Key audit matters

1. Valuation of Stock-in-trade

At 30 June 2020, the Company held stock-intrade amounting to Rs. 414 million, constituting 27% of the total assets, as disclosed in note 10 to the financial statements.

As described in note 4.5 to the financial statements, stock-in-trade is measured at lower of cost and net realizable value. The cost of work-in-process and finished goods is determined at average manufacturing cost including a proportion of production overheads. There is an element of judgement involved in determining an appropriate costing basis and assessing the amount of provision for slow moving and obsolete stock-in-trade.

Given the level of judgements and estimates involved, we have identified valuation of stock-in-trade as a key audit matter.

Our key audit procedures in respect of valuation of stock-in-trade included:

- Obtained an understanding of the Company's process with respect to valuation of stock-intrade and tested controls relevant to such process;
- Tested the calculations of per unit cost of finished goods and assessed the appropriateness of management's basis for the allocation of cost and production overheads;
- Evaluated the appropriateness of the basis for identification of slow moving and obsolete stock-in-trade and the accuracy of provision for slow moving and obsolete stock-in-trade assessed by the management, on a test basis.
 We tested the accuracy of the ageing analysis of stock-in-trade, on a sample basis; and
- Tested the net realizable value and valuation methods in accordance with applicable financial reporting standards;

2. Assessing Potential Impairment of Plant and Equipment

At 30 June 2020, the carrying value of Company's property, plant and equipment amounted to Rs. 401 million, constituting in total approximately 27% of the total assets, as disclosed in note 5 to the financial statements.

As described in note 4.3 to the financial statements, the carrying values of these assets are reviewed annually by management for potential indicators of impairment. The management identified the slowdown of economic activity as a result of the Corona Virus outbreak and the overall slowdown in automobile sector during the year as the relevant indicators of potential impairment in the carrying values of plant and equipment in accordance with the requirements of the applicable accounting standards.

The impairment tests involved determination of recoverable amounts of assets which is supported by estimating fair value less costs to disposal and value-in-use calculations. The value-in-use of assets that have impairment

Our audit procedures to assess the potential impairment for property, plant and equipment, amongst others, included the following:

- Considered and assessed the indicators requiring impairment assessment in respect of plant and equipment;
- Assessed the appropriateness of the methodology used by the management for carrying out the impairment test in accordance with the requirements of the applicable accounting standards;
- Involved auditor's external expert to review the management's assessment of the fair value less costs to disposal of the assets and to ensure reasonableness of the assumptions used therein;
- Reviewed the key inputs and assumptions used to prepare the future cash flow forecasts including the commercial assumptions used for the purpose; and

Key audit matters

indicators is estimated by discounting future cash flow forecasts which involved making of significant estimates and judgements relating to subsequent selling prices, inflation rates and discount rates.

We identified the potential impairment of plant and equipment as a key audit matter because the assessment can involve a significant degree of management judgement in determining the key assumptions.

How our audit addressed the Key audit matters

Performed sensitivity analyses for the discount rates applied and the assumptions for revenue levels adopted and considering the information used to derive the assumptions and whether there were any indicators of management bias in their selection.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, design and perform audit procedures responsive to those risks, and obtain
 audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from
 error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the
 override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Company's ability to
 continue as a going concern. If we conclude that a material uncertainty exists, we are required to
 draw attention in our auditor's report to the related disclosures in the financial statements or, if
 such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit
 evidence obtained up to the date of our auditor's report. However, future events or conditions
 may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
 the disclosures, and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with the Board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) the statement of financial position, the statement of profit or loss, the statement of comprehensive income, the statement of cash flows and the statement of changes in equity together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Company and deposited in the Central Zakat Fund established under section 7 of that Ordinance.

The engagement partner on the audit resulting in this independent auditor's report is Tariq Feroz

Director

BALUCHISTAN WHEELS LIMITED NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

1. THE COMPANY AND ITS OPERATIONS

1.1 Baluchistan Wheels Limited (the Company) was incorporated in Pakistan on 16 June 1980. The Company is engaged in manufacturing and marketing of automotive wheel rims for trucks, buses, tractors, cars and mini commercial vehicles. The Company is listed on the Pakistan Stock Exchange Limited. The geographical location and addresses of Company's business units / immovable assets are as under:

Business Unit	Address
Head Office	1st Floor, State Life Building # 3, Dr. Ziauddin Ahmed Road, Karachi Sindh.
Manufacturing facility	Main RCD Highway, Hub Chowki, Lasbella, Baluchistan (Land measuring area – 23.96 acres)

1.2 Impact of COVID-19 on the financial statements

During the year, the World Health Organization declared COVID-19 outbreak a global pandemic. Accordingly, on March 20, 2020, the Government of Pakistan announced temporary lock down as a measure to reduce the spread of Covid-19. Complying with the lock down restrictions, the Company temporarily suspended its operations in order to safeguard the well-being of everyone including those within the supply chain network. Consequently, Covid-19 being one of the factors contributed towards the overall decrease in revenue by 42.5% and corresponding variable costs and overheads of the Company.

However, with the resuming of operations since May 2020 and consequent lifting of lockdown restrictions, the situation has now improved on the back of the actions taken by the Government. Government scheme for financing salaries payment has been availed as per the requirement in respect of which proper disclosures have been made. In addition to this, the management has assessed the accounting implications arising out of COVID-19 outbreak on these financial statements, including but not limited to the following areas:

- The impairment of plant and equipment under IAS 36, "Impairment of non-financial assets"
- The net realizable value of stock-in-trade under IAS 2, "Inventories"

Based on the assessment, there is no significant accounting implication arising out of the effects of COVID-19 outbreak in these financial statements except for matters relating to revenue and corresponding costs stated above. The Company's management is fully cognisant of the business challenges posed by the COVID-19 outbreak and closely monitoring the possible impacts on the Company's operations and liquidity position and believe that its current policies for managing working capital, liquidity and market risk are adequate in response to the current situation.

2. BASIS OF PREPARATION

2.1 Statement of Compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards as applicable in Pakistan comprise of International Financial Reporting Standards (IFRS), issued by International Accounting Standard Board (IASB) as notified under Companies Act, 2017 (the Act) and, provisions of and directives issued under the Act. Where the provisions of and directives issued under the Act differ from the IFRS standards, the provisions of and directives issued under the Act have been followed.

2.2 Basis of Measurement

These financial statements have been prepared under the historical cost convention except for certain investments which are carried at fair value and defined benefit obligations that have been measured at present value as reduced by planned assets measured at fair value and lease liabilities that are measured at present value of future minimum lease payments as disclosed in relevant notes.

BALUCHISTAN WHEELS LIMITED

3. STANDARDS, AMENDMENTS, INTERPRETATIONS AND IMPROVEMENTS APPLICABLE TO FINANCIAL STATEMENTS

3.1. New standards, amendments, interpretations and improvements effective during the year

The Company has adopted the following standards, amendments and improvements to International Financial Reporting Standards (IFRSs) which became effective for the current year:

Standards, Amendments or Interpretations

- IFRS 9 Prepayment Features with Negative Compensation (Amendments)
- IFRS 14 Regulatory Deferral Accounts
- IFRS 16 Leases
- IFRS 16 COVID-19 Related Rent Concessions (Amendments)
- IAS 19 Plan Amendment, Curtailment or Settlement (Amendments)
- AS 28 Long-term Interests in Associates and Joint Ventures (Amendments)
- IFRIC 23 Uncertainty over income tax treatments

Improvements to Accounting Standards Issued by the IASB in December (2015-2017 cycle)

- IFRS 3 Business Combinations Previously held Interests in a joint operation
- IFRS 11 Joint Arrangements Previously held Interests in a joint operation
- IAS 12 Income Taxes Income tax consequences of payments on financial instruments classified as equity
- IAS 23 Borrowing Costs Borrowing costs eligible for capitalisation

The adoption of the above standards, amendments and interpretations to the accounting standards did not have any material effect on the Company's financial statements except for IFRS 16. The impact of adoption of IFRS 16 is described below:

3.1.1 IFRS 16 Leases

IFRS 16 supersedes IAS 17 Leases, IFRIC 4 Determining whether an Arrangement contains a Lease, SIC-15 Operating Leases-Incentives and SIC-27 Evaluating the Substance of Transactions Involving the Legal Form of a Lease. The standard sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single note on statement of financial position model.

The Company adopted IFRS 16 using the modified retrospective method of adoption with the date of initial application of 01 January 2019. Under this method, the standard is applied retrospectively with the cumulative effect of initially applying the standard recognised at the date of initial application. Accordingly the information presented for prior years has not been restated. The Company elected to use the transition practical expedient allowing the standard to be applied only to lease contracts that were previously identified as leases applying IAS 17 and IFRIC 4 at the date of initial application. The Company also elected to use the recognition exemptions for lease contracts that, at the commencement date, have a lease term of 12 months or less and do not contain a purchase option ('short-term leases'), and lease contracts for which the underlying asset is of low value ('low-value assets').

The new accounting policy in respect of leases is disclosed in note 4.2, 4.11 and 4.12 to these financial statements. The impact of adoption of IFRS 16 on recognition and classification as at 01 July 2019 on the statement of financial position is summarised below:

Assets	Vehicles	Head office premises n '000)
Operating fixed assets - leased	(9,467)	-
Right-of-use assets	9,467	9,459
	-	9,459
Liabilities		
Liabilities against assets subject to finance leases	(989)	-
Current portion of liabilities against assets subject to finance leases	(3,747)	-
Lease liabilities	989	9,459
Current maturity of lease liabilities	3,747	•
-		9,459

5,400

Download

d from : www.OpenDoors.Pk BALUCHISTAN WHEELS LIMITE

BALUCHISTAN WHEELS LIMITED

In respect of vehicles, as before the adoption of IFRS 16, the leases were classified as finance lease applying IAS 17, the carrying amount of right-of-use assets and lease liabilities were recognised at an amount equal to the carrying amount of operating fixed assets - leased and liabilities against assets subject to finance lease respectively, immediately before 01 July 2019 measured applying IAS 17. Therefore, upon first time application of IFRS 18, there is no material impact with respect to recognition and measurement of leased assets (now right-of-use assets) and liabilities against assets subject to finance leases (now lease liabilities).

In respect of the head office premises, the right-of-use asset was recognised based on the amount equal to the lease liability. Lease liability was recognised based on the present value of the remaining lease payments, discounted using the incremental borrowing rate at the date of initial application. The Company did not have any sub-lease as at 01 July 2019.

The impact of adoption of IFRS 16 on the statement of profit or loss for the year ended 30 June 2020 is summarised below:

	(KS. IN 'VVV)
Decrease in rent expenses	3,841
Increase in depreciation expense	(3,153)
Increase in finance costs	(1,095)
Decrease in deferred tax expense	805
	398

The lease liabilities as at 01 July 2019 can be reconciled to the operating lease commitments as of 30 June 2019 as follows:

	(R\$. In 'UUU)
Operating lease commitments as at 30 June 2019	11,524
Impact of discounting	(2,065)_
Lease liability at 01 July 2019	9,459
Incremental borrowing rate as at 01 July 2019	14.13%

3.2. Standards, amendments and improvements to the approved accounting standards that are not yet effective

The following standards, amendments and improvements to the approved accounting standards as applicable in Pakistan would be effective from the dates mentioned below against the respective standard or interpretation:

Effective date

Mak

BALUCHISTAN WHEELS LIMITED

The IASB has also issued the revised Conceptual Framework for Financial Reporting (the Conceptual Framework) in March 2018 which is effective for annual periods beginning on or after 01 January 2020 for preparers of financial statements who develop accounting policies based on the Conceptual Framework. The revised Conceptual Framework is not a standard, and none of the concepts override those in any standard or any requirements in a standard. The purpose of the Conceptual Framework is to assist IASB in developing standards, to help preparers develop consistent accounting policies if there is no applicable standard in place and to assist all parties to understand and interpret the standards

Further, the following new standards have been issued by IASB which are yet to be notified by the SECP for the purpose of applicability in Pakistan.

Standards or Amendments

Effective date (annual periods beginning on or after)

IFRS - 1 First time adoption of IFRSs 01 January 2004

IFRS - 17 Insurance Contracts 01 January 2023

Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with approved accounting standards requires management to make estimates, assumptions and use judgments that affect the application of policies and the reported amounts of assets, liabilities, income and expenses.

Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including reasonable expectations of future events. Revisions to accounting estimates are recognised prospectively commencing from the period of revision.

Judgments and estimates made by management that are significant to the financial statements are as follows:

- depreciation method, useful lives and residual values of property, plant and equipment (note 4.1 and 5.1)
- provision for slow moving and obsolete stores, spares and loose tools and stock-in-trade (notes 4.4, 4.5, 9.1 and 10.1)
- allowance for expected credit losses (note 4.14.3 and 11.1)
- taxation (note 4.7, 23 and 34)
- employee benefit obligations (note 4.15 and 24.2)
- provision for warranty (note 4.17 and 25)
- lease liabilities (notes 4,11 and 19)
- contingencies (note 26)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Property, plant and equipment

4.1.1 Operating fixed assets

These are stated at cost less accumulated depreciation and accumulated impairment losses, if any, except for the freehold land which is stated at cost.

Depreciation is charged to statement of profit or loss applying the reducing balance method, except for computers which are depreciated on straight line method, at the rates stated in note 5.1. Depreciation is charged from the day from which an asset is available for use and is continued to be depreciated until it is derecognised. An item of operating fixed assets is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Gain or loss on disposal of operating fixed assets (being difference of carrying value and sale proceeds) is recognised in the statement of profit or loss.

Maintenance and normal repairs are charged to the statement of profit or loss as and when incurred. Major renewals and improvements are capitalised, if recognition criteria is met and the assets so replaced, if any, are retired.

BALUCHISTAN WHEELS LIMITED

4.1.2 Capital work-in-progress

These are stated at cost less accumulated impairment losses, if any, and represent expenditures connected with specific assets incurred during the construction / erection period, including advances to suppliers and contractors. These are transferred to specific assets as and when assets are available for use.

4.2 Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

Right-of-use assets are depreciated on a straight-line basis over the lower of the lease term and the estimated useful lives of the assets. If ownership of the leased asset transfers to the Company at the end of the lease term or the cost reflects the exercise of a purchase option, depreciation is calculated using the estimated useful life of an asset.

Right-of-use assets are depreciated as follows:

Head office premises – over the lease term of 3 years using straight line method Vehicles – over the useful life at the rate of 20% using reducing balance method

4.3 Impairment of non-financial assets

The carrying amounts of non-financial assets other than inventories and deferred tax assets are assessed at date of reporting to ascertain whether there is any indication of impairment. If such an indication exists, the asset's recoverable amount is estimated to determine the extent of impairment loss, If any. An impairment loss is recognised, as an expense in the statement of profit or loss. The recoverable amount is the higher of an asset's fair value less cost to disposal and value in use. Value in use is ascertained through discounting of the estimated future cash flows using a discount rate that reflects current market assessments of the time value of money and the risk specific to the assets.

4.4 Stores, spare parts and loose tools

These are valued at lower of weighted average cost and Net Realisable Value (NRV) except items in transit which are stated at invoice value plus other charges incurred thereon upto the reporting date.

Provision is made annually in the financial statements for slow moving and obsolete items, if required.

4.5 Stock-in-trade

Stock-in-trade, except goods-in-transit, is stated at the lower of NRV and cost determined as follows:

Raw and packing material - Purchase cost and other direct expenses on weighted average basis

Finished goods and work-in- - Cost of direct material, labour and proportion or process manufacturing overheads

Stock-in-transit is valued at purchase price, freight value and other charges incurred thereon upto the date of statement of financial position.

NRV signifies the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Provision, if required is made in the financial statements for slow moving, obsolete and unusable items to bring their carrying value down to NRV.

4.6 Trade debts, loans, advances, deposits and other receivables

Trade debts, loans, advances, deposits and other receivables are stated initially at fair value and subsequently measured at amortised cost using the effective interest rate method. Provision is made on the basis of lifetime Expected Credit Losses (ECL)s that result from all possible default events over the expected life of the trade debts, loans, advances, deposits and other receivables. Bad debts are written off when considered irrecoverable.

BALUCHISTAN WHEELS LIMITED

4.7 Taxation

Current

Provision for current taxation is based on the taxable income at the current rate of taxation after taking in to account tax credits and rebates available, if any, in accordance with the provision of Income Tax Ordinance, 2001.

Deferred

Deferred tax is recognised using the balance sheet liability method, on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets are recognised for all deductible temporary differences to the extent that it is probable that the temporary differences will reverse in the future and taxable income will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each statement of financial position date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates (tax laws) that have been enacted or substantially enacted by the statement of financial position date

4.8 Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of cash flow statement, cash and cash equivalents comprise bank balances.

4.9 Government grant

Government grant is recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed out.

4.10 Trade and other payables

These are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Company.

4.11 Lease liabilities

The Company assesses at contract inception whether a contract is, or contains, a lease, i.e. if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

The Company applies a single recognition and measurement approach for all leases, except for short-term leases. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the commencement date of the lease if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the in-substance fixed lease payments or a change in the assessment to purchase the underlying asset.

BALUCHISTAN WHEELS LIMITED

4.12 Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

4.13 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

4.14.1 Financial assets

a) Initial recognition and measurement

On initial recognition, a financial asset is classified as measured at: amortised cost; Fair Value through Other Comprehensive Income (FVOCI) – debt investment; FVOCI – equity investment; or Fair Value through Profit or Loss (FVTPL).

The classification of financial assets is generally based on the business model in which a financial asset is managed and its contractual cash flow characteristics.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is to hold assets to collect contractual cash flows;
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and Interest on the principal amount outstanding.

A debt investment is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL:

- it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- its contractual terms give rise on specified dates to cash flows that are solely payments of principal and Interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income (OCI). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

A financial asset (unless it is a trade receivable without a significant financing component that is initially measured at the transaction price) is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

b) Subsequent measurement

Financial assets at amortised cost - These assets are subsequently measured at amortised cost using the effective interest rate method. The amortised cost is reduced by impairment losses, if any. Interest income, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss. Any gain or loss on derecognition is recognised in the statement of profit or loss.

Financial assets at FVTPL - These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in the statement of profit or loss.

BALUCHISTAN WHEELS LIMITED

Debt investments at FVOCI - These assets are subsequently measured at fair value. Interest income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit or loss.

Equity investments at FVOCI - These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses including on account of derecognition are recognised in OCI and are never reclassified to the statement of profit or loss.

4.14.2 Financial liabilities

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gains or losses on liabilities held for trading are recognised in the statement of profit or loss. Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in IFRS 9 are satisfied. The Company has not designated any financial liability as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate (EiR) method. Gains and losses are recognised in the statement of profit or loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit or loss.

4.14.3 Impairment of financial assets

The impairment under Expected Credit Loss (ECL) model applies to financial assets measured at amortised cost, contract assets and debt investments at FVOCI, but not to investments in equity instruments.

ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Company expects to receive. The shortfall is then discounted at an approximation to the asset's original effective interest rate. The expected cash flows will include cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company.

At each date of statement of financial position, the Company assesses whether financial assets are credit-impaired. A financial asset is 'credit-impaired' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred. Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the respective asset.

The Company uses the standard's simplified approach and calculates ECL based on life time ECL on its financial assets. The Company has established a provision matrix that is based on the Company's historical credit loss experience, adjusted for forward-looking factors specific to the financial assets and the economic environment.

BALUCHISTAN WHEELS LIMITED

4.14.4 Offsetting of financial assets and financial liabilities

All financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if the Company has a legally enforceable right to set off the recognised amounts and intends either to settle these on net basis or to realise the assets and settle the liabilities simultaneously.

4.15 Employee benefit obligations

Defined benefit plan

The Company operates an approved funded defined gratuity scheme for all permanent employees who have completed the minimum qualifying period of service for entitlement of gratuity. The contributions to the scheme are made in accordance with the independent actuarial valuation. The latest actuarial valuation was carried out as of 30 June 2020 using Projected Unit Credit method. Re-measurement losses and gains are recognised directly to other comprehensive income and are not reclassified to the statement of profit or loss in subsequent periods. All the past service costs are recognised at the earlier of when the amendments or curtailment occurs and when the Company has recognised related restructuring or terminations benefits.

Defined contribution plan

The Company operates an approved defined contributory provident fund scheme for all permanent employees who have completed the minimum qualifying period of service. Equal contributions are made by the Company and the employees to the fund at the rate of 10% of the basic salary for executives and 10% of the basic salary plus cost of living allowance for non-executives.

Compensated absences

Accrual for compensated absences is made to the extent of the value of accrued absences of the eligible employees cadre at the reporting date using their current salary levels as per Company's policy. No actuarial valuation of compensated absences is carried out as the management considers that the financial impact is not material.

4.16 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligations and a reliable estimate of the amount of the obligation can be made. Provisions are reviewed at each reporting date and adjusted to reflect the current best estimates.

4.17 Warranty Obligations

The management estimates at each reporting date a liability that could arise as a result of the Company's obligation to repair and replace products under warranty. The warranty provided by the Company to the customer is assurance warranty.

A provision is recognised for expected warranty claims on products sold at the rate of 0.2 percent of last six months' turnover based on past experience. Assumptions used to calculate the provision for warranties are based on current sales levels and current information available about past trends and future expectations of such claims. Any change in the estimates in future might affect the profit or loss for that year.

4.18 Revenue recognition

Revenue is recognised at the point in time when control of the asset is transferred to the customer. Revenue is measured at fair value of the consideration received or receivable and is recognised on the following basis:

- Revenue from sale of goods is recognised when or as control of goods is transferred to a customer at a point in time, when the performance obligations are met, which generally coincides with the delivery of goods to the customer.
- Profit on savings accounts is recognised on effective interest rate method.
- Dividend income is recognised when the right to receive such payment is established
- Other revenues are accounted when performance obligations are met.

Moreover, the considerations received before satisfying the performance obligations are recognised as contract liabilities.

NE I

BALUCHISTAN WHEELS LIMITED

4.19 Functional and presentation currency

These financial statements are prepared in Pakistani Rupees, which is the Company's functional and presentation currency.

4.20 Foreign currency transactions

Transactions in foreign currencies are translated into Pakistani Rupees at the rates of exchange approximating those appearing on the dates of transactions. Monetary assets and liabilities denominated in foreign currencies are retranslated into Pakistani Rupees at the rates of exchange approximating those prevailing at the reporting date. Any resulting gain or loss arising from changes in exchange rates is recognised in the statement of profit or loss.

4.21 Dividend and appropriations to reserves

Dividend and appropriation to reserves are recognised in the financial statements in the period in which these are approved. Transfer between reserves made subsequent to the statement of financial position date is considered as a non-adjusting event and is recognised in the financial statements in the period in which such transfers are made.

4.22 Operating segments

For management purposes, the activities of the Company are organized into one operating segment i.e., manufacturing and marketing of automotive wheel rims for trucks, buses, tractors, cars and mini commercial vehicles. The Company operates in the said reportable operating segment based on the nature of the products, risks and returns, organizational and management structure, and internal financial reporting systems. Accordingly, the figures reported in the financial statements are related to the Company's only reportable segment.

LEASE LIABILITIES

The Company has entered into various finance lease agreements with a financial institution in respect of vehicles. The rate of interest used as the discounting factor ranges between 12% and 15.08% (2019: 7.8% and 12%) per annum. Rentals are payable in equal monthly installments whereas repairs and insurance costs are borne by the Company. These are secured against demand promissory notes and title documents of the vehicles.

The Company also has lease contract for the head office premises which has a lease term of 3 years. This lease contract includes extension and termination options subject to the mutual consent of the Company and the lessor. The Company is bound by certain covenants which includes but are not limited to payment of certain taxes and to exercise reasonable care.

20.1 Represents a long-term financing obtained from a conventional bank under the Refinance Scheme for Payment of Wages and Salaries by State Bank of Pakistan. It carries flat mark-up at the rate of 3% per annum. The SBP allowed spread under this scheme is up to 3% per annum. However, the effective interest rate is calculated at 8.51% and the loan has been recognised at the present value. The loan is repayable in 8 equal quarterly installments commencing from January 2021 discounted at the effective rate of interest. The differential mark-up has been recognised as government grant (as mentioned in note 22) which will be amortised as interest income over the period of facility. The financing is secured against first pari-passu hypothecation charge over current assets.

26 CONTINGENCIES AND COMMITMENTS

26.1 Contingencies

- 26.1.1 On 8 April 2004, National Bank of Pakistan (NBP) made a payment to the Privatisation Commission amounting to Rs.91.25 million and filed a suit in the Honorable High Court of Sindh for recovery of the same from the Company which was subsequently transferred due to administrative reasons to the Banking Court No. III at Karachi and now pending adjudication. The management, based on the advice of its legal advisor, is of the view that the matter is at the final stage of arguments and the Company has a good defence in the matter. Accordingly, no provision has been made in these financial statements in respect of the above matter.
- 26.1.2 On 6 August 2001, the Company has filed a suit before the Honorable High Court of Sindh at Karachi, against NBP for satisfaction of Charge on Asset which was created in anticipation of a prospective loan / finance to be provided by NBP to the Company. As the proposed loan / finance had not been obtained from NBP by the Company, the charge should have been redeemed by NBP. Currently, the matter is at the state of evidence of the parties. The management, based on the advice of legal advisor, is of the view that no financial implications will arise to the Company as a result of this suit and accordingly, no provision has been made in this respect in these financial statements.
- 26.1.3 On 25 January 2018, the Additional Commissioner Inland Revenue (ACIR) amended the assessment and issued order under section 122 (5A) of the Income Tax Ordinance, (ITO) 2001, for tax year 2015, and created arbitrary tax demand of Rs. 35.356 million. Being aggrieved with the order of the concerned ACIR, the Company filed an appeal before the Commissioner Inland Revenue Appeals I {CIR (A)} on which the concerned CIR (A) through its order under section 129 of the Income Tax Ordinance, 2001, deleted certain additions and remanded back the case to the concerned ACIR on account of certain additions. The ACIR filed an appeal before Appellate Tribunal Inland Revenue (ATIR) on the issues which were deleted by the CIR (A) which is pending adjudication.

The management, based on the advice of its tax advisor, does not consider necessary to maintain a provision against the demand for the tax year 2015, as the matter will be reassessed as fresh by the relevant assessing authority.

26.1.4 On 27 September 2018, Deputy Commissioner Inland Revenue (DCIR) amended the assessment and issued order under section 122 (5A) of the ITO for the tax year 2017, reducing tax refunds for the said tax year by Rs. 28.39 million. Being aggrieved, the Company filed an appeal before CIR (A), who maintained the demand of DCIR through appellate order dated 15 January 2019. The Company filed appeal before ATIR which is pending adjudication.

The management, based on the advice of its tax advisor, is of the view that outcome of the appeal cannot be ascertained at this stage and consequently any future potential liability. However, the management, on prudent basis, has retained provision of Rs. 14.2 million in respect of above contingency.

- 37.3 Aggregate amount charged in the financial statements against fee for attending meetings to six non-executive directors was Rs. 1.67 million (2019; Rs. 2.95 million).

38 FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company finances its operations through equity and management of working capital with a view to maintaining an appropriate mix between various sources of finance to minimize risk. Taken as a whole, the Company is exposed to market risk (including equity price risk, currency risk and interest rate risk), credit risk and liquidity risk. The Company's principal financial liabilities comprise loans, deposits, trade and other payables and lease liabilities. The main purpose of these financial liabilities is to raise finance for the Company's operations. The Company has various financial assets such as short-term investments, loans, trade debts, other receivables and cash and bank balances, which are directly related to its operations.

The Board of Directors has overall responsibility for the establishment and oversight of Company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance. No changes were made in the objectives, policies or processes and assumptions during the year ended 30 June 2020 which are summarized below:

d from : www.OpenDoors.Pk BALUCHISTAN WHEELS LII

BALUCHISTAN WHEELS LIMITED

38.1 Market risk

Market risk is the risk that fair value of future cash flows will fluctuate because of changes in market prices. Market risk comprises three types of risk; foreign corrency risk, interest rate risk and other price risk such as equity risk.

(I) Foreign currency risk

Foreign currency risk is the risk that the value of financial assets or a financial liability will fluctuate due to a change in foreign exchange rates. It arises mainly where receivables and payables exist due to transactions in foreign currency. The Company is not materially exposed to foreign currency risk as of the reporting date.

(ii) Interest rate risk

interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's lease liabilities. The Company mitigates its risk by maintaining excess funds in savings accounts with floating interest rates.

Sensitivity analysis

The following figures demonstrate the sensitivity to a reasonably possible change in interest rate, with all other variables held constant, of the Company's profit before tax:

	Increase / decrease in interest rate (%)	Effect on profit before tax (Rs. in '000)	
2020	+2	616	
	-2	(616)	
2019	+2	489	
	-2	(489)	

(iii) Equity price risk

The Company's listed equity investment is susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through placing limits on investments in equity instruments that are reviewed and approved by the Board of Directors, on a regular basis.

As at the reporting date, the exposure to equity investments at fair value listed on the PSX is Rs. 3.31 million (2019; Rs. 2.83 million). Given that the changes in fair values of the equity investments held are strongly positively correlated with changes of the PSX market index, the Company has determined that an increase / (decrease) of 10% in the fair market value could have an impact of approximately PKR 0.33 million (2019; 0.28 million) increase / (decrease) on the Company's profit before tax.

38.2 Credit risk

Credit risk represents the financial loss that would be recognised at the reporting date if counter parties failed to perform as contracted. The Company manages credit risk through having exposure only to customers and parties considered credit worthy and obtaining securities where applicable. As of the reporting date, the Company is exposed to credit risk on the following assets:

		Carrying v	ralues
	•	30 June 2020	30 June 2019
	Note	~ (Rs. in 'l	000)

	60,362	44,994

38.3 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due.

The Company applies prudent risk management policies by maintaining sufficient bank balances and by keeping committed credit lines. At the reporting date, the Company has unavailed facilities of Rs. 335 million for running finance which carry interest rates ranging between 3 months average KIBOR plus 0.5% and 0.75% and are secured against the stock and book debts of the Company for Rs. 463.6 million. The table below summarises the maturity profile of the Company's financial liabilities at the following reporting dates based on contractual undiscounted payments.

BALUCHISTAN WHEELS LIMITED

38.4 Capital risk management

The primary objective of the Company's capital management is to maintain healthy capital ratios, strong credit rating and optimal capital structures in order to ensure ample availability of finance for its existing and potential investment projects, to maximize shareholders value and reduce the cost of capital.

The Company manages its capital structure and makes adjustment to it, in light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. Net debt is calculated as total loans and borrowings including any finance cost thereon, less cash and cash equivalents.

The gearing ratios as at 30 June 2020 and 30 June 2019 are as follows:

	30 June 2020	30 June 2019
	(Rs. in '	000)
Long-term financing	39,560	-

FAIR VALUE OF FINANCIAL INSTRUMENTS

The carrying values of the financial assets and financial liabilities approximate their fair values. Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair value hierarchy

The following table shows financial instruments recognised at fair value as of the reporting date, analysed between those whose fair value is based on:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Those involving inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices); and

Level 3: Those with inputs for the asset or liability that are not based on observable market data (unobservable inputs).

	Level 1	Level 2	Level 3	Total
		(Rs. ii	n '000)	
Investments designated 'at fair				
value through profit or loss'

NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the 40th Annual General Meeting (AGM) of the shareholders of Baluchistan Wheels Limited will be held on Thursday, October 22, 2020 at 12:00 NOON at Karachi to transact the following business. Due to the need of required social distancing to avoid the spread of COVID-19 pandemic, shareholders are requested to attend the meeting through video conferencing facility arranged by the Company as per the instructions given in the notes section.

ORDINARY BUSINESS

- 1. To confirm the minutes of the Annual General Meeting held on October 26, 2019.
- 2. To receive, consider and adopt the Audited Annual Financial Statements of the Company together with the Chairman's Review Directors' and Auditors' Reports for the year ended June 30, 2020.
- 3. To consider and approve payment of final cash dividend of Rs. 1.5 per share (15%) for the year ended June 30, 2020 as recommended by the Board of Directors.
- 4. To appoint Statutory Auditors of the company for the year ending June 30, 2021 and fix their remuneration.

The present auditors, M/s. EY Ford Rhodes, Chartered Accountants, are retiring at the conclusion of the 40th AGM of the Company. The Board Audit Committee and the Board of Directors on recommendation of the management of the Company recommended that M/s. BDO Ebrahim & Co., Chartered Accountants (a member firm of International BDO Network), be appointed as statutory auditors of the Company for the year ending June 30, 2021 at a fee to be mutually agreed and reimbursements of out of pocket expenses at actual.

OTHER BUSINESS

5. To transact any other business with permission of the Chairman

BY ORDER OF THE BOARD Muhammad Asad Saeed Company Secretary

Karachi: September 30, 2020

NOTES:

1. Participation in the AGM proceeding via video conferencing facility and appoint proxies:

Video link and login credentials will be shared with only those members whose emails, containing the required particulars, are received not less than 48 hours before the time of the meeting:

A member entitled to attend, speak and vote at the meeting is entitled to appoint any other member as his / her proxy to attend, speak and vote. Proxies in order to be effective must be received at the Head Office of the Company, duly stamped and signed not less than 48 hours before the time of holding the meeting

2. Closure of Share Transfer Books

Share transfer books of the Company will remain closed from October 15, 2020 to October 22, 2020 (both days inclusive). Transfers received in order at M/s THK Associates (Pvt) Limited, 1st Floor, 40-C, Block-6, P.E.C.H.S. Karachi-75530, Pakistan, by the close of business on October 14, 2020 will be considered in time to determine the above mentioned entitlement and to attend and vote at the meeting.

3. Guidelines to the General Meeting for CDC Account Holders:

CDC Account Holders will further have to follow the guidelines as laid down by Securities & Exchange Commission of Pakistan (SECP):

A. For Attending the Meeting:

- In case of individuals, the account holders or sub-account holder and / or the person whose securities are in group account and their registration details are uploaded as per the regulations, shall authenticate his/her identity by showing his/her original CNIC, or original passport at the time of attending the meeting.
- Members registered on Central Depository Company (CDC) are also requested to bring 11. their particulars, ID number and account number in Central Depository System (CDS).
- In case of corporate entities, the Board of Director's resolution / Power of attorney with iii. specimen signature of the nominees shall be produced (unless it has been provided earlier) at the time of attending the meeting.

B. For Appointing Proxies:

- In case of individuals, the account holders or sub-account holders and / or the person whose securities are in group account and their registration details are uploaded as per the regulations, shall submit the proxy form as per the above requirements.
- The proxy form shall be witnessed by two persons whose names, address and CNIC 11. numbers shall be mentioned on the form.
- Attested copies of CNIC or the passport of the beneficial owners and the proxy shall be iii. furnished with the proxy form.
- The proxy shall produce his / her original CNIC or passport at the time of the meeting. 1V.
- In case of corporate entities, the Board of Director's resolution / power of attorney with specimen signature of the person nominated to present and vote on behalf of the corporate entity, shall be submitted (unless it has been provided earlier) alongwith the proxy form to the Company.

BALUCHISTAN WHEELS LIMITED

4. CNIC/NTN on Electronic Dividend (Mandatory)

- a. As per SRO. 831(1)/2012 dated 5th July 2012, and other relevant rules, the electronic Dividend should also bear the CNIC Number of the registered shareholder or the authorized person, except in case of minor(s) and corporate shareholder(s).
- b. In refer to comply with the SECP's directions and in term of Section 243(2) (a) of the Companies Act 2017, the Company shall be constrained to withhold the payment of Dividend to the shareholders, in case of non-availability of identification number (CNIC or National Tax Number] of the shareholder or authorized person.
- c. Accordingly, the shareholders, who have not yet submitted copy of their valid CNIC or NTN, are once again requested to immediately submit the same to the Share Registrar, M/s THK Associates (Pvt) Limited.

5. Payment of Cash Dividend Electronically (Mandatory)

- a. As per Section 242 of the Companies Act, 2017 and Companies (Distribution of Dividends) Regulations, 2017, every listed company is required to ensure that the cash dividends to its shareholders shall be paid through electronic mode only directly into their bank accounts designated by the entitled shareholders instead of issuing physical dividend warrants. Therefore, shareholders are requested to provide the details of their Bank mandate specifying: (i) Title of account, (ii) Account number (iii) IBAN number (iv) Bank name and (v) Branch name, code and address to the Company Share Registrar. Those share-holders who hold shares with participants / Central Depository Company of Pakistan (CDC) are advised to provide the same to their concerned participant / CDC.
- b. Please note that as per Section 243 (3) of the Companies Act, 2017, listed Companies are entitled to withhold payment of dividend, if necessary information is not provided by the shareholders.
- For the convenience of shareholders, e-Dividend Mandate Form is available on Company's website http://www.bwheels.com

6. Unclaimed/Unpaid Dividend

Shareholders, who by any reason, could not claim their dividend are advised to contact our Share Registrar M/s. THK Associates (pvt.) Ltd. to collect/enquire about their unclaimed/unpaid dividends.

7. Deduction of Income Tax from Dividend under section 150 of the Income Tax Ordinance, 2001 (Mandatory)

- a. Currently, the deduction of withholding income tax on the amount of dividend paid by the Companies under section 150 of the Income Tax Ordinance, 2001 are as under:
 - (i) For Active Tax Payer: 15%
 - (ii) For Non- Active Tax Payer: 30%

d from : www.OpenDoors.Pk BALUCHISTAN WHEELS LIMITED

- b. Further according to clarification received from Federal Board of Revenue (FBR), withholding tax will be determined separately on "Active/Non-Active" status of principal shareholder as well as Joint-holder(s) based on their shareholding proportions, in case of joint accounts.
- c. In this regard all shareholders who hold shares jointly are requested to provide shareholding proportions of Principal shareholder and Joint-holder(s) in respect of shares held by them to our Share Registrar, in writing as follows:

Company Name	Folio / CDS Account #		Principal Shareholder		Joint Shareholder	
			Name and	Shareholding proportion	Name and	Shareholding proportion
		Shares	CNIC No.	(No. of Shares)	CNIC No.	(No. of Shares)

- d. The required information must reach our Share Registrar within 10 days of issue of this notice; otherwise it will be assumed that the shares are equally held by Principal shareholder and Joint Holder(s).
- e. The corporate shareholders, having CDC accounts, are requested to have their National Tax Number (NTN) updated with their respective participants.

8. Availability of Audited Financial Statements on Company's Website:

- a. In accordance with the provisions of Section 223 and 237 of the Companies Act 2017, the audited financial statements of the Company for the year, which ended on 30th June 2020, are available on the Company's website http://www.bwheels.com
- b. If any shareholder, desires to get the hard copy of Annual Audited Financial Statements, the same shall be provided free of cost within seven working days of receipt of such request.
- c. For convenience of shareholders, a "Standard Request Form" for provision of Annual Audited Financial Accounts is available on the Company's website http:// www.bwheels.com

9. Change of Address(If Any):

Members are requested to promptly notify any change in their addresses immediately to the Company's Share Registrar.

*Proxy Form is enclosed
