- Maintain high standards of ethical behaviors and fiduciary responsibility
- Manage Investments with Prudence and with the aim of providing consistent returns better than that of peers
- Take Products and Services to the People; Create awareness on understanding financial goals, risks and rewards
- Professional Excellence Adapt, Evolve and Continuously Improve
- Maintain highly effective controls through strong compliance and risk management
- A talented, diligent and diverse HR

DIRECTORS' REPORT TO THE UNIT HOLDERS

The Board of directors of JS Investments Limited has pleasure in presenting to you the un-audited financial statements of JS Cash Fund for the three months period ended September 30, 2010.

Economic Outlook

The first quarter of the Fiscal Year 2011 witnessed the worst natural catastrophe in the history of the country. The weakened state of economy which had lately shown some signs of recovery, was further driven backwards by the severity of the floods. Consequently, most of the financial projections had to be revisited after incorporating the adverse impacts of the floods. The already stretched budget deficit is expected to widen further in the range of 6%-7% of the GDP, the expected GDP growth rate for the current fiscal year was slashed from 4.5% to 2.5% and the inflation rate is likely to rebound in the vicinity of 14%-16%.

Therefore, to curb the inflationary pressures and aiming to strike a balance between the inflation and growth rate, the State Bank of Pakistan took a vigilant stance and increased the discount rates in the last two monetary policies by 50 bps each from 12.5% to 13.5%.

During the period under review, the 6 months KIBOR averaged 12.70%, an increase of 36bps when compared to last quarter's average of 12.34%.

Fund Performance

The Fund earned a net income of Rs. 28.932 million during the period under review. The net assets of the Fund were Rs. 1,124.204 million as on September 30, 2010 compared to Rs. 1,420.330 million as on June 30, 2010 – a decline of 20.85%. The Fund outperformed its annualized benchmark by 0.73%.

The Board of Directors of the management company has approved an interim dividend of Rs. 2.00 per unit to the unit holders.

Fund and Asset Manager Rating

The JCR – VIS Credit Rating Co. Limited has assigned fund stability rating (FSR) of AA+ (f) (Double A Plus (f)) to JS Cash fund. The fund's rating denotes high degree of Stability in Net Asset Value

The asset Manager rating for JS Investments Limited is in progress and has not yet been announced by JCR-VIS Credit Rating Co. Limited. The asset manager rating for JS Investments Limited last announced by PACRA was "AM2". The said rating was subsequently withdrawn by PACRA on March 16, 2010 pursuant to JS Investments' decision to discontinue its rating relationship with PACRA with immediate effect.

Acknowledgment

We wish to express our gratitude to the employees of the Management Company and the Trustee for their dedication and hard work and the unit holders for their confidence in the Management.

On behalf of the Board

Karachi: October 22, 2010

8. REVERSAL OF CONTRIBUTION TO WORKER'S WELFARE FUND

The Finance Act, 2008 brought an amendment in section 2 (f) of the Workers' Welfare Fund Ordinance, 1971 (the WWF Ordinance) with the intention to make the definition of "Industrial Establishment" applicable to any establishment to which the West Pakistan Shop and Establishment Ordinance, 1969 (1969 Ordinance) applies. As a result of this amendment, the Fund had made provision of Rs. 725,606 for Worker's Welfare Fund being two percent of income of the Fund in the financial statements for the year ended June 30, 2010.

However, the above provision was reversed and further provisioning was discontinued with effect from August 24, 2010 on the basis of a clarification issued by the Ministry of Labour and Manpower that the income of Mutual Funds is exempt from the levy of WWF under the law.

9. TRANSACTIONS WITH RELATED PARTIES

The Transactions with related parties are in the normal course of business, at contracted rates and terms determined in accordance with market rates.
