Independent Auditors' Report on review of Condensed Interim Financial Information to the Unit Holders

Introduction

We have reviewed the accompanying condensed interim statement of assets and liabilities of **AMZ Plus Income Fund** ("the Fund") as at 31 December 2009 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim distribution statement, condensed interim statement of movement in unit holders' funds and condensed interim cash flow statement for the half year ended 31 December 2009 (here-in-after referred to as the "condensed interim financial information"). Management Company is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for Interim Financial Reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information as at and for the half year ended 31 December 2009 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for Interim Financial Reporting.

Emphasis of Matter

Without qualifying our review report we draw attention to note 1.2 of the condensed interim financial information which explains the salient features, terms and conditions of the restructuring of the Fund and transfer of its management rights to Crosby Asset Management (Pakistan) Limited. These conditions indicate the existence of material uncertainty that may cast significant doubts about the Fund's ability to continue as a going concern. However, the restructuring proposal, duly approved by SECP, mandates that any instruments that are not saleable and/or defaulted / doubtful at the end of the restructuring period of three months shall remain in the portfolio of the Fund till such time that a reasonable price is available or till the maturity of the asset and the Fund will also continue as an open-end fund, not open for issue and redemption of units till that time.

KPMG Taseer Hadi & Co.

Other matters

The figures for the quarter ended 31 December 2009 in the condensed interim financial information have not been reviewed and we do not express a conclusion thereon.

Notes to the Condensed Interim Financial Information (Unaudited)

For the half year ended 31 December 2009

1. LEGAL STATUS AND NATURE OF BUSINESS

1.1 AMZ Plus Income Fund (the Fund) was established under a Trust Deed executed between AMZ Asset Management Limited (AAML) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on 1 December 2005 and was approved by the Securities and Exchange Commission of Pakistan (SECP) under Rule 67 of the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules). Constitutive documents of the Fund (Trust Deed and Offering Document) were amended by the Management Company with the approval of the Trustee and SECP through Supplemental Trust Deed and Offering Document dated 27 May 2008. The Offering Document was further amended vide second supplemental Offering Document and addendum to the Offering Document dated 8 August 2008 and 15 September 2008 respectively.

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules. The registered office of the Management Company is situated at Saima Trade Towers, Tower B, I.I. Chundrigar Road, Karachi, Pakistan.

The Fund is an open-ended scheme and is listed on the Karachi Stock Exchange (Guarantee) Limited. Units are offered for public subscription on a continuous basis and the units are transferable and can be redeemed by surrendering them to the Fund. However, presently the Fund is not open for issue and redemption of units as more fully explained in note 1.2 below. The Fund started investing activities from 26 February 2006.

The policy of the Fund is to invest in a mix of investment-grade, debt securities, government securities, money market instruments, spread transactions, Continuous Funding System (CFS), and short-term reverse repurchase transactions. The Fund's strategy is aimed at preserving investors' capital while maximizing value and maintaining a stable stream of income.

1.2 During the year ended 30 June 2009, the Fund witnessed erosion in size due to redemptions, decline in asset prices and provisioning against non-performing assets. To secure the interests of the unit holders of the Fund, the Board of Directors of the Management Company suspended the issuance and redemption of units on 17 June 2009 for an unspecified period and informed SECP and the Trustee accordingly. The Board of Directors in their meeting held on 30 June 2009 decided to transfer the management rights of the Fund to another management company subject to all regulatory and other approvals.

Consequent to this decision, the Management Company of the Fund (AMZ Asset Management Limited - AAML) signed a Memorandum of Understanding (MOU) with Crosby Asset Management(Pakistan) Limited (CAML) on 3 November 2009 and agreed in principle that subject to the approval of the Boards of Directors of AAML and CAMPL and the regulatory approval of SECP and the Trustees of the Fund, CAMPL would take over the management of the Fund, as per the understandings contained in the MOU. A meeting of the unit holders of the Fund was held on 8 January 2010, where the following resolutions were passed:

- a) Change in management of the Fund from AAML to CAMPL.
- b) Any regulatory approvals required for the restructuring proposal shall be obtained by AAML and CAMPL
- c) Approval of restructuring proposal of the Fund with the salient features, terms and conditions mentioned below:
 - i) In the best interest of the Fund and all the unit holders, outstanding redemptions of Rs. 69.219million were voluntarily withdrawn by the investors. 11. CONTINGENT LIABILITY

The Finance Act, 2008 brought an amendment in section 2 (f) of the Workers' Welfare Fund Ordinance, 1971 (the WWF Ordinance) with the intention to make the definition of "Industrial Establishment" applicable to any establishment to which the West Pakistan Shop and Establishment Ordinance, 1969 applies. As a result of this amendment it can be construed that the WWF Ordinance is applicable to all Collective Investment Schemes (CIS) whose income exceeds Rs. 0.5million in a tax year , thus rendering them liable to pay two percent of their total income (as defined in section 4 of the WWF Ordinance). However, during the period the Mutual Fund Association of Pakistan (MUFAP) has filed a constitutional petition in the High Court of Sindh praying it to declare that CIS are not covered in the definition of Industrial Establishment. The legal proceedings in respect of the aforementioned petition are currently in progress.

The Management Company (a member of MUFAP) based on the advice of the MUFAP's legal counsel, is confident of a favorable decision, and accordingly no provision for the aforementioned liability amounting to Rs. 1.204 million has been made in this condensed interim financial information.
