NAFA MULTI ASSET FUND

DIRECTORS' REPORT

The Board of Directors of National Fullerton Asset Management Limited is pleased to present the second Annual Report of **NAFA Multi Asset Fund** for the year ended June 30, 2008.

Fund's Performance

Assets under management of NAFA Multi Asset Fund have grown from Rs.1,249 million to Rs.2,631 million during the Financial Year 2007-08, i.e. a growth of 110.65%. During this year, Unit Price of your Fund has grown from Rs.10.9689 on June 30, 2007 (Ex-Div interim distribution) to Rs.11.5300 on June 30, 2008, thus showing an increase of 5.10%. While, its benchmark has recorded a decline by 2.48%, during the year. Thus the Fund has outperformed its benchmark by 7.58%.

NAFA Multi Asset Fund has earned total income of Rs.215.72 million during the year. After deducting expenses of Rs.90.15 million, the net income is Rs.125.57 million, translating into earning per unit of Rs.0.5611.

The asset allocation of the Fund as on June 30, 2008, and its performance against the benchmark are as follows:

NAFA MULTI ASSET FUND

Income Distribution

In addition to interim distribution of 3.377%, the Board of Directors of the Management Company has also approved a final distribution of 4.221%, translating into total distribution of 7.598% of the par value and 6.750% of opening ex-NAV. After final distribution, the net asset value per unit will be Rs.11.1079 on June 30, 2008.

Taxation

As the above distribution is more than 90% of the income earned during the year, excluding realized and unrealized capital gains on investments, the Fund is not subject to tax under Clause 99 of the Part I of the Second Schedule of the Income Tax Ordinance, 2001.

Auditors' Qualifications

The auditors' qualification pertains to the period prior to promulgation of the Non-Banking Finance Companies and Notified Entities Regulations, 2007 (NBFC Regulations). Thereafter, SECP allowed mutual funds to use the same basis as was being used by the Fund.

Auditors

The present auditors, Messrs A. F. Ferguson & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment.

Pattern of Unit-holders

The pattern of Unit-holding as on June 30, 2008 is disclosed in the note 26 to these financial statements.

NAFA MULTI ASSET FUND

Directors' Statement in Compliance with Code of Corporate Governance

The part of the Directors' report to unit-holders is given as required under section 236 of the Companies Ordinance 1984:

1. The financial statements, prepared by the management company of NAFA Multi Asset Fund, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.
2. Proper books of account of NAFA Multi Asset Fund have been maintained.
3. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
4. International Accounting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. There are no significant doubts upon NAFA Multi Asset Fund's ability to continue as a going concern.
7. There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
8. The Board of Directors of National Fullerton Asset Management Limited held five meetings during the current financial year. The attendance of all directors is disclosed in the note 27 to these financial statements:

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing us with the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment enthusiasm shown by the staff and the Trustee.

On behalf of the Board of
National Fullerton Asset Management Limited

NAFA MULTI ASSET FUND

TRUSTEE REPORT TO THE UNIT HOLDERS NAFA MULTI ASSET FUND

Report of the Trustee pursuant to regulation 58(f) and Clause 9 of schedule IV of the Non-Banking Finance Companies and Notified Entities Regulations, 2007

NAFA Multi Asset Fund (Fund), an open-end scheme was established under a trust deed dated December 06, 2006 executed between National Fullerton Asset Management Limited, as the management company and Central Depository Company of Pakistan Limited, as the trustee.

In our opinion, the management company has in all material respects managed the Fund during the year ended June 30, 2008 in accordance with the provisions of the following:

- (i) limitations imposed on the investment powers of the management company under the constitutive documents of the fund;
- (ii) the pricing, issuance and redemption of units are carried out in accordance with the requirements of the constitutive documents of the fund; and
- (iii) the Non-Banking Finance Companies (Establishment and Regulations) Rules, 2003 (NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2007 (NBFC Regulations) and the constitutive documents of the fund.

For the purpose of information, the attention of the unit holders is drawn towards note 3.2.2 of the financial statements wherein it is specified that previously the basis of valuation of listed debt securities were not in the line with the requirement of the NBFC Rules however, subsequent to the promulgation of NBFC Regulations listed debt securities are valued in accordance with the requirements of the NBFC Regulations.

Muhammad Hanif
Chief Executive Officer
Central Depository Company of Pakistan Limited

NAFA MULTI ASSET FUND

STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE FOR THE YEAR ENDED JUNE 30, 2008

This statement is being presented to comply with the Code of Corporate Governance contained in Regulation No. 43 of Listing Regulations of the Lahore Stock Exchange for the purpose of establishing a framework of good Governance, whereby a listed Company is managed in compliance with the best practice of corporate governance.

NAFA Multi Asset Fund (the Fund) is an open end mutual fund and is listed at the Lahore Stock Exchange. The Fund, being a unit trust scheme, does not have its own Board. The Board of Directors of the Management Company manages the affairs of the Fund and has appointed the Chief Executive Officer (CEO), Chief Financial Officer (CFO) and the Company Secretary of NAFA and other necessary personnel to manage its affairs.

The Management Company has applied the principles contained in the Code in the following manner:

1. The Management Company encourages representation of independent non-executive directors. At present the Board consist seven directors including six independent non-executive directors. The Management Company is not listed on any stock exchange and therefore does not have minority interest.
2. The directors have confirmed that none of them is serving as a director in more than ten listed companies.
3. All the resident directors of the Management Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBF1 or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. During the year no casual vacancy was occurred in the Board.
5. The Management Company has adopted a "Code of Business Ethics and Business Practices", which has been acknowledged by all the directors and distributed to employees of the Management Company.
6. The Board has developed a vision/mission statement overall corporate strategy and significant policies of the Fund. A complete record of the particulars along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO, have been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and the Board met at least once in every quarter during the year. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meeting were appropriately recorded and circulated.
9. All the members of Board are well aware of operations of the Fund and the Management Company, therefore no orientation courses were arranged during the year.
10. The Board has approved the appointment of Head of Internal Audit and his terms of employment.
11. Directors' Report has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
12. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
13. The Directors, CEO and Executives do not hold units of the Fund other than those disclosed in note 21 to the financial statements "Transactions with Connected Persons".
14. The Management Company has complied with the corporate and financial reporting requirements of the Code with respect to the Fund.
15. The Board has formed an Audit Committee. It comprises three members, all of whom are non-executive directors including the chairman of the committee.
16. The meetings of the audit committee were held at least once every quarter prior to approval of the interim and final results of the Fund as required by the Code. Terms of Reference of the Audit Committee have been prepared and advised to the Committee for compliance.

NAFA MULTI ASSET FUND

17. There exists an effective internal audit function within the company.
18. The Management Company has appointed the Head of Internal Audit, who is considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund.
19. The Statutory Auditors of the fund have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan, that they or any of the partners of the firm, their spouse and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on Code of Ethics as adopted by the Institute of Chartered Accountants of Pakistan.
20. The Statutory Auditors or the persons associated with them have not been appointed to provide other services except in accordance with the Listing Regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. We confirm that all other material principles contained in the Code have been complied with.

NAFA MULTI ASSET FUND

FUND MANAGER'S REPORT

NAFA Multi Asset Fund

NAFA Multi Asset Fund (NMF) is an open-ended balanced fund.

Investment Objective of the Fund

Objective of NMF is to provide investors with a combination of capital growth and income by investing in a variety of asset classes such as stocks, bonds, money market instruments, CFS etc. Thus main investment classes for the Fund are Equity and Fixed Income asset classes with a maximum range of 70% in any asset class at a point in time. The risk profile of the Fund is moderate.

Benchmark

50% 1-Month KIBOR and 50% KSE-30 Index.

Fund's Performance Review

During FY 2008 NAFA Multi Asset Fund generated a return of 5.10% whereas the Benchmark i.e. 50% 1-Month KIBOR and 50% KSE-30 Index generated a return of -2.48% thereby the Fund ended with an out-performance of 7.58%. Furthermore, please find below the chart of the Fund's performance versus the Benchmark (KSE-30 Index):

The asset class allocation has been actively managed throughout the year, with average asset allocation at more than 50% in Equity. Following are the various developments during the year in each asset class.

The equity asset class has mainly been the listed stocks in the Karachi Stock Exchange. The stock market during the year behaved in a very volatile fashion, reflecting turbulent political situation and consequent fallout on the economy. Unrest in tribal region, Presidential election, judicial activism, emergency, assassination, elections, global as well as domestic energy crisis and the government borrowing from SBP eventually took their toll on the macro-economy and rupee lost 13% of its value. In response, SBP tightened the screw on monetary expansion and the stock market discounted all these developments with a sharp readjustment i.e. a decline of 33% in less than three months.

During FY 2008, the KSE-30 Index fell by 15.69% from 16,993 to 14,326 as compared to growth of 34% during FY 2007. Market capitalization during the period under review fell by 6.02% from Rs.4.019 trillion to Rs.3.777 trillion, as compared to increase of 43.48% from Rs. 2.801 trillion to Rs. 4.019 trillion during the corresponding period last year. The KSE-30 Index reached a High of

NAFA MULTI ASSET FUND

18,996 and a Low of 12,750 in FY 2008. Average daily volume stood at 242 million shares as compared to 212 million shares in FY 2007. Higher volumes were primarily due to increased foreign based activity and enhanced market volatility.

We adopted the stock selection strategy for the generation of out-performance instead of trying to time the market. The shares we thought are likely to out-perform the market were accumulated in our portfolio till the time we assessed that the fair values have been attained or some fundamental change warranted liquidation of that particular position.

On the Fixed Income side, as mentioned earlier SBP in continuation with its tight monetary policy increased Discount Rate by 3% to 12%. It also increased Cash Reserve Requirement and Statutory Liquidity Requirement by 2% and 1% to 9.00% and 19.00% respectively. Liquidity crunch witnessed due to above announcement had its positive effect on KIBOR rates with 1-Month KIBOR rate up by 422 basis points to 13.64%.

We expected tightened monetary policy and rising interest rate scenario to persist. Our strategy was focused on short duration investment avenues such as CFS, Ready Future Spread, Floating Rate Term Finance Certificates (TFCs). All the above mentioned avenues are short-term and are major beneficiaries of rising interest rate scenario.

Attached chart shows the asset allocation. As of 30th June 2008 allocation in Equity, Fixed Income Mutual Funds, TFCs, CFS and Cash & Others are 38%, 13%, 14%, 17% and 18% respectively, of the Fund size. NAFA Multi Asset Fund's asset allocation has changed since June last year. As of 30th June, 2007, its asset allocation in Equity, TFCs, CFS and Cash & Others was 56%, 7%, 22% and 15% respectively, of the Fund size.

Income Distribution

In addition to interim distribution of 3.377%, the Board of Directors of the Management Company has also approved a final distribution of 4.221%, translating into total distribution of 7.598% of the par value and 6.750% of opening ex-NAV. Before final distribution, the net asset value per unit was 11.5300 on June 30, 2008. After final distribution, the net asset value per unit will be Rs.11.1079 on June 30, 2008.

NAFA MULTI ASSET FUND

Pattern of Unit Holders for NAFA Multi Asset Fund - As on June 30, 2008

Size of Unit Holding (Units)	No. of Unit Holders
Upto 1,000	1,016
1,001- 5,000	445
5,001-10,000	250
10,001 - 50,000	469
50,001 - 100,000	88
100,001 - 500,000	120
500,001 - 1,000,000	16
1,000,001 - 5,000,000	25
5,000,001 - 10,000,000	5
10,000,001 - 100,000,000	5
	2,439

During the period under question:

- There have been no significant changes in the state of affairs of the Fund
- The Management Company or its delegates did not receive any soft commission (i.e. goods and services) from its broker(s)/dealer(s) by virtue of transactions conducted by the Fund.

NAFA MULTI ASSET FUND

REVIEW REPORTS TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the statement of compliance with the best practices contained in the code of corporate governance prepared by the Board of directors of National Fullerton Asset Management Limited, Management Company of NAFA Multi Asset Fund to comply with XIII of the Lahore Stock Exchange where the Fund is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Management Company of the Fund .Our responsibility is to review , to the extent where such compliance can be objectively verified , whether the statement of compliance reflects the status of the Fund 's compliance with the provisions of the Code of Corporate Governance and report if it does not .A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach .We have not carried out any special review of the internal control covers all control and the effectiveness of such internal controls.

Based on our review nothing has come to our attention which causes us to believe that the statement of Compliance does not appropriately reflect the Fund's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Fund for the year ended June 30,2008.

NAFA MULTI ASSET FUND

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

We have audited the accompanying financial statements of NAFA Multi Asset Fund which comprise the statement of assets and liabilities as at June 30, 2008, and the related income statement, distribution statement, cash flow statement and statement of movement in unit holders' funds for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management Company's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the approved accounting standards as applicable in Pakistan. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As explained in note 3.2.2 to the financial statements during the year the Fund has changed the basis for determination of fair value of listed debt securities, subsequent to their initial recognition, so as to comply with the requirements set out in the Non-Banking Finance Companies and Notified Entities Regulations, 2007 (NBFC Regulations) promulgated by SECP in November 2007. The requirement to compute the net assets of a collective investment scheme previously laid down in the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules) are now set out under clause 2(i)(xvi) of the NBFC Regulations.

Upto the promulgation of the NBFC Regulations, the investments of the Fund in listed debt securities were revalued using the average of the rates quoted by certain brokerage houses. In this connection Rule 2(xxxiv) of the NBFC Rules 2003 required these investments to be revalued using the rates quoted on the stock exchange on which these investments were listed. However, the management was of the view that the rates used by the Fund were representative of the fair market value of these investments and that such valuation methodology was fair to the existing as well as the new investors. As a result the Net Asset Value (NAV) calculation of the Fund upto the date of change of the Fund's valuation methodology for listed debt securities and consequently the calculation of number of units issued as well as the net element of income and capital gains included in units issued less those in units redeemed by the Fund, during the year would have been different. These effects have not been quantified as it was impracticable to do so.

Opinion

In our opinion, except for the effects of the matter discussed in the preceding paragraph the financial statements give a true and fair view of the state of the Fund's affairs as at June 30, 2008 and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

Other matters

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Trust Deed and the Non-Banking Finance Companies and Notified Entities Regulations, 2007.

NAFA MULTI ASSET FUND

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2008

1 LEGAL STATUS AND NATURE OF BUSINESS

NAFA Multi Asset Fund (NMF) was established under a Trust Deed executed between National Fullerton Asset Management Limited (NAFA) as Management Company and Central Depository Company of Pakistan Limited (CDC) as Trustee. The Trust Deed was executed on December 06, 2006 and was approved by the Securities and Exchange Commission of Pakistan (SECP) on December 20, 2006 in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules).

NMF is an open-ended mutual fund and is listed on the Lahore Stock Exchange. Units are offered for public subscription on a continuous basis. The units are transferable and can be redeemed by surrendering them to the Fund.

The core objective of the fund is to provide its investors with a combination of capital growth and income. The Fund aims to achieve attractive returns at moderate levels of risk by investing in a variety of asset classes such as stocks, bonds, money market instruments, Continuous Funding System (CFS) etc.

JCR-VIS Credit Rating Company Limited (JCR-VIS) has assigned an asset manager rating of AM2 to the Management Company. The Management Company has initiated the process of obtaining the rating of the Fund. Pending completion of this process, the rating of the Fund has not been disclosed in these financial statements.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2007 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP prevail.

2.2 Amendments to published accounting standards effective in 2008

Amendments to IAS 1 - "Presentation of Financial Statements - Capital Disclosures", introduces certain new disclosures about the level of and the management of an entity's capital. Adoption of this amendment has only resulted in additional disclosures relating to the management of NMF's unitholders' funds which have been set out in note 29 of these financial statements.

Other new standards, amendments and interpretations that are mandatory for accounting periods beginning on or after July 1, 2007 which are not considered relevant nor have any significant effect on the Fund's operations are not detailed in these financial statements.

2.3 Standards, interpretations and amendments to published approved accounting standards that are not yet effective

The following standards, amendments and interpretations of approved accounting standards, effective for accounting periods beginning on or after January 1, 2008 are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements other than increased disclosures in certain cases:

IAS 1 - Presentation of Financial Statements (Revised-September 2007) effective from January 1, 2009

IAS 23 - Borrowing Costs (Revised March 2007) effective from January 1, 2009

Amendments to IAS 27 (Revised) -
Consolidated and Separate Financial Statements effective from July 1, 2009

NAFA MULTI ASSET FUND

IFRS 3 (Revised) - Business Combinations	effective from July 1, 2009
IFRS 7 - Financial Instruments: Disclosures	effective from April 28, 2008
IFRS 8 - Operating Segments	effective from January 1, 2009
IFRIC 12 - Service Concession Arrangements	effective from January 1, 2008
IFRIC 13 - Customer Loyalty Programmes	effective from July 1, 2008
IFRIC 14 - IAS 19 - The Limit on a Defined Benefit Asset, Minimum Funding Requirement and their interaction	effective from January 1, 2008
IFRIC 15 - Agreements for the Construction of Real Estate	effective from January 1, 2009
IFRIC 16 - Hedges of a Net Investment in a Foreign Operation	effective from October 1, 2008

2.4 Critical accounting estimates and judgements

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires the management to exercise its judgement in the process of applying the Fund's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience, including expectations of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgement was exercised in application of accounting policies are as follows:

- i) Classification and valuation of investments (note 3.2 and note 5)
- ii) Amortisation of preliminary expenses and floatation costs (note 3.7 and note 9)

2.5 Accounting convention

These financial statements have been prepared under the historical cost convention except that certain investments have been carried at fair value.

2.6 Functional and Presentation Currency

These financial statements are presented in Pak Rupees, which is the Fund's functional and presentation currency.

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below:

3.1 Cash and cash equivalents

Cash and cash equivalents include demand deposits with banks, other short term highly liquid investments with original maturities of three months or less and bank overdrafts.

3.2 Investments

All purchases and sales of securities that require delivery within the time frame established by regulation or market convention are recognised at the trade date. Trade date is the date on which the Fund commits to purchase or sell the assets. The management determines the appropriate classification of the investments made by the Fund in accordance with the requirements of International Accounting Standard (IAS) 39: 'Financial Instruments: Recognition and Measurement', at the time of purchase and re-evaluates this classification on a regular basis.

NAFA MULTI ASSET FUND

Investments are categorised as follows:

a) Financial assets at fair value through profit or loss

Investments that are acquired principally for the purpose of generating a profit from short-term fluctuations in prices are classified as 'Financial assets at fair value through profit or loss'. Financial assets at fair value through profit or loss are initially recognised at fair value. Transaction costs are expensed in the income statement. Subsequent to initial recognition these investments are marked to market using the closing market rates at the end of each day and are carried on the Statement of Assets and Liabilities at fair value. Net gains and losses arising on changes in fair values of these investments are taken to the Income Statement.

Investments in unquoted debt securities are also carried at fair value.

b) Available for sale

Investments intended to be held for an indefinite period of time which may be sold in response to needs for liquidity or changes in prices, are classified as 'available for sale'.

Investments categorised as available for sale are initially recognised at fair value plus transaction costs that are directly attributable to the acquisition of the financial assets. Subsequent to initial recognition, 'available for sale' investments are measured at fair value. Net gains and losses arising on changes in fair values of these investments are taken to equity until the available for sale investment is derecognised. At this time, the cumulative gain or loss previously recognised directly in equity is transferred to the income statement.

The Fund assesses at each balance sheet date whether there is objective evidence that a financial asset classified as available for sale is impaired. If evidence of impairment exists, the cumulative loss recognised in equity is removed from equity and recognised in the income statement.

Investment in unquoted debt securities are also carried at fair value.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or where the Fund has transferred substantially all risks and rewards of ownership.

3.2.1 Change in accounting policy in respect of subsequent measurement of investments in unlisted debt securities

During the year the Fund has changed its accounting policy in respect of subsequent measurement of investments in unlisted debt securities. As per the Fund's revised accounting policy, subsequent to initial recognition, investment in unlisted debt securities are measured at fair value in line with the requirements set out by IAS 39; 'Financial Instruments: Recognition and Measurement'. Previously, subsequent to initial recognition, such investments were carried at cost / investment price in accordance with the methodology for valuation of unlisted debt securities specified in the NBFC Rules.

The above change has been made keeping in view the amendments made in the NBFC Rules and the simultaneous promulgation of the NBFC Regulations by the SECP in November 2007. The requirements to compute the net assets of a collective investment scheme previously laid down in the NBFC Rules are now set out under clause 2(i)(xvi) of the NBFC Regulations. In the absence of any specific guidance on the valuation of investments in unlisted debt securities contained in the NBFC Regulations the Fund has adopted the measurement principles set out under IAS-39 for valuation of such securities. The change in accounting policy has not been applied retrospectively as it is impracticable to do so.

Had there been no change in the accounting policy, the carrying value of investments as at June 30, 2008 would have been lower by Rs 2,572 thousand.

3.2.2 Change in basis for determination of fair value of listed debt securities

During the year the Fund has changed its basis for determination of fair value of listed debt securities, subsequent to their initial recognition. This change has been made to comply with the requirements set out in the NBFC Regulations issued by SECP in November 2007. The requirements to compute the net assets of a collective investment scheme previously laid down in the NBFC Rules are now set out under clause 2(i)(xvi) of the NBFC Regulations. In accordance with the NBFC Regulations

NAFA MULTI ASSET FUND

debt securities listed but not regularly traded on the stock exchange are valued, subsequent to initial recognition, at the average rate notified by the Mutual Funds Association of Pakistan based on the average rates quoted by top three brokers, in terms of volume traded during the last three months in that debt security.

Previously, the investments of the Fund in listed debt securities were revalued using the average of the rates quoted by certain brokerage houses. This methodology for determination of fair value of listed debt securities was not in accordance with the NBFC Rules which required such investments to be revalued using the rates quoted on the stock exchange on which these investments were listed. However, the management was of the view that the rates used by the Fund were representative of the fair market value of these investments and that such valuation methodology was fair to the existing as well as the new investors.

The change in basis for determination of fair value of listed debt securities has not made any material impact on the net assets of the Fund as it is broadly on the same lines as the valuation methodology previously used by the Fund.

3.3 Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

Loans and receivables are initially recognised at fair value plus transaction costs. Subsequent to initial recognition these are carried at amortised cost.

3.4 Securities under resale agreements – Continuous Funding System (CFS) transactions

Securities purchased under an agreement to resell (reverse repo) are included as receivable against CFS transactions at the fair value of the consideration given. The CFS transactions are accounted for on the settlement date. The difference between the purchase and sale price is treated as income from CFS transactions in the Income Statement and is recognised over the term of the respective transactions. Transaction costs are included in the initial measurement of all CFS transactions except for transaction costs that may be incurred on disposal.

3.5 Spread transactions (Ready-Future Transactions)

In accordance with the requirements of IAS 39, securities purchased by the Fund in the ready market are carried on the Statement of Assets and Liabilities till their eventual disposal, and the forward sale of securities in the futures market is accounted for separately as a 'derivative'.

3.6 Impairment

The carrying amount of assets is reviewed at each balance sheet date to determine whether there is any indication of impairment of any asset or group of assets. If any such indication exists, the recoverable amount of such assets is estimated and impairment losses are recognised immediately in the financial statements.

3.7 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund.

3.8 Provisions

Provisions are recognised when the Fund has a present, legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.9 Taxation

Provision for current taxation is based on the taxable income at the current rates of taxation after taking into account tax credits, rebates and exemptions, if any, and is made in accordance with the provisions of the Income Tax Ordinance, 2001.

NAFA MULTI ASSET FUND

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilised tax losses to the extent that it is probable that the related tax benefit will be realised. However, the Fund has not recognised any amount in respect of deferred tax in these financial statements as the Fund intends to avail the tax exemption under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001, in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realised or unrealised, to its unit holders every year.

3.10 Proposed distributions

Distributions declared subsequent to the balance sheet date are considered as non-adjusting events and are recognised in the financial statements in the period in which such distributions are declared.

3.11 Financial assets and financial liabilities

Financial assets carried on the Statement of Assets and Liabilities include balances with banks, receivables against sale of investments, receivable against Continuous Funding System (CFS) transactions, investments, loans and receivables, income receivable and certain other receivables.

Financial liabilities carried on the Statement of Assets and Liabilities include payable to National Fullerton Asset Management Limited – Management Company, payable to Central Depository Company of Pakistan Limited – Trustee, payable against redemption of units and accrued expenses and other liabilities.

The particular recognition methods adopted for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with these assets and liabilities.

3.12 Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Statement of Assets and Liabilities when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.13 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that date. The offer price represents the Net Asset Value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. Currently, the fund is charging sales load (front end load) at the rate of three percent of net asset value per unit.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours of that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.14 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Fund records that portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period which pertains to income / (losses) that form part of the Unit Holders' Funds in a separate reserve account and any amount remaining in this reserve account at the end of an accounting period (whether gain or loss) is included in the amount available for distribution to the unit holders. The remaining portion of the net element of income / (loss) and capital gains / (losses) relating to units issued and redeemed during an accounting period is recognised in the Income Statement.

NAFA MULTI ASSET FUND

3.15 Revenue recognition

- Capital gains / (losses) arising on sale of investments are included in the Income Statement on the date at which the transaction takes place.
- Income on reverse repurchase (reverse repo) transactions and Continuous Funding System (CFS) transactions is recognised on an accrual basis.
- Dividend income is recognised when the right to receive the payment is established.
- Income on Term Finance Certificates is recognised on time proportion basis.
- Income from clean placements and Certificates of Investment is recognised on an accrual basis.
- Unrealised gains / losses arising on revaluation of investments classified as 'financial assets at fair value through profit or loss' are included in the Income Statement in the period in which they arise.
- Profit on bank deposits is recognised on an accrual basis.

3.16 Foreign currency translation

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in income statement. Translation differences on non-monetary financial assets and liabilities such as equities at fair value through profit or loss are recognised in the Income Statement within the fair value net gain or loss.

NAFA MULTI ASSET FUND

16 NET ASSET VALUE PER UNIT

The Net Asset Value per unit as disclosed on the Statement of Assets and Liabilities is calculated by dividing the net assets of the Fund by the number of units in circulation at the year / period end.

For the year
ended June
30, 2008

For the
period from
January 15,
2007 to June
30, 2007

(Rupees in '000')

17 PROFIT ON BANK DEPOSITS

Income on savings deposits	30,432	8,143
Income on term deposits	669	-
	31,101	8,143

18 AUDITORS' REMUNERATION

Audit fee	200	175
Half yearly review	80	-
Out of pocket expenses	10	15
	290	190

19 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund has not recorded a tax liability in respect of income relating to the current year as the management company has decided to distribute at least 90 percent of the Fund's accounting income for the year as reduced by capital gains (whether realised or unrealised) to its unit holders.

20 EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended June 30, 2008 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

21 TRANSACTIONS WITH CONNECTED PERSONS

21.1 Connected persons include National Fullerton Asset Management Limited being the Management Company, Central Depository Company of Pakistan Limited being Trustee, National Bank of Pakistan, NIB Bank Limited and Alexandra Fund Management Pte. Limited being the sponsors, other collective investment schemes managed by the Management Company and directors and officers of the Management Company..

21.2 The transactions with connected persons are in the normal course of business, at contracted rates and terms determined in accordance with market rates.

21.3 Remuneration and front-end load payable to the Management Company is determined in accordance with the provisions of the NBFC Regulations and the Trust Deed respectively.

21.4 Remuneration payable to the Trustee is determined in accordance with the provisions of the Trust Deed.

22 YIELD / INTEREST RATE RISK

- 22.1 The Fund is mainly exposed to mark-up / interest rate risk on its investment portfolio. The Investment Committee of the Fund reviews the portfolio of the Fund on a regular basis to ensure that risk is managed within acceptable limits. Yield / interest rate sensitivity position for on balance sheet financial instruments is based on the earlier of contractual repricing or maturity date and for off balance sheet instruments is based on settlement date.

Patrick Pang	5	5	-	
Shahid Anwar	5	2	3	12th, 13th and 16th meeting
Masroor Qureshi	5	5	-	

28 RISK MANAGEMENT POLICIES

28.1 Market risk

Market risk is the risk that the value of a financial instrument may fluctuate as a result of changes in market interest rates or market price of securities due to change in credit rating of the issuer of the instrument, change in market sentiments, supply and demand of securities and liquidity in the market. There is a possibility of default of participants and of failure of the financial markets / stock exchanges, the depositories, the settlement or the clearing system etc.

The Management Company manages the market risk by monitoring exposure on marketable securities by following internal risk management policies and regulations laid down by the Securities and Exchange Commission of Pakistan.

28.2 Credit risk

Credit risk arising from the inability of the counterparties to fulfill their obligations in respect of financial instrument contracts, is generally limited to the principal amount and accrued income thereon. The Fund's policy is to enter into financial instrument contracts by following internal guidelines such as approving counterparties, approving credit, obtaining adequate collateral and transacting through approved brokers.

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse creditworthy counterparties thereby mitigating any significant concentration of credit risk.

28.3 Liquidity risk

Liquidity risk is the risk that an enterprise will encounter difficulty in raising funds to meet commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial asset at close to its fair value. In addition the Fund is exposed to daily cash redemption of units. The Management Company manages liquidity risk by following internal guidelines such as monitoring maturities of financial assets and financial liabilities and investing in highly liquid financial assets.

28.4 Yield / Interest rate risk

Yield risk is the risk of decline in earnings due to adverse movements of the yield curve. Yield / interest rate risk arises from the possibility that changes in market rates of return will affect the value of the financial instruments. A Fund is exposed to yield / interest rate risk as a result of mismatches or gaps in the amounts of financial assets and financial liabilities that mature or reprice in a given period. The Fund manages this risk by matching the repricing of financial assets and liabilities through risk management strategies. The position for financial instruments is based on earlier of contractual repricing date or maturity.

NAFA MULTI ASSET FUND

29 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit holders' fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share, based on the Fund's net asset value per unit on the redemption date. The relevant movements are shown on the statement of movement in unit holders' fund.

The Fund has no restrictions on the subscription and redemption of units. There is no specific capital requirement which is applicable on the Fund.

The Fund's objectives when managing unit holders' fund are to safeguard its ability to continue as a going concern so that it can continue to provide returns to unit holders and to maintain a strong base of assets under management.

In accordance with the risk management policies stated in note 28, the Fund endeavours to invest the subscriptions received in appropriate investments while maintaining sufficient liquidity to meet redemption, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

30 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradeable in an open market are revalued at the market prices prevailing on the balance sheet date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from book values as the items are either short term in nature or periodically repriced.

31 NON-ADJUSTING EVENT AFTER THE BALANCE SHEET DATE

The Board of Directors of the Management Company in their meeting held on July 03, 2008 have approved a final distribution at the rate of 4.221 percent (2007 : 16.40 percent). The financial statements of the Fund for the year ended June 30, 2008 do not include the effect of the distribution which will be accounted for in the financial statements of the Fund for the year ending June 30, 2009.

32 DATE OF AUTHORISATION FOR ISSUE

These financial statements were authorised for issue by the Board of Directors of the Management Company on August 11, 2008.
